**Comments for Public Posting:** Joe Buscaino for Mayor 2022!!!!!! Mike Bonin! You have no IDEA WHAT YOH ARE TALKING ABOUT!!!!!! TENANTS WILL HAVE TO PAY PAST RENT?!, WHO IS GOING TO COME AND MAKE THEM? WE ARE LIVING IN THE NOW WILL YOU START PAYING THEIR RENT FOR THEM? LANDLORS HAVE TO PAY THEIR RENT NOW OR CAN WE GO TO OUR BANK AND TELL THEM MIKE BONIN SAID THAT THEY WILL HAVE TO PAY THE PAST DUE RENT CAN YOU JUST WAIT ?. GET REAL! What good is an eviction notice if we CAN'T EVICT? Let's not forget that per housing we HAVE to serve them with a notice of intent to evict, we are complying with your guys guidelines and now you want to turn it and make it seem like we are the bad ones. Get informed! Not everyone that is a landlord is swimming in a pool of cash. This is NOT about the money it's about principle. People are taking advantage of the system and landlords because of this poorly written and executed moratorium. I thought we had smart people on the city council. I see I was wrong. I am renting, I am a first time buyer, I come from a single mother of 5, NO ONE IN MY FAMILY OWNS. I am the first one. I did everything right saved, worked, never had a problem with the law and I can't move into my property because my tenant claimed she got impacted by covid but yet still manages to travel, buy a new car, buy her self name brand bags. But landlords are the evil ones? No! There is SUCH A THING AS TENANT HARRASMENT!!!!!!!!!!!!!! If she had been actually impacted by covid I wouldn't be here right now but she is laughing right at our face because of your pi\*\* poor decisions. BOB BLUMENFIELD, MIKE BONIN, GILBERT A.
