Comments for Public Posting: I would like to submit my opinion to council file No. 22-0188, on behalf of myself and my family, living in South LA - that we would like to see the Mr. Liquor locations (and ALL out of state liquor operations) DISCONTINUED. Please know that our community would like the Chuong Xuan Mai Family Trust bda Mr. Liquor vacated. So, new more constructive community business can help enrich our community, instead of keeping it inebriated. Thank you for the work that you do. And keeping communities first. Kate zip 90047
