SUMMARY

The General Manager of the Los Angeles Housing Department (LAHD) respectfully requests that your office review and approve this transmittal and forward it to the City Council for further consideration. Through this transmittal, LAHD seeks approval, and requests authority to enter into contract negotiations with the recommended vendors contained in this report, and to execute a contract with the vendor that best meets the Department's systems needs for a new housing development software system.

RECOMMENDATIONS

- I. That the Mayor review this transmittal and forward to the City Council for further action;
- II. That the City Council, subject to the approval of the Mayor:
 - A. AUTHORIZE the General Manager of LAHD, or designee, to negotiate a contract with Emphasys Software to access and customize their software suite to meet LAHD's system needs;
 - B. AUTHORIZE the General Manager of LAHD, or designee, to negotiate a contract with the next qualified proposer to access and customize their software suite, should contract negotiations under Recommendation II.A with Emphasys fail;

- C. AUTHORIZE the General Manager of LAHD, or designee, to execute a contract with the vendor whose negotiations result in a mutually agreeable solution. The contract shall commence on or about July 1, 2022, for a two-year period, with an option to renew for an additional year, subject to the following: a) availability of funds; b) contractor's continuing compliance with applicable federal, state, and local government legislation; c) satisfactory contractor performance; and, d) approval of the City Attorney as to form;
- D. RESOLVE that the following position within LAHD's Housing Development Bureau is approved, subject to position allocation by the Personnel Department and pay grade determination by the CAO.

| No. of Positions | Class Code | Classification Title |
|------------------|------------|----------------------|
| 1 | 9184 | Management Analyst |

- E. AUTHORIZE the General Manager of LAHD, or designee, to prepare Controller instructions and any necessary technical adjustments consistent with Mayor and City Council actions, subject to the approval of the City Administrative Officer (CAO), and instruct the Controller to implement the instructions.

BACKGROUND

On July 19, 2021, the City Council and Mayor authorized LAHD to release a Request for Proposals (RFP) to replace the current Housing Information Management System (HIMS), the department's primary system to manage its affordable housing programs and housing asset portfolio, which was developed as a web-based system in 2008 (C.F. No. 21-0685).

On July 19, 2021 LAHD released the RFP to solicit proposals from qualified firms. The release of the RFP was advertised in the Daily Journal and a notice of release was emailed to interested individuals. The RFP was released through the Los Angeles Business Assistance Virtual Network (LABAVN) to ensure that the opportunity to participate was made available to a wide pool of applicants. To be eligible for consideration, proposers are required to be qualified to conduct business in California and in good standing with applicable regulatory oversight agencies. All firms must possess a minimum of five (5) years of direct and/or related experience in administering part or all of the services solicited. A mandatory proposers' conference was held on July 29, 2021, and proposals were due by August 30, 2021.

Prior to the proposal submission deadline, LAHD established four evaluation teams comprised of program staff to objectively review proposal submissions. Each evaluator team was comprised of one member of the Development & Finance Division, one member of the Asset Management Division, one member of the Accounting Division, and one member of the Systems Division.

RFP Results

LAHD received eight proposals in response to the RFP, all of which underwent an initial threshold review to determine if the minimum eligibility requirements and City contracting requirements had been met. As a result

of the threshold review, one proposal was found to be ineligible for further evaluation and the proposer was notified accordingly.

Each eligible proposal was evaluated and scored based on its responsiveness to the RFP in accordance with the criteria described in Table 1, below.

| TABLE 1: EVALUATION CRITERIA | | |
|-------------------------------------|--|---------------|
| Item | Evaluation Criteria | Points |
| 1 | <u>QUALIFICATIONS OF PROPOSER</u> Qualifications of project team and experience in successful delivery of similar solutions | 15 |
| 2 | <u>QUALITY OF PROPOSED BUSINESS SOLUTION</u> Meets functional, technical, implementation, and service support requirements | 20 |
| 3 | <u>FEATURES OF PROPOSED SOLUTION</u> Provides desired programmatic features; will culminate with a demonstration of the proposed solution | 55 |
| 4 | <u>COSTS</u> Overall costs of solution | 10 |
| | TOTAL POINTS | 100 |

The above scoring process resulted in the three top proposals being scored within a quarter percentage point, with no proposal receiving above a score of 78.75. Three proposals did not receive a passing score. As such, the top four proposals were asked to submit recorded follow-up demonstrations in response to a series of prompts that provided a more holistic sense of how the proposed solutions would address the Department's needs.

Three of the four top proposers submitted follow-up demonstrations and were ranked by six staff members from the original evaluator teams to determine which solution best addressed the stated requirements. This additional layer of review resulted in almost a dead tie between two of the proposers.

The evaluator rankings were communicated to a core team of staff to make a final recommendation between the solutions, and essentially serve as the tie-breaker. The core team conducted a side-by-side comparison of how both solutions address key system requirement areas. Once this comprehensive assessment was conducted, Emphasys was found to have the stronger solution for 8 of the 12 areas reviewed. In addition, Emphasys has a lower cost over five years.

