Council File No: 22-1200-S43

Comments for Public Posting: In yesterday's Board of Neighborhood Commissioners meeting Commissioner Vo-Ramirez stated that she had not resigned. Is she being forced out to make way for this disgraceful appointment? Hmm. Something smells fishy. What is Garcetti up to? Why does he hate the neighborhood councils? Is Raquel Beltran involved and retaliating against Vo-Ramirez for meddling in the Code of Conduct? Is Schaffer next on the chopping block?
