# DEPARTMENT OF CITY PLANNING

## RECOMMENDATION REPORT

## City Planning Commission

**Date:** May 19, 2022
**Time:** After 8:30 A.M.*
**Place:** In conformity with the Governor's Executive Directive Order N-29-20 (March 17, 2020) and due to concerns over COVID-19, the CPC meeting will be entirely conducted telephonically via Zoom at https://planning-lacity-org.zoom.us/j/83934037344
Meeting ID: 839 3403 7344
Meeting Passcode: 122926

**Case No.:** CPC-2022-2698-GPA
**CEQA No.:** ENV-2020-6762-EIR-ADD1

**Related Cases:** CPC-2020-1365-GPA; ENV-2020-6762-EIR; CF 21-1230

**Council No.:** All
**Plan Area:** Citywide

**Applicant:** City of Los Angeles

**PROJECT LOCATION:** Citywide

**PROPOSED PROJECT:** The General Plan Housing Element update for the 6th cycle (2021-2029) was adopted by the City Council on November 24, 2021. The project proposes a General Plan Amendment to make targeted amendments to the adopted Housing Element, including the modification and addition of implementation programs in Chapter 6 to clarify metrics, milestones, actions, and strategies to affirmatively further fair housing as well as expand place-based programs to encourage community revitalization; and the correction of formatting and typographical errors.

**RECOMMENDED ACTIONS:**

1. **Conduct** a public hearing on the Proposed Project, as described in this Staff Recommendation Report.
2. **Approve** the Staff Recommendation Report as the Commission Report.
3. **Approve** and **Recommend** that the City Council **adopt** the Findings in the Staff Recommendation Report.
4. **Recommend** the City Council **find**, based on their independent judgment, after consideration of the whole of the administrative record, including the 2021-2029 Housing Element EIR, SCH No. 2021010130, certified on November 24, 2021 (EIR) and the Addendum prepared for the Proposed Project (Addendum) (Exhibit C), the project was assessed in the EIR and pursuant to the CEQA Guidelines, Sections 15162 and 15164 and the Addendum, that no major revisions to the EIR are required and no subsequent EIR, supplemental EIR, or negative declaration is required for approval of the project.
5. **Approve and Recommend** that the Mayor **approve** and the City Council **adopt** the Resolution in Exhibit A to amend the Housing Element of the General Plan, as shown in Exhibit B.
6. **Authorize** the Director of Planning to present the Resolution (Exhibit A) and General Plan Amendment (Exhibit B) to the Mayor and City Council, in accordance with City Charter Section 555 and LAMC Section 11.5.6.
7. **Adopt** a Resolution (Exhibit F) pursuant to City Charter Sections 559 and 560 to delegate authority to the Director of Planning to review and make recommendations on behalf of the City Planning Commission for future technical or targeted modifications by the City Council to the City Planning Commission's recommendation on Resolution (Exhibit A) and General Plan Amendment (Exhibit B), or other targeted amendments to the 2021-2029 Housing Element of the General Plan, until such time as the City obtains a finding by HCD that the 2021-2029 Housing Element substantially complies with all statutory requirements for the sixth revision of the City's Housing Element.

# PROJECT ANALYSIS

## Project Summary

The Housing Element is one of eight state-required elements of the city's General Plan. It is the only element required to be updated on a consistent (8-year) schedule and be reviewed by the state for consistency with state law. The California Department of Housing and Community Development (HCD) review for compliance is required and their finding of compliance is required to avoid several potential significant consequences.

On November 24, 2021, the Los Angeles City Council adopted the Housing Element (2021-2029) and submitted the plan to HCD for compliance review. The City Council found the Housing Element (2021-2029) was in substantial compliance with state law. On February 22, 2022, the City received a letter of non-compliance from HCD indicating that HCD would like to see additional revisions reflected in the Housing Element (2021-2029) before the Housing Element would be found in substantial compliance. Specifically, the HCD letter referenced the need for more detailed metrics and milestones, as well as specific place-based strategies in lower-income areas of the city as part of the affirmatively furthering fair housing (AFFH) requirements.

The City worked closely with HCD to make the revisions necessary to satisfy HCD's finding. The draft amendments were formally submitted to HCD for draft review on April 28, 2022 with a request for expedited review of the amendments. On May 11, 2022, the City received a letter from HCD (Exhibit D) stating that the revised element meets the statutory requirements described in HCD's February 22, 2022 review and that, absent any further changes to the revised draft that may impact the finding, when the revisions are adopted and submitted for final review to HCD, the Housing Element will be found to be in compliance with state law.

This staff report provides an overview of the proposed Housing Element (2021-2029) amendments, summarizes key changes to the AFFH Programs and strategies, and presents a summary of the public discussion and input received to date. Additionally, the report includes recommendations on requested actions for the adoption of the revisions.

## Background on Amendments to the Housing Element Update

On February 22, 2022, the City of Los Angeles received a letter from HCD reporting the results of its review of the City's 2021-2029 Housing Element Update. While the letter acknowledged the City's Housing Element met almost all of the statutory requirements of state housing element law, it directed the City to make additional revisions in order to be in full compliance.

In particular, the HCD letter cited two related deficiencies with regard to the new AFFH requirements in state law (Assembly Bill 686). First, housing element programs, strategies and actions designed to meet local AFFH goals must include additional metrics and milestones, pursuant to Government Code Section 65583(c)(10)(A). The purpose of metrics and milestones is to determine what beneficial fair housing results will be achieved during the eight-year housing element cycle and to better allow HCD to evaluate the effectiveness and progress of local implementation actions. Secondly, HCD found that the adopted Housing Element's AFFH programs did not sufficiently address targeting of geographic areas or neighborhoods and needed to include additional place-based strategies to encourage community revitalization. In subsequent

communications, HCD has indicated the City's housing-related place-based strategies were exemplary but that additional non-housing related strategies, such as anti-poverty programs and infrastructure investments, needed to be added in order to address broader community development goals.

As background, the AFFH requirements were adopted in 2018 pursuant to Assembly Bill 686. AFFH is defined, in part, as "taking meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics." (Cal. Gov. Code § 8899.50.) With regards to housing elements, the law requires that fair housing disparities are analyzed through an assessment of fair housing, which identifies "contributing factors" found to be worsening fair housing issues. These factors are prioritized and then used to help create a set of AFFH strategies and actions expected to address these issues.

Staff prioritized AFFH throughout the Housing Element (2021-2029) process and the adopted Housing Element demonstrates an exceptionally strong commitment to AFFH. The City's adopted Housing Element included a 109-page Assessment of Fair Housing (see Appendix 1.1), a strong commitment to rezone in a way that affirmatively furthers fair housing (See Chapter 4 and Program 121), and identified 38 individual Housing Element Programs that include significant strategies and actions to affirmatively further fair housing (see Program 6). The various AFFH strategies in the Housing Element were grouped and summarized in Program 124 (Affirmatively Furthering Fair Housing).

The Housing Element's (2021-2029) AFFH strategies were directly informed by community input and built upon the City's previous 2018–2023 Assessment of Fair Housing, led by Los Angeles Housing Department (LAHD). The adopted AFFH strategies included a focus on preventing displacement, increasing housing access in higher opportunity neighborhoods, as well as providing funding, services, and outreach for lower income communities of color and for individuals with special needs around housing.

Staff from City Planning, LAHD, and the Mayor's Office have been actively collaborating with HCD since receiving the February 22nd letter to understand how best to respond to HCD's concerns and to obtain a finding by HCD that the City's Housing Element is in substantial compliance. In addition, the types of amendments being requested necessitated additional detailed discussions within City Planning and LAHD, as well as numerous other departments and agencies, including the Housing Authority of the City of Los Angeles (HACLA), the Los Angeles Homeless Services Authority (LAHSA), Economic & Workforce Development Department (EWDD), LA Civil + Human Rights and Equity Department, Los Angeles Department of Transportation (LADOT), and Department of Recreation and Parks. City Planning and LAHD also considered additional public input received (see Summary of Public Communications and Comments below).

With the proposed amendments, the revised draft meets the statutory requirements described in HCD's February 22, 2022 review, and HCD has found that the City's Housing Element will be in full compliance with all state housing element law requirements upon final adoption.

Explanation of Program Edits

The proposed amendments to the Housing Element's (2021-2029) AFFH programs and strategies are all part of Chapter 6 and included as Exhibit B of this report. These amendments include a revised and reorganized AFFH Program 124, as well as targeted edits to individual existing programs that have important AFFH components. In addition, four new programs are proposed to be added to the Housing Element in order to better reflect place-based strategies.[1] These programs reflect activities that are a part of the City's existing work programs but had not previously been included in the Housing Element as they are not explicitly related to housing programs.

Staff closely reevaluated each of the existing Housing Element (2021-2029) Programs in relation to their AFFH components and the guidance received by HCD. This included all programs and strategies, not just those that were already associated with the AFFH Program 124 in the adopted element. As a result of this review, 36 of the existing AFFH implementation Programs are proposed to be amended to better illustrate metrics and milestones and more clearly identify the significant and meaningful AFFH outcomes.[2] In addition, five amended programs had not been part of the adopted AFFH Program 124 but were added as it was determined they had important AFFH components and therefore merited inclusion.[3] AFFH related programs that did not require any amendments are not included in Exhibit B but are available in Chapter 6 of the adopted Housing Element (2021-2029) (see Appendix E).

Examples of the types of specific program revisions being proposed include the following:

- Replacing language around exploring or considering specific actions, to include more specific commitments. For example, language to "explore" and "evaluate" the drafting of code amendments is revised to clarify the intention to take more specific actions, such as drafting a code amendment or presenting a report to the City Council (see Program 7, Opportunities to Increase Affordable Housing and Increase Equity through Major Entitlements and Program 85, Just Cause Eviction).

- Adding language detailing geographic targets of programs. For example, language is added to several programs to clarify that the City will target outreach to areas with high displacement risk and High Segregation & Poverty areas (see Program 22, Systematic Code Enforcement Program; Program 32, RSO Enforcement; Program 38, Rent Escrow Account Program/Utility Maintenance Program and Program 86, Tenant Anti-Harassment).

- Providing clearer timelines for program implementation — for example, "Release draft methodology for public review by 2023, and bring to the City Planning Commission for action by 2024" (see Program 49, Targeted Zoning Allocations by Community Plan Area).

[1] Newly proposed programs: 133, 134, 135, and 136
[2] Previously existing programs: 1, 3, 4, 6, 7, 8, 10, 14, 15, 18, 20, 22, 26, 30, 32, 38, 49, 52, 56, 63, 65, 81, 82, 84, 85, 86, 87, 88, 89, 90, 99, 102, 108, 122, 123 and 124; Previous programs detached from revisions: 41, 42, 49 and 68
[3] Additional AFFH programs identified in Program 124: 9, 24, 68, 96, and 128

- Adding reasonable and achievable AFFH metrics, which are intended to aid in ongoing evaluation of program success — for example, setting a goal that at least 8% of city-financed affordable housing units will be located in High Opportunity Areas (Program 6, New Production of Affordable Housing through the Affordable Housing Managed Pipeline)

- More clearly define program objectives and description text — for example, “Revise the Asset Management Evaluation Framework to add AFFH criteria into the property review and evaluation process” (see Program 15, Public Land for Affordable Housing).

- Articulating previously established metrics and targeting — for example, adding language about priority scoring for affordable housing in High Opportunity Areas, (established in Council File (CF) 21-0305), adding the requirement that 20% of Linkage Fee revenue will support affordable housing preservation (established in CF 17-0274) and adding the requirements of the Accessible Housing requirements established under the Voluntary Settlement Agreement (see Program 6, New Production of Affordable Housing through the Affordable Housing Managed Pipeline; Program 8, Accessible Housing Program; Program 10, Linkage Fee; and Program 19 Finance the Construction and Maintenance of Permanent Supportive Housing)

In addition, four new implementation programs are proposed to be added to the Housing Element, to better capture existing place-based efforts that have been implemented across City Departments and have strong commitments to AFFH. These are all existing work programs, and the metrics associated with them have been previously established through grant requirements, council report backs, or existing department policies:

- Program 133 - Mobility Improvements in Lower-Income Areas

- Program 134 - Promote Equitable Economic Development in High Poverty and High Unemployment Areas

- Program 135 - Place Based Community Revitalization Efforts

- Program 136 - Solid Ground Program

Finally, the proposed revisions include a revised structure for Program 124, which is the Housing Element’s overarching AFFH Program. This revised structure is proposed to provide a more clear structure for the Program, that clearly demonstrates how the various strategies and actions affirmatively further fair housing. The Program includes a table containing the various strategies and actions identified to affirmatively further fair housing. Within the table, thirteen broader AFFH strategies link to more than 50 individual Housing Element implementation programs, where metrics, timelines, commitments and AFFH components have been summarized. The table also links these strategies and program actions to the primary contributing factors identified in the element’s assessment of fair housing as well as the four examples of AFFH Categories identified in state law, as provided below:

*Contributing Factors*

1. Lack of Access to Opportunity Due to High Housing Costs
2. Land Use and Zoning Laws
3. Availability of Affordable and Accessible Units in a Range of Sizes
4. Lack of Affordable Housing
5. Insufficient Tenant Protections
6. Housing Discrimination
7. Violations of the Rent Stabilization Ordinance
8. Displacement of Residents Due to Economic Pressures
9. Lack of Private Investment in Specific Neighborhoods
10. Lack of Public Investment in Specific Neighborhoods, Including Services and Amenities

*Examples of AFFH Categories Identified in State Law*

1. *Mobility and Inclusion* - Enhancing mobility strategies and promoting inclusion for protected classes.
2. *Access to Opportunity* - New housing choices and affordability in areas of opportunity / encouraging development of new affordable housing in high-resource areas
3. *Place-based Strategies* - Strategies to encourage community development and revitalization
4. *Anti-Displacement* - Protecting existing residents from displacement

Additional Technical Corrections

In addition, as provided in Exhibit B, the project includes minor technical corrections. This includes corrections of typographical and formatting errors, including but not limited to accrediting staff, adding references to the amendment case number and adoption dates, and revisions to Appendix 4.1 (Inventory of Adequate Sites for Housing (Table A)). The Appendix 4.1 correction appends missing data for individual sites that is intended to be provided for informational purposes only, regarding the maximum number of units that would be permitted on the site after application of a development bonus. This data was inadvertently omitted due to a formatting error, but are entirely optional, not required by the state, and provided for additional clarity. The addition of this data does not affect the substance of the plan, the sites identified in the inventory, or the overall evaluation of potential site capacity.

