

M O T I O N

There are sufficient funds in Council District 7's Athens Community Trust Fund to fund transportation-related safety projects and deserves financial assistance from the City. Council District 7's portion of the Athens Community Services Trust Fund can be transferred to the Bureau of Street Services to move forward with the project. Action is needed to begin work on this effort by transferring money from the Trust Fund.

I THEREFORE MOVE that the \$3895.22 in the Council District 7 portion of the Athens Services Community Benefits Trust Fund No. 56W-14 be transferred/appropriated to the Street Services Fund No. 100-86, Account No. 6020 to continue remediation of the area and to reopen the La Tuna Canyon Trailhead, including removal of the existing gate, construction of a new gate, clearance of the right-of-way, and placement of k-rails to prevent vehicular access into these ecologically vulnerable areas.

I FURTHER MOVE that the Bureau of Street Services be authorized to make any technical corrections or clarifications to the above fund transfer instructions in order to effectuate the intent of this Motion.