Extended Contract Negotiations

Even though Emphasys was determined to have the strongest combined written proposal and demonstration, along with the most cost-effective solution to meet LAHD's needs, specific follow-up questions about Emphasys' solution have yet to be answered. It has been LAHD's practice to request Council authority to negotiate with the vendor. LAHD will utilize the contract negotiation period to go over all the requirements with Emphasys and the department's business units. If the solution is deemed unable to meet essential points in the scope of work during contract negotiations, LAHD has the option to not execute the contract and to enter into contract negotiations with the next qualified proposer.

Appeals Process

On February 18 and 22, 2022, LAHD notified all proposers of the results of the proposal evaluations and whether or not they would be recommended for funding, based on the evaluation of their proposals. Proposers were informed of their rights to file an appeal by submitting a letter to LAHD within five (5) business days of receiving notification of the RFP results. No appeal requests were received by the deadline.

Contract Term

The proposed vendor contract is for a term of three years.

Contract Funding

None of the proposed solutions will be able to provide LAHD with an out-of-the-box solution that meets all the key system requirements; customization of the proposed solution will be required. As such, the base cost of the Emphasys solution, \$709,513 with no customization or hosting, exceeds the \$702,500 budget stated in the RFP. In addition, the proposal from Emphasys estimates \$200,000 to provide customizations necessary to meet the Department's needs; and hosting is estimated to cost \$92,000. A combined allocation of \$970,000 in Linkage Fee revenue and LEAP Grant funds has already been approved for this purpose and will be used to fund the contract. LAHD will utilize contract negotiations to reach a scope of work for customizing the proposed solution to fall within this existing allocation.

LAHD Program Data Manager

The selected vendor and LAHD staff will need to work together to synthesize the currently employed workflows and procedures into a systems map that will allow customization of the selected solution. The goal is a fully integrated approach to project development, program management, data collection, and departmental reporting. Each functional area will be analyzed in relation to the other, as well as to the Department's broader goals. The ultimate goal will be to seamlessly transition program workflows into a new system. This will require a great deal of work by program staff, not only to act as an intermediary between LAHD Systems team, their contractor, and the vendor, but also to ensure that data in the old Housing Information Management System (HIMS) is up-to-date and that data migration into the new system is as complete as possible.

This data manager will also work to ensure that the data is organized, stored and secure. Moreover, this staff will be responsible for developing systems, procedures and policies for data management. LAHD anticipates this effort becoming a full-time job for a Management Analyst.

FISCAL IMPACT

There is no impact to the General Fund. Funding for the contract is from LEAP grant Fund 49N 43T792 and the Housing Impact Trust Fund 59T Account 43S792.

The approved Budget for this Agreement does not include any line item for overtime work. Any overtime expenditures incurred by Contractor shall not be reimbursed through this Agreement.

- L. Reallocation of Funds: City reserves the right to unilaterally decrease funds allocated to Contractor in the event that the City determines that (i) Contractor has failed to provide adequate services as required in this Agreement, (ii) Contractor, based on its spending pattern as evidenced by invoices submitted, shall have unexpended funds at the end of the Term, or (iii) City determines that a reallocation of funds would better meet program objectives. Such reallocation of funds may be by written amendment to this Agreement or unilaterally imposed by the City by written notice to Contractor.

Contractor shall require its subcontractors, if any, to include this language in any subcontract.

§502 INSURANCE

A. General Conditions

- 1. During the Term and without limiting Contractor's duty of indemnification herein, Contractor shall provide and maintain at its own expense a program of insurance having coverage and limits customarily carried and actually arranged by the Contractor but not less than the amounts and

types listed on the Required Insurance And Minimum Limits Sheet (Form Gen. 146) in Exhibit "B" hereto, covering its operations hereunder. Such insurance shall conform to City requirements established by Charter, ordinance or policy, shall comply with instructions set forth on the City of Los Angeles—Instructions And Information On Complying With City Insurance Requirements (Revised 05/18) document, and shall otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. Specifically, such insurance shall: 1) protect City as an Insured or an Additional Interest Party, or a Loss Payee As Its Interest May Appear, respectively, when such status is appropriate and available depending on the nature of applicable coverage; 2) provide City at least thirty (30) days advance written notice of cancellation, material reduction in coverage or reduction in limits when such change is made at option of the insurer; and 3) be primary with respect to City's insurance plan. Except when City is a named insured, Contractor's insurance is not expected to respond to claims which may arise from acts or omissions of the City.

2. The standard City insurance conditions are incorporated into the sample standard subcontract provisions. The specific insurance coverages and limits shall be described by contractor in any RFP for subcontractor services. These coverages and limits should be tailored to the individual subcontract. For City contracts, Required Insurance and Minimum Limits are set by the City Risk Management staff in the Office of the City Administrative Officer on the Form Gen. 146. Electronic submission is the preferred method of submitting your evidence of insurance documents. **KwikComply** is the City's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the ACORD 25 Certificate of Liability Insurance in electronic format. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply™** at <http://kwikcomply.org> and follow the instructions to register and submit the appropriate proof of insurance on your behalf. Additional instructions and information on complying with City insurance requirements can be found at http://cao.lacity.org/risk/Submitting_proof_of_Insurance.pdf.