**Discussion of Key Issues**

The most significant issue regarding the proposed amendments is achieving compliance under housing element law. The City of Los Angeles currently does not have a Housing Element for the 6th cycle that HCD has found to be compliant with state law, which has triggered a number of significant consequences or potential future consequences. This includes the following:

1. Eligibility for State Funding - Several federal, state, and regional funding programs consider housing element compliance, as determined by HCD, as an eligibility or ranking criteria. For example, the CalTrans Senate Bill (SB) 1 Sustainable Communities grant; the Strategic Growth Council and HCD's Affordable Housing and Sustainable Communities programs; and HCD's Permanent Local Housing Allocation and Prohousing Incentive Program consider

housing element compliance and/or annual reporting requirements. With a compliant housing element, the City will meet housing element requirements for these and other funding sources.

2. Compressed Timelines for Rezoning - As a result of Assembly Bill 1398 (2021), failure to adopt a housing element HCD has found to be in substantial compliance within 120 days of the statutory deadline (October 15, 2021), requires that any rezoning needed to accommodate the regional housing needs allocation (RHNA) be completed one year from the statutory deadline. Failure to meet the deadline, could allow the HCD to refer non-compliance to the State Attorney General for enforcement.

3. No Net Loss Requirements - Housing element law requires findings be made when jurisdictions approve developments at a lower residential density than identified in the housing element inventory of sites. The intent is to ensure adequate sites remain available through the eight-year planning period to accommodate the RHNA Allocation. A housing element that is not compliant requires that findings be made for a broader set of sites, as this changes the definition of “lower residential density” to include anything less than 80 percent of the maximum allowable residential density for that parcel, or 80 percent of the maximum density required for lower income sites in housing element law (30 units/acre), whichever is greater.

4. Attorney General Referral - If HCD finds a housing element not to be in substantial compliance with state law, they can refer the matter to the Office of Attorney General, who may bring a lawsuit against the City. If a Court finds the housing element to not be in substantial compliance with state law the court would issue an order to correct, and the local agency may face potential consequences such as mandatory compliance within 120 days, suspension of local control on building matters, financial penalties (from $10,000 to $300,000 or more) and/or court approval of housing developments.

Given these important consequences, it is critical to obtain compliant status from HCD as soon as possible. While the City does not anticipate it will lose any state funding provided the City’s Housing Element is adopted and certified by the state on the anticipated schedule, any elongated approval process begins to push closer to funding deadlines.

The one-year rezoning timeline has the potential to truncate an important and complex implementation program. The state is aware of the challenges associated with an expedited rezoning program, particularly for larger jurisdictions such as Los Angeles, and has indicated that it would seek to prioritize enforcement against jurisdictions that have not demonstrated progress towards rezoning, or other enforcement priorities. In addition, the City understands there may be future state legislation proposed this session to address the one-year rezoning timeline.

It is also important to note that HCD, under legislation enacted in recent years, is authorized to review any action or failure to act by a local government that it finds inconsistent with an adopted housing element or state housing element law. This includes failure to implement program actions included in the housing element. HCD may revoke housing element compliance if the local government’s actions do not comply with state law.

HCD'S February 22, 2022 review letter (see Exhibit D) on the City's Housing Element (2021-2029) identified two key revisions that needed to be addressed in the programs which support the Affirmatively Furthering Fair Housing strategy. First, HCD requested that existing programs be strengthened to include more metrics and milestones to strengthen their connection to the overall AFFH strategy. HCD's suggestions include ensuring that each program supporting the overarching AFFH strategy includes the following four components:

1. numerical metrics/targets for measurable outcomes
2. discrete timing/milestones (e.g., annual, or completion by a given date)
3. specific commitment (e.g., the city will amend X ordinance)
4. clear connection to AFFH and/or geographic targeting

Second, HCD identified a need to better emphasize place-based investments and community revitalization strategies, particularly those less specifically relating to housing, such as place-based mobility investments.

As such, the City of Los Angeles proposes targeted amendments to the Housing Element (2021-2029), including revisions and additions to the fair housing programs in Chapter 6 to clarify metrics, milestones, actions, and strategies to affirmatively further fair housing and prioritize community investment in vulnerable communities subject to environmental pollution, as well as, expand place-based programs to encourage community revitalization and affordable housing access. Fair housing programs which were not revised are available in Chapter 6 of the adopted Housing Element, see Exhibit E.

**Delegation of Authority to the Director for Future City Council Resolutions**

As described above, the Housing Element requires targeted modifications in order to bring the Element into full compliance with state housing element law. Before the City Council can take action to amend the Housing Element, as an element of the General Plan, the City Charter Section 555 requires the City Planning Commission (CPC) to make a recommendation on the amendments and related resolutions. Under Section 555, any modification by the City Council of the CPC's recommendation, no matter how minor, must be reviewed by CPC and CPC must make a recommendation on the modification before the City Council can approve the amendment.

To facilitate timely adoption of these amendments, and given consideration of the implications of continued housing element noncompliance, the Department recommends that the CPC invoke City Charter Section 559 to delegate authority to the Director of Planning to review and recommend on behalf of the CPC any additional technical or targeted modifications to the CPC's recommendation on the proposed amendment to the 2021-2029 Housing Element, until such time as the City obtains a finding by HCD that the 2021-2029 Housing Element substantially complies with all statutory requirements for the sixth revision of the City's Housing Element. To the extent this requires additional public hearings by the CPC, the delegation of authority would authorize the Director to hold a required public hearing on behalf of the CPC, as well as comply with all other procedures required under Section 11.5.6 and Charter Section 555.

**Environmental Analysis/CEQA**

On November 24, 2021 the Los Angeles City Council certified the Environmental Impact Report (EIR) prepared for the Citywide Housing Element 2021-2029 and Safety Element Update, SCH No. 2021010130 ("2021-2029 Housing Element EIR") and adopted the updates to the Housing Element and Safety Element. The 2021-2029 Housing Element EIR was prepared to examine the potential environmental effects of the 2021-2029 Housing Element Update, including the programs and policies that have the potential to result in physical environmental effects, and the Inventory of Sites and Rezoning Program needed to demonstrate zoned capacity needed to accommodate the City's RHNA Allocation.

Approval of the Proposed Project is supported by an Addendum to the 2021-2029 Housing Element EIR, as presented in Exhibit C. As supported by the analysis therein and the whole of the record, including review of the EIR, none of the criteria are met under Section 15162 of the CEQA Guidelines to require preparation of a subsequent or supplemental EIR for the Proposed Project.

**Conclusion**

This staff report describes the proposed amendments to the 2021-2029 Housing Element, with a focus on the programs that Affirmatively Further Fair Housing (AFFH). This report provides background on the housing element requirements under state law, gives an overview of the 2021-2029 Housing Element amendments and summarizes key changes to the AFFH Programs, and presents a summary of the public discussion and input received to date. Additionally, the report includes recommendations on requested actions for the adoption of the revisions. With these proposed modifications, HCD has found that the City's Housing Element will be in full compliance with all state housing element law requirements upon final adoption.

# FINDINGS

## Housing Element Consistency Discussion and Findings

### A. General Plan Consistency Discussion

The proposed targeted amendments to the adopted 2021-2029 Housing Element only affect implementation programs related to the AFFH strategy and provide relatively minimal revisions to clarify existing programs and commitments. The project also includes minor technical corrections. This includes corrections of typographical and formatting errors, including but not limited to accrediting staff, adding references to the amendment case number and adoption dates, and revisions to Appendix 4.1 (Inventory of Adequate Sites for Housing (Table A)). These minor technical revisions do not affect the substance of the plan, the sites identified in the inventory, or the overall evaluation of potential site capacity. The goals, policies, and objectives included in the adopted 2021-2029 Housing Element are not proposed to be amended or modified. The amended programs are supported by the existing goals, policies, and objectives in the 2021-2029 Housing Element, and are intended to provide the necessary tools to implement and carry out the vision established by those goals, policies, and objectives. Therefore, the proposed amendments do not result in a substantive change to the adopted 2021-2029 Housing Element, and the findings adopted by the City Council on November 24, 2021 are applicable to the proposed project.

Furthermore, the four new proposed Implementation Programs (Programs 133, 134, 135, and 136) are intended to capture existing place-based efforts that have been identified in prior planning efforts and/or implemented across City Departments. These are all existing work programs, and the metrics and commitments associated with them have been previously established through grant requirements, council report backs, or existing department policies. These programs are consistent with the General Plan, and several of the programs reflect existing implementation programs identified in elements of the General Plan, including the Mobility Plan (Program 133) and the Safety Element (Program 135).

For all the reasons provided above, the proposed targeted amendments to the 2021-2029 Housing Element fair housing programs and the minor technical corrections mentioned in this report are consistent with the City of Los Angeles General Plan.

### B. State Housing Element Findings (California State Government Code Section 65580 - 65589.11)

**Consistency with State Law** - Statutory requirements for the housing element are delineated in California State Government Code Section 65580 - 65589.11. The housing element is required to be updated every eight years in accordance with a specific schedule of dates established by the California Department of Housing and Community Development (HCD). This Housing Element is part of the sixth cycle, which covers the period of October 15, 2021 through October 15, 2029 for the SCAG region.

The City is required to comply with all applicable state housing element requirements, including submitting the adopted Housing Element to HCD for its review and findings on substantial compliance.

On November 24, 2021, the Los Angeles City Council adopted a General Plan Amendment for the 2021-2029 Housing Element Update. Following adoption, the Plan was submitted to HCD for formal review and certification on November 24, 2021.

On February 22, 2022 the City received a letter from HCD (Exhibit D) stating that additional revisions were needed to the Housing Element's programs to ensure compliance with new Affirmatively Furthering Fair Housing (AFFH) requirements in state law.

The City collaborated with HCD to respond to guidance, directions and technical assistance to make the needed targeted revisions to bring the City's Housing Element into full compliance. On April 21, 2022, the City released a draft of the targeted amendments for public review and provided notice to all interested parties. On April 28, 2022, the City submitted the proposed targeted modifications to HCD for formal compliance review, meeting the statutorily required seven-day public review period in advance of HCD's formal review. On May 11, 2022, the City received a letter from HCD (Exhibit D) stating that, "The revised draft element meets the statutory requirements described in HCD's February 22, 2022 review … As a result, the revised element will comply with State Housing Element Law (Article 10.6 of the Gov. Code) when the revisions are adopted and submitted to HCD, pursuant to Government Code section 65585." As such, absent any further changes to the revised draft that may impact the finding, the proposed Housing Element is consistent with state housing element law (California State Government Code Section 65580 - 65589.11), and no further findings are required.

**CEQA Findings**

The Proposed Project has been reviewed by the City of Los Angeles in pursuant to Sections 15162 and 15164 of the California Environmental Quality Act (CEQA) Guidelines, and Section 21166 of the Public Resource Code. As supported by the Addendum, attached in Exhibit C, and the Environmental Impact Report (EIR) prepared for the Citywide Housing Element 2021-2029 and Safety Element Update, SCH No. 2021010130 ("2021-2029 Housing Element EIR"), and the whole of the record, the Proposed Project was analyzed in the EIR and no subsequent or supplemental EIR is required.

# PUBLIC HEARING AND COMMUNICATIONS

**Summary of Public Communications and Comments**

The draft targeted revisions to the Housing Element were made available to the public on April 21, 2022. Consistent with Government Code 65585 (b)(1), the subsequent draft was posted on the Planning Department's website and a link of the draft revision was emailed to all individuals and organizations that have previously requested notices relating to the Housing Element seven days prior to this submission to HCD for review.

This section summarizes comments received as of since the public release of the proposed targeted amendments to the 2021-2029 Housing Element Update. In total, the Department received 6 comment letters via email, including one letter from ACT-LA, a coalition of community-based organizations. The recent comments received align and are consistent with the comments received during the development and adoption process of the 2021-2029 Housing Element. Comments expressed support for: affordable housing production and funding, housing for homeless populations, and parks funding.

Following is a detailed summary of comments received, grouped according to topic.

*Affirmatively Furthering Fair Housing*

- While improvements to streets and infrastructure are crucial, the City should also ensure that the City's current low-income inhabitants will not be displaced and thus not be able to stay and enjoy these public investments. One way identified to reduce displacement is to establish a right of return. The comment letter included specific key elements for consideration as part of a right to return policy.

- Housing Element goals to affirmatively further fair housing must prioritize plans for affordable and healthy residences, support tenant protections, and prevent displacement and gentrification, especially for vulnerable communities whose health have been impacted by long-standing environmental – air, soil and water – pollution.

- The Housing Element's AFFH Program 124 should be expanded to additionally report the status and remaining needs to fulfill the goals, metrics and measures shown in adopted 2017-23 AFFH Plan and Report.

*Environmental Justice*

- The City should utilize new funding sources for equitable built environment policies in Los Angeles that may not have existed or that may have existed but have not been historically used for built environment policies.

- The Housing Element should account for the cumulative impacts focused in Black and brown communities caused by harmful land uses such as warehouse expansions and neighborhood oil drilling by planning for safe and healthy housing that all residents can afford.

*Rezoning*

- The Rezoning Program 121 lacks details to describe how these programs will affirmatively further fair housing.

- The Rezoning Program 121 should be expanded to express an intention of the city to advance the goals, metrics, and measures shown in the 2017-23 AFFH Plan.

*Public Land*

- Land already owned by all public agencies within the City should be prioritized and utilized to address the collective need for affordable housing, especially given both the City's deep need for affordable housing and potential housing development cost savings by utilizing public lands for affordable housing development.

- The City should prioritize the adoption of implementing City ordinance necessary to advance Housing Element Program 15 (Public Land for Affordable Housing) with priority to reduce homelessness and support people at risk of becoming homeless by building affordable housing.

- The City of Los Angeles should revise the parks fee to encourage community revitalization in park-starved neighborhoods through new parks.

Staff made several edits based on these comments from the public. Program 87 (Strengthen Enforcement of Ellis Act Provisions) was amended to reflect more recent work in the area of administering and enforcing the right to return that exists for all housing development projects under state law (SB 8) until 2030. Programs 123 and 124 were amended to include an annual progress report on the goals, metrics, and measures listed in the 2017-23 AFH action plan as part of the Housing Element's Annual Progress Report. Program 134 includes a number of new environmental justice components, including references to the Safety Element's work programs on identifying and mitigating oil drilling impacts (Program 6) and expanding the Clean Up Green Up pilot (Program 15); as well as programs supporting parks, including distributing parks funding and a ballot measure to provide funding for the purposes identified in the Parks Condition assessment report and the Mayor's Executive Directive 31.

The Rezoning Program 121 contains details and analysis to demonstrate it will affirmatively further fair housing. In addition, Program 15 (Public Land for Affordable Housing) already prioritizes land owned by public agencies within the City and the Rezoning Program 121 includes a specific strategy to rezone Public Facility (PF) zoned land for affordable housing.

**Public Hearing**

A public hearing for the targeted amendments to the Housing Element will occur at the meeting of the City Planning Commission (CPC) on May 19, 2022. A public hearing notice was provided to interested parties on May 6, 2022, and published in the Daily Journal ten days in advance of the hearing, on May 9, 2022. Translation services will be made available to facilitate public comments in Spanish.

