Comments for Public Posting: It's time to dig into Gustavo's connection to LAUSD and figure out how Jenna got her job. We've already told you that Gustavo raises big bucks for Garcetti, but he's also super connected to her current employer Monica Garcia, the termed out BD2 LAUSD board member. In 2016 Gustavo gave the maximum to Garcia, but the real interesting thing about that contribution is who gave that very same day. None other than the disgraced heads of Celerity Charter, Grace Canada and Vielka McFarlane. It just so happens that Celerity was a client of Aristo's Strategies, Gustavo's firm that Jenna claims she was managing director of on Linked, but left off of the resume she gave for this appointment. Good thing we can also see she listed herself as Managing Partner of Aristos in 2018 when she gave a maximum contribution to Gil Cedillo for City Council 2017 (Is he in prison yet and was this a strawman donation made for Gustavo? (ask Nury or RefRo if you need to know what this means)). Related question, a lobbyist can't give to a City Council candidate but what about a unregistered lobbyist dodging the reporting mandates? Aristos really needs to do a better job on their paperwork. Now the question you should be asking is were these Celerity donations to Garcia made with embezzled public funds? The same funds these administrators were convicted over? Dixon, another Garcetti donor, from the disgraced YPI also gave Garcia funds the day before Gustavo. How many shifty donors does Garcia have? Not to mention, how many crooks are in Garcetti's roladex? Or is the problem that everyone associated with LA politics is a scumbag? Not connected to Monica Garcia, but also interesting, is the fact that Gustavo hosted a fundraiser for Ref Rodriguez, who got in trouble to the tune of a felony for campaign finance tomfoolery with strawman donors. I wonder how many of these strawmen attended Gustavo's fundraiser. Additionally on 2/23/22 both Jenna and Gustavo gave to Maria Brenes, the same Maria Brenes who's husband gerrymander a school district for her. Gustavo obviously wants to make sure there's a back up if this commission seat falls through. Jenna also gave \$100 to Paul Koretz who we know has also been having trouble following the rules when it comes to campaign finance, has he been getting fundraising tips from Gustavo? Is there anyone in Gustavo's orbit that hasn't been raided by the FBI? It kind of makes you wonder how Gustavo

hasn't been convicted of anything yet. We know it isn't because his hands are clean. We know it isn't because he's careful, just look at his paperwork. Is it because he's a CI? Raquel Beltran better watch out when she's talking to Jenna, I bet that apple didn't fall far from the tree and she's probably wearing a wire. We all know Raquel has problems when it comes to looking after the tax payers' money. Do we think DONE'll take a page out of the Celerity playbook and hire Aristos for PR? Going back to the unregistered lobbyist, Aristos' malfeasance with their filings, and Jenna trying to hide her Aristos connection, one has to wonder what she's disclosed to the City for this appointment and to LASUD for her job. I wonder what the City and LAUSD would say if we asked? Anyone want to see? We know a lot of Neighborhood Council board members do. Thanks to everyone that sent tips, keep 'em coming.
