BACKGROUND

Project Summary

The proposed supportive housing development is located at 8767 N. Parthenia Place, Los Angeles, CA, in Council District 6. The project will be a Type V-A new construction of a four-story building on two contiguous lots that are currently improved with a vacant commercial structure and ancillary structures that will be demolished. The building will be serviced by two elevators. The project will have 73 units in total consisting of 54 one-bedroom units, 32 of which will be supportive housing units; and 17 two-bedroom units, four of which will be supportive housing units. There will be two manager's units and each will be designated a two-bedroom unit. The one-bedroom units will average 518 square feet and the two-bedroom units will average 810 square feet. The project will contain 40 parking spaces, which will include two Americans with Disabilities Act parking spaces including one accessible van parking space. The project will provide 36 units for homeless individuals with special needs. All residential unit amenities will include full contemporary kitchens and bathrooms with low flow water fixtures. Each kitchen will include a range, refrigerator and garbage disposal. All of the supportive housing units will be furnished with living essentials including a bed and nightstand, a dining table with two chairs and a lamp. Site amenities will include gated access, on-site vehicle and bicycle parking, a laundry room on each floor, four offices and one conference room for on-site resident services, a central landscaped courtyard, and an approximately 735 square foot community room with kitchenette and refrigerator. Supportive services will be provided by Housing Works.

Financing History

On December 1, 2020, LAHD executed an inducement letter in the amount not to exceed \$32,997,000. The letter evidenced the official intent of the City of Los Angeles ("City") to issue bond(s) for the development. The letter was executed pursuant to previous authority granted to LAHD by the City Council and Mayor (C.F. No. 04-2646). On March 16, 2022, on behalf of Luna Vista, L.P. ("Borrower"), LAHD submitted a bond application to CDLAC requesting a \$23,663,000 bond allocation. A copy of the inducement letter was included as part of the bond application. On June 15, 2022 CDLAC awarded the \$23,663,000 bond allocation and requires that the bond be issued by December 26, 2022.

Per the Tax Equity and Fiscal Responsibility Act of 1982 ("TEFRA") requirements, on April 14, 2022 the TEFRA notice of public hearing was published in the Los Angeles Times. The hearing date was conducted on April 21, 2022. The TEFRA Resolution is pending approval by the City Council and Mayor. The TEFRA Resolution will summarize that the TEFRA requirements have been met. Evidence of the TEFRA process will be provided to CDLAC.

The proposed project is a 73-unit new construction building. The total estimated residential development cost is \$48,411,279, or \$663,168 per unit.

Considerations for the high cost per unit of this project are as follows:

- **Materials Cost:** Construction costs are estimated to be \$27.6 million, or approximately \$380,000 per unit. Construction costs are increasing across all projects in the City due to significant inflation and ongoing supply chain issues impacting the price of building materials, including lumber, steel, flooring, equipment, and fixtures; and labor shortages created by a surge in construction projects in the City and impacts from the COVID-19 pandemic. Projects currently under construction are seeing an unprecedented escalation of material costs by up to 15% compared to the prior year. The construction cost estimate provided by AMJ Construction Management assumes this 15% increase in hard costs (materials and labor) driving project costs up by approximately \$4.4 million, or approximately \$60,000 per unit.
- **Subterranean Parking:** The site is an urban infill site and requires one complete level of subterranean parking. Per the project's Department of City Planning Letter of Determination dated April 10, 2020, the 36 permanent supportive housing units require no parking as the site is within one-half mile of a public transit stop. Pursuant to Density Bonus Parking Option 2, the remaining 37 units (inclusive of the 2 manager's units) require 36 parking spaces. The Project site is 0.617 acres; a subterranean parking garage is necessary to provide the required number of spaces while maintaining sufficient land area for project feasibility. The project will ultimately provide 40 parking spaces. The subterranean parking requires additional excavation, shoring, concrete and waterproofing, which adds approximately 45% in cost to the Project compared to surface parking. The total cost of the underground parking structures is currently estimated at \$2.4 million. Of the 2.4 million, 45% or \$1.2 million is attributed to the underground placement of the parking garage, or approximately \$16,000 per unit.
- **Borrowing Costs:** The project budget includes \$241,635 in predevelopment loan interest and \$1,014,000 in acquisition loan interest, adding a total of \$1,255,635 to project costs, or approximately \$17,000 per unit. The holding period for these loans will be over 3 years by the time of construction financing close. The extended holding period is due to difficulty securing highly competitive financing. For example, Luna Vista applied to Federal Home Loan Bank Affordable Housing Program and Los Angeles County Development Authority for funding twice, and was rejected both times. Additionally, a number of Notices of Funding Availability were paused at the outset of the COVID-19 pandemic due to the uncertainty of the moment. Finally, interest rates for construction and permanent loans have risen due to the Federal Reserve's rate hikes in recent months. This has increased the cost to borrow across the board. For instance, the Project's construction loan interest totals \$4.3 million, or \$59,643 per unit.
- **Transition Reserve:** The project team has secured HCD – MHP funds for the project. For projects with rental subsidies HCD requires a 12-month capitalized transition reserve. For this development, the transition reserve amount is \$583,556, or \$7,994 per unit.

Affordability Restrictions

Pursuant to the City of Los Angeles Affordable Housing Bond Policies & Procedures (“AHBPP”) for Private Activity Bonds for Multifamily Rental Properties, approved September 24, 2019 the Project must provide long-term affordable housing in the City of Los Angeles. Therefore, in connection with the issuance of the tax-exempt bond(s), one or more Bond Regulatory Agreements will be executed and recorded in the official records of the Los Angeles County Recorder’s Office. Each Bond Regulatory Agreement will include affordability restrictions throughout a term ending no sooner than the later of: 1) 15 years after the date on which 50% of the dwelling units are first occupied; 2) the date such bond(s) are paid in full; or, 3) the date on which any Section 8 assistance terminates. The bond award includes a CDLAC Resolution, which requires that the Project’s affordable housing units remain affordable for 55 years which restrictions will be included in each Bond Regulatory Agreement.

Additionally, on June 15, 2022, the Project was awarded an allocation of 4% Low Income Housing Tax Credits (“LIHTC”) from the California Tax Credit Allocation Committee (“CTCAC”). As a result of this award, the project will have affordability restrictions for a term of 55 years. Affordability restrictions mean that for at least 55 years at least 40% of the units have to be rented at or below 60% of the area median income. Please see Table 4, below, for the specific affordability restrictions.

Thirty-six supportive housing units will be targeted toward persons experiencing homelessness or chronic homelessness at or below 50% of Area Median Income (“AMI”); four of these units will be reserved for persons experiencing homelessness and 32 units will be reserved for persons experiencing chronic homelessness. Table 4, below, provides a summary of the project unit mix, pursuant to the CDLAC Resolution.

Financial Structure

The City, as Issuer, will issue a tax-exempt bond (the “Tax-Exempt Bond”) and a taxable bond (the “Taxable Bond” (together, “Bonds”), which will be unenhanced and unrated but subject to the City’s AHBPP, in one or more series. The Bonds will be privately placed and initially purchased by Banner Bank, (Lender). Lender will, by purchasing the Bonds, fund a loan (“Funding Loan”) to the City and the City will issue the Bonds to the Lender. The proceeds of the Bonds Loan will be used by the City to make a loan to the Borrower (“Borrower Loan”) in the amount not to exceed \$23,663,000, funded from proceeds of the Tax-Exempt Bond and \$14,600,000 funded from the proceeds of the Taxable Bond pursuant to the terms of a Construction and Term Loan Agreement among the City, the Lender, and the Borrower. The Borrower will execute promissory notes (“Borrower Notes”) as evidence to repay the Borrower Loan. The City will assign the Borrower Notes to the Trustee, as security for the Bonds. Among its various functions, the Trustee will disburse the proceeds of the Bonds from the Indenture to the Borrower for the Project construction. During the construction phase of the Borrower Loan, the Bonds will have a term of 36 months and shall bear interest equal to (a) in the case of the Tax-Exempt Bond the Secured Overnight Financing Rate (“SOFR”) plus 1.85% with an index floor rate of 1.00%; the current indicative rate is 3.67%; and (b) in the case of the Taxable Bond, SOFR plus 2.20% with an index floor rate of 1.00%; the current indicative rate is 4.02%.

At conversion from construction financing to permanent financing, the Taxable Bond will be paid in full and the Tax-Exempt Bond will be paid down in part with sources available at the permanent financing phase, including investor equity. The remaining balance of the Borrower Loan will convert to a fixed-rate tax-exempt permanent loan, evidenced solely by the Tax-Exempt Bond, in an amount up to \$4,643,000 having a 20-year term from the date of conversion, amortizing on a 35-year schedule and bearing a fixed interest rate currently estimated to be 4.8%.

The financing structure will include financing or loans from LAHD’s HOME Funds, LAHD’s L.A. Housing Impact Trust Fund (aka Linkage Fee Funds) as noted above, California Department of Housing and Community Development’s Infill Infrastructure Grant (IIG) award and a Multifamily Housing Program award, and 4% federal tax credit equity. The Housing Authority of the City of Los Angeles (“HACLA”) will provide 36 project based vouchers for the supportive housing units.

LAHD requires that the Banner Bank meet the City’s Responsible Banking Ordinance #182138 reporting requirements. At closing, bond counsel will provide the required legal opinions as to the tax-exempt status of the interest on the Bonds, under federal and state law. The legal and financing documents will include language that establishes the Bond structure as a limited obligation and strictly payable from Project revenues. The

Project financing complies with both the City's AHBPP and Financial Policies. Additionally, the legal and financing documents will require the Borrower to provide annual statements and information as requested by LAHD.

LAHD's Bond Team for the financing of the Project is as follows:

Bond Issuer Municipal Advisor:	CSG Advisors, Inc. 315 W. 5 th Street, Suite 302 Los Angeles, CA 90013
Bond Issuer Counsel:	Los Angeles City Attorney 200 N. Spring Street, 21st Floor Los Angeles, CA 90012
Bond Counsel:	Kutak Rock LLP 777 S. Figueroa Street, Suite 4550 Los Angeles, CA 90017

FISCAL IMPACT

There is no fiscal impact to the General Fund as a result of the issuance of the Bonds. The City is a conduit issuer and will not incur liability for repayment of the Bonds. The Bonds are limited obligations, payable strictly from revenue derived from the Project. The City will not be obligated to make payments on the Bonds.

If the City fails to respond within such 10-day period, the City’s consent shall be deemed granted. Notwithstanding anything to the contrary herein, the City’s consent to a transfer of the Bonds shall not be required with respect to any transfer to a subsidiary or Affiliate of the then-existing Bondowner which transfer otherwise meets the requirements hereof. The Bondowner Representative shall indemnify and defend the City, and the officers, directors, employees, attorneys and agents of the City against any claim brought by any transferor or transferee of the Bond in respect of the Bonds, this Indenture or any of the Loan Documents in the event that there occurs a transfer of the Bonds that is not permitted pursuant to this Section 2.05. Failure to comply with Section 2.05(b) shall cause any purported transfer to be null and void.

Nothing contained in this Section 2.05(d) shall be deemed to limit or otherwise restrict the sale by any owner of the Bonds of any participation interest in the Bond, provided that: (i) such owner shall remain the owner of record in the register of the Trustee following the sale of any such participation interest; (ii) the purchaser of the participation interest is a Sophisticated Investor; (iii) any such participation shall be in a principal amount of at least \$250,000 or, if less, then the Outstanding principal amount of the Bonds; and (iv) the purchaser of such participation interest shall provide an Investor Letter to the City and the Trustee substantially in the form of Exhibit B hereto.

[Notwithstanding anything to the contrary herein, the Bondowner Representative and the Trustee shall not transfer the Bonds to Fannie Mae for so long as Fannie Mae has an ownership interest in the Borrower.]

Section 2.06. Bond Register. The City hereby appoints the Trustee as registrar and authenticating agent for the Bonds. The Trustee will keep or cause to be kept at its Principal Office sufficient books for the registration, notation of principal and transfer of the Bonds, which shall at all reasonable times upon reasonable notice be open to inspection by the City and the Owner; and, upon presentation for such purpose, the Trustee as registrar shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, the Bonds as hereinbefore provided.

The ownership of the registered Bonds shall be proved by the bond registration books held by the Trustee. The Trustee and the City may conclusively assume that such ownership continues until written notice to the contrary is served upon the Trustee. The fact and the date of execution of any request, consent or other instrument and the amount and distinguishing numbers of the Bonds held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Trustee may deem sufficient. The Trustee may nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

Any request, consent, or other instrument or writing of the Holder of any Bond shall bind every future Holder of the Bonds and the Holder of every Bond issued in exchange thereof or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the City in accordance therewith or reliance thereon.

ARTICLE III

ISSUANCE OF BONDS; APPLICATION OF PROCEEDS

Section 3.01. Authentication and Delivery of the Bonds. Upon the execution and delivery of this Indenture, the City shall execute the Bonds and deliver them to the Trustee. Upon satisfaction of the conditions set forth in this Section, and without any further action on the part of the City, the Trustee shall authenticate the Bonds in principal amounts not exceeding the applicable Authorized Amount, and shall deliver the Bonds pursuant to a Written Order of the City. Prior to the authentication and delivery of the Bonds by the Trustee, the initial Owner of the Bonds shall have executed and delivered to the Trustee the form of Investor Letter attached hereto as Exhibit B and there shall have been delivered to the Trustee each of the following:

(i) a Certified Resolution authorizing issuance and sale of the Bonds and execution and delivery by the City of this Indenture, the Loan Agreement and the Regulatory Agreement;

(ii) original executed counterparts of this Indenture, the Loan Agreement, the Deed of Trust, the Regulatory Agreement and all of the other Loan Documents (as defined in the Loan Agreement), all in form and content satisfactory to the Bondowner Representative (as evidenced by the authentication and delivery of the Bonds to the Bondowner Representative and acceptance thereof), and the original executed [Borrower Notes];

(iii) a Written Order of the City to the Trustee to authenticate and deliver the Bonds as directed in such Written Order, upon payment of the Initial Disbursement by the Bondowner Representative and transfer thereof to the Trustee, for credit to the Bond Proceeds Account of the Construction Fund, as applicable, and immediate disbursement into escrow with [Title Company] as directed by the City;

(iv) evidence satisfactory to the City of arrangements to pay all costs associated with the issuance and sale of the Bonds;

(v) one or more opinions of Bond Counsel and the City Attorney's Office with respect to the due execution and delivery of this Indenture, Loan Agreement and Bonds and the exclusion from gross income of the Bondowner of interest on the Series 2022Y-1 Bond for federal income tax purposes; and

(vi) confirmation of filing pursuant to the Responsible Banking Ordinance.

Section 3.02. Application of Proceeds of Bonds/Draw-Down Provisions. The Initial Disbursement and subsequent disbursements of the proceeds received from the sale of the Bonds shall be made in accordance with Section 3.03 of this Indenture. The Bondowner Representative shall fund the purchase price of the Bonds from time to time by funding advances under the Loan pursuant to the Loan Agreement. Amounts funded in such manner shall be deposited by the Bondowner Representative with the Trustee and shall be deposited into the applicable subaccount of the Bond Proceeds Account of the Construction Fund in accordance with Section 3.03(a) of this Indenture. The Trustee shall note such amount in its records, and the Trustee's records, absent manifest error, shall be dispositive of the amount Outstanding. Such amounts shall constitute the Disbursed Amount, and shall begin to accrue interest, only upon disbursement by the Bondowner Representative to the Trustee for deposit in the Construction Fund. Notwithstanding anything herein to the contrary, the purchase price of the Series 2022Y-1 Bond funded by the Bondowner Representative may not exceed \$[23,663,000] and the purchase price of the Taxable Series 2022Y-2 Bond may not exceed \$[14,600,000] (and the Trustee shall not record any advances which would cause the principal amount of the Bonds to exceed such amounts). In no event may additional amounts be funded after December 31, 2025 unless there is delivered to the Trustee an opinion of Bond Counsel to the effect that such funding will not adversely affect the exclusion from gross income for purposes of federal income taxation of interest on the Series 2022Y-1 Bond.

Section 3.03. Disbursement of Bond Proceeds; Establishment of Construction Fund.

There is hereby created and established with the Trustee a separate fund which shall be designated the "Construction Fund," which fund shall be applied only as provided in this Section. Within the Construction Fund there shall be created a Bond Proceeds Account (and within the Bond Proceeds Account a Series 2022Y-1 Proceeds Subaccount and a Taxable Series 2022Y-2 Proceeds Subaccount) and an Equity Account to be held by the Trustee. The Initial Disbursement on the Closing Date shall be disbursed by the Bondowner Representative pursuant to the Loan Agreement and deposited with the Trustee to the [Series 2022Y-1 Proceeds Subaccount of the] Bond Proceeds Account of the Construction Fund for payment to or upon the order of the Owner to pay Qualified Project Costs.

(a) The Bondowner Representative shall fund the Loan from time to time in accordance with the Loan Agreement. Each advance of the Loan shall be treated as a concurrent funding of Bondowner Representative's purchase of a further drawdown of the Bonds. The Bondowner Representative shall deposit the proceeds of each drawdown on the Bonds with the Trustee for deposit into the appropriate subaccount of the Bond Proceeds Account of the Construction Fund. The Trustee shall deposit moneys received from or on behalf of the Owner to the Equity Account of the Construction Fund. Funds on deposit in the Construction Fund, and any interest earnings thereon, shall be transferred by the Trustee to the Owner (or, at the direction of the Bondowner Representative, to such contractors or subcontractors as specified in writing to the Trustee by the Lender) (i) for the payment of Project Costs (as defined in the Regulatory Agreement) approved by the Bondowner Representative and, except to the extent not required under Section 3.03(b), below, acknowledged by the City and (ii) in the case of funds held in the Equity Account, for such other purposes requested by the Owner.

(b) The City hereby authorizes and directs the disbursement by the Trustee of the amounts deposited in the Construction Fund in accordance with this Indenture to or upon the order of the Owner (or, at the direction of the Bondowner Representative, to such contractors or subcontractors as specified in writing to the Trustee by the Lender) from time to time upon receipt by the Trustee of a written request of the Owner, accompanied by a disbursement request in the form attached hereto as Exhibit C, and a determination of the Bondowner Representative that the conditions to disbursement contained in the Loan Agreement have been satisfied or waived. Except as provided in the last sentence of this Section 3.03(b), the City's acknowledgment of each disbursement shall be required. The City agrees, however, that if the City has not acknowledged any disbursement within five Business Days of receipt of a request for acknowledgment of such disbursement, the City shall be deemed to have acknowledged such disbursement. Notwithstanding the foregoing, prior to delivery of the Construction Completion Certificate, the Trustee shall disburse payments of interest on the Bonds when due from the Construction Fund without the need for a completed disbursement request.

(c) The Trustee shall maintain, or cause to be maintained, complete and accurate records regarding the disbursement of the proceeds of the Bond in accordance with Section 3.02 and this Section 3.03 hereof, and shall provide copies thereof to the City and the Owner upon their written request. Additionally, the Trustee shall provide

the City with a monthly statement regarding activity in each of the funds and accounts created under this Indenture, including the Construction Fund and the Bond Fund in the immediately preceding month.

(d) The Trustee, the Bondowner Representative and the City shall not be responsible for the application by the Owner of monies disbursed to the Owner in accordance with this Section 3.03.

(e) Following receipt of a Construction Completion Certificate (as defined in the Regulatory Agreement) from the Owner, the Trustee shall transfer any amounts remaining in the Construction Fund to the Bond Fund. Upon such transfer, the Construction Fund shall be closed.

If an Event of Default under and as defined in the Loan Agreement occurs and the maturity of the Bonds is accelerated in accordance with Section 4.01(b) hereof, the Trustee will, to the extent necessary, use moneys in the Construction Fund and Bond Fund to make payments on the Bonds.

Section 3.04. Costs of Issuance Fund. There is hereby created and established with the Trustee a separate fund which shall be designated the “Costs of Issuance Fund,” which fund shall be applied only as provided in this Section. On the Closing Date, the Owner shall, from its own funds, deposit with the Trustee the amount of \$[____], which amount the Trustee shall deposit in the Costs of Issuance Fund. Amounts in the Costs of Issuance Fund shall be paid by the Trustee on or after the Closing Date to: (a) the California Debt and Investment Advisory Commission (“CDIAC”) in the amount up to \$5,000 upon delivery of an invoice to the Trustee from CDIAC; (b) the Trustee the sum of \$[____] as its acceptance fee and fees of legal counsel; and (c) the Trustee the sum of \$[____] for the Bond Trustee Annual Fee (as defined in the Loan Agreement). Amounts remaining in the Costs of Issuance Fund 90 days after the Closing Date shall be returned to the Owner, and the Trustee shall close the Costs of Issuance Fund.

Section 3.05. City Annual Fee. The Trustee, or any servicer of the Loan as applicable, shall collect the City’s Annual Fee from the Owner when due from the Owner and remit it to the City at the times specified in the Regulatory Agreement. The Trustee may establish a fund or account in its records to deposit and remit the Annual Fee to the City.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.01. Circumstances of Redemption. The Bonds are subject to redemption upon the circumstances, on the dates and at the prices set forth as follows:

(a) The Bonds shall be subject to redemption in whole or in part on any date following the date the Project is placed in service, at a price equal to the principal amount of Bonds to be redeemed plus interest accrued thereon to the date fixed for redemption, plus any applicable prepayment premium, as provided in the [Borrower Notes] or the Loan Agreement; provided, however, that any other charges then due and payable pursuant to the [Borrower Notes] or the Loan Agreement shall be paid in full (or, in

connection with a partial redemption of the Bonds, paid in proportion to the amount of Bonds being so redeemed) on the redemption date.

(b) The Bonds shall be subject to mandatory redemption in whole upon the occurrence of an Event of Default under the Loan Agreement, the [Borrower Notes] or any other of the Loan Documents (subject to all applicable notice and cure provisions contained therein), at the written direction of the Bondowner Representative, at a redemption price equal to the principal amount of the Bonds then Outstanding, plus accrued interest thereon to the date of redemption, plus any applicable prepayment premium, as provided in the [Borrower Notes] or the Loan Agreement.

(c) The Bonds shall be subject to mandatory redemption in whole on the ["Term Loan Maturity Date"] set forth in the [Tax-Exempt Borrower Note].

(d) The Bonds shall be subject to mandatory redemption (i) in part, at the direction of the Bondowner Representative on the "Conversion Date" (as defined in the [Tax-Exempt Borrower Note]) in the amount necessary to reduce the Outstanding principal amount of the Series 2022Y-1 Bond to the "Term Loan" as required under the Note, which amount shall not exceed \$[4,634,000] and (ii) in full, at the direction of the Bondowner Representative on the "Construction Loan Maturity Date" under the [Tax-Exempt Borrower Note] (as may be extended by the terms of the [Tax-Exempt Borrower Note]) in the event the "Conditions to Conversion" (as defined in the [Tax-Exempt Note]) are not satisfied on or before the "Interim Construction Loan Maturity Date" set forth in the [Tax-Exempt Borrower Note] (as may be extended by the terms of the [Tax-Exempt Borrower Note]).

(e) The Bonds shall be subject to mandatory redemption, at the direction of the Bondowner Representative (given in accordance with the Loan Agreement or the Deed of Trust), in whole or in part on any date, from insurance proceeds received in connection with a partial or total casualty loss of the Project or a condemnation award in connection with a partial or complete taking of the Project, but only to the extent such proceeds or award are not used to repair, replace or restore the Project, at a price equal to the principal amount of the Bonds to be redeemed plus interest accrued thereon to the date fixed for redemption and any additional amount payable pursuant to the [Borrower Notes] or the Loan Agreement.

The Bondowner Representative is hereby authorized and directed, and hereby agrees, to fix the date for any such redemption and to provide written notice thereof to the Trustee, and, if Revenues are available, to cause the Trustee to redeem the Bond so called on the date so fixed by the Bondowner Representative. The Bondowner need not surrender its Bond in connection with any redemption of the Bonds unless such Bond is redeemed in whole.

Section 4.02. No Notice of Redemption. No notice of redemption of the Bonds need be given to the Bondowner by the Trustee, but the Bondowner Representative shall give notice of any redemption under Section 4.01(b) to the City at the same time such notice is given to the Trustee; provided such notice shall not be a condition precedent to any redemption and neither failure to give such notice nor any defect in such notice shall affect the validity of any redemption hereunder.

Section 4.03. Effect of Redemption. If moneys for payment of the redemption price of the Bonds are being held by the Trustee, the Bonds shall, on the redemption date selected by the Owner or Bondowner Representative, as applicable, become due and payable at the redemption price specified herein, interest on the principal amount of the Bonds so called for redemption shall cease to accrue, said principal amount of Bonds shall cease to be entitled to any lien, benefit or security under this Indenture, and the holder of the Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and receive proceeds of exercise by the Trustee of rights and remedies under the [Borrower Notes], the Loan Agreement, the Deed of Trust and the other Loan Documents.

Section 4.04. Recycling Transactions. Notwithstanding any provision of this Indenture or the Bonds to the contrary, the City shall be permitted to direct payments of the [Tax-Exempt Borrower Note] prepayments to be transferred to a custodian or trustee selected by the City, in lieu of application to prepay a like portion of the Series 2022Y-1 Bond, so long as the City simultaneously causes other funds to be applied to prepay such portion of the Series 2022Y-1 Bond. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

ARTICLE V

REVENUES

Section 5.01. Pledge of Revenues. All of the Revenues are hereby irrevocably pledged to the punctual payment of the principal of and interest on the Bonds. The City also hereby transfers in trust, grants a security interest in and assigns to the Trustee, for the benefit of the holder from time to time of the Bonds, all of its right, title and interest in (excluding the Reserved Rights) (a) the Revenues, but excluding any amounts calculated as excess investment earnings under Section 6.07 hereof, (b) all amounts on deposit in any fund or account created hereunder and held by the Trustee, but excluding any amounts calculated as excess investment earnings under Section 6.07 hereof, (c) the Loan Agreement (except for the Reserved Rights under Sections 4(g), 5, 9(a)(vii), 9(a)(xvii), 9(c), 18(e) and 24 of the Loan Agreement and amounts payable to the United States of America pursuant to Section 9(a)(xii) thereof), (d) the [Borrower Notes], and (e) any other amounts or agreements referenced in the Loan Agreement as security for the repayment of the Bonds (collectively, the “Trust Estate”). The [Borrower Notes] have been endorsed to the Trustee, and the Deed of Trust is delivered in favor of the City and assigned to the Trustee.

All Revenues received by the Trustee and all amounts on deposit in the funds and accounts created hereunder and held by the Trustee (other than amounts held pursuant to Section 3.05 for the benefit of the City and amounts held in the Rebate Fund pursuant to Section 6.07 hereof) shall be held in trust for the benefit of the holders from time to time of the Bonds, but shall nevertheless be disbursed, allocated and applied solely for the uses and purposes hereinafter set forth in this Article V.

THE BONDS ARE NOT OBLIGATIONS, EITHER GENERAL OR SPECIAL, AND DOES NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OR TAXING POWER, OF THE CITY OF LOS ANGELES (THE “CITY”), THE STATE OF CALIFORNIA (THE

“STATE”) OR ANY POLITICAL SUBDIVISION THEREOF, BUT ARE PAYABLE SOLELY FROM THE PROJECT REVENUES AND PROPERTY PLEDGED THEREFOR IN THIS INDENTURE AND NOT FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE CITY. NEITHER THE CITY, THE STATE NOR ANY SUCH POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE THEREON. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF NOR THE FAITH AND CREDIT OF THE CITY IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR OTHER COSTS INCIDENT THERETO. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA.

Section 5.02. Bond Fund. There is hereby created and established with the Trustee a separate fund which shall be designated the “Bond Fund,” which fund shall be applied only as provided in this Section.

The Trustee shall credit to the Bond Fund from time to time, upon receipt thereof, all Revenues, including (i) income received from the investment of moneys on deposit in the Bond Fund, and (ii) any other Revenues, including insurance proceeds, condemnation awards and other Loan payments or prepayments received from or for the account of the Owner.

Except as provided in Section 10.02, moneys in the Bond Fund shall be used solely for the payment of the principal of and premium, if any, and interest on the Bonds as the same shall become due, whether at maturity or upon redemption or acceleration or otherwise.

On each date on which principal of or interest on the Bonds is due and payable, the Trustee shall pay such amount from the Bond Fund.

Section 5.03. Investment of Moneys. Except as otherwise provided in this Section, any moneys in any of the funds and accounts to be established by the Trustee pursuant to this Indenture shall be invested by the Trustee in Investment Securities selected and directed in writing by the Owner, with respect to which payments of principal thereof and interest thereon are scheduled or otherwise payable not later than one day prior to the date on which it is estimated that such moneys will be required by the Trustee. In the absence of such directions, the Trustee shall invest such monies in Investment Securities described in clause (b) of the definition thereof. The Trustee shall have no liability or responsibility for any loss resulting from any investment made in accordance with this Section 5.03, except for those arising from the willful misconduct or fraud on the part of the Trustee.