# Draft Housing Element Resolution

CPC-2022-2698-GPA, ENV-2020-6762-EIR-ADD1

For consideration by the City Planning Commission

May 19, 2022

**Resolution**

**WHEREAS**, California Government Code Sections 65580-65589.11 require cities to prepare a housing element as a component of each city's General Plan and to revise it regularly on a schedule set forth in the law; and

**WHEREAS**, the Housing Element 2021-2029 sets forth the housing policies for the City, facilitated the preservation and development of housing, and established programs to accommodate the City's share of the regional housing need in Southern California; and

**WHEREAS,** on November 24, 2021 the Los Angeles City Council adopted an amendment to the Housing Element of the General Plan for the 2021-2029 planning period ("Housing Element 2021-2029"), which replaces the Housing Element that covered the period 2013 to 2021; and

**WHEREAS**, the City Council adopted the Housing Element 2021-2029 upon finding that it was in substantial compliance with all statutory requirements; and

**WHEREAS,** on February 22, 2022 the City received a letter of non-compliance from California Department of Housing and Community Development (HCD) stating that HCD found additional revisions were needed to the Housing Element's programs before HCD could find the Housing Element 2021-2029 was in substantial compliance with new Affirmatively Furthering Fair Housing (AFFH) requirements in state law; and

**WHEREAS**, the Director of Planning initiated an amendment to the Housing Element 2021-2029 and prepared proposed targeted amendments ("Targeted Amendments") to specific programs in Chapter 6 of the the Housing Element 2021-2029 ; and

**WHEREAS**, a draft of the Targeted Amendments was released for public comment on April 21, 2022; and

**WHEREAS**, following a seven-day comment period, on April 28, 2022 the City submitted a draft of the Targeted Amendments to HCD for compliance review; and

**WHEREAS**, the Housing Element 2021-2029, including with the Targeted Amendments, substantially complies with all requirements of State law; and

**WHEREAS**, in accordance with Government Code Section 65583, the City finds that the Housing Element 2021-2029, including with the Targeted Amendments, complies Article 10.6 of the Government Code, including the duty to Affirmatively Further Fair Housing; and

**WHEREAS**, in accordance with Charter Section 556, the Housing Element 2021-2029 with the Targeted Amendments is consistent with and conforms to the purposes, intent and provisions of all the Elements of the City's General Plan; and

**WHEREAS**, each time the General Plan is amended in whole or in part, the City Charter Section 555 requires the City Planning Commission must hold a public hearing and recommend approval or disapproval of the proposed amendment to the Mayor and the City Council; and

**WHEREAS**, the City Planning Commission held a public hearing on the Targeted Amendments on May 19, 2022; and

**WHEREAS**, a notice of public hearing was published in the "Daily Journal" on May 9, 2022, in accordance with Section 12.32-C4 of the Los Angeles Municipal Code; and

**WHEREAS**, the City Planning Commission conducted a public hearing on May 19, 2022; and

**WHEREAS**, the City Planning Commission, on May 19, 2022 recommended that the Mayor approve and the City Council adopt the Targeted Amendments, and transmitted its recommendation pursuant to the City Charter and the Municipal Code; and

**WHEREAS**, pursuant to the provisions of the Los Angeles City Charter, the Mayor and the City Planning Commission transmitted their recommendations on the Targeted Amendments to the City Council; and

**WHEREAS**, the City Council held a public hearing on the Targeted Amendments on _____; and

**WHEREAS,** the City is required to submit the amended Housing Element 2021-2029 to the HCD for its review and finding as to whether the Housing Element is in substantial compliance with state law; and

**NOW, THEREFORE, BE IT RESOLVED**,

1. The City Council finds, based on its independent judgment, after consideration of the whole of the administrative record, including the 2021-2029 Housing Element EIR, SCH No. 2021010130, certified on November 24, 2021 (EIR) and the Addendum prepared for the Targeted Amendments (Addendum), dated _____, the Targeted Amendments were assessed in the EIR and pursuant to the CEQA Guidelines, Sections 15162 and 15164 and the Addendum, that no major revisions to the EIR are required and no subsequent EIR, supplemental EIR, or negative declaration is required for approval of the project.
2. The City Council adopts the Targeted Amendments to the Housing Element 2021-2029, dated May 19, 2021, located in Council file _____.
3. The City Council finds the Housing Element 2021-2029 as amended by the Targeted Amendments is in substantial compliance with all statutory requirements.

**Civil, Human Rights and Equity Department**
David Price, Director of Racial Equity

**Economic and Workforce Development Department (EWDD)**
Daysi Hernandez, Chief Grants Administrator

**Housing Rights Center**
Chancela Al-Mansour, Executive Director

INSTRUCTIONS: For the following programs, modify Chapter 6 of the Housing Element (2021-2029) to amend such programs, which are contained on pages 257 through 346, as follows:

**1. HOMEBUYER FINANCIAL ASSISTANCE**

Goal #: 2
Lead Agencies: LAHD
Funding Source: Federal: CDBG, HOME, ADDI, ARRA. State: BEGIN, CalHOME, CDLAC, SB 2 PLHA

Objective: ~~Annually;~~Promote neighborhood stability and economic empowerment, by providing~~e~~ 75 loans for first-time, low-income homebuyers earning up to 80% of the Area Median Income (AMI) and 75 loans for first-time moderate-income homebuyers earning between 81% - 150%. Coordinate homebuyer education courses to help homebuyers prepare for and attain homeownership.

Respective Policy: 2.2.1, 2.2.3, 4.1.1

Provide assistance in the form of subordinate, deferred-payment “soft second” loans to cover down-payment, closing costs, and acquisition. Currently, lends up to $90,000 for low-income households earning up to 80% of the Area Median Income (AMI) though a program called Low-Income Purchase Assistance (LIPA), up to $60,000 for moderate-income households earning between 81%-120% of AMI, and up to $35,000 for households earning between 121% - 150% of AMI through a program called Moderate-Income Purchase Assistance (MIPA). Based on data from 2012-2021, approximately 70% of households that received down payment assistance purchased homes located in low resource or high segregation and poverty areas. Increasing homeownership helps stabilize these areas and provides economic opportunity for the home purchasers.

**3. INNOVATIONS IN SUBDIVISIONS**

Goal #: 1, 3, 4
Lead Agencies: LACP
Funding Source: General Fund

Objective: For Small Lot Subdivisions: facilitate development of 800 market-rate units and; 90 lower-income units each year; Report and make recommendations on new types of standards and procedures by 2023. Amend the zoning code by 2023 to facilitate further innovation in ~~Small Lot S~~subdivisions. With SB 9 (2021) adopted into law, ~~consider adopting~~prepare a local implementation ordinance by 2024 to maximize potential positive benefits and address community concerns. Create accessible online and physical educational resources and partner with community organizations, especially in gentrifying communities and communities of color, to assist existing or prospective homeowners to understand options to increase ownership options and wealth creation by 2023.

Respective Policy: 2.3.1, 2.2.3, 2.2.4

Facilitate the development of smaller and new types of subdivisions that permit detached, fee simple home ownership, thus providing more affordable alternatives of for-sale housing types. Identify continued obstacles and opportunities in developing Small Lot Subdivisions and propose measures to improve results, with a particular aim on increasing affordability, reducing displacement, increasing replacement requirements, and expanding the use of this tool to preserve existing properties. Evaluate whether to extend (or revise, if needed) SB 330 replacement and tenant protections past SB 330's sunset date in 2030 for Small Lot projects (see Program 29). Additionally, consider new types of subdivision standards and procedures for lot splits in areas where potential for displacement would be lessened and opportunity for affordability would be increased. Review minimum lot size requirements for standard projects to identify potential opportunities for more affordable housing typologies. ~~Explore c~~Create~~ing~~ a ministerial process for smaller subdivisions to facilitate more affordable ownership opportunities. ~~If SB 9 (2021) is adopted into law, adopt~~ Prepare a local SB 9 (2021) implementation ordinance to maximize potential positive benefits around affordable ownership and address community concerns. The Department of City Planning will create accessible online and physical educational resources and partner with community organizations, especially in gentrifying communities and communities of color, to assist existing or prospective homeowners by 2023, as well as continue to provide site specific consultation and advice to prospective subdividers.

**4. SHARED EQUITY MODELS**

Goal #: 2, 4
Lead Agencies: LACP
Supporting Agencies: CLA, LAHD, HACLA, CAO
Funding Source: General Fund

Objective: CLA will report on the feasibility of developing a citywide Community Land Trust (CLT) program in 2022. Include into Rezoning Program (#121) by 2024. Use these models as a tool to facilitate affordable homeownership.

Respective Policy: 2.2.1, 4.3.4

The CLA, in consultation with the LA CLT Coalition and other City agencies, will report on the feasibility of developing a citywide Community Land Trust (CLT) program, including the resources needed to acquire land, enter into long term leases, or partner with existing CLTs to develop multifamily housing that would be maintained affordable in perpetuity, and include a review of CLT best practices. In addition, consider new ways to incentivize the development of shared-equity ownership models such as Limited Equity Housing Cooperatives (LEHCs), Community Apartments and housing owned by CLTs or Tenancy in Common (TICs) in the Municipal ~~Zoning~~ Code and housing funding processes. Potential policies could include special incentives for shared equity development and a new requirement that on-site affordable for-sale units in mixed-income projects be sold to a qualified nonprofit, with an emphasis on CLTs. Promote the State property tax exemption for property that is owned by a CLT and that is being—or will be—developed or rehabilitated as rental housing, LEHCs, or owner-occupied housing per Section 214.18 of the Revenue and Taxation Code. Explore securing tax-defaulted properties through Chapter 8 Agreement Sales for Community Land Trusts (CLTs) to create long-term affordable housing. Explore conveying public land / tax foreclosed / receivership properties to CLTs and prioritize CLTs in current acquisition and rehabilitation programs.

**6. NEW PRODUCTION OF AFFORDABLE HOUSING THROUGH THE AFFORDABLE HOUSING MANAGED PIPELINE**

Goal #: 1, 4
Lead Agencies: LAHD
Funding Source: HOME, HOPWA, City's Affordable Housing Linkage Fee, and eventually state SB2 funds are used to leverage millions of dollars from other public and private lenders and tax credit investors

Objective: Prepare annual NOFA biannually, 500 units produced per year, with priority scoring for projects in Higher Opportunity Areas with the goal of funding at least 8% of units in Higher Opportunity Areas and at least 80% of units near transit. Achieving a

higher percentage goal depends on federal and state funding regulations. Set-aside of 250 units of supportive housing.

Respective Policy: 1.2.4, 1.2.5, 1.2.7, 4.1.1

In 2013 with the approval of the Mayor and City Council, LAHD established the Affordable Housing Managed Pipeline Program (AHMP)~~, formerly known as the Affordable Housing Trust Fund~~. The AHMP was created to provide for the ability to leverage and attract the investment dollars of other public and private entities for the development of affordable housing within the City. In addition, on January 23, 2013, the City of Los Angeles was designated by California Tax Credit Allocation Committee (CTCAC) as the 11th region to have its own geographic allocation of nine percent (9%) Low Income Housing Tax Credit (LIHTC). The City's goal, through the AHMP is to create housing for low and very-low-income households within the City. The housing created through the AHMP is intended to serve all populations identified by the California State Tax Credit Allocation Committee (CTCAC), the California Debt Limit Allocation Committee (CDLAC), the California Department of Housing and Community Development (HCD), and HUD. The housing created should not only provide additional housing opportunities, but should also attempt to revitalize neighborhoods and remove blight. Irrespective of the funding scenarios, all projects should seek to leverage limited City funding to the greatest extent possible.

In 2021, LAHD added priority scoring for projects located in Higher Opportunity Areas and in TOD areas. Based on these changes the department anticipates that 8-10% of new units will be located in Higher Opportunity Areas and approximately 80% of units will be within a half mile of a transit station. LAHD will reevaluate this goal annually and increase this goal if State and Federal funding sources commit to longer-term regulatory changes that address the funding needs and constraints of developing subsidized affordable housing in Higher Opportunity Areas.

**7. OPPORTUNITIES TO INCREASE ~~THE PRODUCTION OF~~ AFFORDABLE HOUSING AND PROMOTE EQUITY THROUGH MAJOR ENTITLEMENTS**

Goal #: 1, 2, 3, 4
Lead Agencies: LACP
Supporting Agencies: LAHD
Funding Source: General Fund

Objective: ~~Evaluate and p~~Prepare a code amendment prior to Measure JJJ's 2026 sunset date~~;~~, that includes enhanced affordability requirements for housing developments seeking major legislative entitlements; Approve at least 350 affordable units per year in major entitlements in both high opportunity areas and in lower/moderate resource areas, when accompanied by amenities and needed investments. ~~Increase the~~

~~supply of affordable and mixed-income housing in evaluation of displacement risk and major zone changes.~~

Respective Policy: 1.1.2, 1.1.7

Continue to follow the proportional approach to density and affordable housing used in the Value Capture Ordinance. ~~Explore opportunities to add significant amounts of affordable housing when considering larger projects.~~ Require higher levels of affordable housing and other community benefits for projects that receive major legislative entitlements to grant additional residential density beyond current incentive programs or to allow residential uses where not previously allowed~~(such as a Zone Change, or Specific Plan exception), require a Development Agreement, or require a project-based Specific Plan~~. Continue the affordability requirements for projects requesting a Zone Change pursuant to Measure JJJ and draft an ordinance~~explore~~ expanding ~~and deepening~~ the current affordability requirements past the current sunset date in 2026. As part of the code amendment, evaluate~~Consider~~ new requirements for certain types of major projects to require applicants assess and mitigate displacement risk, housing impacts, racial impact, and historic exclusion in the areas where they plan to build. Based on these assessments, and an analysis of how the proposed project relates to the goals and strategies to affirmatively further fair housing, staff would recommend appropriate affordability and anti-displacement options, including more affordable housing, payment of linkage fees, deepening the level of affordability, creating more family-size units, instituting a preference policy for housing voucher-holders, and/or other measures.

