Dear Councilmembers and Staff

I request that you to either deny or postpone the extension of the lease on the Venice Bridge House as there has been little warning to the public as to this request. I have an own a unit across the street and my wife and I spend most of our time in this neighborhood.

It seems fair that before the City extends a lease for a gigantic public housing project, input from neighbors would be solicited.

We have experienced years of diminished safety and sanitation. The neighborhood has seen a gigantic spike in crime, and Councilmember Bonin has continually refused to sanitize the streets surrounding the ABH Venice that now contain close to 100 encampment tents.

Please help us.

Thank you,
Nelson Quintero