Except as otherwise provided in the next sentence, all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued at their present value (within the meaning of Section 148 of the Code). The Trustee shall have no duty to determine Fair Market Value or present value hereunder.

For the purpose of determining the amount in any fund or account, all Investment Securities credited to such fund or account shall be valued at the lower of cost or par (which shall be measured exclusive of accrued interest) after the first payment of interest following purchase.

Any interest, profit or loss on such investment of moneys in any fund or account shall be credited or charged to the respective funds or accounts from which such investments are made. Subject to the requirements of the Tax Certificate, the Trustee may sell or present for redemption any obligations so purchased whenever it shall be necessary in order to provide moneys to meet any payment, and the Trustee shall not be liable or responsible for any loss resulting from such sale or redemption.

The Trustee may make any and all investments permitted under this Section 5.03 through its own trust or banking department or any affiliate and may pay said department reasonable, customary fees for placing such investments. The Trustee and its affiliates may act as principal, agent, sponsor, advisor or depository with respect to Investment Securities under this Section 5.03.

The City (and the Owner by its execution of the Loan Agreement) acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City or the Owner the right to receive brokerage confirmations of security transactions as they occur, the City and the Owner will not receive such confirmations to the extent permitted by law. The Trustee will furnish the Owner and the City (to the extent requested by it) periodic cash transaction statements which shall include detail for all investment transactions, if any, made by the Trustee hereunder.

Section 5.04. Enforcement of Obligations. Upon the occurrence of an Event of Default actually known to a Responsible Officer of the Bondowner Representative, the Bondowner Representative shall be entitled in its sole discretion to take all steps, actions and proceedings, or to direct the Trustee to take all steps and proceedings: (a) to enforce the terms, covenants and conditions of, and preserve and protect the priority of its interest in and under, the Loan Agreement, the Regulatory Agreement and the Deed of Trust, and (b) to request compliance with all covenants, agreements and conditions on the part of the City contained in this Indenture with respect to the Revenues.

ARTICLE VI

COVENANTS OF THE CITY

Section 6.01. Payment of Principal and Interest. The City shall punctually pay, but only out of Revenues as herein provided, the principal and the interest (and premium, if any) to become due in respect of the Bonds issued hereunder at the times and places and in the manner provided herein and in the Bonds, according to the true intent and meaning thereof. When and as paid in full, the Bonds shall be delivered to the Trustee and shall forthwith be destroyed.

Section 6.02. Preservation of Revenues; Amendment of Documents. The City shall not take any action to interfere with or impair the pledge and assignment hereunder of Revenues and the assignment to the Trustee, of rights of the City under the Loan Agreement and the Deed of Trust and other collateral documents, or the Trustee's or the Bondowner Representative's

enforcement of any rights hereunder or thereunder, shall not take any action to impair the validity or enforceability of the Loan Agreement or the Deed of Trust and other collateral documents, and shall not waive any of its rights under or any other provision of or permit any amendment of the Loan Agreement or the Deed of Trust and other collateral documents, without the prior written consent of the Bondowner Representative.

Section 6.03. Compliance with Indenture. The City shall not issue, or permit to be issued, any Bond secured or payable in any manner out of Revenues other than in accordance with the provisions of this Indenture; it being understood that the City reserves the right to issue obligations payable from and secured by sources other than the Revenues and the assets assigned herein. The City shall faithfully observe and perform all the covenants, conditions and requirements hereof. So long as the Bond is Outstanding, the City shall not create any pledge, lien or charge of any type whatsoever upon all or any part of the Revenues, other than the lien of this Indenture.

Section 6.04. Further Assurances. Whenever and so often as requested so to do by the Bondowner Representative, the City, at the expense of the Owner, shall promptly execute and deliver or cause to be executed and delivered all such other and further instruments, documents or assurances, and promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Bondowner Representative and the Bondowner all of the rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Indenture and to perfect and maintain as perfected such rights, interests, powers, benefits, privileges and advantages.

Section 6.05. No Arbitrage. The City shall not take, nor knowingly permit nor suffer to be taken by the Trustee or otherwise, any action with respect to the gross proceeds of the Bonds which would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code and Regulations promulgated thereunder. The City will, additionally, comply with its obligations under and pursuant to the Tax Certificate.

Section 6.06. Limitation of Expenditure of Proceeds. To the best knowledge of the City, and based upon the Owner’s representations in the Borrower Cost Certificate dated the Closing Date, not less than 97% of the face amount of the Series 2022Y-1 Bond, plus premium (if any) paid on the purchase of the Series 2022Y-1 Bond by the original purchaser thereof from the City, less original issue discount, will be used for Qualified Project Costs and less than 25% of such amount will be used for acquisition of land or an interest in land.

Section 6.07. Rebate of Excess Investment Earnings to United States. The Rebate Fund shall be established by the Trustee and held and applied as provided in this Section. On any date on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the Rebate Fund by the Owner for such purpose. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement (as defined in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the United States Government, and neither the City, the Owner nor any Bondowner shall have any rights in or claim to such moneys. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and by the Tax Certificate. The Trustee shall conclusively be deemed to have complied with such provisions if it follows the

written instructions of the City, Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not be required to take any actions under the Tax Certificate in the absence of written instructions from the City, Bond Counsel or the Rebate Analyst.

Within 55 days of the end of each fifth Bond Year and within 55 days of payment in full of the Series 2022Y-1 Bond, the Trustee shall request and the Owner shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Rebate Regulations (taking into account any exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of Section 1.148-1(b) of the Rebate Regulations (the “Rebatable Arbitrage”).

Within 55 days of the end of each fifth Bond Year and within 55 days of payment in full of the Series 2022Y-1 Bond, upon the written direction of the City, Bond Counsel or the Rebate Analyst, an amount shall be deposited to the Rebate Fund by the Trustee from amounts provided by the Owner, if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with the preceding paragraph.

The Trustee shall pay, as directed by the City, Bond Counsel or the Rebate Analyst, to the United States Treasury, out of amounts in the Rebate Fund:

- (i) Not later than 60 days after the end of (A) the fifth Bond Year, and (B) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and
- (ii) Not later than 60 days after the payment of the Series 2022Y-1 Bond in full, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

Each payment required to be made under this Section shall be made to the Internal Revenue Service Center at the address provided in such direction on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, which shall be prepared by the Rebate Analyst and provided to the Trustee.

Notwithstanding any provision of this Indenture to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States and to comply with all other requirements of this Section 6.07 and Sections 9(a)(xii), 9(c) and 17 of the Loan Agreement, the requirements of the Regulatory Agreement and the requirements of the Tax Certificate shall survive the defeasance or payment in full of the Series 2022Y-1 Bond.

Any funds remaining in the Rebate Fund after redemption and payment of all of the Series 2022Y-1 Bond and payment and satisfaction of any Rebate Requirement, or provision made therefor in accordance with the written direction of the City, the Rebate Analyst or Bond Counsel, shall be withdrawn and remitted to the Owner.

The Trustee shall keep such records of the computations made pursuant to this Section 6.07 as are required under Section 148(f) of the Code to the extent furnished to the Trustee. The Owner shall or shall cause the Rebate Analyst to provide to the City copies of all rebate computations made pursuant to this Section 6.07. The Trustee shall keep and make available to the Owner such records concerning the investments of the gross proceeds of the Bonds and the investments of earnings from those investments made by the Trustee as may be requested by the Owner in order to enable the Owner to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

Notwithstanding the foregoing, the computations and payments of Rebatable Arbitrage need not be made to the extent that neither the City nor the Owner will thereby fail to comply with any requirements of Section 148(f) of the Code based on an opinion of Bond Counsel, to the effect that such failure will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series 2022Y-1 Bond, a copy of which shall be provided to the Trustee, at the expense of the Owner.

Section 6.08. Limitation on Issuance Costs. To the best knowledge of the City, from the proceeds of the Series 2022Y-1 Bond received from the original purchaser thereof and investment earnings thereon, an amount not in excess of two percent of the face amount of the Series 2022Y-1 Bond will be used to pay for, or provide for the payment of, Issuance Costs.

Section 6.09. Federal Guarantee Prohibition. The City shall take no action if the result of the same would be to cause the Series 2022Y-1 Bond to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

Section 6.10. Prohibited Facilities. To the best knowledge of the City, no portion of the proceeds of the Series 2022Y-1 Bond will be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. To the best knowledge of the City, no portion of the proceeds of the Series 2022Y-1 Bond will be used for an office unless the office is located on the premises of the facilities constituting the Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

Section 6.11. Use Covenant. The City shall not use any proceeds of the Series 2022Y-1 Bond or any other funds of the City, directly or indirectly, in any manner, and shall not take any other action or actions, which would result in the Series 2022Y-1 Bond being treated as an obligation not described in Section 142(d) of the Code by reason of the Series 2022Y-1 Bond not meeting the requirements of Section 142(d) of the Code.

Section 6.12. Immunities and Limitations of Responsibility of City. The City shall be entitled to the advice of counsel (who, except as otherwise provided, may be counsel for the Bondowner), and the City shall be wholly protected as to action taken or omitted in good faith in reliance on such advice. The City may rely conclusively on any communication or other document furnished to it hereunder and reasonably believed by it to be genuine. The City shall not be liable for any action (a) taken by it in good faith and reasonably believed by it to be within its discretion or powers hereunder, or (b) in good faith omitted to be taken by it because such action was

reasonably believed to be beyond its discretion or powers hereunder, or (c) taken by it pursuant to any direction or instruction by which it is governed hereunder, or (d) omitted to be taken by it by reason of the lack of any direction or instruction required hereby for such action; nor shall it be responsible for the consequences of any error of judgment reasonably made by it. The City shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person and shall be liable only for its active negligence or willful misconduct. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof. The City shall not be required to take any remedial action (other than the giving of notice) unless indemnity in a form acceptable to the City is furnished for any expense or liability to be incurred in connection with such remedial action, other than liability for failure to meet the standards set forth in this Section. The City shall be entitled to reimbursement from the Owner for its expenses reasonably incurred or advances reasonably made, with interest at the highest rate at which interest accrues from time to time on the Bonds, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the City may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power. The Owner has indemnified the City against certain acts and events as set forth in Sections 9(a)(vii), 9(a)(xii), 9(c), 17, 18(c), and 18(e) of the Loan Agreement and Section 9 of the Regulatory Agreement. Such indemnities shall survive payment of the Bonds and discharge of this Indenture.

Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the City and the Trustee may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the City, the Trustee or the Bondowner Representative as to the existence of any fact or state of affairs, (b) the City shall not be under any obligation under this Indenture to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee or by the Bondowner Representatives and (c) none of the provisions of this Indenture shall require the City or the Trustee to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action.

Section 6.13. No Recourse. No recourse under or upon any obligation, covenant or agreement contained in this Indenture or in the Bonds shall be had against any member, officer, commissioner, director or employee (past, present or future) of the City, either directly or through the City or its governing body or otherwise, for the payment for or to the City or any receiver thereof, or for or to the Holder of the Bonds issued hereunder, or otherwise, of any sum that may be due and unpaid by the City or its governing body upon the Bonds. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such member, officer, commissioner, director or employee, as such, to respond by reason of any act of omission on his/her part or otherwise, for the payment for or to the Holder of the Bonds issued hereunder or otherwise of any sum that may remain due and unpaid upon the Bonds hereby secured is, by the acceptance hereof, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bonds.

Section 6.14. Limitation of Liability of City and Its Officers, Employees and Agents.

No recourse under or upon any obligation, covenant, warranty or agreement contained in this Indenture or in the Bonds, or under any judgment obtained against the City, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Indenture, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the City, as such, past, present or future of the City, either directly or through the City or otherwise, for the payment for or to the City or any receiver of the City, or for or to the owner of the Bonds, or otherwise, of any sum that may be due and unpaid by the City upon the Bonds. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or of any such member, officer, agent or employee, as such, by reason of any act of omission on his or her part or otherwise, for the payment for or to the owner of the Bonds or otherwise of any sum that may remain due and unpaid upon the Bonds secured by this Indenture or any of them is, by the acceptance of the Bonds, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bonds. Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the City may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the City by the Trustee, the Owner, the Bondowner Representative or any Bondowner as to the existence of any fact or state of affairs, (b) the City shall not be under any obligation under this Indenture to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee, the Bondowner Representative or by any Bondowner and (c) none of the provisions of this Indenture shall require the City to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Bonds or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Bonds shall be had against the Mayor, the City Council or any officer, member, agent or employee of the City, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Indenture and the issuance of the Bonds. No covenant, stipulation, obligation or agreement of the City contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the City or the Mayor or the City Council in other than that person's official capacity. No member, officer, agent or employee of the City shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

It is recognized that notwithstanding any other provision of this Indenture, neither the Bondowner, the Trustee nor the Owner shall look to the City for damages suffered by the Bondowner, the Trustee or the Owner as a result of the failure of the City to perform any covenant, undertaking or obligation under this Indenture, the Loan Agreement, the Bonds or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the City in any of such documents, nor for any other reason. Although this City recognizes that such documents shall not give rise to any pecuniary liability of the City, nothing contained in this Indenture shall be construed to preclude in any way any action or proceeding (other than that

element of any action or proceeding involving a claim for monetary damages against the City) in any court or before any governmental body, agency or instrumentality or otherwise against the City or any of its officers or employees to enforce the provisions of any of such documents which the City is obligated to perform and the performance of which the City has not assigned to the Trustee or any other person; provided, however, that as a condition precedent to the City proceeding pursuant to this Section 6.14, the City shall have received satisfactory indemnification.

ARTICLE VII

DEFAULT

Section 7.01. Default Under Loan Agreement; Acceleration. No default by the Owner under the Loan Agreement shall constitute an event of default with respect to the Bonds. The City's, Trustee's, Owner's and Bondowner Representative's remedies with respect to a default under the Loan Documents shall be as set forth under the Loan Documents. The Bondowner Representative may, upon the acceleration of the Owner's obligations under the Loan Documents, direct the Trustee to accelerate the maturity of the Bonds and apply any funds available hereunder for such purpose as provided herein (after paying the fees and expenses of the Trustee and the City). Any Bonds remaining Outstanding shall be deemed paid upon transfer, to or at the direction of the Bondowner Representative, of the Loan Documents and all security therefor free and clear of the lien of this Indenture.

The City shall cooperate with the Bondowner Representative and the Trustee in exercising rights and remedies under the Loan Documents, but only upon being satisfactorily indemnified by the Owner for any fees or expenses relating thereto as provided in the Loan Agreement and Regulatory Agreement.

Section 7.02. Limitation of Liability to Revenues. Notwithstanding anything in this Indenture, the City shall not be required to advance any moneys derived from the proceeds of taxes collected by the City, by the State of California or by any political subdivision thereof or from any source of income of any of the foregoing other than the Revenues for any of the purposes mentioned in this Indenture, whether for the payment of the principal of or interest on the Bonds or for any other purpose of this Indenture.

ARTICLE VIII

THE TRUSTEE AND AGENTS

Section 8.01. Duties, Immunities and Liabilities of Trustee. In consideration of the recitals hereinabove set forth and for other valuable consideration, the City hereby agrees to employ the Trustee (at the expense of the Owner) to receive, hold, invest and disburse the moneys received pursuant to the Loan Agreement for credit to the various funds and accounts established by this Indenture; to authenticate, deliver and transfer the Bonds; and to apply and disburse the payments received from the Owner pursuant to the Loan Agreement to the owner of the Bonds; and to perform certain other functions; all as herein provided and subject to the terms and conditions of this Indenture. The Trustee shall perform such duties and only such duties as are specifically set forth in this Indenture and no additional covenants or duties of the Trustee shall be

implied in this Indenture. The Trustee is authorized and directed to enter into the Loan Documents to which it is a party, solely in its capacity as Trustee.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action or its own negligent failure to act, except that:

(a) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee conforming to the requirements of this Indenture;

(b) At all times (i) the Trustee shall not be liable for any act or omission unless the Trustee or its agent was negligent or engaged in willful misconduct; and (ii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the City, accompanied by an opinion of Bond Counsel as provided herein, or in accordance with the directions of the Bondowner Representative or in accordance with the directions of the holder of the Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture;

(c) The Trustee shall not be required to take notice or be deemed to have notice of (i) any default hereunder or under the Loan Agreement, unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the City, the Bondowner Representative or the owner of the Bonds, or (ii) any default under the Regulatory Agreement unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the City;

(d) Before taking any action under the Regulatory Agreement, Article VII hereof or this Section at the request or direction of the Bondowner or the Bondowner Representative, the Trustee may require that a satisfactory indemnity be furnished by the Bondowner, for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken;

(e) Upon any application or request by the City or the Bondowner Representative to the Trustee to take any action under any provision of this Indenture or the Regulatory Agreement, the City or Bondowner Representative, as applicable, shall furnish to the Trustee a certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, and an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents is specifically required by any

provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished;

(f) The Trustee may execute any of the powers hereunder or perform any duties hereunder either directly or through agents or attorneys;

(g) Neither the City nor the Owner shall be deemed to be agents of the Trustee for any purpose, and the Trustee shall not be liable for any noncompliance of any of them in connection with their respective duties hereunder or in connection with the transactions contemplated hereby;

(h) The Trustee shall be entitled to rely upon telephonic notice for all purposes whatsoever so long as the Trustee reasonably believes such telephonic notice has been given by a person authorized to give such notice;

(i) The immunities extended to the Trustee also extend to its directors, officers and employees;

(j) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds, it being the sole obligation of the Trustee to administer, for the benefit of the Bondowner, the various funds and accounts established hereunder;

(k) No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy;

(l) The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of the holder of the Bonds or the Bondowner Representative related to the exercise of any right, power or remedy available to the Trustee;

(m) The Trustee shall have no duty to review any financial statements or budgets filed with it by the Owner under the Loan Agreement;

(n) The Trustee acknowledges that the Owner has an obligation to pay certain fees to the City pursuant to Section 7 of the Regulatory Agreement. The Trustee further acknowledges that in order to preserve the tax-exempt status of interest on the Series 2022Y-1 Bond, the Owner must comply with requirements for rebate of excess investment earnings to the federal government to the extent applicable. The Trustee agrees to use commercially reasonable efforts to send the Owner a notification or reminder of: (i) its payment obligations under said Section 7(n) of the Regulatory Agreement 30 days preceding each semiannual payment date therefor, commencing with the payment date on [May] 1, 2023, and ending on the date set forth in the Regulatory Agreement; and (ii) the Owner's obligation to make payments to the Rebate Fund as provided herein; and

(o) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay

(“unavoidable delay”) in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the Project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties as Trustee or in the exercise of any of its rights or powers as Trustee. Whether or not therein expressly so provided, every provision of this Indenture, the Loan Agreement, the Regulatory Agreement or any other document relating to the conduct, powers or duties of, or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Article VIII.

Section 8.02. Right of Trustee to Rely Upon Documents, Etc. Except as otherwise provided in Section 8.01:

(a) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, facsimile transmission, electronic mail, demand, direction, election, requisition, bond or other paper or document reasonably believed by it to be genuine and to have been signed and presented by the proper party or parties;

(b) Any consent, demand, direction, election, notice, order or request of the City mentioned herein shall be sufficiently evidenced by a Written Consent, Written Demand, Written Direction, Written Election, Written Notice, Written Order or Written Request of the City, and any resolution of the City may be evidenced to the Trustee by a Certified Resolution;

(c) The Trustee may consult with counsel (who may be counsel for the City, counsel for the Trustee or Bond Counsel) and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel;

(d) Whenever in the administration of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a Certificate of the City or a certificate of the Bondowner Representative; and such Certificate of the City or a certificate of the Bondowner Representative shall, in the absence of negligence or bad

faith on the part of the Trustee, be full warrant to the Trustee for any action taken or suffered by it under the provisions of this Indenture upon the faith thereof;

(e) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit; and

(f) The Trustee agrees to accept and act upon facsimile transmission of written instructions and/or directions pursuant to this Indenture provided, however, that: (i) subsequent to such facsimile transmission of written instructions and/or directions the Trustee shall forthwith receive the originally executed instructions and/or directions, (ii) such originally executed instructions and/or directions shall be signed by a person as may be designated and authorized to sign for the party signing such instructions and/or directions and (iii) the Trustee shall have received a current incumbency certificate containing the specimen signature of such designated person.

Section 8.03. Trustee Not Responsible for Recitals. The recitals contained herein and, in the Bonds, shall be taken as the statements of the City, and the Trustee assumes no responsibility for the correctness of the same or for the correctness of the recitals in the Loan Agreement or the Regulatory Agreement. The Trustee shall have no responsibility with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the Bonds. The Trustee makes no representations as to the value or condition of any assets pledged or assigned as security for the Bonds, or as to the right, title or interest of the City therein, or as to the security provided thereby or by this Indenture, the Loan Agreement or the Deed of Trust, or as to the compliance of the Project with the Act, or as to the tax-exempt status of the Series 2022Y-1 Bond, or as to the technical or financial feasibility of the Project, or as to the validity or sufficiency of this Indenture as an instrument of the City or of the Bonds as an obligation of the City. The Trustee shall not be accountable for the use or application by the City of the Bonds authenticated or delivered hereunder or of the use or application of the proceeds of such Bonds by the City or the Owner or their agents.

Section 8.04. Intervention by Trustee. The Trustee may intervene on behalf of the owner of the Bonds in any judicial proceeding to which the City or Bondowner Representative is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the owner of the Bonds and, subject to the provisions of Section 8.01(d), shall do so if requested in writing by the owner of the Bonds or the Bondowner Representative.

Section 8.05. Moneys Received by Trustee to be Held in Trust. All moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law or as otherwise provided herein. The Trustee shall be under no liability for interest on any moneys received by it hereunder except such as it may agree with the City to pay thereon.

Section 8.06. Compensation and Indemnification of Trustee, Bondowner Representative and Agents.

(a) The Bondowner Representative and the Trustee shall be entitled to receive compensation from the Owner for their services as Bondowner Representative and Trustee, respectively, as provided in Section 4(h) of the Loan Agreement, and shall be indemnified by the Owner as provided in Sections 18(e) of the Loan Agreement and Section 9 of the Regulatory Agreement. The Bondowner Representative and the Trustee each acknowledges and agrees that, unless otherwise agreed to in writing by the City, the City shall not be responsible for the fees and expenses of the Bondowner Representative and the Trustee, and is providing no indemnification to the Bondowner Representative and the Trustee.

(b) If any property, other than cash, shall at any time be held by the Bondowner Representative or the Trustee subject to this Indenture, or any supplemental indenture, as security for the Bonds, the Bondowner Representative or the Trustee, if and to the extent authorized by a receivership, bankruptcy or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Indenture as such security for the Bonds, shall be entitled to but not obligated to make advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The rights of the Bondowner Representative and the Trustee to compensation for services and to payment or reimbursement for expenses, disbursements, liabilities and advances shall have and each of the Bondowner Representative and Trustee is hereby granted a lien and a security interest prior to the Bonds in respect of all property and funds held or collected by the Bondowner Representative or the Trustee as such, except funds held in trust by the Bondowner Representative or the Trustee for the benefit of the holders of a particular principal amount of the Bond, which amounts shall be held solely for the benefit of the Bondowner and used only for the payment of principal of and premium, if any, and interest on the Bonds. The Bondowner Representative's and the Trustee's rights to immunities, indemnities and protection from liability hereunder and their rights to payment of their fees and expenses shall survive such Bondowner Representative's and the Trustee's resignation or removal and final payment of the Bonds.

Section 8.07. Qualifications of Trustee. There shall at all times be a trustee hereunder, which shall be a corporation, banking association or trust company, in each case having trust powers, doing business and having a corporate trust office in California and shall:

(a) either (i) have a combined capital and surplus of at least \$50,000,000 and be subject to supervision or examination by federal or state authority or (ii) be a wholly-owned subsidiary of a bank, trust company or bank holding company meeting on an aggregate basis the tests set out in clause (i) and

(b) be able to comply with the terms and conditions of this Indenture, including, without limitation, Sections 8.10 through 8.13 hereof, and to comply with the terms of the Loan Agreement applicable thereto.

If such corporation, banking association, or trust company publishes reports of conditions at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such corporation, banking association or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 8.08(b) below.

Section 8.08. Removal, Resignation and Appointment of Successor Trustee.

(a) ***Removal of Trustee.*** The City may remove the Trustee at any time unless an Event of Default occurs and is then continuing, and shall remove the Trustee if at any time requested to do so by an instrument or concurrent instruments in writing signed by the holder of the Bonds (or its attorney duly authorized in writing) or the Bondowner Representative or if at any time the Trustee shall cease to be eligible in accordance with Section 8.07 hereof, or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or any substantial portion thereof or affairs for the purpose of rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Trustee and thereupon the Owner shall appoint a successor Trustee by an instrument in writing. Any successor Trustee appointed by the Owner under this Section 8.08 shall be subject to the approval of the Bondowner Representative and the City, which approval shall not unreasonably be withheld or delayed.

(b) ***Resignation of Trustee.*** The Trustee may at any time resign by giving written notice of such resignation by first class mail, postage prepaid, to the City and to the Bondowner. Upon receiving such notice of resignation, the Owner shall appoint a successor Trustee by an instrument in writing with the written consent of the Bondowner Representative and the City. The Trustee shall not be relieved of its duties until such successor Trustee has accepted appointment.

(c) ***Appointment of Successor Trustee.*** Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon the acceptance of appointment of the successor Trustee; provided, however, that under any circumstances the successor Trustee shall be qualified as provided in subsection (a) of this Section. If no qualified successor Trustee shall have been appointed and have accepted appointment within 45 days following giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or the Bondowner may at the expense of the Owner petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the City and its predecessor Trustee a written acceptance thereof, and to the predecessor Trustee an instrument indemnifying the predecessor Trustee for any costs or claims arising during the time the successor Trustee serves as Trustee hereunder, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys,

estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the written request of the City or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance, including a quitclaim deed, and further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trust and conditions herein set forth. Upon request of the successor Trustee, the City shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the City shall mail or cause the successor Trustee to mail, by first class mail, postage prepaid, a notice of the succession of such Trustee to the trusts hereunder to the Bondowner at the address shown on the registration books. If the City fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the City.

Section 8.09. Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible under the provisions of the first sentence of Section 8.07.

Section 8.10. [Reserved].

Section 8.11. Compliance with Laws. The Trustee shall keep itself fully informed of the City's Charter, codes, ordinances and regulations of the City and of all state, and federal laws in any manner affecting the performance of this Indenture and must at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time.

Section 8.12. Drug-Free Workplace Policy. The Trustee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. The Trustee agrees that any violation of this prohibition by Trustee, its employees, agents or assigns will be deemed a material breach of this Indenture.

Section 8.13. Compliance with Americans with Disabilities Act. The Trustee shall be in full compliance with all federal and state laws, including those of the Americans with Disabilities Act, 42 U.S.C. 12101 et seq., and its implementing regulations and the American Disabilities Act Amendments Act (ADAAA) Pub. L. 110-325 and all subsequent amendments (the

“ADA”). Under the ADA, the Trustee shall provide for reasonable accommodations to allow qualified individuals access to and participation in their programs, services and activities in accordance with the ADA. In addition, the Trustee shall not discriminate against individuals with disabilities nor against persons due to their relationship or association with a person with a disability. Any subcontract entered into by the Trustee, relating to this Indenture, to the extent allowed hereunder, shall be subject to the provisions of this Section.

Section 8.14. Proprietary or Confidential Information of the City. The Trustee understands and agrees that, in the performance of the work or services under this Indenture or in contemplation thereof, the Trustee may have access to private or confidential information which may be owned or controlled by the City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to the City. The Trustee agrees that all information disclosed by the City to the Trustee shall be held in confidence and used only in performance of this Indenture. The Trustee shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

Section 8.15. Audit and Inspection of Records. The Trustee agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its work under this Indenture. The Trustee will permit the City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Indenture, whether funded in whole or in part under this Indenture. The Trustee shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Indenture or until after final audit has been resolved, whichever is later. The State of California or any federal agency having an interest in the subject matter of this Indenture shall have the same rights conferred upon the City by this Section.

Section 8.16. Subcontracting. The Trustee is prohibited from subcontracting this Indenture or any part of it unless such subcontracting is first approved by the City in writing. Neither party shall, on the basis of this Indenture, contract on behalf of or in the name of the other party. A contract made in violation of this provision shall confer no rights on any party and shall be null and void.

Section 8.17. Paying Agents. The Trustee, with the written approval of the City and the Bondowner Representative, may appoint and at all times have one or more paying agents in such place or places as the Trustee may designate, for the payment of the principal of, and the interest (and premium, if any) on, the Bonds. It shall be the duty of the Trustee to make such arrangements with any such paying agent as may be necessary and feasible to assure, to the extent of the moneys held by the Trustee for such payment, the availability of funds for the prompt payment of the principal of and interest and premium, if any, on the Bonds presented at either place of payment. The paying agent initially appointed hereunder is the Trustee.

