Re: DTLA 2040 Community Plan

Dear Councilmembers de León and Cedillo & Mr. Bertoni,

We greatly appreciate the public engagement your offices have done to support the public's consideration of the DTLA 2040 Community Plan over the course of its development.

As additional studies are currently underway regarding inclusionary zoning, adaptive reuse, live/work policies and job retention in the Fashion District, we ask that you continue to provide for strong public engagement by establishing a 45-day review period of all forthcoming studies as well as the Final EIR before the plan is scheduled for consideration by the City Council's Planning and Land Use Management (PLUM) Committee. This will provide certainty and clarity for the public to offer comments on this important plan.

Thank you for your commitment to DTLA. We look forward to our continued work together.

Sincerely,