B. Modification of Coverage

City reserves the right at any time during the Term to change the amounts and types of insurance required hereunder by giving Contractor ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to Contractor, City agrees to negotiate additional compensation proportional to the increased benefit to City.

C. Failure to Procure Insurance

All required insurance must be submitted and approved by the City Administrative Officer/Risk Management/Insurance and Bonds prior to the performance of services, inception of any operations or tenancy by Contractor. The required coverages and limits are subject to availability on the open market at reasonable cost as determined by City. Non-availability or non-affordability must be documented by a letter from Contractor's insurance broker or agent indicating a good faith effort to place the required insurance and showing as a minimum the names of the insurance carriers and the declinations or quotations received from each.

Within the foregoing constraints, Contractor's failure to procure or maintain required insurance or a self-insurance program during the Term shall constitute a material breach of this Agreement under which City may immediately suspend or terminate this Agreement or, at its discretion, procure or renew such insurance to protect City's interests and pay any and all premiums in connection therewith and recover all monies so paid from Contractor.

D. Workers' Compensation

By signing this Agreement, Contractor hereby certifies that it is aware of the provisions of §3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that it shall comply with such provisions at all such times as they may apply during the performance of the work pursuant to this Agreement.

A Waiver of Subrogation in favor of City shall be required when work is performed on City premises under hazardous conditions.

In performing this Agreement, the Contractor shall not discriminate in its employment practices, including compensation, against any employee or applicant for employment, because of such person's race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, citizenship and political affiliation or belief. If this Agreement contains a consideration in excess of One Thousand Dollars (\$1,000), Contractor shall comply with the Equal Employment practices provisions of Los Angeles Administrative Code §10.8.3, in which event said provisions are incorporated herein by this reference. If this Agreement contains a consideration in excess of Twenty Five Thousand Dollars (\$25,000), the Affirmative Action Program of this Agreement shall be the mandatory contract provisions set forth in Los Angeles Administrative Code §10.8.4, in which event said provisions are incorporated herein by this reference. The Contractor shall also comply with all rules, regulations, and policies of the City's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action.
- C. Any subcontract entered into by Contractor relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section.
- D. No person shall on the grounds of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, citizenship, and political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this program/project. Contractor shall comply with the federal and City standards in the award of any subcontracts. For purposes of this Agreement, subcontracts shall include, but not be limited to, purchase agreements, rental or lease agreements, third party agreements, consultant service contracts and construction subcontracts. Contractor shall comply with subcontracting/procurement requirements set forth in Exhibit "I", which is attached hereto and incorporated herein by reference, and shall ensure that the terms of this Agreement are incorporated into all subcontractor agreements. Contractor shall submit all subcontractor agreements to the City for review prior to the release of any funds to the subcontractor. Contractor shall withhold funds to any subcontractor that fails to comply with the terms and conditions of this Agreement and their respective subcontractor agreement.

8. REMEDIES

§801 DEFAULTS

Should the Contractor fail for any reason to comply with the contractual obligations of this Agreement, including but not limited to, meet the Performance Standards, start up the program on time, provide services according to plan and/or to benefit customers and the provisions of the Agreement, maintain expenditures at an approved rate in the Budget, resolve performance problems in a timely manner, demonstrate the capabilities to solve identified problems within a specific time, provide necessary fiscal or Management Information Services documents to City in a timely manner, maintain agreed cost per placement or utilize grant funds in accordance with the terms and conditions of the Agreement, the City reserves the right to take any or all of the following actions at its discretion:

- A. Notify Contractor of performance deficiencies in accordance with §804 of this Agreement.
- B. Withhold the release of funds.

- C. Require that no funds be advanced to Contractor until Contractor has provided for the security of funds advanced by a Surety/performance bond. The amount and form of the security, if required, shall be determined by the City as noted on the Insurance Requirement Form and is subject to prior City approval.
- D. Modify and/or renegotiate the funding/service level and/or make any changes in the general scope of this Agreement.
- E. Require Contractor to secure at its own expense the services of independent experts.
- F. Require specific performance progress reports for identified time periods.
- G. Reduce compensation within the scope of the City's reallocation policy.
- H. Suspend operations in accordance with §803 below of this Agreement.
- I. Terminate the Agreement.

§802 NOTICE TO CORRECT PERFORMANCE

- A. The City may notify Contractor of its failure to comply with the terms and conditions of this Agreement by giving written notice, effective upon date of such notice, which states the specific performance deficiencies to be corrected.
- B. Within five (5) working days, Contractor shall reply in writing setting forth the corrective actions that shall be undertaken to remedy the performance deficiencies, which actions are subject to City approval in writing.
- C. Contractor shall thereafter submit monthly progress reports to the City in accordance with the City approved corrective action plan specifying the actions taken and resolution of the performance deficiencies.