**8. ACCESSIBLE HOUSING PROGRAM (ACHP)**

Goal #: 2, 3, 4, 5
Lead Agencies: LAHD
Supporting Agencies: LACP, LADBS, DOD
Funding Source: General Fund

Objective: Work with new and existing developments to add to the supply of accessible units in affordable housing developments, providing for 4,031 accessible affordable units by September 2026. Approximately 11% of all new affordable units will be accessible for individuals with mobility disabilities and 4% will be for individuals with hearing/vision disabilities. Maintaining a 90% certified compliance rate among more than 900 currently-covered housing developments and all new covered developments. Conduct at least 24 annual Fair Housing and Disability trainings, resolve approximately 200 grievances per year; Continue to operate and improve a waiting list for persons with disabilities (10,000 users) through the Affordable and Accessible Housing Registry (AAHR) to target available units to persons with disabilities. Establish public counters for assistance in applying for affordable and accessible housing by 2024. ~~Ensure that all affordable housing developments comply with the City's Fair Housing Policies. Conduct~~

~~training on Fair Housing; update and improve the Grievance tracking system. Improve the online Affordable & Accessible Housing Registry; establish public counters for assistance in applying for affordable and accessible housing.~~

Respective Policy: 1.2.2, 2.1.4, 2.3.1,4.1.1, 4.1.3, 4.1.4, 4.1.5, 4.2.2, 5.1.3

LAHD's accessible Housing Program (AcHP) ensures that people with disabilities have equal opportunity to rent, use, and enjoy housing that has received financial or other assistance from the City of Los Angeles (City) or the former Community Redevelopment Agency of the City of Los Angeles (CRA/LA). The AcHP covers 900~~700~~+ affordable rental housing developments, including those built before April 2016, and new housing developments with five or more housing units that are designed, constructed, altered, operated, administered, or financed by the City. Specifically, the program reviews plans for new developments; assists developers in retrofitting existing properties; provides training to project and City staff related to Fair Housing policies for people with disabilities; monitors compliance with and enforces the City's Fair Housing Policies; processes and tracks tenant grievances; and maintains the online Affordable & Accessible Housing Registry. During the Housing Element cycle, the City will continue to operate and improve the online Affordable & Accessible Housing Registry serving nearly 10,000 users who have submitted pre-applications for accessible units. The City will also establish public counters for assistance in applying for affordable and accessible housing.

**10. AFFORDABLE HOUSING LINKAGE FEE**

Goal #: 2
Lead: LAHD
Supporting: LADBS, LACP
Funding Sources: AHLF

Objectives: Subsidize the production and preservation of affordable rental and homeownership units annually based on annual revenues collected (estimated $17.2 million collected in FY 21-22, and $58.7 million to date); Refine spending priorities annually through the AHLF Oversight Committee to ensure dedicated funding for low and moderate income homeownership, 20% of the revenue supporting the preservation of affordable housing in lower resource communities, and fund affordable housing production with priority scoring for Higher Opportunity Areas; By 2023, update Linkage Fee market areas to accurately reflect market conditions and maximize revenue generation.

Respective Policy: 1.2.4, 1.2.7, 1.2.8, 1.3.1, 2.1.2, 2.2.4

The Los Angeles City Council adopted the Affordable Housing Linkage Fee Ordinance (AHLF) (No. 185342) on December 13, 2017. The Ordinance places a fee on certain

new market-rate residential and commercial developments to generate local funding for affordable housing production and preservation. The fee was phased in beginning on June 18, 2018 and the amount of the fee varies by the type of use and by geography across the city. High market areas are subject to higher fees than lower market areas, where investment incentives are more needed. The AHLF also includes various exemptions and deductions based on ~~certain characteristics~~ place-based community revitalization goals, including exemptions for projects located in the SLATE-Z South Los Angeles Promise Zone Area, hospitals, community-serving uses such as schools and museums, and new grocery stores located in food deserts. Linkage Fee revenue is added to the City's Affordable Housing Managed Pipeline (See Program 6) Notice of Funding Availability (NOFA), which includes priority scoring for projects located in Higher Opportunity Areas and punitive scoring for projects that result in tenant displacement. AHLF revenue is also used to help fund the City's first-time homebuyer purchasing program which provides down payment assistance for low and moderate income households, which helps stabilize housing and provide wealth-building opportunities in low and moderate-resource areas of the city (see Program 1). As needed, pursue code amendments to balance new opportunities for revenue creation with the potential for additional discounts, credits and exemptions for project types that bring needed investments and meet community revitalization priorities, particularly in lower market areas. ~~The Affordable Housing Linkage Fee provides the City of Los Angeles a permanent and self-sustaining local resource that will create long-term and innovative housing funding programs. Based on projected development activity, over the next decade the Affordable Housing Linkage Fee is anticipated to bring in tens of millions of dollars to the city's affordable rental and homeownership housing programs.~~

**14. REMEDIATION OF ENVIRONMENTAL HAZARDS ~~REDEVELOPMENT OF BROWNFIELD SITES~~**

Goal #: 1, 3
Lead Agencies: DPW (LASAN)
Funding Source: General Fund
Supporting Agencies: LACP, LAHD

Objective: Environmental clean-up of at least five brownfield sites; 50 environmental assessments, create opportunity for 100 units, including 10 very low and 10 low-income units. Identify new or increased sources of funding for brownfield clean up. Present an ordinance to the City Planning Commission by 2023, prohibiting new oil and gas extraction and declaring extraction activities a non-conforming use citywide.

Respective Policy: 1.1.4, 3.1.4

Through LASAN's Citywide Brownfields Program, provide technical assistance and resources to combat challenges associated with brownfields, primarily in underserved areas with Environmental Justice concerns within the City. Conduct environmental

assessments and cleanups to enable the reuse and redevelopment of brownfields into affordable housing projects, mixed-use projects, public amenities, and parks. Advocate for the funding that would be necessary to clean up the several thousands of brownfield sites in the City of Los Angeles. Build partnerships across departments and sectors to facilitate brownfield transformation. Explore ways to improve notification about environmental assessment and brownfield recovery funds to aid developers in building housing on formalerly contaminated sites. Prepare an ordinance prohibiting new oil and gas extraction and declaring extraction activities a non-conforming use for public feedback in 2022 and adoption in 2023. The ordinance will improve the noxious health and physical impacts of oil uses adjacent to residential zones, which disproportionately affect lower-income communities of color in the Harbor, South Los Angeles, and the North Valley.

**15. PUBLIC LAND FOR AFFORDABLE HOUSING**

Goal #: 1, 4, 5
Lead Agencies: CAO, City Council
Supporting Agencies: GSD, LAHD, LACP, Mayor's Office
Funding Source: General Fund, LEAP

Objective: Increase the utilization of public land for affordable housing with particular emphasis in high resource and gentrifying areas; Iidentify publicly owned housing opportunity sites and issue RFPs to develop the sites by 2023, and annually thereafter; Rezone PF (Public Facility) zoned land to allow affordable housing by-right by 2024 (see Program 121 and 48); Maintain a publicly accessible citywide inventory of publicly owned sites.; Revise the Asset Management Evaluation Framework to add AFFH criteria into the property review and evaluation process.

Respective Policy: 1.2.10

Expand the redevelopment of publicly owned land, as well as joint use of other public facility sites, which may be appropriate for housing. Assess and report on the underutilization of all City-owned properties and the feasibility of using them for Affordable Housing Opportunity Sites. In general, the CAO is responsible for identifying and evaluating City-owned sites for development, and the LAHD is responsible for selecting developers and negotiating disposition development agreements. The agencies and departments that own public sites within the City limits include, but are not limited to, the U.S. Army Corps of Engineers (U.S. ACE), California Department of Transportation (Caltrans), the Los Angeles County Metropolitan Transportation Authority (LA Metro), the Los Angeles Unified School District (LAUSD), the Housing Authority of the City of Los Angeles (HACLA), the Los Angeles County Flood Control District (LA Flood) and more. The Office of the Controller will maintain a database and map of publicly owned land, currently called Property Panel LA. This inventory should be periodically reconciled with inventories of other city owned land kept by other

departments, including GSD and LAHD. Additional City departments will work to create inventories of underutilized land under their control that may be appropriate for affordable housing development. Examine site suitability under the City's Asset Management Framework. The CAO and LAHD will additionally work to expand the City's capability to assess properties identified by City departments, include AFFH into the Asset Management Evaluation Framework, convey identified City-owned properties for affordable housing development, and to streamline the City' management of its real estate assets and allow for a more proactive approach to land acquisition that can leverage the City's existing resources. City Planning will ~~continue to~~ facilitate changes to public land zoning and/or create incentives to ensure that public land, when it has been designated for housing, can be efficiently used to maximize the number of affordable units appropriate for the site. City Planning and LAHD will ensure that City-owned land used for housing is 100% affordable, or otherwise maximizes the number of affordable units. In conjunction with LAUSD, explore the potential to rezone and reconfigure older school sites in order to make land available for affordable housing. Additionally, support the use of existing capital tools such as the New Generation Fund (NGF), Metro Affordable Transit Connected Housing Program (MATCH), and Golden State Acquisition Fund (GSAF) are used efficiently to purchase vacant land, finance pre-development activities, and acquire multifamily properties of all sizes.

Building on the recently passed AB 1486 (which amended the Surplus Land Act), LAHD intends to create, using Local Early Action Planning (LEAP) grant funds, an interdisciplinary team to identify opportunity sites, and build partnerships with public agencies with surplus public land available for affordable housing development. Developers for these sites will be chosen through a competitive Request for Proposals (RFP). The goal for the first RFP is to release sites entitled for 1,000 affordable housing units, while the strategy aims to develop at least 10,000 housing units affordable to households earning very low, low, or moderate incomes on public land with limited reliance on public subsidies.

**18. FINANCE THE CONSTRUCTION AND MAINTENANCE OF PERMANENT SUPPORTIVE HOUSING FOR HOMELESS PERSONS**

Goal #: 5
Lead: LAHD
Supporting Agencies: HACLA, LAHSA
Funding Source: HHH, AHLF, SB 2, HOME, and Section 8 Vouchers

Objective: Finance an average of 500 units per year with priority scoring for projects located in Higher Opportunity areas.

Respective Policy: 5.1.3, 5.1.5

Finance long-term housing with supportive services designed to enable homeless persons with developmental, intellectual, and physical disabilities to live as independently as possible in a permanent setting.

**20. NEW ~~LOCAL~~ REVENUE ~~PROGRAMS~~ TO INCREASE AFFORDABLE HOUSING**

Goal #: 1, 2, 5
Lead Agencies: Mayor's Office
Supporting Agencies: LACP, EWDD, CLA, LAHD, HACLA
Funding Source: General Fund

Objective: Increase funding to support affordable housing throughout the city in a way that prioritizes those most in need and supports AFFH, including prioritizing affordable production in Higher Opportunity Areas. Adopt a council resolution each legislative cycle that supports state and federal initiatives~~Support State and Federal bills that provide funds for~~that increase funding for affordable housing development and preservation in Los Angeles City~~ in each legislative session,~~. Advocate for state and federal funding sources to include priority scoring for projects located in high resource areas and advocate against measures that would inhibit the City's ability to build Affordable Housing in Higher Opportunity Areas. To serve the needs of R/ECAP and other High Segregation & Poverty areas, advocate for the creation and expansion of programs that integrate housing funding with broader community development investments leveraged with state and federal funding programs (e.g. AHSC, IIG, etc.). ~~Increase the Affordable Housing Trust Fund.~~

Respective Policy: 1.1.4, 1.1.5, 2,1.3

Support additional permanent sources of affordable housing and renter protection funding for the City. Advocate for new and existing resources to support the creation of affordable housing in Higher Opportunity Areas, preservation strategies to address displacement, and integrated housing and community development programs that meet the needs of R/ECAP and other High Segregation & Poverty Areas. Implement any local ballot measures to~~Explore options for~~ generate~~ing~~ funds locally, including a progressive real estate documentary transfer tax, vacancy/empty land tax or speculation/flipping tax. Obtain City Council support for County, State and Federal legislation and voter initiatives that create funding programs or new sources of funds (i.e., bond initiatives, tax increment financing, support removal of barriers for affordable housing (e.g., repeal Article 34), upzoning programs, state surplus funding, new state affordable housing bonds, increasing HTF funding, etc.). Continue to advocate to allocate General Plan funding to new and existing affordable housing and housing stability programs.

**22. SYSTEMATIC CODE ENFORCEMENT PROGRAM (SCEP)**

Goal #: 2, 3
Lead Agencies: LAHD
Funding Source: SCEP Fees

Objective: Inspect up to 200,000 multi-family residential rental units annually for compliance with state health and safety codes and the Los Angeles Housing Code. Achieve code compliance with habitability standards within 120 days of systematic inspection. Initiate contact for complaint inspections within 72 hours of complaint receipt 80% of the time. Partner with community-based organizations to provide additional support and outreach to tenants in low-resource, and high segregation and poverty areas.

Respective Policy: 2.3.1, 2.3.2

SCEP conducts proactive inspection of all multi-family rental housing regarding maintenance, use and habitability for compliance with the Housing Code and the California Health and Safety Code at least once every four years. Re-inspection of non-compliant properties is conducted until compliance is achieved. In addition to regular systematic inspections, complaints about code violations in individual units or common areas can be filed at any time by renters or property owners. In 2019 LAHD launched a TIER-based inspection program that establishes a two year frequency of inspections for properties that performed poorly in the previous 4-year cycle. In addition, SCEP provides an opportunity to property owners who are willing and able to legalize their illegal units through UDU and/or ADU Programs (see Programs 56 and 64 respectively), thereby avoiding displacement of occupants.

**26. MOBILE HOME PARKS**

Goal #: 2
Lead Agencies: LACP
Funding Source: General Fund

Objective: Assist 100 mobile park tenants by 2029; ~~-~~ 250 market-rate mobile home park pads ~~in residential areas~~ are preserved.

Respective Policy: 2.1.1, 2.2.5

Preserve and expand residential use of mobile home parks within residential areas. Identify mobile home parks, including non-conforming, and identify protections through the community planning process. Support legislation that expands local authority over conversion of mobile home parks to ownership structures. Provide relocation benefits to mobile home park occupants. Facilitate access to purchase and mortgage assistance to

tenants in the event of conversion to ownership. Consider expanding areas and zoning designations where mobile homes, park trailers (tiny homes) and recreation vehicles can be used for habitation. Protect mobile home tenants from predatory housing practices, including buying mobile home land and evicting tenants. ~~Consider expansion of RSO provisions (cross reference RSO program).~~

**30. NEW MODELS OF ACQUISITION, REHABILITATION AND PRESERVATION**

Goal #: 2
Lead Agencies: HACLA
Funding: HACLA and City sources such as the Affordable Housing Linkage Fee. Additional private and non-profit debt and equity partners will be identified in the strategy.

Objective: HACLA will aim to increase its portfolio through acquisition with a goal of 750 units by 2022, 2,500 units by 2025, and 5,000 units by 2030. HACLA will primarily acquire existing, naturally occurring affordable housing buildings in lower resource areas.

