**Council File No:** 22-0158

**Comments for Public Posting:** Dont waste our tax dollars with senseless litigation and court battles. You owe us more than that. Your plan to initiate Council File: 22-0158 to let homeless shelters be built virtually anywhere in the city without regard to area, without notification, without community impact statements, zero community input, and buy-right WILL LEAD TO COUNTLESS LITIGATION and the backlash from the community is going to be so bad that you will all lose your place in office. SOLUTION - There are tons of LA owned properties. Here is a link to it [http://gsdmaps.lacity.org/surplus\\_properties/AiM%20-%20Surplus%20Properties%20-%20undeclared.pdf](http://gsdmaps.lacity.org/surplus_properties/AiM%20-%20Surplus%20Properties%20-%20undeclared.pdf) Move these homeless people to these lands and let them live there and build houses for them there.