Section 8.18. Business Tax Registration Certificate. Subject to any exemption available to it, the Trustee represents that it will obtain and hold the Business Tax Registration Certificate(s) required by the City’s Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Indenture, the Trustee shall

maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it, subject to any exemption available to it, under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 8.19. Child Support Assignment Orders. This Indenture is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. ARTICLE IX

MODIFICATION OF INDENTURE

Section 9.01. Modification of Indenture. The City and the Trustee, with the prior written consent of the Bondowner Representative, may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture. The Bondowner Representative may, if it so elects, direct the Trustee to join with the City in the execution of such supplemental indenture, unless such supplemental indenture affects the rights or obligations of the Owner or any general partner or limited partner of the Owner hereunder or under the Loan Agreement or any other document, in which case the City, Trustee and Bondowner Representative may enter into such supplemental indenture only if the Bondowner Representative has received the Owner's, or such general partner's or limited partner's, as applicable, written consent thereto.

Promptly after the execution by the City, the Trustee and the Bondowner Representative of any supplemental indenture pursuant to the provisions of this Section, if the Bondowner Representative is not the sole owner of the Bonds then Outstanding, the Trustee shall give the Bondowner, by first class mail, a notice setting forth in general terms the substance of such supplemental indenture. Any failure of the Trustee to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 9.02. Effect of Supplemental Indenture. Upon the execution of any supplemental indenture pursuant to the provisions of this Article IX, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the City, the Trustee, the Bondowner Representative and the holder of the Bonds shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.03. Opinion of Counsel as to Supplemental Indenture. Subject to the provisions of Section 8.01, the Trustee and the Bondowner Representative shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel as conclusive evidence

that any supplemental indenture executed pursuant to the provisions of this Article IX is authorized and permitted by this Indenture.

Section 9.04. Notation of Modification on Bond; Preparation of New Bond. A Bond authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article IX may bear a notation, in form approved by the Bondowner Representative and the City as to any matter provided for in such supplemental indenture, and if such supplemental indenture shall so provide, a new Bond, so modified as to conform, in the opinion of the Bondowner Representative and the City, to any modification of this Indenture contained in any such supplemental indenture, may be prepared and executed by the City and authenticated by the Trustee and delivered without cost to the holder of the Bonds then Outstanding, upon surrender for cancellation of such Bond in equal aggregate principal amounts.

ARTICLE X

DEFEASANCE

Section 10.01. Discharge of Indenture. If the entire indebtedness on the Bonds Outstanding shall be paid and discharged in any one or more of the following ways:

- (a) by the payment of the principal of (including redemption premium, if any) and interest on the Bonds Outstanding; or
- (b) by the delivery to the Trustee, for cancellation by it, of the Bonds Outstanding;

and if all other sums payable hereunder by the City shall be paid and discharged, then and in that case this Indenture shall cease, terminate and become null and void, and the Trustee shall forthwith execute proper instruments acknowledging satisfaction of and discharging this Indenture. The fees, expenses and charges of the Trustee (including reasonable counsel fees) must be paid in order to affect such discharge. The satisfaction and discharge of this Indenture shall be without prejudice to the rights of the Trustee to charge and be reimbursed by the Owner for any expenditures which it may thereafter incur in connection herewith.

The City or the Owner may at any time surrender to the Trustee for cancellation by it any Bonds previously authenticated and delivered which the City or the Owner lawfully may have acquired in any manner whatsoever, and such Bonds upon such surrender and cancellation shall be deemed to be paid and retired.

Section 10.02. Payment of Bond after Discharge of Indenture. Notwithstanding any provisions of this Indenture, any moneys deposited with the Trustee or any paying agent in trust for the payment of the principal of, or interest or premium on, the Bonds remaining unclaimed for two years after the principal of the Outstanding Bonds has become due and payable (whether at maturity or upon call for redemption or by declaration as provided in this Indenture), shall then be paid to the Owner, and the holder of such Bond shall thereafter be entitled to look only to the Owner for payment thereof, and only to the extent of the amount so paid to the Owner, and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease. In the event of the payment of any such moneys to the Owner as aforesaid, the holder of the Bond in

respect of which such moneys were deposited shall thereafter be deemed to be unsecured creditors of the Owner for amounts equivalent to the respective amounts deposited for the payment of the Bonds and so paid to the Owner (without interest thereon).

ARTICLE XI

Section 11.04. Destruction of the Bonds. Whenever in this Indenture provision is made for the cancellation by the Trustee and the delivery to the City of the Bonds, the Trustee may, in lieu of such cancellation and delivery, destroy the Bonds and deliver a certificate of such destruction to the City.

Section 11.05. Separability of Invalid Provisions. In case any one or more of the provisions contained in this Indenture or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Indenture, but this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein.

The City, the Trustee, the Bondowner Representative and the Owner may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent.

Section 11.07. Authorized Representatives. Whenever under the provisions of this Indenture the approval of the City or the Owner is required for any action, and whenever the City or the Owner is required to deliver any notice or other writing, such approval or such notice or other writing shall be given, respectively, on behalf of the City by the Authorized City Representative or on behalf of the Owner by the Authorized Owner Representative, and the City, the Trustee, the Bondowner Representative and the Owner shall be authorized to act on any such approval or notice or other writing and neither party hereto nor the Owner shall have any complaint against the others as a result of any such action taken.

Section 11.08. Evidence of Rights of Bondowner. Any request, consent or other instrument required by this Indenture to be signed and executed by the Bondowner may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by the Bondowner in person or by agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, or of the ownership of the Bonds, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Bondowner Representative, the Trustee and of the City if made in the manner provided in this Section.

(a) The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument or writing acknowledged to him the execution thereof.

(b) The ownership of the Bonds shall be proved by the Bond register maintained pursuant to Section 2.06 hereof. The fact and the date of execution of any request, consent or other instrument and the amount and distinguishing numbers of the Bonds held by the person so executing such request, consent or other instrument may also be proved in any other manner which the Trustee may deem sufficient. The Trustee may nevertheless, in its discretion, require further proof in cases where it may deem further proof desirable.

(c) Any request, consent or vote of the holder of the Bonds shall bind every future holder of the Bonds and the holder of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Bondowner Representative, the Trustee or the City in pursuance of such request, consent or vote.

(d) [Reserved].

(e) In lieu of obtaining any demand, request, direction, consent or waiver in writing, the Trustee may call and hold a meeting with the Bondowner upon such notice and in accordance with such rules and regulations as the Bondowner Representative considers fair and reasonable for the purpose of obtaining any such action.

Section 11.09. Waiver of Personal Liability. No recourse under or upon any obligation, covenant, warranty or agreement contained in this Indenture or in the Bonds, or under any judgment obtained against the City, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Indenture, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the City, as such, past, present or future of the City, either directly or through the City or otherwise, for the payment for or to the City or any receiver of the City, or for or to the owner of the Bonds, or otherwise, of any sum that may be due and unpaid by the City upon the Bonds. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or of any such member, officer, agent or employee, past, present or future, of the City, as such, by reason of any act or omission on his or her part or otherwise, for the payment for or to the owner of the Bonds or otherwise of any sum that may remain due and unpaid upon the Bonds secured by this Indenture or any of them is, by the acceptance of the Bonds, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bonds.

Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the City may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the City by the Trustee, the Servicer or the Owner as to the existence of any fact or state of affairs, (b) the City shall not be under any obligation under this Indenture to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee or by the Servicer and (c) none of the provisions of this Indenture shall require the City to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been

adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action.

No covenant, stipulation, obligation or agreement of the City contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the City or the Mayor or the City Council in other than that person's official capacity. No member, officer, agent or employee of the City shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

It is recognized that notwithstanding any other provision of this Indenture, neither the Owner, the Trustee nor the Bondholder shall look to the City for damages suffered by the Owner, the Trustee or the Bondholder as a result of the failure of the City to perform any covenant, undertaking or obligation under this Indenture, the Loan Agreement, the Bonds or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the City in any of such documents, nor for any other reason. Although this Indenture recognizes that such documents shall not give rise to any pecuniary liability of the City, nothing contained in this Indenture shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the City) in any court or before any governmental body, agency or instrumentality or otherwise against the City or any of its officers or employees to enforce the provisions of any of such documents which the City is obligated to perform and the performance of which the City has not assigned to the Trustee or any other person; provided, however, that as a condition precedent to the City proceeding pursuant to this Section 11.09, the City shall have received satisfactory indemnification.

Section 11.10. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Indenture, is not a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day with the same force and effect as if done on the date provided therefor in this Indenture and, in the case of any payment, no interest shall accrue for the period from and after such date.

Section 11.11. Execution in Several Counterparts. This Indenture may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts shall together constitute but one and the same instrument.

Section 11.12. Governing Law, Venue. The formation, interpretation and performance of this Indenture shall be governed by the laws of the State of California. Venue for all litigation arising from or in connection with the Bonds or this Indenture shall be in Los Angeles, California.

Section 11.13. Successors. Whenever in this Indenture either the City, the Trustee or the Bondowner Representative is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the City, the Trustee or the Bondowner Representative shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 11.14. Non-Waiver of Rights. The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

Section 11.15. Disclosure of Border Wall Contracting Ordinance. The Trustee shall comply with Los Angeles Administrative Code Section 10.50 et seq., “Disclosure of Border Wall Contracting”. The City may declare a default under this Indenture if the City determines that the Trustee failed to fully and accurately complete the required affidavit and disclose all Border Wall Bids and Border Wall Contracts, as defined in Los Angeles Administrative Code Section 10.50.1.

Section 11.16. Responsible Banking Ordinance Filing. The Bondowner Representative shall file with the City Treasurer of the City by July 1 of each year an annual statement of community reinvestment activities as required of a commercial bank under the Responsible Banking Ordinance. Capitalized terms used in this Bond and not defined herein shall have the meanings given such terms in the Indenture referenced below, or in the [Tax-Exempt Borrower Note] (as defined in the Indenture), made by Luna Vista, L.P., a California limited partnership (the “Owner”), to the order of the City.

This Bond shall bear interest as set forth in the [Tax-Exempt Borrower Note]. The portion of the Loan related to this Bond is evidenced by the [Tax-Exempt Borrower Note]. Reference is made to the Loan Agreement and to the [Tax-Exempt Borrower Note] for complete payment and prepayment terms of the [Tax-Exempt Borrower Note], payments on which are passed-through under this Bond.

5. ADDITIONAL CHARGES. Borrower agrees to pay each and all of the following (collectively, the “**Additional Charges**”):

(a) upon the occurrence of a default under the Indenture or an Event of Default under this Agreement, to or upon the order of the Issuer or Bondowner Representative, when due, all reasonable fees of the Issuer, Bondowner Representative or the Bond Trustee for services rendered under the Indenture and any other amounts due under Section 4 and [25(k)] hereof which are not included in Ordinary Fees and Expenses, and all reasonable fees and charges of any registrars, legal counsel, accountants, engineers, public agencies and others incurred in the performance, on request of the Issuer, of services required under the Indenture or this Agreement for which such persons are entitled to payment or reimbursement, provided that Borrower may, upon notice to the Issuer and without creating an Event of Default hereunder, contest in good faith the necessity or reasonableness of any such services, fees or expenses other than Ordinary Fees and Expenses, but the Issuer's final decision shall control;

(b) (i) all indemnity payments required to be made under this Agreement and the Bond Regulatory Agreement (such indemnity payments being due to the Issuer or Indemnified Party upon written demand therefor and accruing interest at the Default Rate sixty (60) days after notice of demand therefor); (ii) all reasonable expenses (including reasonable legal fees and expenses) incurred by the Issuer in exercising its rights under this Agreement or the Bond Regulatory Agreement following an Event of Default; and (iii) all other reasonable expenses incurred by the Issuer in relation to the Project or the Bonds which are not otherwise required to be paid by Borrower under the terms of this Agreement or any separate fee agreement, including costs incurred as a result of a request by Borrower; and

(c) interest, at the Default Rate, on all payments not made by Borrower under Section 4, this Section 5(c) and Section 25(k) when due, to the parties entitled thereto.

6. MATURITY DATE. The maturity date of the Loan (the “**Maturity Date**”) shall be the Interim Construction Loan Maturity Date (as defined in the Tax-Exempt Borrower Note), at which time all sums due and owing under this Agreement, the other Loan Documents and the Bond Documents shall be repaid in full, subject to the right to extend the Interim Construction

Loan Maturity Date as provided in the Tax-Exempt Borrower Note. Notwithstanding the foregoing, if all of the “Conditions to Conversion” (as defined in the Tax-Exempt Borrower Note) are satisfied prior to the Interim Construction Loan Maturity Date, and the Loan converts, in accordance with the terms and conditions set forth in the Tax-Exempt Borrower Note, from an Interim Construction Loan to a Term Loan, then the Maturity Date shall be extended to the “Term Loan Maturity Date” (as defined in the Tax-Exempt Borrower Note). All payments due to Bond Trustee, Bondowner Representative and Issuer (solely in its capacity as Issuer under the Loan Documents and Bond Documents), as applicable, under this Agreement, whether at the Maturity Date or otherwise, shall be paid in immediately available funds.

7. FEES AND EXPENSES. Whether or not the Loan shall be consummated, Borrower shall assume and pay upon demand all out-of-pocket expenses incurred by Issuer, Bond Trustee and Bondowner Representative in connection with the preparation of loan documents and the making of the Loan, including without limitation the following: (a) all closing costs, fees, and disbursements; (b) all expenses of legal counsel to Issuer, Bond Trustee and Bondowner Representative; and (c) all title examination fees, title insurance premiums, appraisal fees, survey costs, required fees, and filing and recording fees.

8. RECORDING OF DEED OF TRUST. No Loan Funds shall be disbursed hereunder until: (a) Borrower has signed the Loan Documents to which Borrower is a party; (b) the Deed of Trust has been duly recorded and perfected and any other Security Documents perfected (or, as to the recording of the Deed of Trust, Bondowner Representative has agreed in writing, in its sole discretion, to a “gap closing” for the Loan, in which case the title company issuing the Title Policy has committed without reservation to (i) issue all policies as if recording had occurred as of such gap closing date regardless of the actual recording date of the Deed of Trust, and (ii) to record the Deed of Trust as soon as reasonably possible in the Official Records); and (c) Bondowner Representative has been provided evidence, satisfactory to Bondowner Representative, that Borrower has obtained all insurance required under this Agreement or any Loan Agreement and that Issuer’s liens on the Property and Improvements are valid perfected first liens, subject only to such exceptions, if any, acceptable to Bondowner Representative. In the event of a “gap closing” described above, Borrower shall cause the Title Company to record (and deliver to Bondowner Representative evidence thereof) the Deed of Trust no later than one (1) business day following such “gap closing”.

9. REPRESENTATIONS AND WARRANTIES. Borrower represents and warrants to Issuer, Bond Trustee and Bondowner Representative as of the date of this Agreement and as of the date of each disbursement of Loan proceeds:

(a) General.

(i) Access. The Property is contiguous to publicly dedicated streets, roads, or highways providing access to the Property.

(ii) Assessment of Property. The Property is and will continue to be assessed and taxed as an independent parcel by all governmental authorities.

(iii) Authorization. The execution, delivery, and performance of this Agreement by Borrower, to the extent to be executed, delivered or performed by Borrower, (i) have been duly authorized by all necessary action by Borrower; (ii) do not require the consent or approval of any other person, regulatory authority or governmental body; and (iii) do not conflict with, result in a violation of, or constitute a default under (a) any provision of its articles of incorporation or organization, or bylaws, or any agreement or other instrument binding upon Borrower or (b) any law, governmental regulation, court decree, or order applicable to Borrower.

(iv) Binding Effect. This Agreement, the Borrower Notes and all other Loan Documents to which Borrower is a party (i) have been duly executed and delivered by Borrower, and (ii) are valid and binding obligations of Borrower, enforceable against Borrower in accordance with their respective terms.

(v) Compliance with Governing Authorities. Borrower has examined and is familiar with all the easements, covenants, conditions, restrictions, reservations, laws, rules, regulations, zoning ordinances, and federal, state, and local requirements applicable to the Project. The Project will at all times and in all respects conform to and comply with the requirements of all such easements, covenants, conditions, restrictions, reservations, laws, rules, regulations, zoning ordinances, and federal, state, and local requirements.

(vi) Financial Information. Each financial statement of Borrower delivered by Borrower or its general partners, agents or representatives to Bondowner Representative prior to the date hereof truly and completely disclosed Borrower's financial condition as of the date of the statement, and there has been no material adverse change in Borrower's financial condition subsequent to the date of the most recent financial statement so delivered to Bondowner Representative. Borrower has no material contingent obligations except as disclosed in such financial statements.

(vii) Hazardous Substances. The terms "hazardous waste," "hazardous substance," "disposal," "release," and "threatened release," as used in this Agreement, shall have the same meanings as set forth in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq. ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986, Pub. L. No. 99 499 ("SARA"), the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq., the Resource Conservation and Recovery Act, 49 U.S.C. Section 6901, et seq., the Clean Water Act, 33 U.S.C. Section 1251, et seq., the Hazardous Substance Account Act, California Health and Safety Code Section 25300, et seq., the Hazardous Waste Control Law, California Health and Safety Code Section 25100, et seq., the Medical Waste management Act, California Health and Safety Code Section 25015, et seq., and the Porter-Cologne Water Quality Control Act, California Health and Safety Code Section 13000, et seq., all regulations pertaining thereto, and all other statutes, laws and ordinances of the United States and of any state, county or municipality in which the Property or any portion thereof is located, or other applicable state or Federal laws, rules, or regulations adopted pursuant to any of the foregoing (collectively, the "Environmental Laws"). As used herein, the term "Hazardous Substance" shall mean any hazardous waste or hazardous substance. Except as disclosed in the Environmental Reports or

otherwise disclosed to and acknowledged by Bondowner Representative in writing and except for those Hazardous Substances normally used in the construction and operation of a multifamily residential apartment project (which shall at all times be used and stored in compliance with all applicable Environmental Laws), Borrower represents and warrants to Bondowner Representative that: (a) during the period of Borrower's ownership of the Property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance by any Person on, under, or about any of the Property; (b) Borrower has no actual knowledge of, or reason to believe that there has been, (i) other than those substances typically used in the construction and operation of a multifamily residential apartment project, any use or storage of any Hazardous Substance by any prior owners or occupants of any of the Property, (ii) any generation, manufacture, treatment, disposal, release, or threatened release of any Hazardous Substance by any prior owners or occupants of any of the Property, or (iii) any actual or threatened litigation or claims of any kind by any Person relating to such matters; and (c) (i) neither Borrower nor any tenant, contractor, agent or other authorized user of the Property shall use, generate, manufacture, store, treat, dispose of, or release any Hazardous Substance on, under, or about the Property (except Hazardous Substances normally used in the construction and operation of a multifamily residential apartment project (which shall at all times be used and stored in compliance with all applicable Environmental Laws)) and (ii) any such activity shall be conducted in compliance with all applicable federal, state, and local laws, regulations and ordinances, including without limitation those laws, regulations, and ordinances described above. Borrower authorizes Bondowner Representative and its agents, subject to the rights of tenants, to enter upon the Property to make such inspections and tests as Bondowner Representative may deem appropriate to determine compliance of the Property with this section of the Agreement. Any inspections or tests made by Bondowner Representative shall be for Bondowner Representative purposes only and shall not be construed to create any responsibility or liability on the part of Bondowner Representative to Borrower or to any other person. The representations and warranties contained herein are based on Borrower's due diligence in investigating the Property for Hazardous Substances. Borrower hereby (a) releases and waives any future claims against Issuer, Bond Trustee and Bondowner Representative for indemnity or contribution in the event Borrower becomes liable for cleanup or other costs under any such laws, and (b) agrees to indemnify and hold harmless Bondowner Representative against any and all claims, losses, liabilities, damages, penalties, and expenses which Issuer, Bond Trustee or Bondowner Representative may directly or indirectly sustain or suffer resulting from a breach of this section of the Agreement or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release occurring prior to Borrower's ownership or interest in the Property, whether or not the same was or should have been known to Borrower, except to the extent to which Issuer, Bond Trustee or Bondowner Representative itself, as applicable, released any Hazardous Substance in, on or under the Property. The provisions of this section of the Agreement, including the obligation to indemnify, shall survive the payment of the Indebtedness and the satisfaction and reconveyance of the lien of the Deed of Trust and shall not be affected by acquisition by Issuer, Bond Trustee or Bondowner Representative of any interest in the Property, whether by foreclosure or otherwise.

(viii) Information. All information heretofore or contemporaneously herewith furnished by Borrower to Issuer, Bond Trustee or Bondowner Representative for the

purposes of or in connection with this Agreement or any transaction contemplated hereby is, and all information hereafter furnished by or on behalf of Borrower to Issuer, Bond Trustee or Bondowner Representative for the purposes of or in connection with this Agreement or any transactions contemplated hereby will be, true and accurate in every material respect on the date as of which such information is dated or certified; and none of such information is or will be incomplete by omitting to state any material fact necessary to make such information not misleading.

(ix) Lien Priority. Except as otherwise previously disclosed to Bondowner Representative in writing, Borrower has not entered into or granted any Security Agreements, or permitted the filing or attachment of any Security Interests on or affecting any of the Collateral directly or indirectly securing repayment of Borrower's Loan and Borrower Notes, that would be prior or that may in any way be superior to Issuer's Security Interests and rights in and to such Collateral.

(x) Litigation and Claims. No litigation or claim (including those for unpaid taxes) against Borrower is pending or, to Borrower's actual knowledge, threatened which, if adversely determined, would materially and adversely affect Borrower's financial condition or properties, and no other event has occurred which is reasonably likely to materially and adversely affect Borrower's financial condition or properties, other than litigation, claims or other events, if any, that, prior to the date of this Agreement, have been disclosed to and acknowledged by Bondowner Representative in writing.

(xi) Organization. Borrower is a limited partnership that is, and at all times shall be, duly formed and validly existing under and by virtue of the laws of the State of California. Borrower has the full power and authority to own its properties and to transact the business in which it is presently engaged or presently proposes to engage. Borrower maintains an office at 5020 Santa Monica Boulevard, Los Angeles, CA 90029. Unless Borrower has designated otherwise in writing, the principal office is the office at which Borrower keeps its books and records including its records concerning the Collateral. Borrower will notify Bondowner Representative of any change in the location of Borrower's principal office. Borrower shall do all things necessary to preserve and to keep in full force and effect its existence, rights and privileges, and shall comply with all regulations, rules, ordinances, statutes, orders and decrees of any governmental or quasi-governmental authority or court applicable to Borrower and Borrower's business activities.

(xii) Preservation of Tax Exemption. Borrower covenants that Borrower will take all actions within its control (or the control of its affiliates) necessary to prevent interest on the Series 2022Y-1 Bond from being included in gross income for federal income tax purposes (excluding any period during which the Series 2022Y-1 Bond is held by a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code), and Borrower will neither take (nor allow any affiliate to take) any action, nor make or permit (nor allow any affiliate to make or permit) any use of proceeds of the Series 2022Y-1 Bond or other funds of Borrower treated as proceeds of the Series 2022Y-1 Bond at any time during the term of the Series 2022Y-1 Bond which would cause interest on the Series 2022Y-1

Bond to be included in gross income for federal income tax purposes. Borrower also covenants that, to the extent arbitrage rebate requirements of Section 148 of the Code are applicable to the Series 2022Y-1 Bond, Borrower will take all actions necessary to comply (or to be treated as having complied) with those requirements in connection with the Series 2022Y-1 Bond, including the calculation and payment of any penalties that Borrower has elected to pay as an alternative to calculating rebatable arbitrage, and the payment of any other penalties if required under Section 148 of the Code to prevent interest on the Series 2022Y-1 Bond from being included in gross income for federal income tax purposes.

(xiii) Project Costs. To Borrower's best knowledge, after investigation, the project costs set forth in the Budget are all of the costs and expenses necessary to complete the Improvements in a good and workmanlike manner, free of liens, and according to the Plans and Specifications approved by Bondowner Representative.

(xiv) Utility Services. All utility services appropriate to the use of the Project after completion of construction are available at the boundaries of the Property.

(xv) Title to Property. Borrower has, or on the date of first disbursement of Loan proceeds will have, good and marketable title to the [fee estate] in the Property free and clear of all defects, liens, and encumbrances, excepting only (i) liens for taxes, assessments or governmental charges or levies not yet delinquent, (ii) (A) the Subordinate Loan Documents, which must at all times be subordinate to the Deed of Trust, (B) the Land Use Covenant, and (C) following its recordation, the Extended Use Agreement, and (iii) any other liens or encumbrances set forth on Schedule B, Part I of the Title Policy as approved by Bondowner Representative prior to the date of this Agreement.

(xvi) Nondiscrimination and Affirmative Action. Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State and the Issuer. Borrower shall not discriminate in its employment practices against any employee or applicant for employment or deny family and medical care leave, pregnancy disability leave, or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity", as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. Borrower shall also comply with all rules, regulations, and policies of the Issuer's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the Issuer. Any subcontract entered into by Borrower relating to this Agreement, to the extent allowed hereunder, shall be

subject to the provisions of this Section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under, this Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

(xvii) No Representation or Warranty by Issuer. Borrower agrees that, because the components of the Project have been and are to be designated and selected by it, THE ISSUER HAS NOT MADE AN INSPECTION OF THE PROJECT OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND THE ISSUER MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, FITNESS FOR USE FOR ANY PARTICULAR PURPOSE, OR CONDITION OR DURABILITY THEREOF, OR AS TO THE QUALITY OF THE MATERIAL OR WORKMANSHIP THEREIN, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY BORROWER. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE ISSUER SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE ISSUER, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE UNIFORM COMMERCIAL CODE OR ANY OTHER LAW NOW OR HEREFTER IN EFFECT.

(b) Bond-Related Representations.

(i) Other than the Bond, no other obligations have been or are expected to be issued under Section 103 of the Code for sale at substantially the same time as the Bonds are sold pursuant to a common plan of marketing and at substantially the same rates of interest as the Bonds and which are payable in whole or part by Borrower or otherwise have with the Bonds any common or pooled security for the payment of debt service thereon, or which are otherwise treated as the same “issue of obligations” as the Bonds as described in Revenue Ruling No. 81 216.

(ii) Borrower is not in the trade or business of selling properties such as the Project and has acquired the Project for investment purposes only or otherwise for use by Borrower in its trade or business. Therefore Borrower has no present intention to voluntarily sell, surrender or otherwise transfer, in whole or part, its interest in the Project in the foreseeable

future, other than in connection with any purchase option, if any, granted to General Partner in the Partnership Agreement.

(iii) Borrower has reviewed and approved the provisions of the Indenture.

(iv) To the best of Borrower's knowledge, no member of the governing body of the Issuer or any other officer of the Issuer has any significant or conflicting interest, financial, employment or otherwise, in Borrower, the Project or the transactions contemplated hereby.

(v) The covenants, representations and warranties of Borrower in the Bond Regulatory Agreement are true and correct as of the date hereof and are incorporated herein by reference and made a part of this Agreement.

(vi) Borrower has not entered into the transaction evidenced hereby with the actual intent to hinder, delay or defraud any creditor and Borrower has received reasonably equivalent value in exchange for its obligations hereunder and under the Deed of Trust and the Bond Regulatory Agreement.

(vii) Borrower has no known material contingent liabilities except as created by the Partnership Agreement and under the Subordinate Loan Documents.

(viii) Borrower has no material financial obligation under any Indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower is a party or by which Borrower or the Project are otherwise bound, other than (a) obligations under this Agreement and the other Loan Documents to which Borrower is a party; (b) the Subordinate Loan Documents; (c) the existing deed of trust in favor of Low Income Investment Fund which will be paid in full and released of record prior to or upon the closing of the Loan; and (d) obligations which may be incurred by Borrower from time to time in the ordinary course of business.

(ix) Borrower has not borrowed or received other debt financing that has not been heretofore repaid in full.

(x) Borrower is not (a) an "investment company" or a company "controlled by an investment company" within the meaning of the Investment Company Act of 1940, as amended; (b) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended; or (c) subject to any other federal or state law or regulation which purports to restrict its ability to borrow money other than Article 15 of the California State Constitution.

(xi) Except as disclosed in the Title Policy, there are no pending or, to the knowledge of Borrower, proposed special or other assessments for public improvements

affecting the Project, nor, to the knowledge of Borrower, are there any contemplated improvements to the Property that may result in such special or other assessments.

(xii) No statement of fact made by Borrower herein or in the Loan Documents to which Borrower is a party contains any untrue statement of a material fact or omits to state any material fact necessary to make statements made by Borrower herein or therein not materially misleading. There is no fact presently known to Borrower which has not been disclosed which materially adversely affects or, to the best of Borrower's knowledge, would materially adversely affect the business, operations or conditions (financial or otherwise) of Borrower.