Respective Policy: 2.1.3, 2.1.2, 2.2.2

Continue to create~~Explore~~ public and private partnerships to facilitate the preservation of naturally occurring affordable housing~~. Explore new models to preserve affordable housing~~ by taking it off the private market and into public ownership, community land trusts or other socially-minded entities by leveraging available resources such as the low-income housing welfare tax exemption, HACLA's local government ownership property tax exemption and housing revenue bond issuance authority for low- to moderate-income housing, new SB 1079 (2020) requirements around foreclosed small multifamily properties, as well as other programs. HACLA will utilize its own financial resources, including its line of credit, internal reserves, and/or its ability to issue mortgage revenue bonds, to pilot and advance acquisition and infill strategies to increase the number of units HACLA offers for affordable housing. Additionally, HACLA will explore mixed-income acquisitions, with a portion of market rate units that will generate revenue to subsidize income restricted units. HACLA will work to expand access to capital by forging new partnerships with conventional equity investors, lenders, nonprofit and for-profit sponsors, funds, and developers seeking to leverage HACLA's resources and/or development and asset experience to create and preserve affordable housing. HACLA will also work to identify partnership projects in which it will hold an equity position that will allow for it to receive acquisition and developer fees and a share in ongoing cash flow, which it may reinvest into additional properties.

**32. RSO ENFORCEMENT**

Goal #: 2
Lead Agencies: LAHD
Supporting Agencies: OCA
Funding Source: RSO Fees

Objective: Investigate and identify violations of the RSO in order to ensure tenant protections afforded under the RSO. Ensure renters can maintain residence in safe rental units without the threat of arbitrary eviction. Ensure renters can afford to stay in their rental residences by stabilizing rents. Investigate and enforce 10,000 annual complaints of RSO violations and refer non-compliant cases to the City Attorney's office for further enforcement. Partner with community-based organizations to target outreach to areas with high displacement risk and High Segregation & Poverty areas.

Respective Policy: 2.1.4, 2.2.1, 2.3.1

Enforce registration of rental units and rent levels, prevent unlawful evictions, identify illegal rent increases and preserve stabilized rents, obtain reimbursements for any and all overpayment in rent beyond the allowable annual percentages, obtain monetary or service replacements for services reduced or lost, ensure relocation assistance monies for eligible tenancies, enforce posting of RSO notice on site, and enforce lawful methods of rent payment.

**38. RENT ESCROW ACCOUNT PROGRAM (REAP)/UTILITY MAINTENANCE PROGRAM**

Goal #: 2, 5
Lead Agencies: LAHD

Objectives: Monitor active REAP Cases and ensure timely closure for compliance. Prevent 50 essential service shut-offs annually through the release of REAP/UMP funds. Contract with community-based organizations to conduct proactive outreach to tenants in REAP buildings, particularly in high segregation and poverty areas and areas facing displacement.

Respective Policy: 2.1.2

With the Rent Escrow Account Program (REAP), established in 1988, tenants may voluntarily place their rents into an escrow account when the landlord has failed to correct cited housing code violations and other deficiencies within the time permitted (LAMC Section 162.00 et seq.). REAP provides a just, equitable and practical method, in conjunction with and in addition to existing City and State Building and Safety Codes, to provide economic incentives for a landlord to quickly bring their buildings into

compliance. The REAP program administers escrow accounts for substandard residential buildings and prevents termination of essential services when owners fail to pay utility bills. The REAP program contracts with landlord and tenant outreach organizations to provide educational information to landlords and tenants in the REAP program.

**49. TARGETED ZONING ALLOCATIONS BY COMMUNITY PLAN AREA**

Goal #: 1
Lead Agencies: LACP
Supporting Agencies: LAHD
Funding Source: REAP

Objective: Create a Citywide Housing Needs Assessment by Community Plan Area, including a methodology to allocate housing capacity targets~~, and~~~~including~~ Affordable Housing units, that prioritizes~~regarding~~ equity, access to opportunity, and anti-displacement. Release draft methodology for public review by 2023, and bring to the City Planning Commission for action by 2024~~ as part of Framework Element (or equivalent) update to the citywide growth strategy (see Program 50)~~. Utilize these numerical targets as a basis for all local planning efforts around housing goals, with the goal of achieving an equitable distribution of multi-family zoning capacity and affordable housing production across the City, as measured by the factors and weights developed in the allocation methodology.

Respective Policy: 1.1.1, 1.1.2, 1.1.6, 1.3.1, 1.3.2

Pursue the creation of a community housing needs assessment process that allocates the citywide RHNA to Community Plan Areas based on a methodology that reflects citywide priorities, including traditional growth criteria (proximity to transit, jobs and amenities) as well as considerations regarding equity, access to opportunity, and anti-displacement. More guidance should also be provided regarding the development of local incentive programs and policies to address local needs. Consider other ways to align regional, citywide, and local planning for housing, such as aligning capacity methodologies and assumptions. Identify the housing needs of each community when each Community Plan is updated, and address them in alignment with Citywide Housing Priorities. Concurrently, LAHD is developing an Affordable Housing Sites Analysis tool, intended to complement citywide RHNA, that will identify parcels that are most competitive for local, state and federal funding programs and meet low-income housing goals.

As part of the current Housing Element update, adopt a program for the future update to the City's General Plan growth strategy to create a new community housing needs assessment methodology to establish housing goals and zoning targets for each Community Plan Area, by income category. The process could be based upon citywide

housing production goals and utilize a methodology that would balance traditional factors such as job and transit access and environmental concerns with a new prioritization for high opportunity areas, preventing displacement, and other fair housing considerations. The outcome of this process would include the creation of equitable numerical housing goals and zoning targets for each Community Plan Area, and subareas, by income category to be used for local planning efforts.

**52. INTEGRATE THE HOUSING ELEMENT AND THE CONSOLIDATED PLANNING PROCESS**

Goal #: 1, 2, 3
Lead Agencies: LAHD
Supporting Agencies: LAHSA, HACLA
Funding Source: CDBG, HOME, ESG, and HOPWA General Fund

Objective: Integrate the Housing Element with the 1 and 5-year Consolidated Plan (2022 and 2027) by using the goals and strategies of the Housing Element to inform the Consolidated Plan and Annual Action Plans. For the 2018-2022 Consolidated Plan allocate $165 million to stabilize and revitalize low-income neighborhoods and $56 million to improve local employment for low-income residents. Determine similar levels of funding goals in 2022 and 2023 as part of the new consolidated plan and prioritize community development investments in High Segregation and Poverty Areas and/or Racially Concentrated Areas of Poverty.

Respective Policy: 1.1.1, 1.1.9, 4.3.4, 5.2.6

The Consolidated Plan is an assessment of affordable housing and community development needs and market conditions required by HUD to help make data driven, place-based investment decisions. The Plan requires the City to assess housing needs and barriers to housing and outlines the funding priorities for the use of Federal programs including CDBG, HOME, ESG and HOPWA. The next 5-year plan (2023-2027) will integrate the needs and constraints section of this Housing Element and build off the Citywide Housing Priorities and AFFH goals~~, policies, and programs outlined in this report~~ when determining place-based community revitalization incentives.

**56. UNAPPROVED DWELLING UNITS (UDU)**

Goal #: 2
Lead Agencies: LACP, LAHD
Funding Source: General Fund

Objective: Process 65 applications per year to preserve 100 affordable units and prevent tenant displacement as a result of zoning code violations related to unapproved rental units. Identify requirements that pose compliance difficulties for legalization projects and~~.~~

~~A~~adopt amendments to the Zoning Code to alleviate continued challenges to legalization and expedite the process, by 2024~~ as needed~~. Conduct proactive outreach on the benefits of the UDU program to landlords, particularly when tenant displacement would otherwise occur, through the SCEP Program (Program 22) when inspecting multifamily rental units and zoning code violations are identified.

Respective Policies: 2.1.3, 2.2.3

Identify Zoning Code requirements that typically pose challenges in the preservation, rehabilitation, and legalization of existing housing. Amend the Zoning Code to facilitate rehabilitation of housing to habitable levels rather than encouraging demolition or disinvestment. Examine the effectiveness of the Unapproved Dwelling Unit (UDU) Ordinance and identify remaining barriers towards the preservation of unpermitted units. Promote legalizations of existing units through ADU law, and implement state law on allowing time to legalize illegal ADUs and unpermitted dwelling units.

**63. ACCESSORY DWELLING UNITS**

Goal #: 1
Lead Agencies: LACP
Supporting Agencies: Mayor's Office, LADBS
Funding Source: General Fund

Objective: Permit 5,123~~5,668~~ ADUs annually; Adopt amendments to the Zoning Code to alleviate challenges by 2024; Continue to produce new information to assist homeowners and ADU builders in understanding their options, and partner on programs to incentivize and accelerate the production of Affordable ADUs. Continue the work of the multi-agency ADU Quarterly Roundtable, convened by the Mayor's Office to identify and resolve barriers. Expand incentives for the production of affordable ADUs, including preparing a code amendment to expand the density bonus program in higher opportunity areas by 2024. Implement the LA ADU Accelerator program to incentivize use of ADUs to house lower-income seniors.

Respective Policies: 1.1.2, 2.3.1

Identify development standards and code requirements that pose unnecessary compliance difficulties to additional ADUs and propose ways, including code amendments and public information, to address these obstacles. Provide greater resources and support to applicants who are seeking City approval for ADUs. Continue to expand the ADU Accelerator program to incentivize use of ADUs to house lower-income seniors by scaling up outreach. Expand incentives for affordable ADUs, including exploring a density bonus program and ADU innovation program funded by the Linkage Fee. Partner with community organizations and nonprofits to promote the

production of ADUs and Affordable Housing. Expand the use of ADU's in multi-family properties. LADBS will implement the ADU Standard Plan Program (Program 64 ~~below~~).

**65. PLAN FOR HOUSING ~~TARGETING~~ GROWTH AND PLACE-BASED STRATEGIES IN COMMUNITY PLAN AREAS**

Goal #: 4,3,1
Lead Agencies: LACP
Supporting Agencies: LAHD
Funding Source: General Fund

Objective: Identify targeted growth areas and incorporate appropriate land use designations and policies in the adoption of 16 Community Plans and at least 3 neighborhood plans ~~adopted~~ by 2029 (see timelines below). Prioritize rezoning at densities that allow creation of affordable housing in areas near transit, jobs and in Higher Opportunity Areas, while balancing the preservation of stable multifamily neighborhoods. Create and incorporate tailored place-based land use strategies and programs in each plan (see below for a range of implementation tools). Ensure that updates to Community Plans and neighborhood plans are consistent with Citywide Housing Priorities.

Respective Policies: 1.1.2, 1.1.6, 3.2.2, 4.3.2

Update Community Plans, Transit Neighborhood Plans, Specific Plans and citywide ordinances to establish appropriate land uses, densities, and mixes of housing types and levels of affordability in areas targeted for growth by the General Plan, including areas well served by public transit, and employment/activity centers, particularly in Higher Opportunity Areas ~~higher resource areas~~ and areas where potential for displacement is minimized. Evaluate existing housing needs when planning for future development by conducting analysis to develop and incorporate a buffer above household projections (see Program 49). Conduct studies to identify housing opportunities and market potential for the neighborhoods around rail and bus rapid transit stops in the City. Evaluate housing production barriers such as Q limitations, D limitations, and general plan footnotes, and update them ~~remove~~ as part of Community Plan Updates. Change land use designations, initiate zone changes and adopt Community Plan Implementation Overlay districts. Adopt~~Explore~~ minimum density requirements and reduced or zero parking requirements where appropriate. ~~Aim to a~~Attach community benefits, including affordable housing and other place-based amenities and investments, to significant bonuses in floor area and density (see Program 81).

Create community plan implementation overlays that include Community Benefits Program and Community Benefits Fund, as appropriate, to provide additional affordable housing programs, mobility and street improvements, local parks and open space, support for workforce training, economic development and jobs, business recovery

strategies for local businesses, needed community amenities such as health services, grocery stores and corner markets, amenities for people who are experiencing homelessness, remediation strategies for discontinued oil wells, and increasing access to the Los Angeles River.

Evaluate specific plans and overlays that may be limiting the production of housing and make ~~work toward~~ revisions that allow for greater housing opportunity while maintaining community and design concerns (e.g., CASP). Identify areas of high opportunity where development potential is limited by hazard concerns and ecological conservation priorities. Study and explore alternative tools that allow for the development of more affordable housing in these areas, such as affordable ADUs, subdividing larger properties and clustering or planned unit development.

Currently, there are 16 active Community Plan Updates and 3 Neighborhood Plans. Active plans are clustered into the following geographic programs with varying timelines for adoption. As timing for completion is dependent on the legislative adoption process, timelines listed below are reflective of when programs are expected to begin the adoption process with a City Planning Commission (CPC) Hearing:

- Hollywood, CPC held in 2021, currently in the adoption process
- Downtown (Central City, Central City North), CPC held in 2021, currently in the adoption process
- Boyle Heights, adoption process beginning in 2021-2022
- Harbor Plans (Harbor Gateway, Wilmington-Harbor City), adoption process beginning in 2022
- Southeast Valley (North Hollywood - Valley Village, Sherman Oaks - Studio City - Toluca Lake - Cahuenga Pass, Van Nuys - North Sherman Oaks), adoption process beginning in 2022-2023
- Southwest Valley (Encino - Tarzana, Reseda - West Van Nuys, Canoga Park - Winnetka - Woodland Hills - West Hills), adoption process beginning in 2022-2023
- West Los Angeles (West Los Angeles, Palms - Mar Vista - Del Rey, Venice, Westchester - Playa del Rey), adoption process beginning in 2023

In addition to current Community Planning efforts described above, updates to the following plans will also be initiated during the Housing Element Cycle: Wilshire & Westlake CPA, Northeast Los Angeles & Silverlake CPA, the Northwest Valley geography, the Northeast Valley geography, and the Westside North geography.

Active Neighborhood Plans include the Cornfields Arroyo Seco Specific Plan (CASP)~~which~~, the Orange Line Transit Neighborhood Plan, and the Slauson Transit Neighborhood Plan, all which will begin the adoption process in 2022.

**81. COMMUNITY LEVEL AFFORDABLE HOUSING PROGRAMS**

Goal #: 1,2
Lead Agencies: LACP, LAHD
Funding Source: General Fund

Objective: By 2029, ~~E~~establish community-level affordable housing programs through the adoption of~~when~~ Community Plan ~~are~~ update~~d~~ and other neighborhood plans ~~local level plans are created~~. Achieve an increased production of affordable housing units in updated Community Plan and neighborhood plan areas, over current production levels. Track affordable housing production in areas with community level affordable housing programs and areas with established overlays, to ensure that ~~alongside~~ identified goals are met. ~~Track housing production in established overlays to ensure they are meeting housing goals.~~ Through annual monitoring, ~~i~~identify additional plans that are not producing the amount of anticipated units and propose amendments.

