Subject: Two (2) Agreement and Grant of Utility Easements with Southern California Edison

Pursuant to Section 606 of the City Charter, enclosed for your approval are two (2) Agreement and Grant of Utility Easements with Southern California Edison that were approved by the Board of Airport Commissioners at its May 19, 2022 meeting. There is no impact to the General Fund.

RECOMMENDATIONS FOR CITY COUNCIL:

1. Adopt the determination by said Board that the action is exempt from the California Environmental Quality Act (CEQA) pursuant to Article II, Section 2.i. of the Los Angeles City CEQA Guidelines, whereas it is also within the scope of the certified Landside Access Modernization Program Environmental Impact Report (State Clearinghouse 2015021014) and does not include any changes to the project that would require further review under CEQA pursuant to Public Resources Code Section 21166 and CEQA Guidelines Section 15162; and
2. Approve two (2) Agreement and Grant of Utility Easements with Southern California Edison covering relocated infrastructure (overhead poles and overhang wires) as part of the Landside Access Modernization Program of Los Angeles World Airports; and
3. Make appropriate findings and adopt an Ordinance, to be prepared and transmitted by the City Attorney, to grant the two (2) associated Utility Easements to Southern California Edison; and
4. Concur with said Board's action on May 19, 2022, by Resolution 27488, authorizing the Chief Executive Officer of Los Angeles World Airports to execute the two (2) Agreement and Grant of Utility Easements with Southern California Edison.

Very truly yours,

Grace Miguel, Commission Executive Assistant II