(xiii) All reports, documents, instruments, information and forms of evidence delivered to Bondowner Representative or Issuer by Borrower concerning the Loan or required by the Loan Documents are (or, in the case of materials prepared by persons other than Borrower or its members or general partner, are to the best of Borrower's knowledge) accurate, correct and sufficiently complete to give Bondowner Representative or Issuer, as applicable, true and accurate knowledge of their subject matter.

(xiv) Borrower owns directly, and not through any affiliated entity, all of the personal property and fixtures necessary for the operation of the Property for the uses presently being conducted thereon.

(xv) Before any Guarantor became obligated in connection with the Loan, Borrower made full disclosure to such Guarantor regarding Borrower's financial condition and business operations, the present and former condition, uses and ownership of the Property and all other circumstances bearing upon Borrower's ability to pay and perform its obligations under the Loan Documents.

(xvi) Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions relating to the financing of the Project; that it is familiar with the provisions of all of the documents and instruments relating to such financing to which Borrower is a party or of which it is a beneficiary, including the Indenture; that it understands the risks inherent in such transactions; and that it has not relied on the Issuer or its counsel for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Bond Documents and the Indenture or otherwise relied on the Issuer or its counsel for any advice.

(c) Representations and Warranties of Borrower Related to Certain Tax Matters. Borrower further represents and warrants that:

(i) as of the Closing Date, Borrower is in compliance with all requirements of the Tax Certificate, and the representations set forth in the Tax Certificate pertaining to Borrower and the Project are true and accurate;

(ii) the Series 2022Y-1 Bond is not "federally guaranteed" as defined in Section 149(b) of the Code;

(iii) in accordance with Section 147(b) of the Code, the weighted average maturity of the Series 2022Y-1 Bond does not exceed one hundred twenty percent (120%) of the weighted average reasonably expected economic life of the facilities (comprising the Project) financed with the proceeds of the Series 2022Y-1 Bond, determined as of the date the Series 2022Y-1 Bond is issued;

(iv) neither Borrower nor, to the best knowledge of Borrower, any “related person” to Borrower (within the meaning of Section 147(a)(2) of the Code), will purchase the Series 2022Y-1 Bond pursuant to any arrangement, formal or informal;

(v) the information furnished by Borrower and used by the Issuer in preparing the certificate pursuant to Section 148 of the Code and information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of the issuance of the Series 2022Y-1 Bond;

(vi) the construction of the Project was not commenced prior to the thirtieth (30th) day preceding the Issuer’s expression of intent with respect to the Project on December 1, 2020, and no obligation for which reimbursement will be sought from proceeds of the Series 2022Y-1 Bond relating to the construction or equipping of the Project was paid or incurred prior to sixty (60) days prior to such date;

(vii) the Project is, as of the Closing Date, in compliance with all requirements of the Bond Regulatory Agreement, including all applicable requirements of the Law, the Act, and the Code, to the extent such requirements are applicable on the Closing Date and the representations and warranties of Borrower in Sections 2-7/ of the Bond Regulatory Agreement are true and correct;

(viii) Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Law, the Act and the Code, and pursuant to leases which comply with all applicable laws and the Bond Regulatory Agreement;

(ix) no money on deposit in any fund or account in connection with the Series 2022Y-1 Bond, whether or not such money was derived from other sources, will be used by or under the direction of Borrower in a manner which would cause the Series 2022Y-1 Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code; and

(x) Borrower agrees it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant’s race, religion, national origin, ancestry, sex, age [(except for rental of units to tenant 55 years of age and older)], sexual orientation, gender identity/expression, transgender status, disability (except to give priority to persons with disabilities for the occupancy of “Accessible Housing Units” as defined in Exhibit I of the Bond Regulatory Agreement), marital status, domestic partner status or medical condition. All contracts entered into by Borrower which relate to the Project shall contain a like provision. Borrower shall comply with the provisions of

Sections 10.8.2 and 10.8.4 of the Administrative Code of the Issuer, the provisions of which are hereby incorporated by reference.

Borrower's obligations under this subsection (c) shall survive the termination of this Agreement and the payment and performance of all of the other obligations of Borrower hereunder and under the other Bond Documents to which it is a party for so long as may be required to maintain the tax-exempt status of the interest on the Series 2022Y-1 Bond in accordance with applicable law or until Borrower has transferred the Project to an unaffiliated entity, with the prior written consent of the Issuer, which transferee assumes the obligations of Borrower pursuant to this Section.

(d) Survival of Representation and Warranties. Borrower understands and agrees that the Issuer and Bondowner Representative are relying upon the above representations and warranties in making the above referenced Loan to Borrower, and the Loan would not have been made but for such representations and warranties. Borrower further agrees that the foregoing representations and warranties shall be continuing in nature and shall remain in full force and effect until such time as Borrower's Loan and Borrower Notes shall be paid in full, or until this Agreement shall be terminated in the manner provided above, whichever is the last to occur.

10. TAX EXEMPTION; BOND REGULATORY AGREEMENT. Borrower (and with respect to Section 10(a), (b) and (c), the Issuer) hereby covenants, represents and agrees as follows:

(a) not to knowingly take or omit to take any action with respect to this Agreement (with respect to the Issuer) and not to take or omit to take any action with respect to this Agreement or the Project (solely with respect to Borrower) that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Series 2022Y-1 Bond (so long as the Bond is not owned by a person or entity which is a "substantial user" of the Property);

(b) to take such action or actions, including amendment of the Bond Regulatory Agreement, to the extent deemed necessary in the opinion of Bond Counsel, to preserve or perfect the exclusion of interest on the Series 2022Y-1 Bond from gross income for federal income tax purposes;

(c) at the expense of Borrower, to file of record such documents and take such other steps as are necessary in order to insure that the requirements and restrictions of the Bond Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of the Bond Regulatory Agreement in the real property records of Los Angeles County, California;

(d) to notify any subsequent owner of the Project of the requirements and restrictions contained in the Bond Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of the Bond Regulatory Agreement; and

(e) to provide to the Issuer notice of any action (other than actions in its ordinary course of business) which impacts the Issuer's rights hereunder or under the Bond Regulatory Agreement.

11. CONDITIONS PRECEDENT TO ISSUANCE OF BOND, CLOSING OF THE LOAN AND THE INITIAL ADVANCE. Issuer's obligation to issue the Bonds, Bondowner Representative's and Issuer's obligation to enter into this Agreement, the Bond Documents, and the Loan Documents and Bondowner Representative's obligation to consent to the initial Advance not to exceed \$_____ (the "**Initial Disbursement**") and each subsequent Advance under this Agreement shall be subject to the fulfillment as determined by Bondowner Representative, in its sole and absolute discretion, of all of each of the conditions set forth in this Agreement and the following conditions precedent:

WARNING

UNLESS BORROWER PROVIDES BONDOWNER REPRESENTATIVE WITH EVIDENCE OF THE INSURANCE COVERAGE AS REQUIRED HEREIN, BONDOWNER REPRESENTATIVE MAY PURCHASE INSURANCE AT BORROWER’S EXPENSE TO PROTECT BONDOWNER REPRESENTATIVE’S INTEREST. THIS INSURANCE MAY, BUT NEED NOT, ALSO PROTECT BORROWER’S INTEREST. IF THE COLLATERAL BECOMES DAMAGED, THE COVERAGE BONDOWNER REPRESENTATIVE PURCHASES MAY NOT PAY ANY CLAIM BORROWER MAKES OR ANY CLAIM MADE AGAINST BORROWER. BORROWER MAY LATER CANCEL THIS COVERAGE BY PROVIDING EVIDENCE THAT BORROWER HAS OBTAINED PROPERTY COVERAGE ELSEWHERE.

BORROWER IS RESPONSIBLE FOR THE COST OF ANY INSURANCE PURCHASED BY BONDOWNER REPRESENTATIVE. THE COST OF THIS INSURANCE MAY BE ADDED TO THE INDEBTEDNESS. IF THE COST IS ADDED TO THE BORROWER NOTES' BALANCE, THE INTEREST RATES ON THE BORROWER NOTES WILL APPLY TO THIS ADDED AMOUNT. THE CLOSING DATE OF COVERAGE MAY BE THE DATE BORROWER'S PRIOR COVERAGE LAPSED OR THE DATE BORROWER FAILED TO PROVIDE PROOF OF COVERAGE.

THE COVERAGE BONDOWNER REPRESENTATIVE PURCHASES MAY BE CONSIDERABLY MORE EXPENSIVE THAN INSURANCE BORROWER CAN OBTAIN ON BORROWER'S OWN AND MAY NOT SATISFY ANY NEED FOR PROPERTY DAMAGE COVERAGE OR ANY MANDATORY LIABILITY INSURANCE REQUIREMENTS IMPOSED BY APPLICABLE LAW.

(x) **IIG Grant.** Bondowner Representative shall have received fully executed copies of the Standard Agreement, the IIG Disbursement Agreement, and the IIG Regulatory Agreement, each in a form and substance approved by Bondowner Representative.

(z) **AHAP Contract.** Borrower shall have delivered to Bondowner Representative a fully-executed AHAP Contract, in a form approved by Bondowner Representative in its sole and absolute discretion, pursuant to which Contract Administrator commits to enter into a Housing Assistance Payments Contract covering [] units in the Project, and with a term of no less than twenty (20) years and (ii) Borrower shall have executed that certain Assignment of Agreement to Enter Into a Housing Assistance Payment Contract dated as of even date herewith, executed by Borrower for the benefit of Bondowner Representative (“**Assignment of AHAP Contract**”), and Contract Administrator shall have executed and delivered to Bondowner Representative a written consent to the Assignment of AHAP Contract, in a form approved by Bondowner Representative in its sole and absolute discretion (“**Consent to Assignment of AHAP Contract**”).

(aa) Accounts. Borrower shall have established the Operating Account and the Construction Disbursement Account with Bondowner Representative.

12. CONDITIONS PRECEDENT TO EACH ADVANCE. Bondowner Representative's obligation to consent to the initial Advance and each subsequent Advance under this Agreement shall be subject to the fulfillment as determined by Bondowner Representative, in its sole, but reasonable, discretion, of each of the conditions set forth in this Agreement and the following conditions precedent:

(a) Satisfaction of the Initial Conditions. All conditions precedent set forth in Section 11, above, shall have been satisfied on the Closing Date and shall continue to be satisfied as of the date of the Advance.

(b) Satisfactory Construction. Bondowner Representative shall have determined, based upon its own inspections or the inspections of Bondowner Representative's Project Inspector or other evidence satisfactory to it, including a Property inspection report from Bondowner Representative's project inspector, that the Project is being constructed in a good and workmanlike manner and all materials and fixtures usually furnished and installed at that stage of construction shall have been furnished and installed, all in compliance with the Plans and Specifications in all material respects.

(c) Supporting Documentation for Advances. Borrower shall at its expense have obtained and attached to each application for an Advance (including AIA Application and Certificate for Payment (Document G702-1992) and Continuation Sheet (Document G703-1992) or a detailed equivalent) along with copies of applicable change orders in an acceptable form, including the Advance to cover final payment to any contractor, and an affidavit from any contractor that Borrower has paid all sums due for all work, labor, equipment, material done, supplied, performed, or furnished prior to such application for an Advance and that no party having lien rights filed any such liens, in form and substance satisfactory to Bondowner Representative, and otherwise satisfied the requirements for an Advance below in Section 13. The application must be accompanied with an itemized payee list including a summary and, as to soft costs, copies of all invoices, included in the application, together with any supplemental items required by Bondowner Representative, in its reasonable discretion. Any request for Advance for the payment of deposits, Bondowner Representative must receive a copy of the contract or proposal showing the gross amount of the contract to Bondowner Representative can make a determination as to the percentage of such deposit which is being requested. Any request for Advance for the payment of costs to install any elevator in the Project will also require the final inspection sign off by the proper inspecting authority.

(d) Lien Waivers. Bondowner Representative shall have received a conditional waiver of mechanic's lien and/or materialman's lien, executed by the General Contractor in the amount of the lienable costs of the Project payable from the requested advance, together with unconditional waivers of mechanic's lien and/or materialman's lien executed by the General Contractor and each subcontractor or materialmen to which any portion of the immediately preceding advance has been paid.

(e) **Stored Materials.** To the extent an Advance is requested for Stored Materials not yet installed or incorporated into the Project, Bondowner Representative shall not consent to any such advance unless, in addition to the satisfaction of the other conditions set forth in this Agreement, (a) Borrower provides Bondowner Representative and the Project Inspector with (i) copies of related bills of sale, receipts, invoices and bills of lading demonstrating that Borrower has good title to the Stored Materials free of any encumbrances, (ii) satisfactory evidence that (a) the place of storage for the Stored Materials is on the Land or in a secure or bonded warehouse located in the jurisdiction in which the Land is situated and is readily accessible, and (b) the owner of such facility has received written instruction from Borrower such that the Bondowner Representative shall have access and the right to remove the Stored Materials, (iii) satisfactory evidence that the materials are adequately secured and insured, with Banner Bank, ISAOA, identified as an additional insured and loss payee, and (iv) photographs of the Stored Materials; (a) to the extent requested by Bondowner Representative, Borrower shall also provide copies of UCC searches against Borrower, the materials vendor, the General Contractor, and the warehouseman, if applicable, indicating no liens or claims which may affect the Stored Materials; (b) all Stored Materials shall be clearly tagged with the Borrower's name and stored separately to avoid commingling, and Bondowner Representative shall be provided with photos evidencing the same; and (c) Borrower shall provide Bondowner Representative, the Project Inspector and any applicable governmental agency or testing authority having jurisdiction over the Project with access to inspect, test or otherwise examine the Stored Materials. As used herein, "Stored Materials" means all materials, equipment, fixtures or articles of personal property purchased by Borrower to be placed or affixed in, on or to the Land or Improvements in connection with the construction of the Project which have not yet been incorporated in the Project.

(f) **Lack of Default.** There shall not exist at the time of any Advance a condition which would constitute an Event of Default under this Agreement.

(g) **Representations and Warranties.** The representations and warranties in Section 9 and in the other Loan Documents shall be true and correct in all material respects as of the date of the Advance as though made as of that date, and, if required by Bondowner Representative, Bondowner Representative shall have received a certificate to that effect signed by Borrower.

(h) **Date Down Endorsement.** The title company that issued the Title Policy shall be prepared to issue a date down endorsement to the Title Policy insuring that the lien of the Deed of Trust is a first, prior and paramount lien against the Property and the Project securing all previous disbursements and the disbursement then being requested, and that nothing has intervened to affect the validity or priority of the Deed of Trust. If requested by Bondowner Representative, prior to Bondowner Representative's consent to the first Advance following the completion of each foundation for the Improvements, Bondowner Representative shall receive from the title company that issued the Title Policy, at Borrower's expense, a foundation endorsement to the Title Policy, showing no encroachments (and Borrower shall cause all conditions to the title company's issuance of the endorsement to be satisfied).

(i) No Stop Notice. No stop notice (whether bonded or not) shall have been served upon or otherwise delivered to Bondowner Representative in connection with the development of the Project or otherwise in connection with the Loan, unless Borrower shall have (a) paid and discharged the same, or (b) effected the release thereof by delivering to Bondowner Representative a surety bond complying with the requirements of applicable laws for such release.

(j) No Mechanics Liens. No claim of lien, notice and claim of mechanic's lien or other similar document or instrument shall have been recorded against the Property or any portion thereof, unless Borrower shall have (a) paid and discharged the same, or (b) effected the release thereof by delivering to Bondowner Representative a surety bond complying with the requirements of applicable laws for such release.

(k) Projected Cost Overruns. As of the date immediately prior to any requested Advance and after giving effect to the requested Advance, the Loan will be In-Balance under Section 15(o) and in Bondowner Representative's judgment Borrower should be able to finish the Project and pay for it without obtaining additional funds (other than any Capital Contributions designated as "Construction Sources" on Exhibit D).

(l) Advances for Developer Fee. Notwithstanding anything herein to the contrary, Bondowner Representative shall not be obligated to consent to Bond Trustee's advance of any proceeds of the Loan (or make any disbursement of any amounts on deposit in the Borrower's Funds Account) for payment of or reimbursement for any portion of the developer fee payable to Borrower as shown on the Budget, so long as any default or Event of Default has occurred and remains uncured. In addition, payments for developer fee shall not be made from any source, exceed the amounts, or be made at any time except as set forth on Exhibit F attached hereto (the "**Permitted Developer Fee Payments**"). In addition, prior to the Conversion Date, no distribution of net operating income for the Project shall be made to Borrower, Guarantor, or any partner or affiliate of Borrower or Guarantor for any purpose, other than (i) Permitted Developer Fee Payments in strict accordance with the Budget, (ii) asset management fees due to any limited partner under the Partnership Agreement, or (iii) management fees made in accordance with the terms and conditions set forth in the Assignment of Management Agreement and the Partnership Agreement ("**Permitted Management Fees**"). After the Conversion Date, no distributions of net operating income from the Project shall be made to Guarantor, or any partner or affiliate of Borrower or Guarantor during any period when the Debt Service Coverage Ratio (as defined in the Tax-Exempt Borrower Note) for the Project is less than 1.00 to 1.00. In the event the Debt Service Coverage Ratio is at least 1.00 to 1.00 for any calendar year period, distributions of net operating income from the Project (after payment of debt service and provided that all required reserves are fully funded) shall be permitted, but only to the extent that, on a pro forma basis, the Debt Service Coverage Ratio (as defined in the Tax-Exempt Borrower Note) for the calendar year period would have not been less than 1.00 to 1.00 had the amount of the then proposed distribution been treated as a reduction in the amount of operating income generated by the Project for purposes of determining net operating income for the same period.

(m) **Borrower's Funds Account Deposits.** Borrower shall have made all deposits into the Borrower's Funds Account required under Section 11(z) below or otherwise in this Agreement.

13. DISBURSEMENT OF LOAN PROCEEDS. The following provisions relate to the disbursement of funds from the Loan Funds:

(a) **Loan Disbursements.** The proceeds of the Bonds shall be disbursed by Bond Trustee only in accordance with a written requisition of Borrower in the form attached to the Indenture, (i) acknowledged in writing by the Issuer (provided, however, if Issuer has not acknowledged any disbursement within five (5) Business Days of receipt of a request for acknowledgment of such disbursement, the Issuer shall be deemed to have acknowledged such disbursement), and (ii) approved in writing by Bondowner Representative, which approval shall be granted by Bondowner Representative upon satisfaction or waiver by Bondowner Representative of the conditions set forth in Sections 11, 12 and 13 of this Agreement. No proceeds of the Bonds shall be disbursed after the initial Interim Construction Loan Maturity Date, unless an opinion of Bond Counsel is delivered, which opinion states that such disbursement will not adversely affect the exclusion of interest on the Series 2022Y-1 Bond from the gross income of the holder of the Series 2022Y-1 Bond.

(b) **Application for Advances.** Each requisition shall be executed by Borrower and supported by such evidence as Bondowner Representative shall reasonably require. Borrower shall apply only for disbursement with respect to work actually done in accordance with the Budget and for materials and equipment actually incorporated into the Project. Each requisition shall be deemed a certification of Borrower that as of the date of such requisition, all representations and warranties contained in the Agreement are true and correct, and that Borrower is in compliance with all of the provisions of this Agreement. Only one Loan draw will be allowed each month unless otherwise agreed by Bondowner Representative.

(c) **Payments.** The proceeds of the Bonds and Borrower's Funds, when qualified for disbursement, shall be disbursed to or for the benefit or account of Borrower under the terms of this Agreement and the Indenture. At the sole option of Bondowner Representative, disbursements may be paid to the Borrower or in the joint names of Borrower and the contractor(s), subcontractor(s) or supplier(s) in payment of sums due under the Construction Contracts. At its sole option, Bondowner Representative may direct Bond Trustee to directly pay any contractor and any subcontractors or other parties the sums due under the Construction Contracts. Borrower appoints Bond Trustee, at the sole direction of Bondowner Representative, as its attorney-in-fact to make such payments. This power shall be deemed to be coupled with an interest, shall be irrevocable, and shall survive an Event of Default under this Agreement.

(d) **Retainage.** Notwithstanding any other provision of this Agreement to the contrary, Bondowner Representative may consent to the disbursement of up to ninety percent (90.00%) of all Advances to be paid with the disbursement of the remaining ten percent (10.00%) retention to be consented to by Bondowner Representative as the final payment to any contractor upon satisfaction of the conditions set forth for the final payment below in

subsection (e). Notwithstanding the foregoing, Bondholder Representative shall not require retainage to be held on the following line items in the Budget: [Please let us know if there are any early release trades for this Project].

(e) Final Payment. Upon completion of the Project and fulfillment of the Construction Contracts, to the satisfaction of Bondowner Representative, and provided sufficient Loan Funds are available, Bondowner Representative shall consent to an Advance of Loan to cover the final payment due upon delivery to Bondowner Representative of endorsements to the ALTA title insurance policy following the posting of the completion notice, as provided under applicable law. Construction shall not be deemed complete for purposes of final disbursement unless and until Bondowner Representative shall have received all of the following:

(i) Evidence satisfactory to Bondowner Representative that all work under the Plans and Specifications requiring inspection by any governmental authority with jurisdiction has been duly inspected and approved by such authority, a notice of completion has been duly recorded in the Official Records of the County of Los Angeles, State of California, a final certificate of occupancy has been issued, and that all parties performing work have been paid, or will be paid from the proceeds of such final disbursement, for such work;

(ii) A Certificate of Substantial Completion on Form AIA G704 or such other form as Bondowner Representative may reasonably require confirming that the Improvements have been completed in accordance with the Plans and Specifications in all material respects and in conformance with all applicable statutes, ordinances, codes, regulations, and similar requirements, that direct connection has been made to all utilities set forth in the Plans and Specifications, and that the Project is ready for occupancy;

(iii) Receipt by Bondowner Representative of a written report from the Project Inspector stating that it has conducted inspections of the Project and that all work has been fully completed in a good workmanlike manner and substantially in accordance with the Plans and the requirements of all Governmental Agencies in all material respects;

(iv) Evidence that the period for filing mechanic's liens has expired without the filing of any lien (or, if any such lien has been filed, evidence that such lien has been fully released of record);

(v) The title company which issued the Title Policy shall have delivered to Bondowner Representative for attachment to the Title Policy, as CLTA Form No. 101.2 Endorsement, in a form and substance reasonably satisfactory to Bondowner Representative;

(vi) Evidence of full payment for personal property in which Bond Trustee has a security interest; and

(vii) Form AIA G706/706A with final lien waivers attached or such other form reasonably required by Bondowner Representative or Title Company and written lien waivers releases from General Contractor and all suppliers of labor and materials to the Project.

(f) **Construction Default.** If an Event of Default occurs hereunder, Bondowner Representative, at its option, may refuse to consent to further Advances, may instruct Bond Trustee to accelerate the Indebtedness under the terms of the Borrower Notes, and without thereby impairing any of its rights, powers, or privileges, may enter into possession of the construction site and perform or cause to be performed any and all work and labor necessary to complete the Improvements, substantially in accordance with the Plans and Specifications.

(g) **Damage or Destruction; Condemnation.** Borrower shall give prompt notice to Bondowner Representative of any casualty or condemnation to any portion of the Property, and shall provide Bondowner Representative with copies of all documents in Borrower's possession which pertain to any such casualty or condemnation. If any of the Property or Improvements is damaged or destroyed by casualty of any nature, within one hundred twenty (120) days thereafter Borrower shall restore the Property and Improvements to the condition in which they were before such damage or destruction with funds other than those in the Project Fund. Bondowner Representative shall not be obligated to make disbursements under this Agreement until such restoration has been accomplished. In the event that, notwithstanding the "lender's loss payable endorsement" requirement set forth above, the proceeds of any casualty insurance policy described herein are paid to Borrower, Borrower shall deliver such proceeds to Bondowner Representative promptly upon receipt. Borrower hereby assigns to Bondowner Representative, as security for all obligations to Issuer secured by a lien on the Property, all amounts payable to Borrower in connection with any condemnation, and any proceeds of any related settlement (collectively, "**Compensation**"). Borrower shall deliver all Compensation to Bondowner Representative promptly upon receipt. The Compensation shall be applied in accordance with the terms of the Deed of Trust.

(h) **Protection of Security.** If Borrower fails to make any payment or to do any act as and in the manner provided in this Agreement or any of the other Loan Documents, Bondowner Representative, in its sole discretion, but without obligation so to do, without further notice or demand, and without releasing Borrower from any obligation, may make or do the same in such manner and to such extent as Bondowner Representative may reasonably deem necessary to protect the security of the Deed of Trust and the other Loan Documents. In connection therewith (without limiting its general powers), Bondowner Representative shall have the right, but not the obligation: (i) to enter upon and take possession of the Property; (ii) to make additions, alterations, repairs and improvements to the Property which in the judgment of Bondowner Representative may be necessary or proper to keep the Property in good condition and repair; (iii) to appear and participate in any action or proceeding affecting or which may affect the security of the Deed of Trust or the other Loan Documents or the rights or powers of Bondowner Representative; (iv) to pay, purchase, contest or compromise any encumbrance, claim, charge, lien or debt which in the judgment of either may affect or appears to affect the security of the Deed of Trust or the other Loan Documents or to be or to appear to be prior or superior hereto; and (v) in exercising such powers, to pay all costs and expenses and employ necessary or desirable consultants. In the event of any Event of Default or default hereunder or under any of the other Loan Documents, or in the event Bondowner Representative reasonably believes that any material adverse change has or may have occurred in the financial or other condition of Borrower or in the condition or operation of the Property, Bondowner

Representative may, at Borrower's sole cost and expense, reappraise (or have reappraised) the Property. Any such reappraisal may, at Bondowner Representative's option, be prepared by an employee of Bondowner Representative or by a third-party appraiser. The selection of such appraiser shall be made by Bondowner Representative in the exercise of its sole and absolute discretion. Such appraiser shall have the right to enter upon and inspect the Property at all reasonable times and to inspect, copy and make abstracts of all of Borrower's books and records relating to the Property. Borrower shall cooperate with such appraiser in order to permit such appraiser to prepare such appraisal. Neither Issuer, nor Bondowner Representative shall be liable for any act or omission of any such appraiser. Borrower shall reimburse Bondowner Representative promptly upon written demand for all costs and expenses incurred by Bondowner Representative (including, but not limited to, the reasonable fees and expenses of attorneys) in connection with the foregoing, including, without limitation, the following: (a) Bondowner Representative's commencement of, appearance in, or defense of any action or proceeding purporting to affect the rights or obligations of the parties to any Loan Document, (b) all amounts expended by Bondowner Representative to continue or complete construction of any improvements now or hereafter located upon the Property, (c) all amounts expended by Bondowner Representative to protect and preserve the Property (or any part thereof) and the liens created under the Loan Documents, including, but not limited to, amounts expended by Bondowner Representative to pay or discharge liens or encumbrances (including, but not limited to tax liens and, mechanic liens and judgment liens), regardless of whether the same are or are not superior to the lien of the Deed of Trust, and (d) all claims, demands, causes of action, liabilities, losses, commissions and other costs against which Bondowner Representative is indemnified under the Loan Documents. Such reimbursement obligations shall bear interest following written demand at the Default Rate, and shall be secured by the Deed of Trust and the other Loan Documents. Such reimbursement obligations shall survive the cancellation of the Borrower Notes and the release and reconveyance of the Deed of Trust and the other Loan Documents.

14. LIMITATION OF RESPONSIBILITY. The making of any Advance or other disbursement by Bondowner Representative shall not constitute or be interpreted as either (a) an approval or acceptance by Bondowner Representative of the work done through the date of the Advance or other disbursement, or (b) a representation or indemnity by Bondowner Representative to any party against any deficiency or defect in the work or against any breach of any contract. Inspections and approvals of the Plans and Specifications, the Improvements, the workmanship and materials used in the Improvements, and the exercise of any other right of inspection, approval, or inquiry granted to Bondowner Representative in this Agreement are acknowledged to be solely for the protection of Bondowner Representative's and Issuer's interests, and under no circumstances shall they be construed to impose any responsibility or liability of any nature whatsoever on Bondowner Representative to any party. Neither Borrower, nor any contractor, subcontractor, materialman, laborer, nor any other person shall rely, or have any right to rely, upon Bondowner Representative's determination of the appropriateness of any Advance. No disbursement or approval by Bondowner Representative shall constitute a representation by Bondowner Representative as to the nature of the Project, its construction, or its intended use for Borrower or for any other person, nor shall it constitute an indemnity by

Bondowner Representative to Borrower or to any other person against any deficiency or defects in the Project or against any breach of any contract.

15. AFFIRMATIVE COVENANTS. Borrower covenants and agrees with Issuer, Bond Trustee and Bondowner Representative that, while this Agreement is in effect, Borrower will:

If Borrower fails to provide the foregoing reports and financial statements within twenty (20) days of a request from Bondowner Representative, Bondowner Representative may have Borrower's books and records audited at Borrower's expense. Borrower shall cause Guarantor to deliver all financial reports required under the Guaranty.