§803 SUSPENSION OF THE AGREEMENT

- A. The City may, by giving written notice, suspend all or part of the project operations for Contractor's failure to comply with the terms and conditions of this Agreement; and may notify the bank identified on the City form referenced in §104.A.3 above that all funds are frozen pending further notice from the City. This Notice of Suspension shall be effective upon the date of the City's written notice.
- B. This notice shall set forth the specific conditions of noncompliance and the period provided for corrective action.
- C. Within five (5) working days from the date of written City notification, Contractor shall reply in writing setting forth the corrective actions which shall be undertaken, subject to City approval in writing.

§804 TERMINATION OF AGREEMENT

- A. At any time during the Term the City may terminate this Agreement, or any part of the Agreement, upon giving Contractor at least 30 days written notice prior to the effective date of the termination, which date shall be specified in the notice. The City is not required to use other remedies provided herein prior to issuing a 30 day notice to terminate the Agreement. Upon the receipt of such notice, Contractor shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities or as otherwise approved by the City.

- B. Contractor shall retain and dispose of all customers' documents and related records required by Contractor under this Agreement, in accordance with City Directives or written instructions. All finished and unfinished documents and materials procured for or produced under this Agreement, including all intellectual property rights thereto, shall become City property upon the date of such termination. Contractor agrees to execute any documents necessary for the City to perfect, memorialize or record the City's ownership of rights provided herein.
- C. Contractor shall return to the City all equipment that was purchased with City grant funds pursuant to this Agreement.
- D. In the event Contractor dissolves or otherwise goes out of existence, copies of all records relating to the project or activity that are the subject of this Agreement shall be furnished to the City.
- E. Upon satisfactory completion and documentation of termination activities, the City shall determine the total amount of funds earned by Contractor.
- F. The City may withhold any payments due to Contractor after notice of termination has been issued for the purpose of set-aside until the exact amount of damages or unearned dollars due to the City from Contractor is determined.
- G. Subsections B, C, D, E, and F above shall also apply to Agreements terminating upon the date specified in §201 of the foregoing Agreement or upon completion of performance of this Agreement.
- H. This Agreement may be terminated immediately for any violation of City Lobbying Ordinances.
- I. In the event the City terminates this Agreement as provided in this section, the City may procure, upon such terms and in such manner as the City may deem appropriate, services similar in scope and level of effort to those so terminated, and Contractor shall be liable to the City for all of its costs and damages, including, but not limited to, any excess costs for such services.
- J. If, after notice of termination of this Agreement, under the provisions of this section, it is determined for any reason that Contractor was not in default under the provisions of this section, or that the default was excusable under the terms of this Agreement, the rights and obligations of the parties shall be the same as if the notice of termination had not been issued pursuant to this section.

§805 NOTICES OF SUSPENSION OR TERMINATION

In the event that this Agreement is suspended or terminated, Contractor shall immediately notify all employees and customers and shall notify in writing all other parties contracted with under the terms of Agreement within five (5) working days from the City's written notice.

Such terms and conditions shall include, but not be limited to, §§404 through 407, 505(A)(2), 602, 604 and 608.

§902 ORDER OF PRECEDENCE

In the event of any inconsistency between the documents regarding this Agreement, said inconsistency shall be resolved by giving precedence to (i) the body of the Agreement, (ii) the terms of applicable City ordinances and regulations, (iii) the other exhibits and attachments hereto, and (iv) any documents provided by Contractor.

§903 RATIFICATION CLAUSE

Due to the need for the Contractor's services to be provided upon commencement of the Term, Contractor may have provided services prior to the execution of this Agreement. To the extent that said services were performed in accordance with the terms and conditions of this Agreement, those services are hereby ratified and accepted.

§905 NUMBER OF PAGES AND ATTACHMENTS

This Agreement is executed in three (3) duplicate originals, each of which is deemed to be an original. STANDARD PROVISIONS FOR CITY CONTRACTS

PSC – 1. CONSTRUCTION OF PROVISIONS AND TITLES HEREIN

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word “**CONTRACTOR**” includes the party or parties identified in this Contract. The singular shall include the plural; if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC – 2. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including, but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of the Contract shall not be affected.

PSC – 3. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of the **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC – 4. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC – 5. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC – 6. EXCUSABLE DELAYS

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC – 7. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC – 8. SUSPENSION

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC – 9. TERMINATION

A. TERMINATION FOR CONVENIENCE

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.
3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC – 10. INDEPENDENT CONTRACTOR

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC – 11. CONTRACTOR'S PERSONNEL

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC – 12. ASSIGNMENT OR DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC – 13. PERMITS

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC – 14. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC – 15. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC – 16. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC – 17. BONDS

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC – 18. INDEMNIFICATION

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this

section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC – 19. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC – 20. INTELLECTUAL PROPERTY WARRANTY

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributory, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC – 21. OWNERSHIP AND LICENSE

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.

PSC – 22. DATA PROTECTION

GENERAL INFORMATION

1. **Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to Submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the preferred method of submitting your documents. **KwikComply** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACCORD 25 Certificate of Liability Insurance** in electronic format. KwikComply advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Contractor must provide City a thirty (30) day notice of cancellation (ten (10) days for nonpayment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Accord 25 Certificate or edit the existing Accord 25 Certificate through KwikComply at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and selfinsurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. (Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.)

