Summary: While our Neighborhood Council has been supportive of housing for those who are without housing, particularly three supportive housing developments within our boundaries, we are not supportive of the location for the proposed Tiny Home Village at 600 E. 116th Place because of its proximity to the 116th Street School and nearby residences. We also want to note the lack of consultation with our Neighborhood Council and stakeholders on the part of Council District 15 in selecting this site.