(b) Additional Assurances. Make, execute, and deliver to Bondowner Representative such Security Agreements, instruments, documents, and other agreements reasonably necessary to document and secure the Loan and to perfect Issuer's Security Interests in the Property and Improvements; provided, however, that no such instruments, agreements and documents or actions shall increase Borrower's or Guarantor's obligations or liabilities under the Loan Documents.

Borrower shall submit annual documentation to Bondowner Representative in the forms required by the applicable regulating agency that the Project meets or exceeds the affordability standards established in accordance with unit rental covenants set forth in the Regulatory Agreements.

(f) **Compliance with Subordinate Financings.** Fully and timely comply in all material respects with all covenants, agreements, and terms of the Subordinate Financings.

Borrower agrees that construction work on the Project shall not commence until the final Plans and Specifications, the Budget, and the contract with the General Contractor have been reviewed and approved by a third party reviewer/inspector acceptable to Bondowner Representative, and accepted by Bondowner Representative.

(h) **Defects.** Upon demand of Bondowner Representative, promptly correct any defect in the Improvements or any departure from the Plans and Specifications not approved by Bondowner Representative before further work shall be done upon the portion of the Improvements affected.

(i) **Guaranties.** Prior to disbursement of any Loan proceeds, furnish the executed Guaranty of the Loan executed by Guarantor in favor of Issuer in the form and substance required by Bondowner Representative in its sole discretion.

(j) **Litigation.** Promptly inform Bondowner Representative in writing of (a) all material adverse changes in Borrower’s or Guarantor’s financial condition, and (b) all litigation and claims and all threatened litigation and claims affecting Borrower, any Guarantor or the Property which could materially affect the financial condition of Borrower, any Guarantor or the Property.

(k) **Loan Proceeds.** Use the Loan Funds solely for payment or reimbursement of bills and expenses directly related to the Project.

(l) **Management of the Project.** If requested by Bondowner Representative as a result of an Event of Default, contract with a Property manager acceptable to Bondowner Representative to provide professional management services for the Project on terms acceptable to Bondowner Representative. All such Property managers shall consent to the assignment of rights under the contract to Bondowner Representative and will not terminate or amend the same without Bondowner Representative's consent.

(m) **Manager Replacement.** If, in Bondowner Representative's reasonable opinion, the Project is being mismanaged, Borrower shall, at Bondowner Representative's request, enter within thirty (30) days into a new management contract (in a form acceptable to Bondowner Representative) with a professional management firm (which may be Borrower) for the maintenance and repair of the Property, the collection of rents, the payment of Property expenses, and such other provisions as Bondowner Representative may require, including a minimum cancellation notice to Borrower of sixty (60) days and a consent to assignment from the new manager to Bondowner Representative on terms acceptable to Bondowner Representative.

(n) **Operating Accounts.** Borrower shall at all times while any portion of the Borrower Notes remains unpaid, maintain all of the Project's operating accounts (the "**Operating Account**"), tenant deposit accounts ("**Security Deposit Account**"), and following the Conversion Date, the Replacement Reserve Account, the Operating Reserve Account and the Transition Reserve Account, in each case with Bondowner Representative, unless the same is contrary to federal or state law or regulation.

(o) **Loan "In-Balance".**

(i) Notwithstanding anything in this Agreement or the Loan Documents to the contrary, Borrower shall at all times prior to the Conversion Date cause the Loan to be In Balance, and Bondowner Representative shall have no obligation to consent to any Advance of Loan Funds or perform any other act unless and until the Loan is In Balance. The Loan shall be deemed to be "In Balance" only when the maximum principal amount of the Loan, less the sum of the funded Advances, plus the undisbursed amount on deposit in the Project Fund (if any) plus the sum of the undisbursed portion of the Capital Contributions if and to the extent they are indicated as "Construction Source" on Exhibit D, shall equal or exceed the amount reasonably estimated by Bondowner Representative to pay for all work done or to be done and all materials furnished and to be furnished for the completion of the Project in each category of cost referred to in the Budget and to pay interest on the Loan and all other costs to be paid by Borrower in connection with the Project.

(ii) If at any time and for any reason the Loan is not In Balance in accordance with this Section, Borrower shall, within five (5) days of receiving written or verbal notice from Bondowner Representative, do one or more of the following:

(a) provide satisfactory evidence to Bondowner Representative that Borrower has previously paid any excess or additional costs for the Project (collectively, the "**Excess Costs**") or otherwise provided for the insufficiency

with funds from a source other than the Loan, Subordinate Loans, or Capital Contributions; or

(b) reallocate, subject to Bondowner Representative's approval, sufficient funds to pay the Excess Costs from funds allocated to "Contingency" in the Budget; or

(c) deposit an amount equal to the Excess Costs in an interest-bearing deposit account (the "**Borrower's Funds Account**") with Bondowner Representative. Borrower shall have no right to make withdrawals from the Borrower's Funds Account. Bondowner Representative's disbursement of funds from the Borrower's Funds Account shall be granted (or withheld) subject to the same conditions precedent and other terms applicable to disbursements of Loan proceeds.

Bondowner Representative shall have no obligation to consent to further Advances until Borrower has paid or otherwise provided for the Excess Costs as required above. Amounts deposited by Borrower in the Borrower's Funds Account for any line item shall be disbursed by Bondowner Representative in accordance with subsection (q), below. As additional security for all of Borrower's obligations under the Loan Documents, Borrower hereby pledges to Bondowner Representative, and grants to Bondowner Representative a security interest in, the Borrower's Funds Account, all amounts now or hereafter on deposit in the Borrower's Funds Account, all interest and other earnings on the Borrower's Funds Account, if any, all additions, increases, modifications, renewals, rollovers, substitutions and replacements to and/or for the foregoing collateral, and all proceeds and products of the foregoing collateral, whether voluntary or involuntary. Funds on deposit from time to time in the Borrower's Funds Account are sometimes referred to in this Agreement as "Borrower's Funds."

(p) **Operating Reserve.** On or before the Conversion Date, Borrower shall have established and funded an operating reserve (the "**Operating Reserve**") in the minimum amount of the greater of \$_____ or any such greater amount required pursuant to the terms of any Subordinate Loan Document or the Partnership Agreement, which shall be additional collateral for the Loan during the entire term of the Loan, as follows:

(i) The Operating Reserve shall be maintained by Bondowner Representative in one or more interest-bearing account(s) in Borrower's name with Bondowner Representative ("**Operating Reserve Account(s)**"). Any interest earned on the Operating Reserve shall be added to and shall become a part of the Operating Reserve. Banner Bank shall not be required to limit the amount deposited with any single institution to the FDIC insurance limits in effect from time to time.

(ii) Borrower shall be entitled to use the Operating Reserve funds only to meet operating deficits for below break-even operations in connection with the management and/or maintenance of the Property. If Borrower shall at any time draw upon the Operating Reserve to pay such operating deficits, then Borrower shall replenish the Operating Reserve to the amount of the balance of the Operating Reserve at the time of Borrower's draw from available cash flow from the Property, annually, prior to June 30 of each year, and the replenishment of

the Operating Reserve shall be paid prior to the payment of any partnership or developer fees (excluding asset management fees or tax credit shortfall payments from cash flow due to Investor Limited Partner under the terms of the Partnership Agreement which may be paid prior to replenishment).

(iii) All of Borrower's interest in the Operating Reserve and Operating Reserve Account(s), any interest accrued or accruing thereon, and the Operating Reserve Account(s) in which those funds are held, are hereby pledged to Bondowner Representative as collateral or security for the Loan. During any time that the Operating Reserve Account(s) is being held and maintained by Borrower, such account(s) shall provide expressly that Borrower shall make no withdrawals therefrom without Bondowner Representative's prior written consent. Borrower shall execute any documents required to perfect or maintain Bondowner Representative's security interest in the Operating Reserve and Operating Reserve Account(s). If an Event of Default shall occur and be continuing, Bondowner Representative shall be entitled to draw upon and utilize all or any portion of the Operating Reserve and Operating Reserve Account(s) as otherwise provided in the Loan Documents.

(iv) Initially, the Operating Reserve shall be audited by Bondowner Representative or its delegee six (6) months following the Conversion Date, and the Operating Reserve shall be audited by Banner Bank or its delegee annually thereafter in order to confirm, among other things, that (i) Borrower has used Operating Reserve funds only for appropriate purposes, and (ii) the Operating Reserve contains no less than \$[_____] (or the Borrower has otherwise complied with the replenishment requirements set forth in (ii) above). Borrower shall cooperate with Bondowner Representative's audits of the Operating Reserve.

(v) To the extent that the Partnership Agreement or Subordinate Loan Documents require the prior consent of Investor Limited Partner, Special Limited Partner or LAHD, respectively, to any withdrawal from the Operating Reserve Account(s), Borrower shall obtain Investor Limited Partner's, Special Limited Partner's and/or Subordinate Lender's consent thereto and shall have delivered evidence of such consent to Bondowner Representative prior to any withdrawal from the Operating Reserve Account(s).

(q) **Transition Reserve.** On or before the Conversion Date, in addition to the Replacement Reserve and Operating Reserve required to be established by Borrower under this Agreement and the Replacement Reserve Agreement, Borrower shall have established and funded a transition reserve (the "**Transition Reserve**") in an initial minimum amount equal to \$_____, which shall be additional collateral for the Loan from and after the Conversion Date and shall be subject to the following terms and conditions:

(i) The Transition Reserve shall be maintained by Borrower in one or more interest bearing account(s) with Bondowner Representative (the "**Transition Reserve Account(s)**"). Any interest earned on funds on deposit in the Transition Reserve Account shall be added to, and become a part of, the Transition Reserve and shall be used in accordance with the terms and conditions of this Section 15(q). Bondowner Representative shall not be required

to limit the amount deposited with any single institution to the FDIC insurance limits in effect from time to time. So long as no default or Event of Default exists under this Agreement or the other Loan Documents, Bondowner Representative, upon Borrower's request from Borrower, shall pay to Borrower the interest (if any) earned on the Transition Reserve Account(s) once each year. Neither Lender nor Bondowner Representative shall be responsible for obtaining any specific level or percentage of earnings on the Transition Reserve.

(ii) Borrower shall be entitled to use the Transition Reserve funds only to cover any operating deficit which specifically results from the loss or reduction of Section 8 payments under the HAP Contract in connection with the Project. Lender shall have no obligation to disburse any such amounts to Borrower unless Lender shall have received evidence to show that there currently is, or potentially will be, such an operating deficit.

(iii) All of Borrower's interest in the Transition Reserve and Transition Reserve Account(s), any interest accrued or accruing thereon, and the Transition Reserve Account(s) in which those funds are hereby pledged to Bondowner Representative as collateral or security for the Loan. Such account(s) shall provide expressly that Borrower shall make no withdrawals therefrom. Rather, Bondowner Representative or a designated representative of Bondowner Representative shall have the sole right to make withdrawals from the Transition Reserve Account(s). Borrower shall execute any other documents required to facilitate Bondowner Representative's withdrawal of funds or to perfect or maintain Bondowner Representative's security interest in the Transition Reserve and Transition Reserve Account(s). If an Event of Default shall occur and be continuing, Bondowner Representative shall be entitled to draw upon and utilize all or any portion of the Transition Reserve and Transition Reserve Account(s) as otherwise provided in the Loan Documents.

(iv) To the extent that the Partnership Agreement or Subordinate Loan Document requires the prior consent of Investor Limited Partner, Special Limited Partner or LAHD, respectively, to any withdrawal from the Transition Reserve, Borrower shall obtain Investor Limited Partner's, Special Limited Partner's and/or Subordinate Lender's consent thereto and shall have delivered evidence of such consent to Bondowner Representative concurrently with its request for disbursements from the Transition Reserve.

(r) **Borrower's Funds Account.** Borrower shall deposit into the Borrower's Funds Account (a) all amounts required to be deposited into the Borrower's Funds Account pursuant to subsection (o), above, (b) the Second Installment and Third Installment of Equity Capital Contributions from Investor Limited Partner described on Exhibit D, and any capital contributions from Investor Limited Partner in excess of the amounts of the Equity Capital Contributions from Investor Limited Partner described on Exhibit D. All amounts deposited in the Borrower's Funds Account shall be disbursed by Bondowner Representative solely to pay Project costs on the same terms, and subject to the same conditions, that are required for Advances of Loan proceeds. In addition, all amounts deposited into the Borrower's Funds Account shall be disbursed by Bondowner Representative prior to the disbursement of Loan

proceeds. The funds on deposit in the Borrower's Funds Account are referred to herein as "Borrower's Funds". Borrower shall execute and deliver to Bondholder Representative a pledge and security agreement relating to the Borrower's Funds Account in a form reasonably required by Bondholder Representative upon the opening of the Borrower's Funds Account.

(s) **Construction Disbursement Account.** Borrower shall maintain with Bondowner Representative the Construction Disbursement Account for deposit by Bond Trustee of proceeds of the Loan and disbursement by Bondowner Representative of Borrower's Funds as required to fund a pending request for Advance.

(t) **Payment of Claims and Removal of Liens.** (a) Cause all claims for labor done and materials and services furnished in connection with the Improvements to be fully paid and discharged in a timely manner, (b) diligently file or procure the filing of a valid notice of completion of the Improvements, or such comparable document as may be permitted under applicable lien laws, (c) diligently file or procure the filing of a notice of cessation, or such comparable document as may be permitted under applicable lien laws, upon the happening of cessation of labor on the Improvements for a continuous period of thirty (30) days or more, and (d) take all reasonable steps necessary to remove all claims of liens against the Property, the Improvements or any part of the Property or Improvements, or any rights or interests appurtenant to the Property or Improvements. Borrower shall, within ten (10) business days after the filing of any claim of lien that is disputed or contested by Borrower, provide Bondowner Representative with a surety bond issued by a surety acceptable to Bondowner Representative sufficient to release the claim of lien or deposit with Bondowner Representative an amount satisfactory to Bondowner Representative for the possibility that the contest will be unsuccessful. If Borrower fails to remove any lien on the Property or Improvements or provide a bond or deposit pursuant to this provision, Bondowner Representative may pay such lien, or may contest the validity of the lien, and Borrower shall pay all costs and expenses of such contest, including Bondowner Representative's reasonable attorneys' fees.

(u) **Performance.** Perform and comply with all terms, conditions, and provisions set forth in this Agreement and in all other instruments and agreements related to the Project between Borrower and Bondowner Representative, and in all other loan agreements related to the Project now or hereafter existing between Borrower and any other party. Borrower shall notify Bondowner Representative promptly in writing of any default in connection with any agreement.

(v) **Project Claims and Litigation.** Promptly inform Bondowner Representative, but only to the extent the Borrower has actual knowledge and only prior to the satisfaction of all conditions to the final Advance, of (a) all material adverse changes in the financial condition of the General Contractor; (b) any litigation and claims, actual or threatened, affecting the Project or any contractor, which could materially affect the successful completion of the Project or the ability of any contractor to complete the Project as agreed; and (c) any condition or event which constitutes a breach or default under any of the Loan Documents or any contract related to the Project.

(w) **Replacement Reserve.** Following the Conversion Date, and commencing on each date that a regularly scheduled payment of principal and interest is due under the Borrower Notes, Borrower shall deposit into an account held by Bondowner Representative (the “**Replacement Reserve Account**”) a monthly deposit of at least \$_____ (each, a “**Monthly Deposit**”), which shall be governed by the Replacement Reserve and Security Agreement (“**Reserve Agreement**”) executed in connection herewith.

(x) **Tax Credits.** Borrower hereby agrees:

(i) To observe and perform all obligations imposed on Borrower in connection with the Tax Credits and to operate the residential units of the Project or to use Borrower’s best efforts to cause the appropriate parties to operate the same in accordance with all statutes and regulations governing the Tax Credits;

(ii) Not to release, forego, alter, amend or modify its rights to the Tax Credits (excluding decreases in the Tax Credits resulting from a reduction in the eligible basis for the Project as a result of cost savings on the Project) without Bondowner Representative’s prior written consent, which Bondowner Representative may give or withhold in Bondowner Representative’s reasonable discretion; provided however, no consent of Bondowner Representative shall be required in connection with an increase in the Tax Credits;

(iii) Not to execute any residential lease of all or any portion of the Project Assets not complying fully with all requirements and regulations governing the Tax Credits, except with Bondowner Representative’s prior written consent, which Bondowner Representative may give or withhold in its sole and absolute discretion;

(iv) To cause to be kept all records, and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income level of tenants, set-asides for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits in connection with the low-income occupancy of the Project;

(v) To comply with the appropriate minimum low-income set-aside requirements under the Code, or applicable federal regulations (“**Federal Laws**”), TCAC and all California laws and regulations (“**State Laws**”) applicable to the creation, maintenance and continued availability of the Tax Credits;

(vi) To certify compliance with the set-aside requirement and report the dollar amount of qualified basis and maximum applicable percentage, date of placement in service and any other information required for the Tax Credits at such time periods as required by Federal Laws, TCAC or State Laws for such Tax Credits;

(vii) To set aside the appropriate number of units for households with incomes meeting the required standards of Los Angeles County, California median income to qualify for the Tax Credits (as determined pursuant to Section 42 of the Code, and/or State Laws),

adjusted for family size, and to operate and maintain all such units as “low-income units” qualifying for the Tax Credits under Section 42(i)(3) of the Code, and/or State Laws;

(viii) To exercise good faith in all activities relating to the operation and maintenance of the Project in accordance with the requirement of Federal Laws and State Laws; and

(ix) To promptly deliver to Bondowner Representative, the Issuer and the Bond Trustee true and correct copies of all notices or other documents or communications received or given by Borrower with regard to or relating in any way to the partnership interests of Borrower and/or the Tax Credits. Promptly upon receipt thereof, Borrower must deliver to Bondowner Representative, the Issuer and the Bond Trustee the following: (i) a copy of the final reservation of Tax Credits for the Project Assets; (ii) the basis audit (as required by Section 42 of the Code) for the Property (including a certificate of Borrower’s accountant or attorneys if requested by Bondowner Representative); (iii) the first annual income certification for all tenants of the Property showing that the tenants are qualified for purposes of Borrower’s obtaining Tax Credits; and (iv) the fully-completed Form 8609 (required by the Code) issued for the Project Assets. Borrower must deliver promptly to Bondowner Representative, the Issuer and the Bond Trustee such other certificates, income certificates, reports, and information as each may request.

(y) Taxes and Claims. Pay and discharge, prior to delinquency, when due all of Borrower’s indebtedness, obligations, and claims that, if unpaid, might become a lien or charge upon the Property or Improvements; provided, however, that Borrower shall not be required to pay and discharge any such indebtedness, obligation, or claim so long as (a) its legality shall be contested in good faith by appropriate proceedings, (b) the indebtedness, obligation, or claim does not become a lien or charge upon the Property or Improvements, and (c) Borrower shall have established on its books adequate reserves with respect to the amount contested in accordance with generally accepted accounting practices. If the indebtedness, obligation, or claim does become a lien or charge upon the Property or Improvements, Borrower shall remove the lien or charge as provided in the preceding paragraph.

(z) Workers’ Compensation Coverage. Provide to Bondowner Representative proof of compliance with all applicable workers’ compensation laws and regulations with regard to all work performed on the Project.

(aa) Covenant for the Benefit of the Bondowner. Borrower recognizes the authority of the Issuer to assign its interest in and pledge moneys receivable under this Agreement to the Bond Trustee as security for the payment of the principal of and interest and redemption premiums, if any, on the Bonds, and the payment of all other amounts as set forth in Section 4, 5 and 25(k) of this Agreement. Borrower hereby (i) agrees to be bound by the Issuer’s grant of such assignment and pledge, (ii) grants to the Bond Trustee a security interest in any right and interest Borrower may have in sums held in the Funds described in Article V of the Indenture, to secure the obligations of Borrower under this Agreement and the other Loan Documents and (iii) agrees that the Bond Trustee shall have all of the rights of a secured party under the California Uniform Commercial Code in connection with such security interest. Each of the

terms and provisions of this Agreement is a covenant for the use and benefit of the Bondowner and Bondowner Representative, so long as the Bonds shall remain Outstanding; but upon payment in full of the Bonds in accordance with the Indenture and of all fees and charges requested under Sections 4, 5 and 25(k) of this Agreement, all references in this Agreement to Bondowner Representative, the Bonds, the Bond Trustee and the Bondowner shall be ineffective, and the Bondowner, the Bond Trustee and Bondowner Representative shall thereafter have no rights hereunder, save and except those that shall have theretofore vested or that arise from provisions hereunder which survive termination of this Agreement. All rights and benefits provided to Bondowner Representative pursuant to this Agreement are provided to Bondowner Representative in both its capacity as owner of the Bonds and its capacity as "Bondowner Representative" (*i.e.*, representative of the Bondowner) as that capacity is established and defined pursuant to the Indenture, and shall extend to each successive Bondowner and "Bondowner Representative" under the Indenture.

(bb) AHAP Contract. Borrower shall promptly notify Bondowner Representative of the occurrence of any default that remains uncured beyond any applicable notice and cure period by Borrower or any other party under the AHAP Contract or any HAP Contract, or the receipt by Borrower of any notice of default, termination or reduction of subsidy amount under the AHAP Contract or any HAP Contract.

(cc) LAHD HOME Loan Funds. Borrower shall deliver evidence to Bondowner Representative that ___% of the proceeds of the LAHD HOME Loan (*i.e.*, at least \$_____) have been disbursed to Borrower and applied to pay Project costs on the Budget on or before the Completion Date. The remaining ___% of the proceeds of the LAHD HOME Loan (*i.e.*, \$_____) shall be disbursed on or before the Interim Construction Loan Maturity Date directly to Lender (or an escrow at the Title Company established for the purpose of the conversion of the Loan) to be applied to reduce the principal balance of the Loan.

(i) in the case of the foregoing indemnification of the Bond Trustee or the Bondowner Representative or any of their respective related Indemnified Parties to the extent such damages are caused by the negligence or willful misconduct of such Person; and

(ii) in the case of the foregoing indemnification of the Issuer or any of its related Indemnified Parties, to the extent such damages are caused by the active negligence or willful misconduct of the Issuer.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought under this Agreement, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense of the action or proceeding, including the employment of counsel selected by the Borrower, subject to the approval of the Indemnified Party, which approval shall not be unreasonably withheld, conditioned or delayed, and shall assume the payment of all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same in its sole discretion, provided that the Issuer, and the Bond Trustee, as appropriate, shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding, and the Borrower shall be obligated to pay the reasonable fees and expenses of such separate counsel if (A) the Indemnified Party, upon the advice of counsel, determines that a conflict of interest exists between the interests of the Indemnified Party and the interests of the Borrower or (B) such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

The Borrower understands and agrees that the foregoing release includes all claims of every nature and kind whatsoever, whether known or unknown, suspected or unsuspected, and the Borrower has read and understands, and hereby waives the benefits of, Section 1542 of the California Civil Code which provides as follows:

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

The Borrower acknowledges that it may hereafter discover facts different from or in addition to those which it now knows or believes to be true with respect to the foregoing release by the Borrower and agree that the foregoing release shall be and remain effective in all respects notwithstanding such different or additional facts or the discovery thereof.

16. NEGATIVE COVENANTS. Borrower covenants and agrees with Issuer, Bond Trustee and Bondowner Representative that while this Agreement is in effect, Borrower shall not, without the prior written consent of Bondowner Representative:

(a) **Continuity of Operations.** Cease operations with regard to the Property.

(b) **Indebtedness and Liens.** Except for the Subordinate Financing and the Regulatory Agreements, sell, transfer, mortgage, assign, pledge, grant a security interest in, or encumber the Property.

(c) **Modification of Regulatory Agreements.** Make or permit to be made any modification of the Regulatory Agreements, except to the extent necessary to comply with rules and regulations under the Code.

(d) **Modification or Termination of AHAP Contract or HAP Contract.** Make or permit to be made any amendment, modification, supplement or termination of the AHAP Contract, or any HAP Contract.

17. TAX COVENANTS. The Borrower shall comply with the requirements and conditions of the Tax Certificate and the Bond Regulatory Agreement. Without limiting the foregoing and notwithstanding anything to the contrary in this Agreement, Borrower will not take, or permit to be taken on its behalf, any action which would cause interest on the Series 2022Y-1 Bond to be included in gross income for federal income tax purposes and will take such reasonable action as may be necessary to continue such exclusion from gross income, including:

(a) Borrower will not use the proceeds of the Series 2022Y-1 Bond, or any other funds which may be deemed to be proceeds of the Series 2022Y-1 Bond pursuant to Section 148 of the Code, in the manner which will cause the Series 2022Y-1 Bond to be an “arbitrage bond” within the meaning of such section, and will comply with the requirements of such Section throughout the term of the Series 2022Y-1 Bond;

(b) Borrower will prepare and file any statements required to be filed by it in order to maintain such exclusion;

(c) Borrower will pay to the United States any amount required to be paid by the Issuer or Borrower pursuant to Section 148(f) of the Code, at the times, in the amounts and at the places required in order to maintain the exclusion of interest on the Series 2022Y-1 Bond from gross income for federal income tax purposes, and Borrower shall compute, or cause to be computed, such amounts annually so long as required by the Code.

(d) not less than ninety seven percent (97%) of the net proceeds of the Series 2022Y-1 Bond (within the meaning of Section 142(a) of the Code) shall be used to pay Qualified Project Costs;

(e) in order to satisfy the requirements set forth in subpart (4) of the definition of “program investment” that appears in Section 1.148 1(b) of the Treasury Regulations (which

requirements must be met in order for the Loan to qualify as a program investment within the meaning of that section), neither the Borrower nor any related person will purchase any interest in the Series 2022Y-1 Bond in amount related to the amount of the Loan;

(f) no changes will be made to the Project, no actions will be taken by Borrower, and Borrower will not omit to take any actions, which will in any way adversely affect the tax-exempt status of the interest on the Series 2022Y-1 Bond;

(g) if Borrower becomes aware of any circumstance, event or condition which would result in the interest payable on the Series 2022Y-1 Bond becoming includable in gross income for federal income tax purposes, Borrower will promptly give written notice of such circumstance, event or condition to the Issuer and Bondowner Representative;

(h) the full amount of each disbursement from the Loan will be applied to pay or to reimburse Borrower for the payment of Project Costs and, after taking into account any proposed disbursement, (i) at least ninety seven percent (97%) of the net proceeds of the Series 2022Y-1 Bond (as defined in Section 150 of the Code) will be used to pay Qualified Project Costs to provide a qualified residential rental project (as defined in Section 142(d) of the Code), (ii) less than twenty-five percent (25%) of the net proceeds of the Series 2022Y-1 Bond will have been disbursed to pay or to reimburse Borrower for the cost of acquiring land, (iii) not more than two percent (2%) of the proceeds of the Series 2022Y-1 Bond will have been used for Costs of Issuance (as defined in the Bond Regulatory Agreement), and (iv) none of the proceeds of the Series 2022Y-1 Bond (as defined for purposes of Section 147(g) of the Code) will be disbursed to provide working capital;

(i) Borrower will cause all of the residential units (other than the manager's unit) in the Project first occupied after the Closing Date and to be rented or available for rental on a basis which satisfies the requirements of the Law, the Act, the Code and the Bond Regulatory Agreement;

(j) all leases for the Project entered into after the Closing Date will comply with all applicable laws and the Bond Regulatory Agreement;

(k) in connection with any lease entered into after the Closing Date or grant by Borrower of the use of the Project, Borrower will require that the lessee or user of any portion of the Project not use that portion of the Project in any manner which would violate the covenants set forth in this Agreement or the Bond Regulatory Agreement;

(l) no portion of the proceeds of the portion of the Loan shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Loan shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project; and

In any matter relating to the exclusion of interest on the Series 2022Y-1 Bond from gross income for federal income tax purposes, the terms and provisions of the Tax Certificate shall control in the event of any conflict between this Agreement and the Tax Certificate.

18. GENERAL PROJECT PROVISIONS. The following provisions relate to the construction and completion of the Project:

(a) **Change Orders.** All requests for changes in the Plans and Specifications or change orders to the Construction Contract, other than minor changes involving costs of not more than \$25,000 for any individual change order and not more than \$75,000 for all changes orders in the aggregate, must be in writing, signed by Borrower, and delivered to Bondowner Representative for its approval. Borrower will not permit the performance of any work pursuant to any change order or modification of the Construction Contract or any subcontract without the written approval of Bondowner Representative (except for such items noted above as not needing Bondowner Representative's approval). To the extent required by the applicable governmental authorities having jurisdiction, Borrower will obtain any required permits or authorizations from governmental authorities having jurisdiction before approving or requesting a new change order.

(b) **Purchase of Materials; Conditional Sales Contracts.** No materials, equipment, fixtures, or articles of personal property placed in or incorporated into the Project shall be purchased or installed under any Security Agreement or other agreement whereby the seller reserves or purports to reserve title or the right of removal or repossession, or the right to consider such items as personal property after their incorporation into the Project, unless otherwise authorized by Bondowner Representative in writing.