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). A Waiver of Subrogation on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. Builder's Risk/Course of Construction is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A Crime Policy may be required to handle CITY funds or securities, and under certain other conditions. Specialty coverages may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

It has secured and will secure all rights and licenses necessary for Intellectual Property, including, but not limited to, consents, waivers or releases from all authors or music or performances used, and talent (radio, television, and motion picture talent), owners of any interest in and to real estate, site locations, property or props that may be used or shown.
 - d. It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to City/State in this Agreement.
 - e. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance or computer software in violation of copyright laws.
 - f. It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.
2. City/State makes no warranty that the intellectual property resulting from this sub-grant Agreement does not infringe upon any patent, trademark, copyright or the like, now existing or subsequently issued.

L. Intellectual Property Indemnity

- 1. Contractor shall indemnify, defend and hold harmless City/State and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to: (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of City's/State's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or City/State and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this Agreement. City/State reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against City/State.
- 2. Should any Intellectual Property licensed by the Contractor to City/State under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve City's/State's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to City/State. City/State shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for City/State to continue using the licensed Intellectual Property, or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed

Intellectual Property. If such remedies are not reasonably available, City/State may be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

3. Contractor agrees that damages alone would be inadequate to compensate City/State for breach of any term of these Intellectual Property provisions herein by Contractor. Contractor acknowledges City/State would suffer irreparable harm in the event of such breach and agrees City/State shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

M. Survival

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

EXHIBIT I

SUBCONTRACT AND PROCUREMENT PROCEDURES

A. SUBCONTRACTS

1. For the purpose of this Agreement, subcontracts shall include, but not be limited to purchase agreement or lease or rental agreements (excluding real property agreements), third-party agreements, consultant services subcontracts and construction subcontracts.
2. Subcontracts entered into in the performance of this Agreement shall:
 - a. Be subject to the terms and conditions set forth in this Agreement. City may require incorporation of the applicable provisions in a written agreement.
 - b. Specifically prohibit assignment or transfer of interest without prior written approval by the City.
 - c. Contractor must specifically provide proof, when applicable, of the appropriate permits and/or business licenses.
3. A copy of each executed subcontract, or amendment(s) thereto, shall be submitted to the City for approval prior to execution.
4. A copy of each executed subcontract, or amendment(s) thereto, shall be maintained by Contractor and provided to City upon written request.
5. Subcontractors shall be procured consistent with the Procurement Procedures outlined in this Agreement.
6. A subcontractor is defined as a person or business who is awarded a portion of an existing contract by a principal or general contractor. A subcontractor performs work under a contract with a general contractor.

B. PROCUREMENT PROCEDURES

1. It is the policy of the City of Los Angeles (City) to encourage fair and open competition in its procurement for goods and services. The requirements for a fair and open competition include the development of written procurement policies that include, but are not limited to all of the following subsections. Several of the provisions herein include City mandated rules and procedures in addition to the other grant requirements. Such policies are applicable to subcontractors to the extent permitted by law.
 - a. Purpose: It is the intent of these rules that these procedures shall apply to all subcontracts including, but not limited to purchase agreements, lease or rental agreements (excluding real property agreements), third-party agreements, and consultant services subcontracts. All contractors are required to prepare written procurement procedures. All written procedures and policies for procurement activities are to be available for public inspection.
 - b. Responsibilities:
 - (1) The following procedures shall apply to all procurements under this Agreement in order to ensure that all solicitations:
 - (a) Incorporate a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description shall not, in competitive procurement, contain features which unduly restrict competition; and
 - (b) Identify all requirements that the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

- (2) Issue a Public Notification: The notification must be made through an announcement in a local public medium (e.g., newspaper) or other media that covers the entire service area.
- (3) All steps of each procurement must be documented, including a description of the documentation process and where the documentation will be located.
- (4) Contractor shall provide a copy of the bid package to anyone who requests it. Contractor shall compile a list of everyone requesting a copy of the bid package.
- (5) The Contractor shall ensure that all pre-qualified lists of persons, firms or other organizations that are used to acquire goods and services are current and include sufficient numbers of qualified sources to ensure maximum open and free competition. The agencies listed on the bidder's list may be individually notified.
- (6) The Contractor shall maintain records that are sufficient to detail the significant history of a procurement procedure. These records shall include, but are not limited to the following: rationale for the method of procurement; the selection of contract type; contractor selection or rejection; rational and reasonable rating criteria and the basis for the contract type.
- (7) The Contractor shall keep records sufficient to insure that funds have not been spent unlawfully.
- (8) The Contractor shall retain all records pertinent to any procurement agreement/contract within the County of Los Angeles for a period of five (5) years following termination of the Agreement and after final disposition of all pending matters. "Pending Matters" include, but are not limited to an audit, litigation, or other activities involving records. Prior to destruction of records retained under this Agreement, the Contractor shall notify the City and request instructions on disposition of said records.
- (9) The Contractor shall not contract with any party that is debarred, suspended or otherwise excluded from participation in Federal assistance programs. All contracts shall include a self-certification from the contractor that it is not a debarred party.

