BPW-2022-0326

City Council  
Room No. 395  
City Hall

**SUBJECT: ANNUAL ASSESSMENT FOR STREET LIGHTING MAINTENANCE AND OPERATION FOR 2022/23 - PROPOSITION 218 CONFIRMED STREET LIGHTING MAINTENANCE ASSESSMENT DISTRICT (ASSESSMENT DISTRICTS CONFIRMED AFTER PROPOSITION 218)**

As recommended in the accompanying report of the Director of the Bureau of Street Lighting, which this Board has adopted, the Board of Public Works recommend that your Honorable Body:

1. Council adopt this report and the two Ordinances of Intention under which the boundary of the district is the same as its component districts' boundaries. The individual maintenance assessments are increased by 3.83%, the amount of the increase in the local Consumer Price Index for 2021, as allowed in their original ordinances, and this district is therefore exempt from the "procedures and approval process" (section 4 of Proposition 218) as allowed in section 5 of Proposition 218, for 2021-2022. Assessment ballots are therefore not required; and
2. Proceedings for the maintenance of this street lighting maintenance district for fiscal year 2022-2023 be conducted in conformance with Division 6, Chapter 3, Article 1 of the Administrative Code, California Government Code Section 53753.5, and Proposition 218 (Articles XIII C and XIII D of the California State Constitution). At the conclusion of the Council Public Hearing, assessments be confirmed and an ordinance levying the assessments be adopted.

Fiscal Impact: There is no impact to the General Fund.

Sincerely,

DR. FERNANDO CAMPOS,  
Executive Officer, Board of Public Works