(c) **Bondowner Representative's and Issuer's Right of Entry and Inspection.** Subject to the rights of tenants under their respective leases and upon reasonable advance notice, the Issuer, Bondowner Representative and their agents shall have at all times the right of entry and free access to the Property and the right to inspect all work done, labor performed, and materials furnished with respect to the Project. Bondowner Representative and the Issuer shall have unrestricted access to and the right to copy all records, accounting books, contracts, subcontracts, bills, statements, vouchers, and supporting documents of Borrower relating in any way to the Project. Borrower agrees to pay on demand all of the Issuer's and Bondowner Representative's out-of-pocket expenses for periodic inspections, reviews, or reports that the Issuer and Bondowner Representative, each in its sole discretion, deems necessary and appropriate for disbursement of the Loan Fund.

(d) **Bondowner Representative's Right to Stop Work.** If Bondowner Representative in good faith determines that any work or materials do not conform to the approved Plans and Specifications or sound building practices, or otherwise depart from any of the requirements of this Agreement, Bondowner Representative may require the work to be stopped and withhold disbursements until the matter is corrected. In such event, Borrower will promptly correct the work to Bondowner Representative's satisfaction. No such action by Bondowner Representative will affect Borrower's obligation to complete the Improvements on or before the Completion Date. Bondowner Representative is under no duty to supervise or

inspect the construction or examine any books and records. Any inspection or examination by Bondowner Representative is for the sole purpose of protecting Bondowner Representative's security and preserving Bondowner Representative's rights under this Agreement. No default of Borrower will be waived by any inspection by Bondowner Representative. In no event will any inspection by Bondowner Representative be a representation that there has been or will be compliance with the Plans and Specifications or that the construction is free from defective materials or workmanship.

(e) **Publicity.** Bondowner Representative may display a sign at the construction site subject to applicable zoning and similar ordinances informing the public that Bondowner Representative is the construction lender for the Project. During construction, any sign placed on the Property describing sources of funding for the Project will specify Bondowner Representative as providing construction financing. Bondowner Representative may obtain other publicity in connection with the Project through press releases, including a description of the Property, Project, occupancy and rentals, and participation in ground-breaking and opening ceremonies and similar events, provided that Bondowner Representative shall not use any photographs or videos of any residents without prior written authorization from the resident.

(f) **Actions.** Bondowner Representative, Bond Trustee, and the Issuer shall have the right to commence, appear in, or defend any action or proceeding purporting to affect the rights, duties, or liabilities of the parties to this Agreement, the Bond Regulatory Agreement, the Indenture, the Borrower Notes, or the Advance of Loan proceeds or disburse funds from the Borrower's Funds Account. In connection with this right, Bondowner Representative, Bond Trustee and/or the Issuer may incur and pay reasonable costs and expenses, including, but not limited to, attorneys' fees, for both trial and appellate proceedings. Borrower covenants to pay to Bondowner Representative, Bond Trustee and/or the Issuer on demand all such expenses, together with interest from the date Bondowner Representative incurs the expense at the rate specified in the Borrower Notes, and Bondowner Representative is authorized to disburse funds from the Loan Fund for such purposes.

(g) **Permits.** To the extent not delivered to Bondowner Representative at Closing, prior to any construction work on or use of the Project and prior to any disbursement for hard costs, Borrower shall have furnished to Bondowner Representative copies of all permits and requisite approvals of any governmental body necessary for such construction and/or use, as applicable, of the Project.

(h) **Environmental Remediation.** Borrower acknowledges that the Property may contain ///[_____]/// as disclosed by the Environmental Report. Borrower must, at Borrower's sole cost and expense, remove and dispose of all _____ in accordance with the ///[Removal Action Plan]/// from the _____ dated _____ ("**Removal Action Plan**") and all applicable laws and regulations and promptly upon completion of such remediation, but in any event prior to the commencement of construction of the Project, shall deliver to Lender documentation of _____ on the Property in accordance with the Removal Action Plan and all applicable laws and regulations and shall deliver a certificate

executed by _____ (or another environmental consultant approved by Bondowner Representative), confirming the same following the completion of such remediation.

19. RIGHT OF SETOFF. Borrower grants to Bondowner Representative a contractual possessory security interest in, and hereby assigns, conveys, delivers, pledges, and transfers to Bondowner Representative all Borrower's right, title and interest in and to, Borrower's accounts with Bondowner Representative (whether checking, savings, or some other account), including without limitation all accounts held jointly with someone else and all accounts Borrower may open in the future, excluding however all Keogh, and trust accounts. Borrower authorizes Bondowner Representative, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts.

20. EVENTS OF DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

(a) **Default on Indebtedness.** (i) Borrower fails to make any payment of principal and/or interest under the Borrower Notes which is due on the Interim Construction Maturity Date or the Term Loan Maturity Date on such due date, or (ii) Borrower fails to make any other payment of principal and/or interest under the Borrower Notes within ten (10) days after due.

(b) **Other Monetary Default.** Borrower fails to perform any other obligation for the payment of money under this Agreement or any other Loan Document executed by Borrower within ten (10) days after Bondowner Representative gives Borrower written notice that such obligation was not performed.

(c) **Default under Regulatory Agreements.** Failure of Borrower to comply with or perform when due any term, obligation, covenant, or condition contained in the Regulatory Agreements and failure to cure the same within any cure period specified therein.

(d) **Default under Subordinate Loan Documents.** Failure of Borrower to comply with or perform when due any term, obligation, covenant, or condition contained in the Subordinate Loan Documents and failure to cure the same within any cure period specified therein or the Subordinate Loan Documents are amended, modified or supplemented or terminated without Bondowner Representative's express prior written consent.

(e) **Loss of Tax-Exempt Status of the Series 2022Y-1 Bond.** Failure of the interest accruing on the Series 2022Y-1 Bond at any time and for any reason to be excluded from federal income tax pursuant to Section 103 of the IRS Code (excluding any period during which the Series 2022Y-1 Bond is held by a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code).

(f) **Compliance Default.** Failure of Borrower or Guarantor to comply with any other term, obligation, covenant or condition contained in this Agreement, the Borrower Notes or in any of the Loan Documents or the failure of Borrower to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between

Bondowner Representative and Borrower within the cure period expressly set forth in the applicable document. If such a non-payment default is curable and if Borrower or Guarantor, as applicable, has not been given a notice of a breach of the same provision of this Agreement within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred if Borrower), after Bondowner Representative sends written notice demanding cure of such failure: (a) cures the failure within thirty (30) days; or (b) if the cure requires more than thirty (30) days, promptly initiates steps sufficient to cure the failure and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance within ninety (90) days after notice is sent.

(g) Breaches. Any warranty, representation, or statement made or furnished to Bondowner Representative by or on behalf of Borrower, any Grantor, or any Guarantor under this Agreement is, or at the time made or furnished was, false in any material respect.

(h) Insolvency. (i) Creditor Proceedings. Commencement of foreclosure, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or any creditor of any Grantor against any collateral securing the Indebtedness. This includes a garnishment, attachment, or levy on or of any of Borrower's deposit accounts with Bondowner Representative. However, this Event of Default shall not apply if there is a good faith dispute by Borrower or Grantor, as the case may be, as to the validity or reasonableness of the claim which is the basis of the creditor proceeding, and if Borrower or Grantor gives Bondowner Representative written notice of the creditor proceeding and furnishes reserves or a surety bond for the creditor proceeding satisfactory to Bondowner Representative.

(j) Defective Collateralization. This Agreement, the Deed of Trust, the Security Documents, Bonds or any of the Loan Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason and the Agreement is not reinstated (or the security interest or lien is not perfected) within ten (10) days of notice thereof by Bondowner Representative to Borrower.

(k) Events Affecting Guarantor. Prior to the Conversion Date, any Guarantor seeks, claims, or otherwise attempts to limit, modify, or revoke the Guaranty.

(l) Adverse Change. A material adverse change occurs in Borrower's financial condition which reasonably causes Bondowner Representative to believe the prospect of payment or performance of the Indebtedness is impaired or, prior to the Conversion Date, a material adverse change occurs in Guarantor's financial condition which reasonably causes Bondowner Representative to believe Guarantor's ability to perform under the Guaranty is impaired.

(m) Non-Conformance with Plans and Specifications. The Improvements are not constructed in accordance with the Plans and Specifications in all material respects.

(n) Cessation of Construction. Prior to the completion of construction of the Improvements and equipping of the Project, the construction of the Improvements or the equipping of the Project is abandoned or work thereon ceases for a period of more than thirty (30) consecutive days for any reason other than governmental orders, decrees and regulations, acts of God, strikes or other causes beyond Borrower's reasonable control, provided the same do not, in the aggregate and in Bondowner Representative's reasonable judgment threaten to delay the completion of the Project beyond the required Completion Date set forth in this Agreement, or the Improvements are not completed for purposes of final payment prior to the Completion Date, regardless of the reason for the delay.

(o) Transfer of Property. Except for a Permitted Transfer, the sale, transfer, hypothecation, assignment, or conveyance of the Property or the Improvements or any portion thereof or interest therein by Borrower or any Grantor without the Issuer's and Bondowner Representative's prior written consent.

(p) Condemnation. All or any material portion of the Property is condemned, seized, or appropriated without compensation, and Borrower does not within thirty (30) days after such condemnation, seizure, or appropriation, initiate and diligently prosecute appropriate action to contest in good faith the validity of such condemnation, seizure, or appropriation.

(q) Casualty. The Property is materially damaged or destroyed by fire or other casualty unless Borrower restores the Property in accordance with Section 13(g) of this Agreement and the terms and conditions set forth in the Deed of Trust.

condition, timing or amount of any capital contribution (other than pursuant to the adjustments set forth in the Partnership Agreement on the Closing Date), or (b) to increase any required reserve amount); (ii) a default occurs under any Bond Document or Subordinate Loan Document, which default is not cured (or waived by Investor Limited Partner) within any applicable cure period expressly set forth therein; (iii) prior to the Conversion Date, any default occurs under the Partnership Agreement (which is not waived in writing by Investor Limited Partner); or (iv) an event occurs that triggers a right to require repurchase by Investor Limited Partner under the Partnership Agreement (which is not waived in writing by Investor Limited Partner).

(t) **Equity Capital Contributions.** The First Installment, Second Installment or Third Installment of Equity Capital Contributions from Investor Limited Partner shown on Exhibit D, or any GP Capital Contribution shown on Exhibit D, is not made on the date such Equity Capital Contribution is scheduled to be made as shown on Exhibit D.

(v) **[Reserved].**

(w) **HAP Contract and HAP Payments.** The AHAP Contract or any HAP Contract are materially modified, amended or terminated without the written consent of Bondowner Representative, except for modification or amendments which only have the effect of extending the term of the AHAP Contract or any HAP Contract.

(x) **Other Default.** Any "Event of Default" occurs under any Loan Document.

21. EFFECT OF AN EVENT OF DEFAULT; REMEDIES. Upon the occurrence of any Event of Default and at any time thereafter, Bondowner Representative may, at its option, but without any obligation to do so, and in addition to any other right Issuer, Bond Trustee or Bondowner Representative may have, do any one or more of the following without notice to Borrower: (a) cancel this Agreement; (b) institute appropriate proceedings to enforce the performance of this Agreement; (c) withhold its consent to further Advance of Loan funds; (d) expend funds necessary to remedy the default; (e) take possession of the Property and continue construction of the Project; (f) direct Bond Trustee to accelerate maturity of the Borrower Notes and/or Indebtedness and demand payment of all sums due under the Borrower Notes and/or Indebtedness; (g) bring an action on the Borrower Notes and/or Indebtedness (or direct Bond Trustee to do so); (h) foreclose the Deed of Trust on the Property in any manner available under law (or direct Bond Trustee to do so); and (i) exercise any other right or remedy which it has under the Borrower Notes or which is otherwise available at law or in equity or by statute.

22. NONRECOURSE AFTER CONVERSION DATE. Notwithstanding the foregoing or anything else in the Loan Documents to the contrary, except as otherwise expressly provided below, from and after the Conversion Date, Borrower's obligations under this

Agreement and the other Loan Documents shall be secured solely by the real and personal property pledged or encumbered under the Deed of Trust and the other Loan Documents, and, subject to the recourse provisions of the Borrower Notes and the recourse provisions of the Guaranty, no recourse under the Loan Documents shall be had against any of Borrower's assets not so pledged or encumbered or against any of Borrower's partners or their affiliates or any officer, director, commissioner, partner, member or employee of any such partner or affiliate. Notwithstanding the foregoing, (A) Borrower shall be fully and personally liable to Issuer, Bond Trustee and Bondowner Representative for all indebtedness and other obligations of Borrower under this Agreement, the Borrower Notes and the other if any of the following occurs: (i) except for a Permitted Transfer, the sale, assignment, encumbrance, or other transfer of the Property, or more than twenty-five percent (25%) of the ownership interests in Borrower, without Bondowner Representative's prior written consent (in its sole and absolute discretion); or (ii) the encumbrance of the Property by any senior or subordinate deed of trust or other instrument in connection with any financing by Borrower, without Bondowner Representative's prior written consent (in its sole and absolute discretion), or (iii) the violation by Borrower of any single asset covenant set forth in this Agreement, the Borrower Notes or the Loan Documents; and (B) Borrower shall be personally liable to Bondowner Representative for the full amount of Issuer's, Bond Trustee's, or Bondowner Representative's loss, damage or cost resulting from (a) fraud or intentional misrepresentation by Borrower or any Guarantor in connection with obtaining the Loan represented by the Borrower Notes, (b) insurance proceeds, condemnation awards, or other sums or payments attributable to the Property, to the extent they are not being applied in accordance with the provisions of this Agreement, the Borrower Notes and the Deed of Trust, except to the extent that Borrower did not have the legal right, because of a bankruptcy, receivership, or similar judicial proceeding, to direct disbursement of such sums of payments, (c) all rents, profits, issues, products, and income of the Property received following an Event of Default under this Agreement, the Borrower Notes, the Deed of Trust or any of the Loan Documents which are not applied to payment of principal and interest owing under the Note (including any amounts received or collected by or on behalf of Borrower after an Event of Default, except to the extent that Borrower did not have the legal right, because of a bankruptcy, receivership, or similar judicial proceeding, to direct the disbursement of such sums), and payments of utilities, taxes, and assessments, insurance, and ground rents, if any, on the Property, as they become due or payable, and (d) Borrower's failure to pay any charges due Issuer, Bond Trustee, or Bondowner Representative under the Borrower Notes or any other Loan Documents in connection with any transfer of all or any part of the Property, or any interest therein, from Borrower to Borrower's transferee, or transfer of beneficial interest in Borrower (and the indebtedness and other obligations of Borrower for which Borrower will be personally liable under the foregoing provisions of this Section 22 is sometimes collectively referred to in the Loan Documents as the "**Recourse Indebtedness**"). Notwithstanding the foregoing, nothing contained herein shall in any way limit the obligations of Borrower, Guarantor or any other individual or entity under the Guaranty, the Indemnity Agreement, or any other guaranty or indemnity.

23. COMPLETION OF IMPROVEMENTS BY BONDOWNER REPRESENTATIVE. If Bondowner Representative takes possession of the Property, it may take any and all actions necessary in its judgment to complete construction of the Improvements,

including but not limited to making changes in the Plans and Specifications, work, or materials and entering into, modifying or terminating any contractual arrangements, subject to Bondowner Representative's right at any time to discontinue any work without liability. If Bondowner Representative elects to complete the Improvements, it will not assume any liability to Borrower or to any other person for completing the Improvements or for the manner or quality of construction of the Improvements, and Borrower expressly waives any such liability. Borrower irrevocably appoints Bondowner Representative as its attorney-in-fact, with full power of substitution, to complete the Improvements, at Bondowner Representative's option, either in Borrower's name or in its own name. In any event, all sums expended by Bondowner Representative in completing the construction of the Improvements will be considered to have been disbursed to Borrower and will be secured by the collateral for the Loan. Any such sums that cause the principal amount of the Loan to exceed the face amount of the Borrower Notes will be considered to be an additional Loan to Borrower, bearing interest at the Note rate and being secured by the collateral. For these purposes, Borrower assigns to Bondowner Representative all of its right, title and interest in and to the Project Documents; however Bondowner Representative will not have any obligation under the Project Documents unless Bondowner Representative expressly hereafter agrees to assume such obligations in writing. Bondowner Representative will have the right to exercise any rights of Borrower under the Project Documents upon the occurrence of an Event of Default. All rights, powers, and remedies of Bondowner Representative under this Agreement are cumulative and alternative, and are in addition to all rights which Bondowner Representative may have under applicable law.

24. LIMITATION ON ISSUER'S LIABILITY. No covenant, agreement or obligation contained herein shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee, attorney or agent of the Issuer in his or her individual capacity, and neither any employee, attorney, director or officer of the Issuer nor any officer thereof executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee, attorney or agent of the Issuer shall incur any personal liability with respect to any other action taken by him or her pursuant to this Agreement, the Act or the Law, provided such director, officer, employee, attorney or agent acts in good faith. No agreements or provisions contained in this Agreement nor any agreement, covenant or undertaking by the Issuer contained in any document executed by Issuer in connection with the Project or the Issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against its general credit or taxing powers, or shall obligate the Issuer financially in any way.

THE BONDS ARE NOT OBLIGATIONS, EITHER GENERAL OR SPECIAL, AND DO NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OR TAXING POWER OF THE CITY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, BUT ARE PAYABLE SOLELY FROM THE PROJECT REVENUES AND PROPERTY PLEDGED THEREFOR IN THE INDENTURE, AND NOT FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE CITY. NEITHER THE CITY, THE STATE NOR ANY SUCH POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE THEREON, NEITHER THE FAITH AND CREDIT OF THE TAXING POWER OF THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY

THEREOF NOR THE FAITH AND CREDIT OF THE CITY IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, OR PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR OTHER COSTS INCIDENT THERETO. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA.

No recourse shall be had for the payment of the principal of, or interest on the Bonds or for any claim based thereon or on this Agreement or any other Loan Documents or any instrument or document executed and delivered by or on behalf of the Issuer, in connection with the transactions contemplated hereby, against the Issuer or any officers, board member, employees, or agents, past present or future of the Issuer or any successor body under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or by any legal or equitable processing or otherwise, and all such liability of the Issuer, or any such officers, board member, employees, or agents, past, present and future, as such is hereby expressly waived and released as a condition of and consideration for the adoption of the resolution authorizing the execution of the Bonds and the delivery of other documents in connection herewith. No officers, board member, employee or agents, past, present and future of the Issuer or any successor body shall be personally liable on the Bond Documents or Loan Documents, the Bonds or any other documents in connection herewith, nor shall the issuance of the Bonds be considered as misfeasance or malfeasance in office. The Bonds and the undertakings of the Issuer under the Bond Documents do not constitute a pledge of the general credit or taxing power of the Issuer, the State, or any political subdivision thereof, do not evidence and shall never constitute a debt of the State or any political subdivision thereof and shall never constitute nor give rise to any pecuniary liability of the State or any political subdivision thereof.

25. MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

(a) **Agency.** Nothing in this Agreement shall be construed to constitute the creation of a partnership or joint venture between Bondowner Representative and Borrower or any contractor. Bondowner Representative is not an agent or representative of Borrower. This Agreement does not create a contractual relationship with and shall not be construed to benefit or bind Bondowner Representative in any way with or create any contractual duties by Bondowner Representative to any contractor, subcontractor, materialman, laborer, or any other person. Bondowner Representative's activities in connection with the Loan shall not be "outside the scope of the activities of a lender of money" within the meaning of California Civil Code Section 3434, as modified or recodified from time to time, and Bondowner Representative does not intend to ever assume any responsibility to any Person for the quality or safety of the Property. Bondowner Representative shall not be deemed responsible for or a participant in any acts, omissions or decisions of Borrower.

(b) **Amendments.** This Agreement, together with any Exhibits attached hereto, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

(c) **Applicable Law.** This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of California. The loan transaction which is evidenced by the Borrower Notes and this Agreement has been applied for, considered, approved, and made in the State of California. **IF THERE IS A LAWSUIT, GRANTOR AND BORROWER, AT BONDOWNER REPRESENTATIVE'S OPTION, AGREE TO SUBMIT TO THE JURISDICTION OF THE SUPERIOR COURT OF CALIFORNIA FOR LOS ANGELES COUNTY.**

(d) **JURY WAIVER.** TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY TO THIS AGREEMENT, EXCEPT THE ISSUER, HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY, EXCEPT THE ISSUER, HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT BORROWER OR BONDOWNER REPRESENTATIVE MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE BORROWER OR BONDOWNER REPRESENTATIVE, RESPECTIVELY, TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(e) **Judicial Reference.**

(i) The parties hereto, except the Issuer, agree that any and all disputes, claims and controversies arising out of the Loan Documents or the transactions contemplated thereby (including, without limitation, actions arising in contract or tort and any claims by a party against Bondowner Representative related in any way to the or the transactions contemplated hereunder) (a “**Dispute**”) that are brought before a forum in which the pre-dispute waivers of the right to trial by jury set forth in Section 25(d) above are invalid under applicable law shall be subject to the terms of this Section 25(e) in lieu of the jury trial waivers set forth in Section 25(d) or as otherwise provided in the Loan Documents.

(ii) Any and all such Disputes shall be heard by a referee and resolved by judicial reference pursuant to California Code of Civil Procedure § 638 et seq. The parties shall use their respective commercially reasonable and good faith efforts to agree upon and select such referee, who shall be a retired California state or federal judge, provided, however, that the parties shall not appoint a referee that may be disqualified pursuant to California Code of Civil Procedure § 641 or § 641.2 without the prior written consent of all the parties. If the parties are unable to agree upon a referee within ten (10) calendar days after a party serves written notice of intent for judicial reference upon the other party or parties, then the referee shall be selected by the court in accordance with California Code of Civil Procedure § 640(b). The referee shall

render a written statement of decision and shall conduct the proceedings in accordance with the California Code of Civil Procedure, the Rules of Court and the California Evidence Code, except as otherwise specifically agreed by the parties and approved by the referee. The referee's statement of decision shall set forth findings of fact and conclusions of law. The referee's decision shall be entered as a judgment in the court in accordance with the provisions of California Code of Civil Procedure §§ 644-645. The decision of the referee shall be appealable to the same extent and in the same manner that such decision would be appealable if rendered by a judge of the superior court.

(iii) If a Dispute includes multiple claims, some of which are found not subject to this Agreement, the parties shall stay the proceedings of the Disputes or part or parts thereof not subject to this Agreement until all other Disputes or parts thereof are resolved in accordance with this Agreement. If there are Disputes by or against multiple parties, some of which are not subject to this Agreement, the parties shall sever the Disputes subject to this Agreement and resolve them in accordance with this Agreement.

(iv) Nothing in this Section 25(e) shall be deemed to apply to or limit the rights of Bondowner Representative, Bond Trustee or Issuer (i) to exercise self-help remedies, including, without limitation, setoff, or (ii) to foreclose judicially or nonjudicially against any real or personal property collateral, or to exercise judicial or nonjudicial power of sale rights, or (iii) to obtain from a court provisional or ancillary remedies, including, without limitation, injunctive relief, writ(s) of possession, prejudgment attachment, protective order(s) or the appointment of a receiver, or (iv) to pursue rights against a party in a third-party proceeding in any action brought against Bondowner Representative, Bond Trustee or Issuer, including, without limitation, actions in bankruptcy court. Bondowner Representative, Bond Trustee or Issuer may exercise the foregoing rights before, during or after the pendency of any judicial reference proceeding. The failure to exercise any of the foregoing remedies shall not constitute a waiver of the right of any party, including, without limitation, the claimant in any such action, to require submission to judicial reference the merits of the Dispute giving rise to such remedies. No provision in the Loan Documents regarding submission to jurisdiction and/or venue in any court is intended or shall be construed to be in derogation of the provisions in this Section for judicial reference of any Dispute.

(v) During the pendency of any Dispute which is submitted to judicial reference in accordance with this Section, each of the parties to such Dispute shall bear equal share of the fees charged and costs incurred by the referee in performing the services described herein. The compensation of the referee shall not exceed the prevailing rate for like services. The prevailing party shall be entitled to reasonable court costs and legal fees, including customary attorneys' fees, expert witness fees, the fees of the referee and other reasonable costs and disbursements charged to the party by its counsel, in such amounts as determined by the referee.

(vi) Each party hereto acknowledges and agrees that the provisions of this Section constitute a material inducement to enter into this Agreement, the Loan Documents and to consummate the transactions contemplated thereunder, and that the parties will continue

to be bound by and rely on such provisions in the course of their dealings with regard to any Dispute governed by the provisions of this Section. Each party hereto further warrants and represents that it has reviewed these provisions with legal counsel of its own choosing, or has had the opportunity to do so, and that it knowingly and voluntarily agrees to abide by the provisions of this Section having had the opportunity to consult with legal counsel.

(vii) THIS SECTION CONSTITUTES A “REFERENCE AGREEMENT” BETWEEN OR AMONG THE PARTIES WITHIN THE MEANING OF AND FOR THE PURPOSES OF CALIFORNIA CODE OF CIVIL PROCEDURE § 638. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS EVIDENCE OF EITHER OR ALL PARTIES’ CONSENT (EXCEPT THE ISSUER) AND AGREEMENT TO HAVE ANY AND ALL DISPUTES HEARD AND DETERMINED BY A REFEREE UNDER CALIFORNIA CODE OF CIVIL PROCEDURE § 638. THE PARTIES (EXCEPT THE ISSUER) ACKNOWLEDGE THAT JUDICIAL REFERENCE PROCEEDINGS CONDUCTED IN ACCORDANCE WITH THIS SECTION WOULD BE CONDUCTED BY A PRIVATE REFEREE ONLY, SITTING WITHOUT A JURY.

(f) Guaranties Unsecured. The Security Documents shall secure Borrower’s obligations under the Loan Documents. Notwithstanding the fact that the Loan Agreement or any may now or hereafter include one or more Guaranties and/or other documents creating obligations of Persons other than Borrower, and notwithstanding the fact that any Security Document may now or hereafter contain general language to the effect that it secures the “Bonds” or the “Loan Documents,” no Security Document shall secure any Guaranty, or any other obligation of any Person other than Borrower, unless such Security Document specifically describes such Guaranty or other obligation as being secured thereby.

(g) Authority to File Notices. Borrower appoints and designates Bondowner Representative as its attorney-in-fact to file for record any notice that Bondowner Representative deems necessary to protect its interest under this Agreement. This power shall be deemed coupled with an interest and shall be irrevocable while any sum or performance remains due and owing under any of the Loan Documents or Bond Documents.

(h) Maintenance of Depository Relationship. Borrower shall, at all times while any portion of the Borrower Notes remains unpaid, maintain a depository relationship with Bondowner Representative, or a subsidiary or affiliate of Bondowner Representative, unless the same is contrary to state or federal law or regulation.

(i) Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

(j) Bondowner Representative’s Right to Sell Participations in the Bonds. Subject to the terms of the Indenture, Bondowner Representative may at any time sell, assign, transfer, negotiate, grant participations in, or otherwise dispose of, to any one or more other lenders (hereinafter called “Participants”) all or any part of the indebtedness of Borrower at any time outstanding under the or the Loan Documents. Borrower acknowledges and agrees

that any such disposition will give rise to an obligation of Borrower to each Participant and that, in such event, each Participant shall, for all purposes hereof, be entitled to the benefits under the Loan Documents and all other documents, instruments, and agreements therein described, as its interest may appear. Borrower shall, from time to time at the request of Bondowner Representative, at Bondowner Representative's sole cost and expense, execute and deliver, or cause to be executed and delivered, to Bondowner Representative or to such party or parties (including any Participant) as Bondowner Representative may designate, any and all such further instruments as may in the opinion of Bondowner Representative be necessary or desirable to give full force and effect to such disposition and such estoppel certificates or other instruments as may be requested from Borrower to evidence the continuing validity of the or the Loan Documents and the absence of any default by Bondowner Representative thereunder. Notwithstanding the foregoing, no Participant shall be deemed a direct lender or co-lender with Bondowner Representative and no Participant shall acquire any rights under the Indenture.

(k) Costs and Expenses. Borrower agrees to pay upon demand all of Bondowner Representative's out-of-pocket expenses, including reasonable attorneys' fees, incurred in connection with this Agreement or in connection with the Loan made pursuant to this Agreement. Bondowner Representative may pay someone else to help collect the Loan and to enforce this Agreement and Borrower will pay that amount. This includes, subject to any limits under applicable law, Bondowner Representative's attorneys' fees and legal expenses, whether or not there is a lawsuit, including attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any post-judgment collection services. Borrower also will pay any court costs, in addition to all other sums provided by law.

(l) Entire Agreement. This Agreement and the Loan Documents constitute all of the agreements between the parties relating to the Project and supersede all other prior or concurrent oral or written agreements or understandings relating to the Project.

