Comments for Public Posting: Dear Council President Nury Martinez, Economic Development & Jobs Committee Chair Curren D. Price and LA City Council Members My name is Susan Isaacs and I live in District 5. I want to express my strong support for the LA Fair Workweek Ordinance (FWW) and would like to thank you for your leadership in moving the ordinance forward. Our essential retail and grocery workers have been on the frontlines responsible for connecting our communities with the food and resources needed during the past 2 years. These workers deserve access to high quality jobs and scheduling stability that afford them a good quality of life, financial stability, dignity, and respect. As essential workers in the retail and grocery industry, they should not have to keep facing the same challenges with unpredictable scheduling that they did prior to the pandemic. Thank you.