The Federal government prohibits awards to any party that is debarred. The Federal government compiles a list of debarred parties. The Federal list is published by the General Services Administration. A copy may be obtained by accessing <https://www.sam.gov/SAM/>. The list will be issued as an Information Bulletin in May of each year. It is the Contractor's responsibility to ensure that funds are not awarded to entities on the debarment list.

- (10) Procurement activities must be concluded in a confidential manner. Staff involved in procurements must not divulge advance purchasing information, specific proposal/offer evaluation criteria, and negotiations with bidders or in-house discussions regarding procurement until such time as this information is released to all parties.
- (11) Contractor shall receive and log in proposals and establish a method for recording the date and time of arrival of proposals using either a log-in sheet, or a date/time stamp. Contractor shall establish a single location for receipt of proposals. Contractor shall ensure that the only proposals received by the deadline specified in the bid package qualify for the evaluation process unless there is a valid legal reason for otherwise considering a late proposal.
- (12) Contractor shall establish proposal evaluation procedures that shall include, but not be limited to the following:
 - i. Clear staff responsibilities: A procurement specialist shall be designated for each bid/proposal process. It shall be the responsibility of the specialist to insure compliance with these procurement rules;
 - ii. Develop a standard worksheet or check-list for determining responsiveness of each proposal;
 - iii. Establish and use evaluation criteria and a standard evaluation worksheet to be used in recording the evaluations of each proposal;
 - iv. Prepare an analysis of costs to verify allowability and to determine reasonableness;

- v. Identify staff responsibilities for completing proposal evaluation and for summarizing evaluation results;
- vi. Develop a description of methods for ensuring independence of ratings by those involved in the evaluation process (i.e., prohibit discussion among staff, sequestered evaluations);
- vii. Identify policy and process by which selection of awardee(s) will be made; and
- viii. Provide an opportunity for bidders to appeal staff recommendations.

Items a-c should be sufficiently completed before issuance of the bid package so relevant parts can be included.

- (13) Contractor shall identify complete and timely proposals. Contractor shall review the technical merits of these proposals based on the rating criteria contained in the bid package. Contractor shall review the cost proposals based on applicable cost principles and the technical proposal.
- (14) Contractor shall determine which proposals are in competitive range for technical response and based on the cost and price analysis conducted prior to the release of the bid package.
- (15) Contractor shall negotiate with organization(s) in the competitive range. Contractor shall establish policies and procedures governing face-to-face negotiations. Include in these policies opportunities to seek clarification of the proposal content, the offeror to submit a best and final proposal prior to final evaluation and award. Contractor shall include in the criteria that all responsive offerors in the competitive range are given fair and equal consideration based on the merits of their proposals. Contractor shall document these negotiations in writing.
- (16) Private for-profit entities must obtain prior written approval from the City for purchases of personal property (other than supplies) using Agreement funds.
- (17) Contractor shall conduct and document oversight to ensure compliance with these procurement procedures.
- (18) If the State of California, or the City of Los Angeles has established a debt against a service provider that has not been repaid or a repayment agreement plan has not be implemented, then the service provider shall be barred from receiving any future City funds.
- (19) Participation of Minorities, Women, Disadvantaged and Small Businesses

To the fullest extent possible in the administration of this Agreement, Contractor agrees to provide opportunities for minorities, women, disadvantaged and small businesses to participate in procurements under this Agreement.
- (20) The Contractor shall not use funds provided under this Agreement to duplicate facilities or services available in the area (with or without reimbursement) from Federal, State, or local sources, unless it is demonstrated that the Agreement-funded alternative services or facilities would be more effective or more likely to achieve performance goals.
- (21) The Contractor, to the maximum extent practicable and permitted by law, is encouraged to maximize use of goods, products, and materials produced in the United States when procuring goods and services under Federal awards. (2 CFR 200.322.)
- (22) The Contractor, consistent with 2 CFR 200.216 (Prohibition on certain telecommunication and video surveillance services or equipment (Effective 8/13/2020)), shall be prohibited from obligating or expending loan or grant funds to (1) procure or obtain, (2) extend or renew a contract to procure or obtain, or (3) enter into a contract (or extend or renew a contract) to procure or obtain, equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as a critical technology as part of any system. This prohibition applies even if the contract is not intended to procure or obtain, any equipment, system, or service that uses covered telecommunications

equipment or services. As described in section 889 of the 2019 National Defense Authorization Act, covered telecommunications equipment or services includes: Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

