Comments for Public Posting: Original motion, June 24, 2022 to have LAHD report back in 30 days with a report. We are now 29 days overdue (or rather day 59 since motioned) for the report. It disconcerting how the City can abide by their 'laws' only whenever it is convenient for them. All while putting the burden on this world-wide 'covid' issue on the backs of small mom & pop landlords. Like how come small landlords do not get to slip 29 days for their mortgages, property taxes, and repair requests? The CDC has given the City Council the perfect excuse as they essentially declared we are in an endemic state. Stop stalling and do what is right and stop punishing small landlords.
