Comments for Public Posting: Just what the NC system needs as we are fighting for more transparency and less corruption in City Hall, a lobbyist on the Board of Neighborhood Commissioners. I'm surprised that Garcetti didn't learn his lesson with Rick Jacobs. Instead he's going back to the nepotism well and appointing someone because her daddy raised a lot of money for his campaign in the last election cycle. I guess this is one last middle finger from Garcetti as he leaves office since his appointee, Raquel Beltran, hasn't succeeded in destroying the NC system yet.