- a. Costs incurred for telecommunications and video surveillance services or equipment such as phones, internet, video surveillance, cloud servers are allowable except for the following circumstances:
 - (i) Obligor or expending covered telecommunications and video surveillance services or equipment or services as described in 2 CFR 200.216 to:
 - (ii) Procure or obtain, extend or renew a contract to procure or obtain;
 - (iii) Enter into a contract (or extend or renew a contract) to procure; or
 - (iv) Obtain the equipment, services, or systems.
- c. Cost or Price Analysis:
 - (1) The non-Federal entity must perform a cost or price analysis in connection with every procurement action in excess of the Simplified Acquisition Threshold including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the non-Federal entity must make independent estimates before receiving bids or proposals.
 - (2) The non-Federal entity must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.
 - (3) Costs or prices based on estimated costs for contracts under the Federal award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the non-Federal entity under Subpart E—Cost Principles of this part. The non-Federal entity may reference its own cost principles that comply with the Federal cost principles.
 - (4) The cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used.
- d. Awarding of Agreement/Contract
 - (1) Prior to an award of a contract, the City/Contractor shall make a determination that the Contractor/Subcontractor has demonstrated effectiveness in providing the requested services. Agreements/Contracts shall be made only with responsible Contractors/Subcontractors who possess the potential ability to perform successfully under the terms and conditions of a proposed procurement. The selected proposer must be a responsive entity that has submitted a proposal or bid which meets all requirements of the solicitation adequately, which includes responding to the Request for Proposal (RFP)/Request of Qualification (RFQ) within the required time frames, and completing all forms and documents. A responsible entity is one that has been determined to: 1) have a satisfactory record of integrity and business ethics; 2) have a satisfactory performance record; 3) have adequate financial resources to perform the contract or the ability to obtain such resources; 4) be able to comply with the required or proposed delivery of performance schedule, taking into consideration all existing commercial and business commitments; 5) have the needed organization, experience, accounting, operational control and technical skills or ability to obtain them; 6) have adequate production, construction or technical equipment and needed facilities or the ability to obtain them; 7) be able to meet the program design specifications; 8) be able to meet performance goals which includes a showing of demonstrated effectiveness in providing employment and training services; 9) be able to provide services that can lead to the achievement of competency standards for participants; and 10) be both qualified and eligible to receive the award under the applicable law and regulation. Contractor/Subcontractor shall make the award(s) and finalize the contract(s). Contractor/Subcontractor shall follow established procedures for formal notification of offerors of the results of the evaluations and selected process.
 - (2) The City/Contractor and its contractors/subcontractors shall make positive efforts to utilize small business and minority-owned business as sources of supplies and services. Such efforts should allow these sources

the maximum feasible opportunity to compete for contracts to be performed utilizing Federal grant funds. If applicable, Contractor/Subcontractor certifies that it has complied with Mayoral Directive 2001-26 regarding the Outreach Program for Personal Services Contracts Greater than \$100,000.

- (3) Where such advertised bids are obtained, the awards shall be made to the responsible bidder whose bid is responsive to the invitation and is most advantageous to the grantee, price and other factors considered. Factors such as discounts, transportation costs, and taxes may be considered in determining the lowest bid. No points shall be given for status as subcontractors or a contractor with an approved childcare policy within existing delivery systems. However, if a bid results in a tie score, preference may be given to the contractor or a subcontractors with an approved child care policy.
- (4) Any or all bids may be rejected when it is in the City/Contractor's interest to do so, and such rejections are in accordance with applicable State and local law, rules, and regulations.

e. Funding Restrictions for High-Risk Contracts

- (1) A contractor may be considered "high-risk" if an awarding agency determines that the contractor is otherwise responsible but:
 - (a) Has a history of unsatisfactory performance;
 - (b) Is not financially stable;
 - (c) Has a management system that does not meet the management standards set forth in this part; or
 - (d) Has not conformed to terms and conditions of a previously awarded grant or sub-grant.
- (2) If the City/Contractor agency determines that a grant or sub-grant shall be made to a "high-risk" contractor or subcontractors, then special funding restrictions that address the "high-risk" status may be included in the contract or subcontract. Funding restrictions may include, but are not limited to:
 - (a) Use of reimbursements rather than advances or payment upon completion of the project;
 - (b) Requiring additional and/or more detailed financial or performance reports;
 - (c) Additional monitoring;
 - (d) Requiring the contractor or subcontractors to obtain specific technical or management assistance, and/or
 - (e) Establishing additional prior approvals (e.g., requiring awarding agency approval prior to hiring/firing, award of small purchase contracts).
- (3) If the City/Contractor decides to impose such funding restrictions, the awarding official shall notify the contractor or subcontractors as early as possible, in writing, of:
 - (a) The nature of the funding restriction(s);
 - (b) The reason(s) for imposing them;
 - (c) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions;
 - (d) The method of requesting reconsideration of the restrictions imposed; and
 - (e) Additional prior approvals.

f. City Code of Conduct

All contractors shall adopt a Code of Conduct in accordance with the requirements as set forth in §504 of this Agreement.

