**BPW-2022-0324**

City Council  
Room No. 395  
City Hall

**SUBJECT: ANNUAL ASSESSMENT FOR STREET LIGHTING MAINTENANCE AND OPERATION FOR 2022/23 - LOS ANGELES CITY LIGHTING DISTRICT (ASSESSMENTS AND DISTRICT FROZEN SINCE 1996)**

As recommended in the accompanying report of the Director of the Bureau of Street Lighting, which this Board has adopted, the Board of Public Works recommend that your Honorable Body:

1. Council adopt this report and the Ordinance of Intention for the Los Angeles City Street Lighting Maintenance Assessment District (LACL D), under which individual maintenance assessments, and the composition of the district will remain substantially the same as in 2021/22, and therefore assessments will be exempt from the "procedures and approval process" (section 4 of Proposition 218) as allowed in section 5 of Proposition 218. No assessments will be increased and no properties will be added to this district. Therefore, no ballots will be required; and
2. Proceedings for the maintenance of the LACL D for fiscal year 2022/23 be conducted in conformance with Division 6, Chapter 3, Article 1 of the Los Angeles Administrative Code, California Government Code Section 53753.5 and Proposition 218 (Articles XIII C and XIII D of the California State Constitution). At the conclusion of the Council Public Hearing, assessments be confirmed and an ordinance levying the assessments be adopted. Confirmation of the assessments by July 31, 2022 is necessary to meet the County deadline for inclusion of the assessments on the 2022/23 Property Tax Bills.

Fiscal Impact: There is no impact to the General Fund.

Sincerely,

DR. FERNANDO CAMPOS,  
Executive Officer, Board of Public Works