Respective Policies: 1.1.2, 1.1.6, 1.1.7, 1.2.6, 1.3.2, 2.1.1

With each major community or local planning effort (e.g., Community Plans, CPIOs, Specific Plans, TNPs, and Zoning ordinances), balance the facilitation of new residential development, preservation of naturally affordable multi-family housing, and ~~provisions for~~ the inclusion of affordable housing in new residential development. Use data collected through Program 51, Database for Evaluating Housing Need, to identify sections of the city where demographics do not align with housing stock, such as areas with large aging populations and lack of certain housing types. ~~Consider other mechanisms that address impacts on the provision or retention of affordable housing units and various housing needs.~~ Make~~Attempt to~~ improvements to ~~upon~~ the local ~~state~~ density bonus and TOC programs by providing more tailored land-use incentives and market-based affordable housing provisions to meet local needs, such as large family units, senior units, and evolving multi-generational living. Facilitate affordable housing development in existing Specific Plans that include such provisions, including Playa Vista, Central City West and Cornfield Arroyo Seco (CASP), various CPIOs, and~~;~~ TNPs~~, etc~~. The Downtown Community Plan proposes a Community Benefits Program that provides a path for development projects to build larger buildings, in exchange for providing community benefits that prioritizes affordable housing, followed by a mix of other benefit types (see Program 65). Explore the feasibility of creating inclusionary requirements in the Warner Center Specific Plan, the Downtown Community Plan, and other areas identified in an inclusionary study, where such a requirement can add value by complementing existing incentive programs and~~;~~ the Affordable Housing Linkage Fee, and result in more ~~overall~~ affordable housing overall.

**82. ACCOMMODATIONS FOR PERSONS WITH DISABILITIES**

Goal #: 4
Lead Agencies: LACP
Supporting Agencies: DOD
Funding Source: General Fund, Building Permit Fees, CDBG

Objective: Foster and maintain compliance with fair housing law by making reasonable accommodations for people with disabilities and making improvements to outreach and process. Train all project planning and development services ~~appropriate~~ City Planning staff on ~~processing~~ facilitating Reasonable Accommodation requests; Produce and disseminate informational materials regarding Reasonable Accommodation process at development services centers; Process 5 requests annually based on applications received; Amend the Reasonable Accommodation Ordinance Instructions and Findings in 2022.

Respective Policies: 4.1.1, 4.1.3, 4.1.5

DOD will work with City Departments to coordinate the City's compliance with the ADA and the Rehabilitation Act of 1973. Monitor compliance and ensure reasonable accommodation to people who use all City programs and facilities. LACP will assess the need for amendments to the reasonable accommodation provision in the Zoning Code which facilitates modifications to housing units occupied by persons with disabilities. Develop staff training resources regarding implementation of the reasonable accommodation provision. Improve application forms, outreach, advertising and informational materials to increase use of the reasonable accommodation provision by people with disabilities. Amend the Reasonable Accommodation Ordinance Instructions and Findings form to allow options for those persons with disabilities unable to submit their request in writing and make clear that written responses to the required findings section are an optional opportunity to provide information and not required.

**84. CITYWIDE FAIR HOUSING PROGRAM**

Goal #: 4
Lead Agencies: LAHD

Objective: Receive 800~~540~~ fair housing inquiries annually. Resolve 500 ~~413~~ fair housing investigations annually. Conduct 50 ~~68~~ fair housing training sessions annually. Train 6 ~~25~~ full-time new fair housing testers annually. Maintain the Housing~~/Predatory Lending~~ Hotline. The Citywide Fair Housing program will also reduce disparities in access to opportunity by providing education and outreach through social media platforms, literature distribution and discussion groups.

Respective Policies: 4.1.4, 4.1.1, 4.2.2, 4.2.3

Through a contract with a fair housing agency for the City, the Citywide Fair Housing Program will reach over 50,000 households by providing tenants' rights education. The program will also provide resolution to illegal housing discrimination by accepting and investigating housing discrimination complaints that allege a violation of federal, state, or local fair housing law (i.e. complaints concerning advertising, lending, insurance, steering, blockbusting and hate crimes). Provide remedies for valid complaints, including conciliations, legal action and administrative referrals to state and federal fair housing agencies. Provide counseling, education, and training about fair housing laws rights, and responsibilities to persons residing, seeking housing, or providing housing in the City of Los Angeles. These trainings include information about reasonable accommodations and ADA requirements. Conduct proactive testing to determine patterns and practices of discrimination. Provide information about home equity fraud and predatory lending scams to residents through a free telephone hotline and other information tools.

**85. JUST CAUSE EVICTION PROGRAM**

Goal #: 2, 5
Lead: LAHD

Objectives: Present a Just Cause Eviction report to the City Council by 2023 in order to s~~S~~tabilize neighborhoods and~~,~~ prevent tenant displacement and arbitrary evictions for tenants in an estimated 220,000 non-RSO rental units. ~~of renters in a high-cost rental market, without justifiable legal reasons or relocation assistance.~~

Respective Policies: 2.1.4, 4.1.4, 5.1.2

Prepare a ~~Explore the adoption of a~~ Just Cause Eviction ~~ordinance~~ report by 2023. ~~Upon adoption~~If adopted by the City Council, a Just Cause eviction ordinance would provide eviction protections for tenants of approximately 220,000 non-rent stabilized rental units (non-RSO), as permitted under the California Tenant Protection Act of 2019 (AB 1482), which provides modest eviction protections for rental units constructed more than 15 years ago, and permits local jurisdictions to adopt more robust tenant protections on evictions. Such protections could include the requirement for relocation assistance for no-fault evictions; requirements for landlords to file notifications with LAHD for no-fault evictions from rental units; and provide remedies for illegal evictions to renters in non-RSO rental units.

**86. TENANT ANTI-HARASSMENT**

Goal #: 2, 4
Lead: LAHD

Objectives: Beginning in 2021, p~~P~~revent and deter harassment and constructive eviction of tenants through illegal actions by implementing the newly adopted Tenant Anti-Harassment Ordinance. Partner with community-based organizations to target outreach to areas with high displacement risk (as identified through Program 122) and in Low-Resource and High Segregation & Poverty areas.

Respective Policies: 2.1.4, 4.1.4

In 2021, the City passed a Tenant Anti-Harassment Ordinance that was strongly supported by tenant rights' organizations. The City, in partnership with tenant organizations, are now conducting~~Conduct~~ outreach and education on the ~~City's Tenant Anti-Harrassment~~ Ordinance ~~(adopted 2021);~~ to inform the public on what constitutes tenant harassment, ~~.~~ ~~I~~inform tenants of their legal rights and how to prevent and respond to tenant harassment~~.~~, and r~~R~~efer tenant complaints to appropriate programs or agencies for resolution. The City is also ~~M~~maintaining ~~-~~records of harassment complaints and referrals in order to assess future staffing and program needs. Based on initial data from the Police Department, tenant harassment disproportionately impacts BIPOC tenants and tenants in lower-income areas and areas facing displacement pressure.

**87. STRENGTHEN ENFORCEMENT OF ELLIS ACT PROVISIONS**

Goal #: 2
Lead: LAHD

Objectives: Identify Ellis Replacement units; ~~Strengthen monitoring and enforcement efforts.~~ Continue to process Ellis filings of yearly average of 584. Strengthen monitoring and enforcement efforts by aligning Ellis related tenant protections with SB 8 tenant protections beginning in 2021, revising tenant and landlord communications by June 2023 to improve the understanding of tenant rights, increasing relocation amounts to adjust for CPI annually and conducting a fee study in 2022 to determine changes to relocation amounts.

Respective Policies: 2.1.4, 2.1.5

The City has implemented various amendments to the Ellis Act to strengthen tenant protections and no net loss of affordable housing units including: adding failure to comply with RSO Ellis requirements as affirmative defense in unlawful detainer proceedings, providing a right to return to displaced tenants if withdrawn units are re-rented within 10 years; and requiring a higher percent of required affordable units in order to qualify for an

RSO exemption. During the next eight years, the City will continue monitoring of Ellis withdrawals and enforcement of the LAMC to preserve RSO units, prevent displacement of tenants, and ensure relocation assistance to tenants. Beginning in 2021, the City will align Ellis related tenant protections with SB 8 tenant protections to ensure extended tenancies, relocation payment and right of return. The City will start a fee study to assess changes to the relocation amounts.

**88. EVICTION DEFENSE PROGRAM**

Goal #: 2
Lead: LAHD~~, CIFD~~

Funding Sources: Federal funds, SB 2 Permanent Local Housing Allocation (PLHA)

~~Objective 5.3~~Objectives: Conduct outreach to 200,000 tenants through 'Know-Your-Rights' workshops and legal referrals each year and provide full and limited-scope legal service to 6,000 low-income tenants per year. Prioritize outreach and service-delivery in High Segregation & Poverty Areas and areas facing displacement pressure by partnering with organizations with a trusted history of serving these communities. ~~Initial outreach to 100,000 residents. Provide tenant navigation services (ongoing, one-on-one support) to 1,600 tenants per year in order to prevent homelessness and eviction. Through Family Source Centers, provide case management services (ongoing support) to 600 households and housing stability services to 480 households per year.~~

Respective Policies: 2.1.4, 1.1.9

In 2021, the City launched a COVID-response Eviction Defense Program (EDP) using COVID Relief funding from the Federal Government. The Eviction Defense Program aims to promote housing stability by implementing and monitoring a set of services including: ~~E~~education~~/~~ and ~~O~~outreach for landlords and tenants~~, including materials and tenant clinics, Pre-eviction and ongoing legal assistance paired with the option of short-term rental assistance, and case management with the city's FamilySource Centers to promote tenant stability with financial counseling.~~ through 'Know-Your-Rights' educational materials and tenant clinics, as well as pre-eviction and ongoing legal assistance paired with the option of short-term rental assistance. The program is implemented through a network of community-based organizations that have a history of and commitment to serving the needs of lower-income renters and BIPOC communities. The EDP implementation process will include data evaluation of program services delivered and client demographics. The City is now exploring funding options to extend the program in subsequent years and will evaluate the feasibility of establishing a tenant's "Right to Counsel" Program. Through 2026, some households at or below 30% AMI receiving support will be eligible for rental assistance to help stabilize families experiencing extreme economic hardship.

**89. RSO TENANT/LANDLORD OUTREACH AND EDUCATION PROGRAM**

Goal: #2
Lead Agencies: LAHD

Objective: Conduct or facilitate at least 200 annual public presentations, including Property Management Training Program presentations, community presentations, landlord/tenant workshops/webinars, drop-in sessions, and fair housing clinics. Partner with community-based organizations to target outreach to areas with high displacement risk and High Segregation & Poverty areas.

Respective Policies: 2.1.4, 2.2.4, 4.2.1, 4.2.2

Educate landlords, brokers, property managers, tenants, and the general public on the RSO and Code Enforcement programs as well as their rights and responsibilities under the Los Angeles Municipal Code through a combination of state of the art technology and traditional community outreach methods. Distribute information through print materials and media outlets. In-person outreach efforts shifted to online due to COVID-19 pandemic. Social media platforms, webinars, etc. were utilized to raise awareness and continue the outreach endeavor. Partner with community-based organizations to target outreach to areas with high displacement risk and High Segregation & Poverty areas. Ensure that outreach is conducted in a way that affirmatively furthers fair housing by incorporating language justice principles and accessibility considerations and modifications for people with disabilities.

**90. TENANT/COMMUNITY OPPORTUNITY TO PURCHASE**

Goal #: 2
Lead Agencies: LAHD
Supporting Agencies: LACP
Funding Source: General Fund

Objective: Report ~~Provide~~ to City Council on~~an analysis on the feasibility of implementing a~~ the potential for a citywide COPA/TOPA ordinance ~~in the City~~ by 2025~~2~~.

Respective Policies: 2.2.1, 4.2.1, 1.2.1

Promote the use of SB 1079 (2020), which created a new foreclosure sale process for 2-4 unit buildings that allows qualified parties a means to purchase property in foreclosure, subject to certain requirements. Provide technical assistance and support to SB 1079 implementation efforts to achieve an effective notification system. Building off this state law, consider creation of a local tenant/community opportunity to purchase (TOPA/COPA) ordinance that would cover a wider array of buildings outside of

foreclosure, including rental housing with expiring federal and/or state subsidies and/or affordability protections. Pursue ~~Explore~~ funding sources, including grants and loans, to assist tenant and community based organizations purchase multi-family buildings. **99. HOMELESSNESS PREVENTION AND RAPID RE-HOUSING PROGRAM (HPRP)**

Goal #: 5
Lead Agencies: Mayor's Office, LAHSA
Supporting Agencies: CAO, HACLA, LAHD

Funding Source: General Fund

Objective: Increase the number of persons or households enrolled in RRH and those who have moved into permanent housing.

Respective Policies: 5.1.1, 5.1.3, 5.1.4

Expand homelessness prevention, diversion and rapid re-housing (RRH) efforts through strengthening coordination with LAHSA and Los Angeles County, developing policies to support innovative approaches and practices, increasing capacity to serve homeless persons/households, and enhancing access to RRH services. LAHSA will strengthen collaboration efforts with supporting agencies and RRH programs; Identify and maintain inventory of all known and available RRH programs; Perform sound fiscal administration to ensure access to rental assistance and other financial assistance when needed; Determine and update appropriate supportive services (e.g. case management and financial assistance) for all RRH programs and their participants; Coordinate landlord/property management recruitment and engagement activities; Through the LeaseUp program, provide information to homeless service providers to connect homeless voucher holders with newly constructed Extremely Low Income units in TOC projects; Match participants to RRH resources through the LA County Coordinated Entry System (CES); Strengthen coordination efforts with HACLA and other City/County departments in order to facilitate program transfers to PSH and other forms of subsidized permanent housing with intensive supportive services.

**102. MOBILITY DEMONSTRATION VOUCHER**

Goal #: 2, 4, 5
Lead Agencies: HACLA
Supporting Agencies: LACDA
Funding Sources: HUD (NOFA Mobility Demonstration Voucher)

Objective: Provide voucher assistance and mobility-related services to families with children to encourage such families to better access low-poverty neighborhoods with high-performing schools and other strong community resources. ~~move to lower-poverty areas to expand their access to opportunity areas.~~ Together with the Los Angeles County Development Authority (LACDA), provide 1,950 new Mobility Demonstration Vouchers per year for six years beginning in 2022 for households interested in living in high opportunity areas. This goal will be reevaluated annually based on federal funding availability.

Respective Policies: 2.1.2, 3.2.2, 4.1.4, 5.1.2

The Section 8 Department was awarded $4.8M under HUD's NOFA Mobility Demonstration Voucher, including 37 new vouchers. This award will provide voucher assistance and mobility-related services to families with children to encourage such families to move to lower-poverty areas, to expand their access to opportunity areas, and to evaluate the effectiveness of the strategies pursued under the Demonstration. The award includes a significant budget allocation to provide comprehensive and selected mobility-related services to
participant families, including but not limited to, pre- and post-move supports, family financial assistance (e.g., security deposits), property owner outreach, and housing search assistance and navigation in low poverty areas, as well as administrative policies such as adequate payment standards in opportunity areas and extended voucher search times. The Mobility Demonstration Program will take place over the course of six years. This program will be administered in partnership with Los Angeles County Development Authority (LACDA), with HACLA as lead agency. It is expected that over the course of these six years approximately 1,950 vouchers will be provided.

