My name is Priscilla Robinson, owner of the property next door to Walker's Cafe. ([690 West Paseo Del Mar](#)). I have emailed each member on this committee as to my opposition to this proposal. I have never received any notification of a meeting on this topic. to discuss in person to show pictures of the real condition of Walkers today. The majority of residents in San Pedro remember Walkers as a Biker's Bar attracting people who get drink beer and get drunk and make loud noises. It has demeaned our property values. This committee displays how Walkers use to be in the past. I think the community needs to see pictures of the dump Walters's has become the last 30 years! This area is zoned R1. The liquor license terminated with sale of that property. The new owners should be able to sell the land or build a beautiful home that complements the coastline and our neighborhood.

Many people who signed this petition do not represent the majority of the people in San Pedro.

I wish to speak at the upcoming August 16th Meeting at 2:00 pm as the owner of the property next door!

Respectfully,

Priscilla Robinson
