Summary: In a regular monthly meeting of the Westside Neighborhood Council, the board voted to oppose the Council motion CF#20-1536-S1, reflecting the STAP Street Furniture measure before the Board of Public Works. The Board opposes the approval of the Mitigated Negative Declaration, believes a full EIR is required for a program of this scope, and urges the Board to take responsibility for implementing a transparent process in the consideration of the future street furniture program. Too many questions remain unanswered, too many concerns have been raised and ignored, and the safety of all street users is at heightened risk under this STAP project.
