Impact Information

Date: 05/10/2022

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 15-0499

Agenda Date:

Item Number:

Summary: It is well documented how an urban forestry can help mitigate a myriad of negative impacts and social consequences on the urban environment. So the shortage of trees across all 15 Council Districts, as reported in the 2021 Los Angeles Urban Forest Equity Streets Guide, is inconceivable in a global city as Los Angeles. Therefore, the ECSWANDC is in support of Councilmember Harris-Dawson's motion as outlined in this council file.