**108. HOMELESS HOUSING AND SERVICES COORDINATION (NO WRONG DOOR)**

Goal #: 5
Lead Agencies: Mayor's Office, LAHSA
Funding Source: General Fund, Home for Good Initiative, LA County

Objective: Implement "No Wrong Door" policy citywide annually. Provide 7,500 annual referrals to supportive services from several sources, including referrals to services from outreach teams, from City-funded FamilySource Centers, and from City-funded access centers, and other sources. Provide 5,000 annual referrals to interim housing from

outreach teams, City-funded FamilySource Centers, City funded access centers, and other sources.

Respective Policies: 5.1.4, 5.2.2

Coordinate with LAHSA, the County, and other government and non-profit agencies to develop plans to reduce and end homelessness and to implement homeless policies and programs. Facilitate implementation of “No Wrong Door” strategy whereby a homeless individual can connect to adequate homeless services regardless what Department the person contacts. Participate in regular coordinating efforts and ensure that the needs of all sectors of the homeless population are addressed. Coordinate the local distribution of public funding sources for the effective use of resources and program implementation. Monitor LAHSA’s financial and contract management to ensure effective, efficient program implementation consistent with the City’s goals. Provide access to “No Wrong Door” materials to participating departments and oversee Citywide implementation of “No Wrong Door.” Collect metrics from participating departments and share progress of implementation and reach of campaign. Facilitate the development and implementation of a training course for frontdesk and field staff who may interact directly with, or support community members’ interactions with, individuals who are seeking resources. LAHSA will provide expertise in refinement and development of informational materials that are effective in connecting homeless persons interacting with City departments with needed non-City resources. LAHSA will also assist in developing messaging around access to the Coordinated Entry System and the broader resources available to support participants in City services who are experiencing or at risk of homelessness.

**122. ANTI-DISPLACEMENT STRATEGIES**

Goal #: 1, 2, 3, 5

Lead Agencies: LACP, LAHD
Funding Source: Regional Early Action Planning (REAP) Grant

Objective: Identify areas facing displacement to better target tenants’ rights outreach and education efforts, affordable housing preservation, and affordable housing subsidy programs. Incorporate findings into existing tenant rights’ and affordable housing programs by 2023. Develop policy recommendations in Equitable Development and Anti-Displacement Study for use in future General Plan ~~(Framework)~~ updates, rezoning efforts, and policy development by Summer 2023. Incorporate displacement prevention strategies into the General Plan by 2029.

Respective Policies: 1.1.6, 1.1.9, 2.1.7, 3.3.5, 5.1.2

LA City Planning and LAHD will, with extensive community outreach, conduct Equitable Development and Anti-Displacement studies that will inform as well as provide recommended strategies to preserve and increase the City's affordable housing stock. Through funding provided by the Regional Early Action Planning (REAP) grant program, two studies will be conducted in collaboration and coordination, but each with a focus on areas within the purview of each Department. The LACP-led study will include recommendations relating to land use, zoning and the City's growth strategy. The study will analyze the impacts on displacement related to Los Angeles' land use/housing policies and housing needs and incorporate policy recommendations in future planning efforts including updates to the General Plan, Community Plans, and other planning efforts. Consider an array of potential policies from best practices including anti-displacement overlay zones in areas where current policies are insufficient, as well as housing assessments for major project entitlements per Program 7. LAHD will develop a displacement prevention tool that will identify areas and parcels at greatest risk of displacement, which include those with higher percentages of naturally occurring affordable housing (NOAH), lower homeownership rates, higher rates of foreclosure, older housing stock and at-risk properties subject to the RSO, and an increase in investments from large scale developers. The displacement prevention tool will be integrated into a report outlining recommended strategies intended to minimize significant impacts to vulnerable communities, while at the same time proactively increasing housing production throughout the city. Both departments will work together to ensure reports complement citywide efforts to strengthen tenant protections including preventing tenant harassment, eviction defense, COVID relief, housing replacement requirements, no net loss requirements and right to return. ~~A series of specific Program actions to address anti-displacement strategies are outlined under the AFFH Program (124) below.~~

**123. ASSESSMENT OF FAIR HOUSING (AFH)**

Goal #: 4
Lead Agencies: LAHD, HACLA
Supporting Agencies: LACP
Funding Sources: Regional Early Action Planning (REAP) Grant

Objective: Compliance with the U.S. Department of Housing and Urban Development's (HUD) new guidelines for the Affirmatively Furthering Fair Housing (AFFH) Rule. Produce Assessment of Fair Housing <u>(AFH)</u> in 2022 - 2023~~.~~ <u>and provide an annual progress report on the goals, metrics, and measures listed in the AFH action plan as part of the Housing Element's Annual Progress Report</u>.

Respective Policies: 4.1.4, 4.1.5, 4.2.3, 4.3.2

Develop an updated Assessment of Fair Housing (AFH) Plan consistent with the new final guidelines that are expected to be released by HUD some time in 2021. The AFH will cover the following required components:

- Summary of fair housing enforcement and outreach capacity;
- Integration and segregation patterns, and trends related to people with protected characteristics;
- Racially or ethnically concentrated areas of poverty;
- Disparities in access to opportunity for people with protected characteristics, including persons with developmental and physical disabilities; and
- Disproportionate housing needs within the jurisdiction, including displacement risk.

The resulting plan is to reflect five-year housing goals and strategies accompanied by realistic metrics and milestones. Completion, submission, and HUD approval of the City's AFH Plan places the City in compliance and eligible to receive ongoing federal funds that are entitled to Los Angeles. The AFH Plan also serves as a model/foundation for the City's five-year Consolidated Plan. The Plan sets forth commitments to invest in place-based strategies that create opportunities in areas of disinvestment (such as investments in housing, enhanced infrastructure, services, schools, jobs, and many other community needs).

**124. AFFIRMATIVELY FURTHERING FAIR HOUSING (AFFH) PROGRAM**

Goal #: 4,1
Lead Agencies: LACP, LAHD
Supporting Agencies: HACLA
Funding Sources: Regional Early Action Planning (REAP) Grant

Objective: Compliance with US Housing and Urban Development (HUD) and AB 686 (2018). Individual metrics, timelines, commitments and AFFH components are summarized in the table below. Please also see the individually referenced Programs for additional details in the objectives and project descriptions. In addition to this program, the City will report on the goals and strategies of the federally-required Assessment of Fair Housing (AFH) as part of Program 123: Assessment of Fair Housing.

Respective Policies: 4.1.4, 4.1.5, 4.2.3, 4.3.2, 1.1.6, 1.1.7, 1.1.9, 1.1.10, 1.3.1

Promote and affirmatively further fair housing (AFFH) opportunities throughout the community in all housing, planning and community development activities. Take a variety of actions to overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity to promote diverse communities that

grant all Angelenos access to housing. Increase place-based strategies to encourage community revitalization and protect existing residents from displacement through various policies, programs, and goal setting (e.g., AFH Plan).

**AFFH Categories**

1. *Mobility and Inclusion* - Enhancing mobility strategies and promoting inclusion for protected classes
2. *Access to Opportunity* - New Housing Choices and Affordability in Areas of Opportunity / Encouraging development of new affordable housing in high-resource areas
3. *Place-based Strategies* - Strategies to Encourage Community Development and Revitalization
4. *Anti-Displacement* - Protecting existing residents from displacement

**Contributing Factors**

1. Lack of Access to Opportunity Due to High Housing Costs
2. Land Use and Zoning Laws
3. Availability of Affordable and Accessible Units in a Range of Sizes
4. Lack of Affordable Housing
5. Insufficient Tenant Protections
6. Housing Discrimination
7. Violations of the Rent Stabilization Ordinance
8. Displacement of Residents Due to Economic Pressures
9. Lack of Private Investment in Specific Neighborhoods
10. Lack of Public Investment in Specific Neighborhoods, Including Services and Amenities

The following specific strategies and actions ~~are either ongoing activities or will be undertaken by LAHD and/or LACP as part of actions~~ are identified to address the primary contributing factors and AFFH issue areas, in partnership with key local stakeholders:

**Strategies and Implementing Programs**

| Strategies and Actions | Primary Contributing Factor(s) | Implementing Program Summaries (see individual Programs for detailed Objectives and Program Descriptions) | AFFH Category |
|---|---|---|---|
| **A.** Prioritize and expand housing choices for those with the greatest housing needs, including those with the lowest incomes, persons with disabilities, seniors, large families, and victims of domestic violence. | **3.** Affordable and Accessible Units in a Range of Sizes<br><br>**6.** Housing Discrimination | **8:** Exceed state and federal law requirements by adding more accessible units in affordable housing developments, providing for 4,031 accessible affordable units by September 2026. Operate and improve a waiting list/registry for persons with disabilities and others through the Accessible and Affordable Housing Registry to target available units to persons in need. By 2024, establish public counters for assistance in applying for affordable and accessible housing.<br><br>**48 and 121:** Create new incentives for senior and other special needs housing through the update to the city's affordable housing incentive programs by 2024.<br><br>**42:** Provide 375 vouchers annually to very low-income seniors and people with disabilities.<br><br>**81:** Create tailored affordability incentives that account for identified local needs such as insufficient senior, large family units, or multi-generational living, as local plans are adopted. Ensure local plans increase the production and availability of Affordable and accessible housing.<br><br>**82:** Amend the Reasonable Accommodation Ordinance Instructions and Findings in 2022 to further remove barriers towards applying for reasonable accommodation.<br><br>**84:** Provide remedies for fair housing complaints, by receiving 800 fair housing inquiries and resolving 500 fair housing | **1.** Mobility and Inclusion<br><br>**2.** Access to Opportunity |

1. Significant Disparities in Housing Needs and Access to Opportunity
    a. Prioritize those with the greatest housing needs including those with the lowest incomes, persons with disabilities, seniors, large families when updating affordable housing incentive programs (Program 49).
        i. Convene a working group to develop housing strategies for people with disabilities in and around Downtown LA's Skid Row community.

    b. With all new housing projects and land use initiatives that require General Plan consistency findings, follow the guidance set by the Housing Element's Goals, Objectives and Policies that have been enhanced to place greater emphasis on advancing racial equity, expanding access to Higher Opportunity and protecting Angelenos from displacement (Programs 6, 7, 121, 122).
    c. Through the RHNA Rezoning Program, develop Zoning Code amendments and Community Plans that incentivize and encourage the development of more affordable housing in areas of high need and Higher Opportunity (see Program 121).
    d. Carry out Equitable Development and Anti-Displacement Studies that includes recommendations relating to land use, the City's growth strategy, and opportunities to build affordable housing and prevent displacement of protected classes(see Program 122).
    e. Expand efforts for the preservation and rehabilitation of deed-restricted affordable housing, naturally occurring affordable housing, RSO units and residential hotels (Programs 10, 27, 30).
    f. Continue to develop greater tenant protections for City Council consideration, including rental assistance and legal representation services for lower-income households and protected classes (Programs 85, 86, 88, 89, 91).
    g. Continue the City's Systematic Code Enforcement Program (SCEP) activities that maintain housing stock while providing opportunities to legalize units and not displace existing tenants (See program 22).
    h. Provide housing voucher assistance and mobility-related services to families with children to encourage such families to move to lower-poverty areas, to expand their access to opportunity areas, pursuant to HUD's Mobility Demonstration Voucher NOFA (Programs 41, 93, 98, 102, 108).
    i. Expand the use of the City's Accessible and Affordable Housing Registry to provide a coordinated source of information about accessible and affordable housing opportunities (Program 8).
    j. Promote displacement mitigation strategies to ensure equitable access to opportunity, including citywide Housing Priorities.
        i. Anti-displacement Strategies (Program 122)

ii. Enforcement of No Net Loss and Affordable Housing Replacements Requirement (Program 29)
iii. Replacement Unit Program for Selected Sites (Program 28)
iv. Update Density Bonus and Other Affordable Housing Incentive Programs (Program 48)
v. Targeted Zoning Allocations by Community Plan Area (Program 49)
vi. Update the Citywide Growth Strategy to Meet Housing Needs (Program 50)
vii. Unapproved Dwelling Units (UDU) (Program 56)
viii. Low-Rise Infill Housing Research and Design Initiative (Program 59)
ix. Update the Mello Act with strong anti-displacement protections (Program 80)
x. Community Level Affordable Housing Programs (Program 81)
xi. Targeting Growth in Community Plan Areas in locations where potential for displacement is minimized. (Program 65)
xii. Strengthen Enforcement of the Ellis Act and RSO (Programs 32, 87)
xiii. RSO Monitoring (including Eviction Data Task Force) (Program 47)
xiv. Eviction Defense Program (Program 88)
xv. Tenant Anti-Harassment Ordinance (Program 86)
xvi. Strategies to Preserve Naturally Occurring Affordable Housing (NOAH) (Program 30)

2. Replacing Segregated Living Patterns with Truly Integrated and Balanced Living Patterns and Transforming Racially and Ethnically Concentrated Areas of Poverty (R/ECAP) into Areas of Opportunity

a. Introduce context specific reforms to zoning and land use practices that perpetuate racial exclusion and inequities including but not limited to single-family / low density zoning, minimum lot size requirements, and subjective design review standards (Program 60).
b. Introduce more flexible zoning and incentives for existing lower density residential areas to create opportunities for more “missing middle” low-scale housing typologies, particularly in Higher Opportunity Areas (Program 48).
c. Promote a more equitable distribution of affordable housing opportunities throughout the city, with a focus on increasing Affordable Housing in Higher Opportunity Areas and in ways that further Citywide Housing Priorities (Program 121).
d. Prioritize housing capacity, resources, policies and incentives to include Affordable Housing in residential development, particularly near transit, jobs, and in Higher Opportunity Areas (Program 7).

