Hi Carolyn,

This 40 unit multi-family development will not generate enough trips to trigger a transportation analysis. Also, a referral form for this project is not necessary.

Wes,

We will be filing a TOC Case for a new 40 unit apartment building at 505-517 N. Hoover St. LA 90004 (APNs 5539-028-015, 5539-028-014, 5539-028-013). The existing site is a commercial building and two single family dwellings. Can you let us know if we need to get an LADOT review. I am attaching TOC Referral Form and a set of plans for reference. Let us know if this requires a formal review and we will submit the LADOT Referral Form.

Plans for the proposed project can be found in the following link: [Hoover TOC Submittal Set](#)

Thank you,

Carolyn Wilson
