

**RESOLUTION NO. 27474**

WHEREAS, on recommendation of Management, there was presented for approval, thirty (30)-month Lease with Société Air France, a French Company, and building rental rate, covering the property located at 5621 West Imperial Highway within Los Angeles International Airport; and

LAX  
Van Nuys  
City of Los Angeles

WHEREAS, the Imperial Cargo Complex (ICC), located at the southwest corner of Aviation Boulevard and Imperial Highway, is comprised of eight (8) cargo facilities totaling 577,138 square feet of building space on 1,009,300 square feet of land. The ICC area also consists of ten (10) aircraft parking positions (see Exhibit 1 attached herein) that are managed by Los Angeles World Airports (LAWA) Operations Division; and

Eric Garcetti  
Mayor  
Board of Airport  
Commissioners

WHEREAS, six (6) of the eight (8) leases at the ICC have expired and two (2) remaining leases will expire in July and October 2024. LAWA allowed the six (6) individual leases with Swissport Cargo Services LP, Polar Air Cargo Worldwide Inc., Lufthansa Cargo Aktiengesellschaft, Delta Air Lines, China Airlines Ltd, and Société Air France (Air France) to expire while retaining the tenants in holdover month-to-month tenancy to ensure a comprehensive approach to the future planning and development of the ICC; and

Valeria C. Velasco  
Vice President

WHEREAS, the facilities remain in good condition and generate approximately \$13.5 million per year in rental income for LAWA. Therefore, LAWA will implement new short-term leases for said six (6) tenants whose leases have expired. The new leases will expire on October 31, 2024, contemporaneously with United Airlines Inc.'s cargo lease, which will also expire in October 2024. Having all leases at the ICC terminate at the same time will provide LAWA greater flexibility for future planning; and