~~e. As part of the effort to update the City's growth strategy, or General Plan Framework Element, create a new community housing needs assessment methodology that would allocate citywide housing targets across Community Plan areas in a way that seeks to address patterns of racial and economic segregation, promote jobs/housing balance, provide ample housing opportunities, and affirmatively further fair housing (Program 49).~~

~~f. Prioritize local resources, such as funding and public land, in areas of high opportunity, and evaluate revisions to funding metrics or policies that may act as a barrier to projects locating in high resource areas. Seek partnerships with other public and private entities to facilitate new potential development sites in these areas for affordable housing (Program 15).~~

~~g. Consider ways to better evaluate the effectiveness and impacts of proposed significant legislation or projects from a racial and social equity perspective, including a race/equity impact statement or housing assessment (Program 7).~~

~~h. Seek local, state and federal funding sources to expand the supply for affordable housing that also enhances the building environment through transportation, amenities and infrastructure investments (Program 20).~~

~~3. Fostering and Maintaining Compliance with Civil Rights and Fair Housing Laws~~

~~a. Continue to develop greater tenant protections for City Council consideration, including rental assistance and legal representation services for lower-income households that result in greater housing stability for protected classes (Programs 85, 88)~~

~~b. Expand Fair Housing outreach and enforcement through the Citywide Fair Housing Program (Program 84)~~

~~c. Provide Accommodations for Persons with Disabilities (Program 82)~~

~~d. Provide RSO Tenant/Landlord Outreach and Education Program (Program 89)~~

~~e. Provide Housing Legal Services for Seniors (Program 91)~~

~~f. Provide Section 8 Vouchers for Disabled and Elderly Households (Program 42)~~

~~g. Provide a Domestic Violence Shelter Program (Program 93)~~

INSTRUCTIONS: Modify Chapter 6 of the adopted Housing Element (2021-2029) by adding the following new Programs in numerical order following Program 132 on page 352.

**133. MOBILITY IMPROVEMENTS IN LOWER-INCOME AREAS**

Goal #: 3, 4
Lead Agency: LADOT
Funding Source:

Objective: Have at least 75% of existing transportation investments (through Vision Zero, Great Streets, Active Transportation, Stress Free Connections, Safe Routes to Schools, Safe Routes for Seniors, and AHSC Programs) serve Mobility

Equity Zones through 2030. Collaborate with community-based organizations to provide culturally relevant constituent engagement for major transportation investments. By 2025, implement a “Universal Basic Mobility Program” in a Disadvantaged Community, and expand public car-sharing in Disadvantaged Communities by at least 50 stations.

Respective Policies: 3.14, 3.17, 4.3.4

Through the Mobility Investment Program, the City of Los Angeles prioritizes investments in infrastructure and mobility services that aim to meet the transportation needs of residents in lower-income neighborhoods. The City strategically applies for and receives funding from programs that directly aim to invest in the State’s most disadvantaged communities areas such as Transformative Climate Communities, the Affordable Housing and Sustainable Communities, and Active Transportation Program. As an example, in the FY16-17 funding cycle, the Housing Authority of the City of Los Angeles was awarded $35 million for the Watts Rising Collaborative that included transformative transportation investment in Watts.

The City’s equity-informed prioritization has resulted in active transportation and street improvement projects along Western Avenue and Watts Central Ave in South Los Angeles and along Osborn Street in Pacoima. To link lower-income areas with micro-mobility programs (like dockless scooters) the City identified “mobility equity zones" which are areas with access to bicycle infrastructure and high-frequency transit as well as high concentrations of households living in poverty, overcrowded housing, unemployment, and low educational attainment. Users who begin their trips in these zones have free access to micro mobility services and LADOT requires operators to engage in at least one financial partnership with a community-based organization (CBO) to develop and implement a culturally relevant customer engagement. In 2021, LADOT was also awarded nearly $14 million in funding from the State of California Climate Investment Program to launch a “Universal Basic Mobility” pilot program in South Los Angeles. This pilot program integrates access across existing and new transportation options, introduces new shared mobility options for residents and workers, expands and integrates fare payment subsidies, and expands electrification to advance Universal Basic Mobility for South LA residents. All of these projects and programs serve residents in low-income communities of color.

In 2019 the City also launched The Downtown Los Angeles Mobility Investment Plan (DTLA MIP) which builds upon the DTLA 2040 Downtown Community Plan update and prioritizes inclusive, equitable, sustainable, and healthy growth for DTLA. The DTLA MIP will provide critical mobility improvements in Downtown Los Angeles with a focus on populations of high need that include Skid Row, which as discussed in Appendix 1.1 is the only area of the City with a

concentration of people with disabilities. The DTLA MIP is developed through a community first engagement process that prioritizes inclusive engagement and planning. The DTLA MIP plans transportation investments that support existing and future residents and employees. It also develops a funding strategy to fund priority projects. Priorities will be determined through a set of criteria that include advancing the City's equity goals such as making sure all people have access to dignified mobility solutions.

**134. PROMOTE EQUITABLE ECONOMIC DEVELOPMENT IN HIGH POVERTY AND HIGH UNEMPLOYMENT AREAS**

Goal # 3, 4
Lead Agency: EWDD

Funding Source: Community Development Block Grant (CDBG), American Rescue Plan Act (ARPA), Economic Development Administration (EDA),

Objective: Promote workforce development and economic revitalization in areas with high unemployment and poverty through the creation of at least 10 place-based initiatives by 2029, deploy at least $100 million in grants and loans to small businesses targeting these high need areas and serve approximately 120,000 people annually through the City's Worksource Centers in order to connect residents in high unemployment areas to jobs.

Respective Policies: 1.16, 1.31, 3.2.2, 4.3.4

The City of Los Angeles has various economic development strategies targeted to areas with high unemployment and high poverty. In 2020, the City established the Jobs and Economic Development Incentive Zones (JEDI) Program that provides greater access to capital, a reduction in fees for development projects, facade improvements, and microloans to businesses located in these targeted areas that have been historically underinvested and that are under economic distress. Criteria to establish JEDI Zones include economic factors such as poverty, unemployment and blight. In addition to the JEDI program, the City currently has two federally recognized Promise Zones - SLATE Z and LA Promise Zone. These areas receive preference for competitive federal grant programs and tax incentives. In addition to place based strategies, EWDD also operates sixteen Worksource Centers which assist vulnerable populations such as dislocated workers, veterans, the homeless and re-entry individuals and ten YouthSource Centers that offer youth services such as career planning, job skills training and mentoring. Furthermore, through its ten BusinessSource Centers, located in strategic areas of the City, EWDD provides support and services to small business owners to promote economic opportunities and job creation for low-income persons. EWDD also administers various programs to facilitate

access to capital to entrepreneurs who are not able to obtain financing through traditional programs. The City's programs include microloans, small business loans and loans for major development projects.

**135. PLACE BASED COMMUNITY REVITALIZATION EFFORTS**

Goal #: 3, 4
Lead Agencies: CAO, Mayor's Office, LACP, LA Civil Rights.
Funding Source: Los Angeles Reforms for Equity and Public Acknowledgment of Institutional Racism (L.A. REPAIR) Innovation Fund participatory budgeting pilot program.

Objectives: Increase investment in areas most in need to improve community assets that support residents including transportation, infrastructure, community facilities, employment and workforce development, parks, schools, etc annually. Change the way local funding decisions are made in a way that prioritizes equity and disadvantaged communities in decisions about infrastructure improvements by 2029.

Respective Policies: 3.17, 4.3.4

Dedicate and seek funding for place-based community revitalization strategies that conserve and improve assets in areas of lower opportunity and concentrated poverty. These include targeted investment programs to facilitate neighborhood revitalization, preserving or rehabilitating existing affordable housing, improving infrastructure, schools, employment, parks, transportation and other community amenities. These programs include (but are not limited to):

- **LA REPAIR Innovation Fund** - Through the City's first Participatory Budgeting process, spend $8.5 million in 2022 on community led grants in 9 of the most under resourced communities called LA REPAIR Zones (Skid Row, South LA, Southeast LA, Wilmington-Harbor Gateway, West Adams-Baldwin Hills-Leimert Park, Westlake, Arleta-Pacoima, Mission Hills-Panorama City-West Hills). Funding will be decided entirely by the community through a democratic process known as a Participatory Budget. Community members in each REPAIR Zone will submit ideas that everyone in the neighborhood can vote on, empowering individuals to decide how dollars are spent in their community.

- **Racial Equity Audit** - Launch a citywide racial equity audit in 2022 of existing City programs, policies, and practices and to develop a citywide Strategic Action Plan that identifies systemic barriers in accessing benefits and opportunities available across the City, and other programmatic objectives (see CF 21-0702).

- **Racial Equity Action Plans** - All City Departments/Offices will adopt and implement Racial Equity Action Plans for and appoint a Racial Equity Officer. Develop specific equity indicators and a description of how the Department/Office will track progress on racial equity. Annually develop and implement strategies to ensure infrastructure and program spending is directed to the sections of the city with the highest need. The availability of funding at the state and federal level presents an opportunity to expedite this work by submitting competitive grants to identify and fund community revitalization programs (See the Mayor's Executive Directive 27).

- **Park Equity Ballot Measure** - City Council has directed Recreation and Parks to hire a consultant to assist in the development of a ballot measure to provide funding for the purposes identified in the "Parks Condition Assessment Report" and Mayor's Executive Directive 31, "Achieving Park Equity".

- **Los Angeles County Safe, Clean Neighborhood Parks and Beaches Measure (Measure A)** - Measure A allocates approximately $97 million in funds to cities and park development agencies to create new park space and improve existing parks and amenities. The measure is also aimed at improving park equity, with 30% of the funds set aside through a formula for projects in high and very high need ("park poor") study areas.

- **Parks Fee** - Recreation and Parks will collect park fees and allocate revenues annually from the Parks Fee Ordinance, which was enacted in 2017 to amend the way park fees are assessed on new residential projects. Park Fee revenues may now be spent in a wider geography to strengthen the equitable distribution of parks, so park improvements are less concentrated where new market rate development is happening. In addition, the ordinance encourages more on-site parks dedication as part of large development projects.

- **Transit Oriented Communities (TOC)** - Metro will implement the TOC Policy to strengthen synergies between transit and the surrounding streets, public spaces and developments to support transit benefits to all, and capture value created by transit. Implement the First/Last Mile policy to develop a set of community-supported improvements along key pathways to Metro stations and bus stops. Implement the Joint-Development Policy adopted in 2021 to maximize the ability to develop affordable housing on Metro-owned properties quickly and equitable, including prioritizing the development of 100% income-restricted housing on sites where the need is the greatest and where the greatest benefits may be realized fastest, use local income and rent data to set rents for income-restricted units to address gentrification

and displacement concerns, and giving preference to development proposals that include Community-Based Organizations and Small Business Enterprises.

- **Clean Streets** - To quickly address illegal dumping, the Bureau of Sanitation is hiring 61 positions, to keep city sidewalks and public areas clean, sanitary, safe and accessible by removing abandoned waste, prioritizing low-income, disadvantaged communities with the highest incidents reported of illegal dumping. The Department will also conduct a multi-lingual and multi-platform education campaign about illegal dumping, to inform Angelenos of resources including 3-1-1 and bulky item pick up.

- **Great Streets Initiative** - LADOT will carry out improvements on 28 corridors identified as “Great Streets,” where the City is working alongside community groups to energize public space, provide economic revitalization, increase public safety, enhance local culture, improve infrastructure and support great neighborhoods. Great streets designation is prioritized for high injury network segments and disadvantaged communities, with all 28 of the program corridors currently located on high injury networks,

- **Resilience** - Address negative impacts from climate change through interventions in communities identified as having greater physical and social vulnerability. As described in Safety Element Program 15, develop land use mitigations specific to hazard areas. The Safety Element places a specific emphasis on Hillside areas, which are subject to multiple hazards, with direction to evaluate and expand evacuation capacity and building and land use regulations. The Safety Element additionally focuses on areas with compounding social and physical vulnerability with direction including: identify and mitigate oil drilling impacts (Program 6), expand the Clean Up Green Up pilot (Program 15), expand Cool Neighborhoods (Program 18) and building economic resilience and prosperity in disadvantaged communities (Programs 24 and 25).

- **Cool Streets** - Address negative impacts from climate change through investments in adaptation measures such as cool streets and urban forestry, etc. in disadvantaged communities. Pilot five cool neighborhood projects in vulnerable communities across Los Angeles that incorporate cooling elements such as cool pavement, shade trees, and bus shelters. Initiate the program in 2022.

- **Sidewalk and Transit Amenities Program (STAP)** - Streets LA will replace and expand upon the existing street furniture contract to provide sidewalk and transit amenities to create a world-class, self-sustaining program that provides shelter, shade, safety, and comfort with furniture

that supports an increased use of transit and alternative transportation, local economic activity and the shared use of City sidewalks.

- **Climate Vulnerability Assessment (CVA)** - The recently formed Climate Emergency Mobilization Office (CEMO), in partnership with City Planning and Emergency Management, is working to commission a Citywide Climate Vulnerability Assessment that identifies areas of elevated physical vulnerability, in addition to areas of elevated social vulnerability. The CVA is expected to begin in 2023 and will inform a Climate Action Plan (CAP) once completed. CEMO has plans to overlay social and physical vulnerability and target engagement to high needs communities, in keeping with Safety Element guidance.

- **Other Housing Related Programs** - See other targeted place-based housing-related strategies in Program 9 (Affordable Housing and Sustainable Communities), Program 14 (Redevelopment of Brownfield Sites), Program 22 (SCEP), Program 24 (Residential Rehabilitation of Public Housing), Program 52. (Consolidated Planning Process), Program 66 (Redevelopment Tools), Program 68 (Services in Public Housing), Program 72 (Renewable Energy Programs), Program 73 (City Plants).

**136. SOLID GROUND PROGRAM**

Goal: #: 2, 5
Lead Agency: CIFD
Funding Source: Federal funds

Objective: Provide comprehensive case management and housing stability services to 1,500 households at imminent risk or at risk of homelessness per year in partnership with 16 FamilySource Centers through the Community Investment For Families Department's Solid Ground Program. Prevention services may be received as a “Brief Service” (one day) or “Full Service” (up to 12 months of case management).

Respective Policies: 2.1.4, 1.1.9

The Solid Ground program aims to prevent 1,500 households at risk of homelessness from becoming homeless. Participants seeking prevention services must be at imminent risk (delinquent on rent) or at risk of homelessness (facing a financial hardship that could result in homelessness) and have an income at or below 50% of the Area Median Income (AMI). The program uses evidence-based results to identify the most vulnerable households likely to experience homelessness based on housing status, vulnerabilities and barriers to stable housing, and local policy priorities such as history of intimate partner violence. Participants receive up to three months of financial assistance for

security deposits, rental assistance/arrears, utility arrears, move-in expenses, transportation costs, and/or food, and a year of wraparound services. Wraparound services include financial coaching, counseling, and aid in opening a savings account, establishing or improving credit, and reducing debt. To better serve families at imminent risk or at risk of homelessness, CIFD is expanding the Solid Ground program from eight FSC service areas to sixteen in 2022.

INSTRUCTIONS: Modify Appendix 4.1, regarding the Inventory of Adequate Sites for Housing (Table A), by deleting the existing Appendix and replacing it with the following document, which includes appended data in columns U (Maximum Units Allowed - Base Zoning) and V (Maximum Units Allowed - Bonus Zoning) which were erroneously omitted from the November 24, 2021 version of the Appendix.
