**Comments for Public Posting:** please take notice of State AB2179 language and ask why our local leaders have not informed the public about it

State AB 2179 requirements for all local municipalities which suggests the Local State of Emergency needs to end August 1, 2022. Rent is due for August 2022 and the Los Angeles City Council needs to clearly communicate that to its tenant constituency.

**SEC. 2.** Section 1179.05 of the Code of Civil Procedure is amended to read:

**1179.05.** (a) Any ordinance, resolution, regulation, or administrative action adopted by a city, county, or city and county in response to the COVID-19 pandemic to protect tenants from eviction is subject to all of the following:

(1) Any extension, expansion, renewal, reenactment, or new adoption of a measure, however delineated, that occurs between August 19, 2020, and June 30, 2022, shall have no effect before July 1, 2022.

(2) Any provision which allows a tenant a specified period of time in which to repay COVID-19 rental debt shall be subject to all of the following:

(A) If the provision in effect on August 19, 2020, required the repayment period to commence on a specific date on or before August 1, 2022, any extension of that date made after August 19, 2020, shall have no effect.

(B) If the provision in effect on August 19, 2020, required the repayment period to commence on a specific date after August 1, 2022, or conditioned commencement of the repayment period on the termination of a proclamation of state of emergency or local emergency, the repayment period is deemed to begin on August 1, 2022.

(C) The specified period of time during which a tenant is permitted to repay COVID-19 rental debt may not extend beyond the period that was in effect on August 19, 2020. In addition, a provision may not permit a tenant a period of time that extends beyond August 31, 2023, to repay COVID-19 rental debt.

(b) This section does not alter a city, county, or city and county's authority to extend, expand, renew, reenact, or newly adopt an ordinance that requires just cause for termination of a residential tenancy or amend existing ordinances that require just cause for termination of a residential tenancy, consistent with subdivision (g) of Section 1946.2, provided that a provision enacted or amended after August 19, 2020, shall not apply to rental payments that came due between March 1, 2020, and June 30, 2022.

**Comments for Public Posting:** I CAN'T BREATHE... YOUR KNEE IS ON MY FAMILY'S NECK... LANDLORDS ARE SUFFERING Dear City Council. This is getting beyond the point of ridiculous. You let this go on for so long that you do not even know how to get out of this. The tenant groups have gotten so use to these rent-entitlements that even the thought of tenants having to be responsible for their own lives again is terrifying to them. You created this mess because you could not stand up to the very tenant-groups that are now so deep in arrears that you cannot possibly expect them to be responsible self-sustaining members of society again. What a mockery of our great City you have made it. I hope every landlord raises the hell out of rent when they get the chance, especially the small mom & pop operators. They deserve to. One day the sensical courts will officially declare your 'temporary' moratorium of 28 months unconstitutional.
