DISCUSSION

The Los Angeles Police Department (LAPD) is seeking retroactive approval to apply for and accept a \$873,000 grant award for the Fiscal Year (FY) 2022-23 Real Estate Fraud Prosecution (REFP) Program grant from the Los Angeles County Real Estate Fraud Prosecution Trust Fund Committee (County) for the period of July 1, 2022, through June 30, 2023. This is the twenty-second year of funding for this program. To support this program, the Department also requests for the continuation of four existing resolution authorities for one Detective III and three Detective IIs.

The Real Estate Fraud Prosecution Trust Fund (Trust Fund) is funded by a filing fee for real estate documents recorded in the County, as provided by California Government Code Section 27388. The Trust Fund supports the efforts of local law enforcement and prosecuting agencies to investigate and prosecute real estate fraud. The County evaluates applications for funds and

provides grant awards to selected jurisdictions. The level of annual funding provided by the fee is dependent upon the number of document titles filed within the County of Los Angeles.

The grant reimburses a portion of the annual costs of the LAPD's Real Estate Fraud Unit (REFU). The REFU, which is within the LAPD's Commercial Crimes Division, is responsible for administering the City's Real Estate Fraud Prosecution Program. This unit handles white-collar real estate crimes within the City. The REFU is currently comprised of four full-time staff consisting of one Detective III and three Detective II resolution authorities funded by the grant. The Department requests that the four existing resolution authority positions be reauthorized for FY 2022-23.

The REFU opened 63 new cases in the 2021 calendar year, in addition to the cases carried over from calendar years 2017-2020. Additionally, the REFU made 16 arrests from cases filed by REFU Detectives. These cases tend to be complex, usually developing into multiple victims being identified, with identity theft continuing to be the starting point for real estate cases. The chart below details the total case workload and number of arrests made in recent grant years.

Calendar Year	No. of Cases Under Investigation	No. of Opened New Cases	Total No. of Cases	No. of Arrests
2017	125	80	205	17
2018	150	78	228	14
2019	136	80	216	12
2020	99	43	142	12
2021	139	63	202	16

Under the grant agreement, the County will reimburse the City for expenses incurred as follows:

Expense Category	Amount
Sworn Salaries	\$ 574,404
Fringe Benefits	209,596
Sworn Overtime	80,000
Travel/Training	2,000
Equipment (Cellular Phones and Service)	2,500
Office Supplies	4,000
Other Costs*	500
Total	\$ 873,000

*Other Costs include document fees, court reporter fees, title searches, and other miscellaneous expenses Detectives may incur in relation to investigative work.

The REFP Program grant provides \$574,404 to finance 100 percent of the salary for one Detective III and three Detective II positions, as well as \$209,596 to fund 100 percent of fringe benefits for one Detective III and 87 percent of fringe benefits for one Detective II position. The General Fund will fund the remaining indirect costs (fringe benefits, central services, and department administration and support). The REFP Program grant also provides \$80,000 for sworn overtime expenses for Detectives assigned on an overtime basis. This allows the LAPD to

designate additional resources to case investigations, which includes interviewing victims and witnesses. In addition, the grant provides \$2,000 for travel and training for REFU personnel to enhance their knowledge and subject matter expertise relating to real estate fraud. The balance of \$7,000 will be utilized for equipment, office supplies, court reporter fees, and other miscellaneous fees that the detectives may need to pay in relation to the investigations.

The LAPD's original resolution authority was for five full-time positions whose responsibility was to investigate real estate fraud cases on a Citywide basis. The REFU currently operates with four full-time positions.

REFU opened 35 new cases in calendar year 2020 in addition to the cases carried over from 2017-2019. The REFU made 14 arrests in conjunction with the cases filed by REFU detectives. These cases continue to be complex and complicated, usually developing into additional victims being identified and located. An average case takes approximately 12-16 months to complete from the time of reporting. The prevalence of fraudulent recorded documents has intensified the number of reported crimes. Identity theft also continues to be a frequent starting point for real estate cases.

The REFU has established a reputable name within the private sector of the real estate community and is known for its professionalism and expertise. Frequently, the REFU receives calls from the private industry regarding possible suspects in the act of committing real estate fraud. Other law enforcement agencies also contact the REFU for advice and direction.

Detective III Manuel Segura, Serial No. 32218, is the current supervisor for the REFU.
