Council File No: 22-0198

Comments for Public Posting: I strongly support renaming Gladys Park after Skid Row advocate General Jeff (RIP). General Jeff Park will be a testament to his work to improve the parks in Skid Row, from the basketball courts, workout equipment, community events/programming, to the formation of a Skid Row Park Advisory Board. I have worked in Skid Row for decades and have witnessed (and participated in) his numerous efforts. He also fought hard for Skid Row to have its own voice and Neighborhood Council. This act will help to amplify the voice of Skid Row and set a precedent for honoring our community heroes through place making.