g. Methods of Procurement

- (1) Contractor shall use one (1) of the following methods of procurement either by bid or proposal, as appropriate for each procurement action, for entering into contracts with subcontractors. Contractors shall conduct procurement in a manner that provides full and open competition. Contractor shall perform a cost or price analysis in connection with every procurement action in excess of the small purchase procedures, including contract modifications to determine that the expenditure is reasonable. When any purchase is made, it can only be for an allowable cost. Invitations for bids shall clearly set forth all requirements that the bidder must fulfill in order for his bid to be evaluated by the grantee. Grievance process procedures shall be included in each of the following methods of advertised procurement. Specific requirements and procedures are set forth in 24 CFR §84.44, 2 CFR 200, Los Angeles City Charter §370-§372, and 2 CFR Chapter I, Chapter II, Part 200, et al., incorporated herein by reference.
- (2) Prior to entering into any subcontract that has a value of One Thousand Dollars (\$1,000) or more, the Contractor shall submit to the City evidence that it has received a minimum bid(s) for such subcontractors and documentation that justifies the selection of the successful bidder. The Contractor shall maintain records showing the parties solicited and the bids submitted.
 - (a) Micro Purchase Procedure: Micro purchases are made from vendors for goods or services under \$10,000. No quotations or bids required, but an equitable distribution of purchases must be documented.
 - (b) Small Purchase Procedures: Small purchases are made from vendors for goods or services under \$250,000. Following the procedures for small purchases shall constitute justification of the procurement method chosen. The bid must indicate the quantity, time frame and all other requirements of the product or service sought. Bids must be solicited from vendors that can reasonably be expected to provide the goods or services needed.

The requirements are:

| <u>Dollar Range of Purchase</u> | <u>Contract and Method</u> |
|---------------------------------|----------------------------|
|---------------------------------|----------------------------|

| | |
|-----------------------|---------------------------|
| \$10,001 to \$250,000 | 3 written bids received** |
|-----------------------|---------------------------|

**Three (3) bids must be received by Contractor. The bid process and bids received must be documented in writing in the file. The Request for Bid must either be provided in writing to the vendors, or transmitted as uniformly as possible over the telephone. To be considered, the bid response must be signed and dated by the vendor.

(c) Purchase/Services Over \$250,000

Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in paragraph (c)(1) of this section apply.

(1) In order for sealed bidding to be feasible, the following conditions should be present:

- (i) A complete, adequate, and realistic specification or purchase description is available;
- (ii) Two or more responsible bidders are willing and able to compete effectively for the business; and
- (iii) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(2) If sealed bids are used, the following requirements apply:

- (i) Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for local, and tribal governments, the invitation for bids must be publicly advertised;
- (ii) The invitation for bids, which shall include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
- (iii) All bids shall be opened at the time and place prescribed in the invitation for bids, and for local and tribal governments, the bids must be opened publicly;
- (iv) A firm fixed price contract award shall be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts shall only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
- (v) Any or all bids may be rejected if there is a sound documented reason.
- (vi) Issue a Public Notification made through an announcement in a local public medium (e.g., newspaper) that covers the entire service area.

(d) Procurement by competitive proposals.

The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

- (1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;
- (2) Proposals must be solicited from an adequate number of qualified sources;
- (3) The non-Federal entity must have a written method for conducting technical evaluations of the proposals received and for selecting recipients;
- (4) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
- (5) The non-Federal entity may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(e) Procurement by Noncompetitive Proposals

Procurement by noncompetitive proposals. Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

- (1) The item is available only from a single source;

- (2) The public exigency or emergency for the requirement shall not permit a delay resulting from competitive solicitation;
- (3) The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-Federal entity; or
- (4) After solicitation of a number of sources, competition is determined inadequate.

(f) Contract Provisions

- (i) All contracts must contain at a minimum the following provisions:
 - i. Specific deliverables and the basis for payment;
 - ii. Provisions requiring compliance with Community Development Block Grantors (CDBG) including, but not limited to other funding source regulations;
 - iii. Provisions that describe remedies for breach;
 - iv. Provisions that describe Grantors CDBG and other funding sources patent and copyright rules;
 - v. Provisions for termination for cause and convenience;
 - vi. Access to records for audit purposes;
 - vii. Audit requirements;
 - viii. Provisions for payment and delivery;
 - ix. Provisions describing contract amendment procedures;
 - x. Provisions against assignment;
 - xi. Provisions for equal opportunity and non-discrimination;
 - xii. Provisions prohibiting conflicts of interest.

(g) Competition

- (1) All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of this section. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. Some of the situations considered to be restrictive of competition include but are not limited to:
 - (i) Placing unreasonable requirements on firms in order for them to qualify to do business;
 - (ii) Requiring unnecessary experience and excessive bonding;
 - (iii) Noncompetitive pricing practices between firms or between affiliated companies;
 - (iv) Noncompetitive contracts to consultants that are on retainer contracts;
 - (v) Organizational conflicts of interest;

- (vi) Specifying only a “brand name” product instead of allowing “an equal” product to be offered and describing the performance or other relevant requirements of the procurement; and
 - (vii) Any arbitrary action in the procurement process.
- (2) The non-Federal entity must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts state licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.
- (3) The non-Federal entity must have written procedures for procurement transactions. These procedures must ensure that all solicitations:
 - (i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description must not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured and, when necessary, must set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a “brand name or equivalent” description may be used as a means to define the performance or other salient requirements of procurement. The specific features of the named brand which must be met by offers must be clearly stated; and
 - (ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.
 - (iii) The non-Federal entity must ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the non-Federal entity must not preclude potential bidders from qualifying during the solicitation period.
- (h) Appeal and Dispute Procedures

The City and its contractors shall have protest procedures to hand and resolve disputes relating to their procurement. A protester shall exhaust all administrative remedies with the contractor before pursuing a protest at a higher level. Notice of appeal rights and procedures must be given to all bidders.