(m) Notices. All notices required to be given under this Agreement shall be given in writing and shall be effective when actually delivered or when deposited in the United States mail, first class, postage prepaid, addressed to the party to whom the notice is to be given at the following addresses:

Borrower:

LUNA VISTA, L.P.
c/o Hollywood Community Housing Corporation
5020 Santa Monica Boulevard
Los Angeles, CA 90029
Attention: Sarah Letts
Facsimile: (323) 454-4683

Lender:

BANNER BANK
5930 Granite Lake Drive
Suite 170
Granite Bay, California 95746
Attention: Andre Massey
Loan No. 14014047

A copy of any written notice of and Event of Default to Borrower shall also be given to Investor Limited Partner at the address set forth in Section 19(n) below; provided, however that Lender shall have no liability to Investor Limited Partner for any failure to deliver a copy of such notice to Investor Limited Partner so long as the requirements of such Section 19(n) below are satisfied.

Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. To the extent permitted by applicable law, if there is more than one Borrower, notice to any Borrower will constitute notice to all Borrowers. For notice purposes, Borrower agrees to keep Bondowner Representative informed at all times of Borrower's current address(es).

(n) Notice and Cure Rights of Investor Limited Partner. Bondowner Representative agrees that it shall not instruct Bond Trustee to or directly complete a foreclosure sale of the Property or record a deed-in-lieu of foreclosure with respect to the Property (each, a "**Foreclosure Remedy**") unless and until Investor Limited Partner (or, for the purposes of this entire subsection (n), its designee(s), if applicable) has first been given thirty (30) days' written notice of the default(s) or Event(s) of Default giving rise to Bondowner Representative's right to complete such Foreclosure Remedy, and Investor Limited Partner has failed, within such thirty (30) day period, to cure such default(s) and Event(s) of Default; provided, however, that Bondowner Representative shall be entitled during such thirty (30) day period to continue to pursue all of its rights and remedies under the Loan Documents, including, but not limited to, acceleration of the Borrower Notes (subject to any de-acceleration provisions specifically set forth in the Loan Documents or otherwise available under applicable law), exercise of its rights and remedies under the Loan Documents, commencement and pursuit of foreclosure (but not completion of the foreclosure sale), enforcement of any guaranty (subject to any notice and cure provisions contained therein), and/or enforcement of any other Loan Document. It is the express interest of the parties hereunder that Bondowner Representative shall have the right to pursue all rights and remedies except completion of a Foreclosure Remedy without liability to Investor Limited Partner for failure to provide notice to Investor Limited Partner, and that Bondowner Representative's liability hereunder shall be expressly limited to actual damages to Investor Limited Partner directly caused by Bondowner Representative's completion of a Foreclosure Remedy without Investor Limited Partner receiving the notice and opportunity to cure described above. Bondowner Representative's failure to give any such notice for any reason shall not act to impair or waive any remedy or right of Bondowner Representative under this Agreement or any other Loan Document. Unless expressly prohibited by law, Investor Limited Partner agrees to record a "Request for Notice," or similar appropriate document requesting notice of any foreclosure sale, in the Official Records of the County in which the Property is located and in the event the Bondowner Representative has not sooner provided notice to Investor Limited Partner,

the receipt by the Investor Limited Partner of such notice of foreclosure sale shall be deemed to be notice to the Investor Limited Partner as contemplated hereunder. Except as specifically provided herein or in any other Loan Document, Bondowner Representative's failure to give any such notice for any reason shall not act to impair or waive any remedy or right of Bondowner Representative under this Agreement or any other Loan Document. Bondowner Representative shall give Investor Limited Partner notice of Events of Default as required under this Section 16(n) at the address set forth below or such other address as Investor Limited Partner may instruct Bondowner Representative in writing from time to time:

[National Equity Fund, Inc.]

Attention: [_____]

with a copy to:

Attention: [_____]
.

Bondowner Representative shall accept or reject any tender of cure of an Event of Default by Borrower's Investor Limited Partner on the same terms under which Bondowner Representative would accept or reject such tender of cure by Borrower.

(o) Severability. If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

(p) Survival. All warranties, representations, and covenants made by Borrower in this Agreement or in any certificate or other instrument delivered by Borrower to Bondowner Representative under this Agreement shall be considered to have been relied upon by Bondowner Representative and will survive the making of the Loan and delivery to Bondowner Representative of the Bonds, regardless of any investigation made by Bondowner Representative or on Bondowner Representative's behalf.

(q) Time of the Essence. Time is of the essence hereof.

(r) Waiver. Bondowner Representative shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Bondowner Representative. No delay or omission on the part of Bondowner Representative in exercising any right shall operate as a waiver of such right or any other right. A waiver by Bondowner

Representative of a provision of this Agreement shall not prejudice or constitute a waiver of Bondowner Representative's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Bondowner Representative, nor any course of dealing between Bondowner Representative and Borrower, or between Bondowner Representative and any Grantor, shall constitute a waiver of any of Bondowner Representative's rights or of any obligations of Borrower or of any Grantor as to any future transactions. Whenever the consent of Bondowner Representative is required under this Agreement, the granting of such consent by Bondowner Representative in any instance shall not constitute continuing consent in subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Bondowner Representative.

(s) Multiple Parties; Corporate Authority. All obligations of Borrower under this Agreement shall be joint and several, and all references to Borrower shall mean each and every Borrower. This means that each of the Borrowers signing below is responsible for all obligations in this Agreement. Where any one or more of the parties are corporations or partnerships or limited liability companies, it is not necessary for Bondowner Representative to inquire into the powers of any of the parties or of the officers, directors, partners, members, or agents acting or purporting to act on their behalf.

(t) Errors and Omissions. Borrower, for and in consideration of the Loan, agrees, if requested by Bondowner Representative, to fully cooperate and adjust for clerical errors, if any, in any or all of the Loan Documents if deemed necessary or desirable in the reasonable discretion of Bondowner Representative to enable Bondowner Representative to sell, convey, seek guaranty or market said Loan to any entity, including but not limited to an investor, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, Government National Mortgage Association, Federal Housing Authority or the Department of Veteran Affairs, or any municipal bonding authority. Borrower agrees to comply with all above noted requests by Bondowner Representative within thirty (30) days from date of mailing said requests. Borrower agrees to assume all costs including, by way of illustration and not limitation, actual expenses, legal fees and marketing losses for failing to comply with correction requests in above noted time period.

(u) Right of Setoff. Borrower grants to Lender a contractual security interest in, and hereby assigns, conveys, delivers, pledges, and transfers to Lender all Borrower's right, title and interest in and to, Borrower's accounts with Lender (whether checking, savings, or some other account), including without limitation all accounts held jointly with someone else and all accounts Borrower may open in the future, excluding however all IRA and Keogh accounts, and all trust accounts for which the grant of a security interest would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Borrower Notes against any and all such accounts.

(v) Adjustment of Interest Rate Upon Loss of Tax Exclusion. The interest rates applicable under the Tax-Exempt Note and with respect to the Series 2022Y-1 Bond are based on the assumption that interest income paid on the Series 2022Y-1 Bond and received by the owners of the Series 2022Y-1 Bond will be excludable from gross income under Section 103

of the Code and applicable State law, except for the Series 2022Y-1 Bond when owned by a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code. In the event that (i) Bondowner Representative receives a written opinion from a nationally recognized bond counsel to the effect that, in such counsel’s opinion, interest on the Series 2022Y-1 Bond will not be excluded from gross income of such owners for federal income tax purposes, other than as a result of the Series 2022Y-1 Bond being held by a “substantial user” or a “related party” to such “substantial user” as used in Section 147(a) of the Code; or (ii) any owner receives notice from the Internal Revenue Service or other government agency that interest payable on the Series 2022Y-1 Bond is not excludable from gross income of such owner for federal income tax purposes other than as a result of the being held by a “substantial user” or a “related party” to such “substantial user” as used in Section 147(a) of the Code, or that the Internal Revenue Service is challenging the tax-exempt status of the interest on the Series 2022Y-1 Bond, then the interest rate on the Tax-Exempt Note, the Series 2022Y-1 Bond and on all obligations under this Agreement shall be increased to a rate equal to the “Prime Rate” in effect for Banner Bank from time to time plus 2.00% not to exceed the Maximum Rate defined in the Indenture. In addition, Bondowner Representative shall be paid, promptly upon demand, an amount equal to the difference between the amount of interest payable on the Tax-Exempt Note from the date on which such loss of tax exemption on the Series 2022Y-1 Bond shall be applicable to the date on which the interest rate on the Note was increased and the amount of interest that would have been payable on the Tax-Exempt Note during such period had the Tax-Exempt Note borne interest during such period at such higher rate. If, following any increase in interest rates pursuant to this Section, a final determination is made, to the satisfaction of Bondowner Representative, that interest paid on the Series 2022Y-1 Bond was, at all times prior to the determination, and will continue to be, excludable from the owner’s gross income under Section 103 of the Code and applicable state law, Bondowner Representative shall promptly refund within 30 days of receipt of such determination of a demand to the Borrower any additional interest paid by the Borrower pursuant to this Section.

(w) **Subordination to Extended Use Agreement.** In order to receive an allocation of low income housing tax credits, Borrower will be required to record in the real property records of the county in which the property is located, an “extended low-income housing commitment” (as defined in Code Section 42(h)(6)(B)) (the “**Extended Use Agreement**”). Bondowner Representative agrees that the lien of the Deed of Trust may be subordinated to the Extended Use Agreement, provided, however, that the following conditions are met:

(i) under the terms of the Extended Use Agreement, if Bondowner Representative, or its successors or assigns (collectively, the “**REO Owner**”) acquire the Property and Improvements by foreclosure (or instrument in lieu of foreclosure), then the “extended use period” (as defined in Code Section 42(h)(6)(D)) shall terminate, except for the obligation of the REO Owner to comply with the limitations on evictions, termination of tenancy and increase in rents for the three year period following the REO Owner’s acquisition of the Property, as set forth in Code Section 42(h)(6)(E)(ii).

(x) **NOTICE, REPRESENTATIONS, WARRANTIES AND COVENANTS REGARDING COMPLIANCE WITH ANTI-TERRORISM LAWS.**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires Bondowner Representative to obtain, verify, and record information that identifies each person who opens an account. This means that Bondowner Representative will ask for Borrower's name, Tax ID number, address, date of birth, and other information, as applicable, including identifying documents that will allow Bondowner Representative to properly identify Borrower. In addition, Borrower hereby represents and warrants to, and agrees with, Bondowner Representative as follows regarding Anti-Terrorism Laws:

(i) None of Borrower or any loan guarantor or their respective constituents or affiliates or any of their respective agents acting or benefiting in any capacity in connection with the Loan (collectively, the "**Borrower Parties**", each a "**Borrower Party**") is in violation of any laws relating to terrorism or money laundering, including, but not limited to, Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the "**Executive Order**") and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107-56 ("**Patriot Act**"), collectively referred to herein as "**Anti-Terrorism Laws**";

(ii) No action, proceeding, investigation, charge, claim, report, or notice has been filed, commenced, or threatened against any Borrower Party alleging any violation of any Anti-Terrorism Law;

(iii) No Borrower Party has, after due investigation and inquiry, knowledge, or notice of any fact, event, circumstance, situation, or condition that could reasonably be expected to result in (i) any action, proceeding, investigation, charge, claim, report, or notice being filed, commenced, or threatened against any of them alleging any violation of, or failure to comply with, any Anti-Terrorism Law, or (ii) the imposition of any civil or criminal penalty against any of them for any failure to so comply;

(iv) No Borrower Party or, to Borrower's knowledge, the seller of the Property (if any portion of the Property is being acquired with proceeds of the Loan), is a "Prohibited Person." A Prohibited Person means any of the following:

(v) a person or entity that is listed in the Annex to, or is otherwise subject to the provisions of, the Executive Order;

(vi) a person or entity owned or controlled by, or acting for or on behalf of, any person or entity that is listed in the Annex to, or is otherwise subject to the provisions of, the Executive Order;

(vii) a person or entity with whom Bondowner Representative is prohibited from dealing or otherwise engaging in any transaction by any Anti-Terrorism Law;

(viii) a person or entity who commits, threatens, or conspires to commit or supports "terrorism" as defined in the Executive Order; or

(ix) a person or entity that is named as a “specially designated national and blocked person” on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website or any replacement website or other replacement official publication of such list;

(x) No Borrower Party or, to Borrower’s knowledge, the Seller of the Property (if any portion of the Property is being acquired with proceeds of the Loan) (i) conducts any business or engages in making or receiving any contribution of funds, goods, or services to or for the benefit of any Prohibited Person, (ii) deals in, or otherwise engages in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order, or (iii) engages in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law;

(xi) Borrower shall not (i) conduct any business or engage in making or receiving any contribution of funds, goods, or services to or for the benefit of any Prohibited Person, (ii) deal in, or otherwise engage in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order or any other Anti-Terrorism Law, or (iii) engage in or conspire to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law;

(xii) Notwithstanding any other provision of this Agreement, before any assignment, mortgage, encumbrance, pledge, hypothecation or grant of a security interest in all or any direct or indirect ownership interest in Borrower, and before any changes in direct or indirect ownership of any Borrower Party, Borrower shall give a written notice to Bondowner (i) advising Bondowner, in reasonable detail as to the proposed ownership change, and (ii) reaffirming that the representations and warranties herein contained will remain true and correct.

Borrower agrees to deliver to Bondowner any certification, other evidence requested from time to time by Bondowner in its reasonable discretion, and sufficient information (including names, addresses, and where applicable, jurisdiction of formation or organization) to reasonably permit Bondowner to verify and confirm the accuracy of, and Borrower’s compliance with, the foregoing representations, warranties and agreements.

(y) **BUSINESS TAX REGISTRATION CERTIFICATE.** Subject to any exemption available to it, each of Borrower and Bondowner Representative represents that it has obtained or will obtain the Business Tax Registration Certificate(s) required by the Issuer’s Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). Solely to the extent applicable to either, for the term covered by this Agreement, Borrower and Bondowner Representative each shall maintain, or obtain as necessary, any such Business Tax Registration Certificate(s) required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate(s) to be revoked or suspended.

(z) CHILD SUPPORT ASSIGNMENT ORDERS. This Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, Borrower certifies that (1) it will fully comply with all State and Federal employment reporting requirements applicable to Child Support Assignment Orders; (2) that the principal owner(s) of Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (3) it will fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (4) it will maintain such compliance throughout the term of the Bond Regulatory Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of Borrower to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of Borrower to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by Borrower as appropriate, under the terms of this Agreement, subjecting Borrower to the remedies provided herein where, in either case, such failure shall continue for more than ninety (90) days after notice of such failure to Borrower by Issuer. Any subcontract entered into by Borrower relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of Borrower to obtain compliance of its subcontractors shall constitute a default by Borrower under the terms of this Agreement, subjecting Borrower to the remedies provided herein where such failure shall continue for more than ninety (90) days after notice of such failure to Borrower by Issuer.

The Borrower shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower hereby affirms that it is fully complying with the earning assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of Section 7110 of the Public Contract Code.

(aa) AMERICANS WITH DISABILITIES ACT. Borrower hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Laws (as defined in Exhibit I of the Bond Regulatory Agreement). Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with the applicable provisions of: (i) the Americans with Disabilities Act, 42 U.S.C. Section 12101 *et seq.* and its implementing regulations, and the American Disabilities Act Amendments Act (ADAAA), Pub. L. 110 325 and all subsequent amendments; (ii) Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794, the implementing regulations at 24 C.F.R. Part 8, as well as the requirements of Uniform Federal Accessibility Standards, 24 C.F.R. Section 40, Appendix A; (iii) the Fair Housing Act, 42 U.S.C. Sections 3601 3620; 24 C.F.R. Parts 100, 103, and 104, and its implementing regulations; and (iv) applicable California building codes. Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a

disability. Any contract and subcontract entered into by Borrower relating to this Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this Section.

(bb) RELIANCE BY ISSUER. Anything in the Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Agreement that (a) the Issuer may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Bond Trustee, the Borrower, the Bondowner Representative or any Bondowner as to the existence of any fact or scale of affairs, (b) the Issuer shall not be under any obligation under the Indenture or this Agreement to perform any recordkeeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Bond Trustee, the Bondowner Representative or by any Bondowner and (c) none of the provisions of the Indenture, this Agreement, the Bond Regulatory Agreement or any Loan Document shall require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under the Indenture, this Agreement, the Bond Regulatory Agreement and any Loan Document unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. It is recognized that notwithstanding any other provision of this Agreement, neither the Borrower nor any Bondowner shall look to the Issuer or the members of its City Council, officers, program participants, attorneys, accountants, financial advisors, agents or staff for damages suffered by the Borrower or such Bondowner as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Agreement, the Bond, the Bond Regulatory Agreement, any of the Loan Documents or any of the other documents referred to herein or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason except for representations made by the Issuer in any certificate of the Issuer and the opinion of counsel to the Issuer delivered on the Closing Date.

(cc) Disclosure of Border Wall Contracting Ordinance. Borrower shall comply with Los Angeles Administrative Code Section 10.50 et seq., "Disclosure of Border Wall Contracting". WHEREAS, in order for interest on the Bond to be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “Code”), and the below-defined Regulations and rulings with respect to the Code, and in order to comply with the Law, the Act and the policies with respect to the City’s housing program, the use and operation of the Project must be restricted in certain respects; and

In the event of any conflict between this Regulatory Agreement and the CDLAC Conditions, the most restrictive requirement shall govern.

Section 2. Acquisition, Construction and Equipping of the Project. The Borrower hereby represents as of the date hereof, covenants and agrees with the City and the Trustee as follows:

(a) The Borrower has incurred, or will incur within six months after the Closing Date, a substantial binding obligation to commence the acquisition, [of a leasehold interest as applicable of the Project Site and] construction and equipping of the Project, pursuant to which the Borrower is or will be obligated to expend at least 5% of the proceeds of the Loan financed from proceeds of the Bond.

(b) The Borrower’s reasonable expectations respecting the total cost of the acquisition, construction and equipping of the Project are accurately set forth in the Borrower Cost Certificate (the “Borrower Cost Certificate”) submitted to the City on the Closing Date.

(c) The Borrower has acquired the Project Site [through a leasehold estate] and will, within six months following the Bond Closing Date, commence the construction of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute “Qualified Project Costs” unless, at the time

Bond proceeds are expended to pay such costs, the Borrower and the seller of such assets are not “related parties” as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition, construction and equipping of the Project and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 30 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Bond proceeds pursuant to the Indenture and the Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of Bond proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Trustee with an opinion of Bond Counsel to the effect that the Tax-exempt status of interest on the Bond will not be adversely affected if less than the aforesaid percentage, but not less than 95%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than 25% of the proceeds of the Bond expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) [Reserved].

(f) No proceeds of the Bond will be used to pay or reimburse any cost (i) incurred more than 60 days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Bond proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, construction and equipping of the Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any “related person” (as such phrase is used in Section 147(a)(2) of the Code) has made any expenditure in connection with the acquisition, construction or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the construction of the Project, and (C) no off-site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Bond to be applied in a manner contrary to the Indenture, the Loan Agreement, the Law, the Act or the Code.

(h) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Construction Completion Certificate to CDLAC, the Trustee and the City, signed by the Authorized Borrower Representative. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist. The Construction Completion Certificate shall be delivered to the Trustee no later than the date 30 months from the Closing Date unless the Borrower delivers to the Trustee a certificate of the City consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Bond being included in gross income for federal income tax purposes.

(i) The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Bond proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Bond proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any related person (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation Section 1.103-8(a)(1)) so that the amount of Bond proceeds expended on such Qualified Project Costs is at least 97% of the amount of Bond proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Trustee and the City of an approving opinion of Bond Counsel, the percentage of such amounts so used may be 95%.

(j) No Bond proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

Section 3. Residential Rental Property. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Subsection 3(a), the term “functionally related and subordinate facilities” includes facilities for use by the tenants (for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel.

Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Housing Units (as defined in Exhibit I hereto) shall also comply with the requirements of Exhibit I. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units (which shall not include any manager units) in the Project will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent of the following: (1) any dwelling units that are required to be leased or rented to Low Income Tenants, (2) to the extent not otherwise inconsistent with the requirements of this Section 3(e), the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, (4) any preference Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law, [and (5) Accessible Housing Units shall be made available to persons with disabilities as provided in Exhibit I.] and (6) the requirements of the Ground Lease.]

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Project shall be maintained in conformity with the habitability and fire codes of the City of Los Angeles.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, and subject to the provisions of the Indenture and the Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

Section 4. Low Income Tenants; Records and Reports. Pursuant to the requirements of the Code and the City, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. Within 30 days after the date on which 50% of the dwelling units in the Project are occupied by tenants providing an Income Certification, the Borrower shall execute and deliver to the City (with a copy to the Los Angeles Housing Department, Occupancy Monitoring Section, 1200 West 7th Street, 8th Floor, Los Angeles, CA 90017), and a copy to CDLAC and the Trustee, a Certificate of Qualified Project Period.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least 40% of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than 40% of the total number of completed units of the Project (excluding units occupied by property managers) shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this subsection (b), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the

character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the 40% requirement of subsection (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification dated no later than the day prior to the initial occupancy of such Low Income Tenant in the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification. The Borrower will obtain such additional information as may be required in the future by the State of California, by the City and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the City) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the City no later than the fifteenth day of each month until such report indicates compliance with Section 4(b) and thereafter on the fifteenth day of each [May] and [November] until the end of the Qualified Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the City shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification satisfactory to the City.

(e) The Borrower will use its best efforts to maintain complete and accurate records pertaining to the Low Income Units, and will with reasonable notice permit any duly authorized representative of the City, the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the City and the Trustee, no later than the fifteenth day of each month following the receipt by the Trustee of the Construction Completion Certificate to and including the month in which such report indicates that 40% of the occupied units (excluding units occupied by property managers) are occupied by Low Income Tenants, and thereafter no later than the fifteenth day of each [May] and [November] until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to subsection (b) of this Section 4, by Low Income Tenants during such period; (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default; and (iii) that, to the knowledge of the Borrower, no Determination of Taxability has occurred, or if a Determination of Taxability has occurred, setting forth all material facts relating thereto.

(g) On or before each February 15 during the Qualified Project Period, the Borrower will submit to the City a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 during the Qualified Project Period the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the City has responded to such draft.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase. Notwithstanding anything in this Section 4(h) to the contrary, such tenant's rent may be increased only pursuant to Section 7(l) hereof.

(i) Pursuant to the CDLAC Conditions attached hereto and for the entire term of the Regulatory Agreement, the Project shall consist of 71 units plus 2 manager units of which at least 71 qualified residential units shall be rented or held vacant for rental for

persons or families whose income is at or below 50% of the area median income as shown in the chart below:

Unit Type	Units at or below 50% AMI	Unrestricted (Manager's Units)	Total Number of Units
1-bedroom	54	0	54
2-bedroom	17	2	19
Total	71	2	73

Section 5. Tax-exempt Status of the Bond. The Borrower and the City make the following representations, warranties and agreements for the benefit of the holder of the Bond from time to time:

(a) The Borrower and the City will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Bond and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Bond becomes taxable to a person solely because such person is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code.

(b) The Borrower and the City will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the City and the Trustee, with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the City will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the City and the Trustee, with a copy to the Borrower, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not knowingly enter into any agreements which would result in the payment of principal or interest on the Bond being “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) Subject to Section 14 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have no obligation to monitor such transferee's compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related party (as defined in Section 1.150-1(b) of the Regulations) thereto shall not acquire the Bond in an amount related to the amount of the Loan.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth in Sections 2 through 5, and without limiting any additional requirements in Section 7, during the Qualified Project Period, the Borrower and the City hereby agree to comply with each of the requirements of the Act, all provisions in the Health and Safety Code of the State of California applicable to "affordable housing units" as defined therein and, without limiting the foregoing, the Borrower hereby specifically agrees to comply with each of the requirements set forth in this Section 6, as follows:

(a) As provided in Section 52097.5 of the Act, not less than 40% of the total number of units in the Project (excluding units occupied by property managers) shall be reserved for occupancy by tenants whose adjusted gross income does not exceed 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(b) The rents paid by the tenant for the units reserved pursuant to paragraph (a) of this Section (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed the amount derived by multiplying 30% times 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(c) During the Qualified Project Period the Borrower shall file Certificates of Continuing Program Compliance in the form and at the time required by Sections 4(d) and (f) hereof that shall contain sufficient information to allow the City to file any annual report required by the Act or pursuant to California Government Code Section 8855.5 and the Borrower shall provide to the California Debt and Investment Advisory Commission any annual report information required by California Government Code Section 8855(k)(1) until the later of the date the Bond is no longer outstanding or the proceeds of the Bond have been fully spent.

(d) No portion of the Bond shall be used to finance the acquisition, construction, equipping, rehabilitation, refinancing or development of commercial property for lease.

(e) The Borrower shall not apply selection criteria to certificate holders under Section 8 of the Housing Act that are more burdensome than the criteria applied to all other prospective tenants.

(f) Following the expiration or termination of the Qualified Project Period with respect to the Project, except in the event of foreclosure and redemption of the Bond, deed in lieu of foreclosure, eminent domain or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant hereto shall remain available to any eligible household occupying a reserved unit at the date of expiration or termination, at a rent not greater than the amount set forth in (b) above, until the earliest of any of the following occur:

(i) The household's income exceeds 140% of the maximum eligible income specified herein;

(ii) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this Section, means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project;

(iii) Thirty (30) years after the date of the commencement of the Qualified Project Period relative to the Project; and

(iv) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) During the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to Low Income Tenants reserved units that have been vacated to the same extent that nonreserved units are made available to tenants other than Low Income Tenants.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

Section 7. Additional Requirements of the City. In addition to, and not in derogation of, the requirements set forth in the preceding and following sections of this Regulatory Agreement, each of which is hereby incorporated in this Section as a specific requirement of the City, whether or not required by California or federal law, the Borrower represents, warrants, covenants and agrees as follows:

(a) The Borrower shall promptly provide to the City such information with respect to the Project or the Bond as the City shall from time to time request. The Borrower shall provide written notice to the City of receipt of a certificate of occupancy or other official authorization to occupy the Project immediately upon receipt.

(b) The Low Income Units shall be of comparable quality to all other units in the Project, shall be dispersed throughout the Project, and shall offer a range of size and number of bedrooms comparable to those units which are available to other tenants; and Low Income Tenants shall have access to and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

(c) The Borrower agrees that it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age, sexual orientation, gender identity/expression, transgender status, disability (except to give priority to persons with disabilities for the occupancy of Accessible Housing Units), marital status, domestic partner status or medical condition. All contracts entered into by the Borrower which relate to the Project shall contain a like provision. The Borrower shall comply with the provisions of Sections 10.8.2 and 10.8.4 of the Administrative Code of the City, the provisions of which are hereby incorporated by reference.

(d) [Reserved].

(e) For the Qualified Project Period, the Borrower will comply with the provisions of the Unruh Civil Rights Act, including, without limitation, Sections 51.2 and as applicable, 51.3 of the California Civil Code, as amended, and Sections 45.50 et seq. of the Los Angeles Municipal Code, as amended.

(f) The lease to be utilized by the Borrower in renting any residential units in the Project to Low Income Tenants shall provide for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of California law, for any tenant who fails to qualify as a Low Income Tenant and who has made a material misrepresentation on the Income Certification as to such tenant's qualification as a Low Income Tenant. All such leases shall contain clauses, among others, wherein each individual lessee (i) certifies the accuracy of the statements made in the Income Certification and (ii) agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of the lessee's tenancy; that the lessee will comply promptly with all requests for information with respect thereto from the Borrower or the City; and that the lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the lessee's tenancy and shall be a default thereunder. Additionally, such lease shall contain provisions informing any tenant of the possibility of rental payment increases in accordance with the terms of this Regulatory Agreement.

(g) All Income Certifications will be maintained on file at the Project or, with the prior written consent of the City, at the principal place of business of the Borrower or

the property manager of the Project, so long as this Regulatory Agreement is in effect and for five years thereafter with respect to each Low Income Tenant who occupied a residential unit in the Project during the Qualified Project Period.

(h) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants.

(i) The Borrower shall submit to the City (i) at the times specified in Sections 4(d) and (f) herein, a Certificate of Continuing Program Compliance, which shall include the information called for therein, including occupancy records for all units in the Project, and (ii) within 15 days after receipt of a written request, any other information or completed forms requested by the City, in each case, in order to comply with reporting requirements of the Internal Revenue Service or the State of California, including, without limitation, information necessary for the City to file any periodic report, or any other information concerning the Project as the City may reasonably request.

(j) All workers performing construction work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greatest of (i) the general prevailing rate of per diem wages (“Prevailing Wages”) as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations, (ii) the general prevailing rate of per diem wages as determined by the U.S. Labor Department pursuant to the Davis–Bacon Act under 40 U.S.C.S. 3141–3148 and implementing regulations (“Davis-Bacon Wages”), if applicable; and (iii) the “Living Wage” as determined by the policies and procedures of the City of Los Angeles. The Borrower shall comply with all reporting and recordkeeping requirements of the City’s prevailing wage policy. The Borrower shall, and shall cause the contractors and subcontractors to, submit data and documents related to Prevailing Wages or Davis-Bacon Wages, if applicable, using the LCP Tracker or comparable LAHD-approved program. The fee for the LCP Tracker, or comparable LAHD-approved program, will be in the amount equal to Three One-Hundredths Percent (0.03%) of the total construction cost, which fee shall be paid in full to the City within 30 days of execution of this Agreement.

(k) The City may, at its option and at its expense, at any time appoint an administrator to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the City to deliver to such administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such administrator as an agent of the City.

(l) If upon the annual certification or recertification required in Section 4(d) a tenant’s Adjusted Income exceeds 140% of the then applicable income limit for a

Low Income Tenant of the same family size, all rental limits herein previously applicable to the unit occupied for such tenant shall continue to apply until the next available unit is rented to a tenant who is a Low Income Tenant.

(m) The Borrower shall give written notice to all Low Income Tenants at the Project, the City, the Housing Authority of the City of Los Angeles (“HACLA”) and the California Department of Housing and Community Development (“HCD”) as follows (see also California Government Code Sections 65863.10 and 65863.11):

(i) Upon initial move-in/lease execution, the Borrower shall give written notice to all tenants of Low Income Units, of the duration of the rent restrictions under this Regulatory Agreement. The Borrower must maintain, in its files, a copy of each notice containing each tenant’s signed acknowledgement of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be in effect for a term ending at the expiration of the Qualified Project Period. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

(ii) Thirty-six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing Department. In addition, the Borrower, within 36 months of a scheduled expiration of rental restrictions, shall also provide notice of the scheduled expiration of rent restrictions to any prospective tenant at the time he or she is interviewed for eligibility.

(iii) Twelve months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing Department. The Borrower must also provide any tenant association at the Project, the Mayor of the City, HACLA and HCD with a notice of the opportunity to purchase the Project Site in accordance with the provisions of California Government Code Section 65863.11.

(iv) Six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code

Section 65863.10, to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing Department.

(v) Ninety days prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must again give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants to the Mayor of the City, HACLA, HCD, and the Los Angeles Housing Department.

Unless the Borrower meets the requirements of California Government Code Section 65863.13, pursuant to California Government Code Section 65863.11, prior to or concurrently with the 12 month notice referenced above in (iii), the Borrower must provide notice of the opportunity to offer to purchase the assisted housing development to all qualified entities including those on the list maintained by the California Department of Housing and Community Development as well as to those qualified entities that contact the Borrower directly, in compliance with California Government Code Sections 65863.11(d) and 65863.11(g). The notice shall conform to the requirements of California Government Code Section 65863.11(h) and shall be sent to the entities by registered or certified mail, return receipt requested. The Borrower shall also post a copy of the notice in a conspicuous place in the common area of the Project.

(n) The Borrower shall, on the Closing Date, pay to the City its initial fee and thereafter pay to the City its ongoing fees with respect to the issuance of the Bond as follows. The Borrower shall pay the City an initial fee immediately upon issuance of the Bond equal to \$[_____] (0.25% of the combined aggregate maximum principal amount of the Bond and the City's Multifamily Housing Revenue Bond (Luna Vista Apartments) Taxable Series 2022Y-2 issuable under the Indenture (\$[14,600,000])). In addition, the Borrower shall, as compensation for the City's monitoring of the provisions of this Regulatory Agreement, pay to the City, semiannually in arrears, prorated for the initial payment, on the first day of each [May] and [November] commencing [May] 1, 2023, for the period from the date of issuance of the Bond through the end of the Qualified Project Period, prorated for the initial and any subsequent partial period, a semiannual amount equal to: (A) during the period from the Closing Date to the Conversion Date, the greater of \$1,500 or one-half of 0.125% of the maximum principal amount of the Bond issuable under the Indenture (\$[23,663,000]); and (B) from and after the Conversion Date, the greater of \$1,500 or one half of 0.125% of the principal amount of the Bond Outstanding under the Indenture immediately after the Conversion Date; or in either case, such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes. Throughout the term of this Agreement, the Trustee, the City, [or any servicer of the Loan], as applicable, shall provide an invoice to the Borrower at least 30 days prior to the due date of each such payment (and if applicable, a copy of which shall be provided to the City) and shall collect such payments from the Borrower and immediately remit such funds to the City. In the event of any prepayment of the Bond in whole, prior to the end of the Qualified Project Period, the Borrower, at its election, shall either: (A) pay to the City, on or before such payment, an amount equal to the present value of the remaining City fees payable

hereunder, as calculated by the City, using a discount rate equal to the yield on the date of prepayment on the United States treasury security maturing on the date nearest the end of the Qualified Project Period, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes; or (B) enter into a trustee agreement with a corporate trustee acceptable to the City requiring the trustee appointed thereunder to bill and collect from the Borrower and to pay to the City on an annual basis, in arrears on or before each [November] 1, the annual fee described above. The Borrower shall bear the cost of such trustee through the term of this Regulatory Agreement. The Borrower shall not be required to pay the fee described in the preceding sentences if the Bond is prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof.

(o) The Borrower shall pay to the City a processing fee equal to the greater of: (i) \$5,000; or (ii) 0.125% of the permanent principal amount of the Bond, plus any expenses incurred by the City, including, without limitation, Bond Counsel, City attorney and financial advisor fees, as a condition to the consideration and receipt of any consent, approval, amendment, transfer or waiver requested of the City with respect to the Project, the Project Site or the Bond. The City shall provide an invoice directly to the Borrower for such amounts.

(p) The Borrower shall pay the City its then-current fees in connection with any consent, approval, transfer, amendment or waiver requested of the City, together with any expenses incurred by the City in connection therewith.

(q) The Trustee shall report to the City in writing semiannually, within 10 days of each June 30 and December 31, the principal amount of the Bond outstanding as of such June 30 or December 31, as appropriate.

(r) [Reserved].

(s) The Borrower shall include the City as an additional insured on all liability insurance policies relating to the Borrower or the Project.

(t) The Borrower shall not rent any Low Income Unit to: (i) any individual who (A) holds an ownership interest in the Borrower, any general partner or member (or owner of such general partner or member) of the Borrower, (B) is an officer, board member, employee or agent of, or consultant to, the Borrower or any general partner or member thereof or owner of such general partner or member or (C) is a developer of the Project (collectively, an "Owner/Developer"); (ii) any Immediate Family Member of an Owner/Developer ("Immediate Family Members" consists of: (A) spouses, (B) children, (C) parents and grandparents, (D) siblings, (E) in-laws, including brother/sister-in-law and mother/father-in-law and son/daughter-in-law or (F) significant other or domestic partner); or (iii) any elected official or his or her spouse/partner, who participated in the deliberative process, vote or consideration of legislative action regarding the issuance of the Bond or other loan in support of the Project.

The Borrower shall include a certification in each tenant application that the applicant is not an Owner/Developer, an elected official who participated in the issuance of the Bond or an Immediate Family Member thereof. The Borrower recognizes and agrees that the penalty for violation of the above covenant shall be a fine of \$5,000 per violation/ per unit.

(u) Neither the Borrower nor any general partner thereof shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify the City as the source of the financing provided for the Project, without the prior written approval of the City (provided that nothing herein shall prevent the Borrower or any general partner thereof from identifying the City as the source of such financing to the extent that the Borrower or any general partner thereof is required to do so by disclosure requirements applicable to publicly held companies).

[(v) The Borrower shall comply with all applicable requirements of the Ground Lease and shall provide prompt written notice to the City and the Trustee of any default thereunder.]

Any of the foregoing requirements of the City may be expressly waived by the City in writing in the City's sole discretion, but (i) no waiver by the City of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, including particularly but without limitation the provisions of Sections 2 through 6 hereof, except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Act or the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to become includable in gross income for federal income tax purposes, if such opinion is accompanied by a copy of a ruling from the Internal Revenue Service to the same effect, or to the effect that compliance with such requirement would be in conflict with the Act or the Law.

Section 8. Modification of Covenants. The Borrower, the Trustee and the City hereby agree as follows:

(a) To the extent any amendments to the Law, the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Borrower (with a copy to the Bondowner Representative), impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement in order to maintain the Tax-exempt status of interest on the Bond, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Law, the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Borrower (with a copy to the Bondowner Representative), impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the City, the Trustee and the Borrower and approved by the written opinion of Bond Counsel to the effect that such amendment is permitted by the Law and the Act and will not affect the Tax-exempt status of interest on the Bond. The City shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the City, whether or not required by California or federal law.

(c) The Borrower, the City and, if applicable, the Trustee shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and the City hereby appoints the Trustee as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file or record on behalf of the City, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if the City defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the City, the Trustee shall take no action under this subsection (c) without first notifying the City and without first providing the City an opportunity to comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to allow the Trustee to execute an amendment to this Regulatory Agreement on behalf of the City.

Section 9. Indemnification. The Borrower shall defend, indemnify and hold harmless the City and the Trustee and the respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (collectively, the “Indemnified Parties”) against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to (a) the design, construction, installation, operation, use, occupancy, maintenance, financing or ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto), (b) any written statements or representations with respect to the Borrower, the Project or the Bond made or given to the City or the Trustee, or any underwriters or purchaser of the Bond, or any tenants or applicants for tenancy in the Project or any other person, by the Borrower, or any Authorized Borrower Representative, including, but not limited to, statements or representations of facts, financial information or limited partnership affairs, (c) the Bond or the Tax-exempt status of interest on the Bond; (d) the failure or alleged failure of any person or entity (including the Borrower, its contractor or subcontractors) to pay the general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations in connection with the construction of the improvements or any other work undertaken or in connection with the Project; or (e) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project (whether before or after the date of this Agreement and whether or not the Borrower

knew of the same); provided, however, that this provision shall not require the Borrower to indemnify the Indemnified Parties from any claims, costs, fees, expenses or liabilities arising from its active negligence or willful misconduct or, in the case of the Trustee, its negligence, fraud or willful misconduct. The Borrower also shall pay and discharge and shall indemnify and hold harmless the City and the Trustee from (i) any lien or charge upon payments by the Borrower to the City and the Trustee hereunder or under the Bond Documents and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges are sought to be imposed, the City or the Trustee shall give prompt notice to the Borrower and the Borrower shall, as provided in the following paragraph, have the right to assume the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion, provided that the City and the Trustee shall have the right to review and approve or disapprove any such compromise or settlement. In addition thereto, the Borrower will pay upon demand all of the reasonable fees and expenses paid or incurred by the Trustee and/or the City in enforcing the provisions hereof against the Borrower. The Borrower shall also pay the City its standard fees and reimburse the City for its expenses in connection with any consent, approval, amendment, waiver or other action taken at the request or for the benefit of the Borrower in connection with this Regulatory Agreement, the Bond or any other document or agreement relating thereto. In the event of any audit or inquiry regarding the Bond or the Project from any governmental entity, the Borrower shall, at the election of the City, be responsible for responding to and resolving such audit or inquiry at the expense of the Borrower.

Promptly after receipt by any party entitled to indemnification under this Section 9 of notice of the commencement of any suit, action or proceeding, such Indemnified Party shall, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any Indemnified Party otherwise than under this Section 9 or from any liability under this Section 9 unless the failure to provide notice prejudices the defense of such suit, action or proceeding. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party, the indemnifying party shall be entitled to participate in, and to the extent that it may elect by written notice delivered to the Indemnified Party within five Business Days after receiving the aforesaid notice from such Indemnified Party (but shall not be required) to assume, the defense thereof, with counsel reasonably satisfactory to such Indemnified Party; provided, however, if the defendants in any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there are legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, the Indemnified Party or Parties shall have the right to select separate counsel to assert such legal defenses and otherwise to participate in the defense of such action on behalf of such Indemnified Party or Parties. Upon the indemnifying party's receipt of notice from the Indemnified Party of such Indemnified Party's election so to assume the defense of such action and selection by the Indemnified Party of counsel, the indemnifying party shall not be liable to such Indemnified Party under this Section 9 for any attorneys' fees or expenses subsequently incurred by such Indemnified Party for the engagement of separate counsel in connection with defense thereof unless (i) the Indemnified Party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the

next preceding sentence, (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party or shall not have employed such counsel within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of separate counsel to represent the Indemnified Party at the expense of the indemnifying party. Notwithstanding the foregoing, the Trustee shall not be indemnified for income tax, franchise tax or similar tax liability relating to the Trustee's own income and operations.

Section 10. Consideration. The City has issued the Bond to provide funds to finance the acquisition, construction and equipping of the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and equip the Project. In consideration of the issuance of the Bond by the City, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The City and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bond and in the exemption from federal income taxation and California personal income taxation of the interest on the Bond. In performing their duties and obligations hereunder, the City and the Trustee may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the City and the Trustee may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City or the Trustee hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Trustee may, but shall not be required to, conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Trustee by the Borrower or the City with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Project in the City of Los Angeles. The Borrower hereby represents and warrants that the Project will be located entirely within the City.

Section 13. Sale or Transfer of the Project; Equity Interests. The Borrower hereby covenants and agrees not to voluntarily (which term shall not be interpreted to include a foreclosure of any security for the Loan, the granting by the Borrower of a deed-in-lieu of foreclosure, or any other comparable conversion of the Loan) sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld by the City and shall be given by the City if (a) the Borrower is not in default hereunder or under the Loan Agreement; (b) the purchaser or assignee is not in default under any obligations it may have to the City and is not the subject of any legal or enforcement actions by the City, and the purchaser or assignee certifies that the continued operation of the Project will comply with the provisions of this Regulatory Agreement; (c) evidence reasonably satisfactory to the City is presented to establish that the purchaser or assignee is willing to comply and is capable of complying with the terms and conditions of this

Regulatory Agreement; (d) either (i) evidence satisfactory to the City is presented to establish that the purchaser or assignee has at least three years' experience in the ownership, operation and management of rental housing projects, without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects or (ii) the purchaser or assignee agrees to retain a property management firm which the City determines has the experience and record described in subclause (i) above or (iii) the City determines that it has no reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee and relating to the Project; (e) the City and the Trustee shall have received (i) with respect to any transfer of the Project, reasonable evidence satisfactory to the City that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and the Loan Agreement, (ii) with respect to any transfer of the Project to a new Borrower, an opinion of counsel to the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) unless waived by the City, an opinion of Bond Counsel that such transfer will not adversely affect the Tax-exempt nature of the interest on the Bond, (iv) from the Borrower, a Certificate of Continuing Program Compliance (and a "bring-down" certificate, if necessary) current as of the date of transfer and (v) evidence satisfactory to the City that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by the City, the State of California or federal regulatory agencies; (f) the purchaser or assignee complies with the provisions of the Los Angeles Administrative Code Section 10.8.4 Affirmative Action Program Provisions; (g) the Borrower or transferee pays all costs of the transfer of title, including, but not limited to, the cost of meeting the conditions specified in this Section 13; and (h) such other conditions are met as the City may reasonably impose to assure compliance by the Project with the requirements of this Regulatory Agreement. It is hereby expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by the City in a separate writing, any sale, transfer or other disposition of the Project in violation of this Section 13 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been assumed by the transferee of the Project, without the necessity of further documentation. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13.

Notwithstanding the foregoing, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure, no consent of the City shall be required to such transfer under this Regulatory Agreement and no other conditions shall be required to be satisfied. However, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure and this Regulatory Agreement has not been terminated pursuant to Section 14 below, consent of the City and delivery of items (a) through (h) above shall be required for any transfer of the Project subsequent to the Trustee's acquisition of the Project by foreclosure or deed in lieu of foreclosure.

Notwithstanding anything to the contrary contained herein, the interest of the Borrower's limited partners shall, with prior written notice to the City, be transferable under this Regulatory

Agreement to any affiliate of the limited partners of the Borrower, without the consent of the City and/or Trustee but with prior written notice thereto.

The Borrower acknowledges and recognizes that in addition to the above requirements the consent of CDLAC, in the manner and to the extent as may at the time be required by CDLAC, among other parties, may be required in connection with any transfer of the Project.

Section 14. Term. This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section 14 shall terminate in its entirety at the end of the Qualified Project Period (or such later date provided in Section 33 hereof pursuant to the CDLAC Resolution, which imposes restrictions for a term of at least 55 years), it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond, discharge of the Loan and termination of the Indenture and the Loan Agreement.

Notwithstanding the foregoing, the provisions of Section 9 hereof shall, in the case of the Trustee, survive the term of this Regulatory Agreement or the replacement of the Trustee, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Trustee's tenure as Trustee under the Indenture, and shall, in the case of the City, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement and all the requirements set forth herein (except Section 9 as aforesaid) shall terminate and be of no further force and effect in the event of (a) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the City or the Trustee from enforcing the provisions hereof, or (b) condemnation, foreclosure, delivery of a deed in lieu of foreclosure or a similar event, but only if, within a reasonable period thereafter, either the portion of the Bond attributable to the affected portion of the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in Sections 2 through 6 of this Regulatory Agreement and provided that, in either case, an opinion of Bond Counsel (unless waived by the City) is delivered to the Trustee to the effect that the exclusion from gross income for federal income tax purposes of interest on the Bond will not be adversely affected thereby. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any "related party" (within the meaning of Section 1.150-1(b) of the Regulations) or "related person" (defined in Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related party as described above will obtain an ownership interest in the Project for tax purposes.

Upon the termination of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided,

however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 15. Covenants to Run with the Land. The Borrower hereby subjects its [leasehold] interest in the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. The City and, if necessary, the Trustee, agree to execute a quitclaim deed or other documents required to remove this Regulatory Agreement from title after the covenants, agreements and restrictions herein have expired. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Section 16. Burden and Benefit. The City and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's [legal][leasehold] interest in the Project is rendered less valuable thereby. The City and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bond was issued. Notwithstanding the foregoing or any other provision of this Regulatory Agreement, no person, other than the parties hereto, shall have any rights of enforcement of this Regulatory Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 18. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the City to the Borrower, then the City shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Bond. The Trustee hereby consents to any correction of the default by the City on behalf of the Borrower. The City and the Trustee each hereby consents to any correction of a default on the part of the Borrower hereunder made by the Borrower's limited partners on behalf

of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to the Borrower's limited partners at the address set forth in Section 23.

Following the declaration of an Event of Default hereunder, the Trustee, as directed by the City and subject to the provisions of the Indenture relative to the Trustee's duty to exercise remedies generally, or the City may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City or the Trustee hereunder;
- (b) have access to and inspect, examine and make copies of all or any portion of the books and records of the Borrower pertaining to the Project; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

During the Qualified Project Period, the Borrower hereby grants to the City the option, upon either (a) the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 18 of the Borrower's default under this Regulatory Agreement or (b) the vacancy of a Low Income Unit for more than six months and the submission by the City to the Borrower during such six-month or longer period of at least five proposed tenants which meet the qualifications of Low Income Tenants and the qualifications of a reasonable landlord, to lease up to 40% of the units in the Project for a rental of \$1.00 per unit per year for the sole purpose of subleasing such units to Low Income Tenants for a period of not less than six months, but only to the extent necessary to comply with the provisions of Sections 2 through 7 of this Regulatory Agreement and to insure full occupancy of the Low Income Units. The option granted in the preceding sentence shall be effective only if the Borrower or the Trustee has not instituted corrective action before the end of such 60-day period referenced in (a) above, or the Borrower has not rented the unit during the six-month or longer period referenced in (b) above, to a qualified Low Income Tenant. The option and any leases to the City under this provision shall terminate with respect to each default upon the achievement, by the Borrower, the Trustee or the City, of compliance with the requirements of Sections 2 through 7 hereof, and any subleases entered into pursuant to the City's option shall be deemed to be leases from the Borrower. The City shall make diligent effort, but shall not be required, to rent Low Income Units to Low Income Tenants at the highest rents practicable, subject to the limits of Sections 5, 6 and 7 hereof. Any rental paid under any such sublease shall be paid to the Borrower after the City has been reimbursed for any reasonable expenses incurred in connection with such sublease, provided that, if the Borrower is in default under the Loan Agreement, such rental shall be paid to the Trustee for credit against payments due under the Loan Agreement. The Trustee shall have the right, as directed by the City, in accordance with this Section 18 and the provisions of the Indenture, to exercise any or all of the rights or remedies of the City hereunder, provided that prior to taking any such action the Trustee shall give the City written notice of its intended action. All reasonable fees, costs and expenses of the City and the Trustee incurred in taking any action pursuant to this Section 18 shall be the sole responsibility of the Borrower.

After the Indenture has been discharged, the City may act on its own behalf to declare an “Event of Default” to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Trustee.

The obligations of the Borrower hereunder are not secured by a lien on the Project and the Loan shall not be accelerated as a result of any default hereunder. The Borrower hereby agrees that specific enforcement of the Borrower’s agreements contained herein is the only means by which the City may obtain the benefits of such agreements made by the Borrower herein and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any default by the Borrower hereunder.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

Section 19. The Trustee. The Trustee shall act as specifically provided herein and in the Indenture. The Trustee is entering into this Regulatory Agreement solely in its capacity as trustee under the Indenture, and the duties, powers, rights and liabilities of the Trustee in acting hereunder shall be subject to the provisions of the Indenture.

The City shall be responsible for the monitoring and verifying of compliance by the Borrower with the terms of this Regulatory Agreement. The Trustee may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by the City, or unless it has actual knowledge of noncompliance.

After the date on which no principal of the Bond remains outstanding as provided in the Indenture, the Trustee shall no longer have any duties or responsibilities under this Regulatory Agreement and all references to the Trustee in this Regulatory Agreement shall be deemed references to the City.

Section 20. Recording and Filing. The Borrower shall cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City or the Trustee may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement shall be recorded in the grantor-grantee index to the name of the Borrower as grantor and the City as grantee.

Section 21. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California. The Trustee’s rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Indenture.

Section 22. Amendments. Except as provided in Section 33(e), this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the City of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-exempt status of interest on the Bond and is not contrary to the provisions of the Law or the Act and with the written consent of the Trustee.

The City, the Trustee and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel (subject to the approval of the City Attorney of the City), in order that interest on the Bond remains Tax-exempt. The party or parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and the City Attorney of the City and a request that such Bond Counsel render to the City an opinion as to the effect of such proposed amendment upon the Tax-exempt status of interest on the Bond.

If any provision of this Regulatory Agreement or if the applicability of any such provision shall be invalid, illegal or unenforceable, the validity, legality, enforceability, or the applicability with respect to the validity, legality and enforceability, of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Nondiscrimination and Affirmative Action. The Trustee and the Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City of Los Angeles. The Trustee and the Borrower shall not: discriminate in their employment practices against any employee or applicant for employment; denial of family and medical care leave; or denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Trustee and the Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity", as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Trustee and the Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Trustee and the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower and the Trustee shall also comply with all rules, regulations, and policies of the City of Los Angeles' Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the City. Any subcontract entered into by the Borrower or the Trustee relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this Section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Regulatory Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 27. Business Tax Registration Certificate. Subject to any exemption available to it, the Trustee and the Borrower each represent that it will obtain and hold the Business Tax Registration Certificate(s) required by the City's Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Regulatory Agreement, each of the Trustee and the Borrower shall maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 28. Financial Obligations Personal to Borrower. The City acknowledges that the Project shall be encumbered by the Bond Documents. Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement, including indemnification obligations, shall not be a lien on the Project and no Person shall have the right to enforce such obligations other than directly against the Borrower as provided in Section 18 of this Regulatory Agreement, except that the City shall have the right at all times to enforce the rights contained in the third paragraph of Section 18 hereof. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligations of the Borrower under this Regulatory Agreement on the part of any prior Borrower, including, but not limited to, any payment or indemnification obligation. Such obligations are personal to the Person who was the Borrower at the time the default or breach was alleged to have occurred and such Person shall remain liable for any and all damages occasioned thereby even after such Person ceases to be the Borrower. Each Borrower shall comply with and be fully liable for all obligations of an “owner” hereunder during its period of ownership.

Section 29. [Reserved].

Section 30. Child Support Assignment Orders. This Regulatory Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower or the Trustee to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower or the Trustee to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower or the Trustee, as appropriate, under the terms of this Regulatory Agreement, subjecting (i) the Borrower to the remedies provided herein and (ii) the Trustee to termination under the Indenture where, in either case, such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Trustee by the City. Any subcontract entered into by the Borrower or the Trustee relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower or the Trustee to obtain compliance of its subcontractors shall constitute a default by the Borrower or the Trustee, as appropriate, under the terms of this Regulatory Agreement, subjecting (A) the Borrower to the remedies provided herein and (B) the Trustee to termination under the Indenture where such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Trustee by the City.

The Borrower and the Trustee shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower and the

Trustee each assures that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of Section 7110 of the Public Contract Code.

Section 31. Americans with Disabilities Act. The Borrower and the Trustee each hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Laws (as defined in Exhibit I). The Borrower, the Trustee, and each and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower or the Trustee, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph. The Borrower hereby agrees to observe all of the covenants contained in Exhibit I to this Regulatory Agreement as if contained herein.

Section 32. Slavery Disclosure Ordinance. This Regulatory Agreement is subject to the Slavery Disclosure Ordinance, Section 10.41 et seq. of the Los Angeles Administrative Code, as amended from time to time. Any subcontract entered into by the Borrower for work to be performed under this Regulatory Agreement must include an identical provision. The Borrower acknowledges and agrees that failure to fully and accurately complete the required affidavit and disclosures may result in a default under this Regulatory Agreement.

Section 33. Requirements of CDLAC. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 33, as follows:

(a) The Borrower shall comply with the conditions set forth in Exhibit A to the CDLAC Resolution (the “CDLAC Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and is attached hereto as Exhibit G. Notwithstanding anything to the contrary herein, the provisions of this Section 33 shall remain effective for the period specified in the CDLAC Conditions, unless this Regulatory Agreement shall terminate as otherwise provided in Section 14 hereof.

(b) The Borrower acknowledges that the City shall monitor the Borrower’s compliance with the terms of the CDLAC Conditions. The Borrower will cooperate fully with the City in connection with such monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions is the responsibility of the Borrower to report to the City.

(i) The Borrower shall prepare and deliver a Certificate of CDLAC Program Compliance pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year period) until the end of the Qualified Project Period, a Certificate of CDLAC Program Compliance, executed by an Authorized Borrower Representative.

(ii) The Borrower shall prepare and deliver a Self-Certification Certificate pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year period) until the end of the Qualified Project Period, a Self-Certification Certificate in the form provided by CDLAC.

(iii) Within 30 days following the completion of the Project, the Borrower will prepare and submit to the City, Trustee and CDLAC, a Construction Completion Certificate. Following the submission of the Construction Completion Certificate, the Borrower will prepare and submit to the City, not later than January 15 every three years thereafter until the end of the Compliance Period, a California Tax Credit Allocation Committee Project Status Report or equivalent documentation in substantially the form required or otherwise provided by CDLAC from time to time.

(c) Except as otherwise provided in Section 14 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least 50% of the units in the Project are first occupied or such later date as the Qualified Project Period shall begin, as required by the CDLAC Conditions.

(d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the issuer of the Bond, (iii) any change in the name of the Project or the Project manager; (iv) any default under the Indenture, the Loan Agreement or this Regulatory Agreement; or (v) termination of this Regulatory Agreement.

(e) Any of the foregoing requirements of CDLAC contained in this Section 33 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 33 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Code, the Act and the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any

requirement of this Section 33 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to cease to be Tax-exempt or to the effect that compliance with such requirement would be in conflict with the Code, the Act, the Law or any other state or federal law.

(f) CDLAC is intended to be and is a third party beneficiary of this Regulatory Agreement, and CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the City and/or the Trustee or to cause the City or the Trustee to enforce, the provisions of Section 33 of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Bondholder and shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

(g) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date at any time, that are not more restrictive than the original CDLAC Conditions; provided however, that, with the prior written consent of the Bondowner Representative, which will not be unreasonably withheld: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of Los Angeles County, California, of a regulatory agreement between the Borrower and the California Tax Credit Allocation Committee ("TCAC Regulatory Agreement") shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26, and/or 37 of Exhibit A to the CDLAC Conditions to any change in terms and conditions requested by the Borrower and approved by CDLAC. The City may, in its sole and absolute discretion, require the Borrower to enter into an amendment to this Regulatory Agreement reflecting the revised CDLAC Conditions, which amendment shall be executed by the parties hereto or their successor in title and duly recorded in the real property records of the County of Los Angeles. The Borrower shall pay any costs and expenses in connection therewith and provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions.

Such an accommodation must be granted unless it would (i) pose an undue financial and administrative burden, or (ii) fundamentally alter the essential nature of the program, service, or activity. Section 2. Borrower Obligations. The Borrower represents, warrants, covenants and agrees as follows:

- a. A State of California Certified Access Specialist (“CASp”) who is a licensed architect or engineer must be identified as part of the development team. A list of CASps can be found at the following link: https://www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx. The CASp cannot be the architect of record for the Project. The cost of CASp activities and certifications should be included in the application’s project budget.
- b. The Housing Development shall be constructed in accordance with the Accessibility Standards in Section 1 above to ensure accessibility for persons with disabilities. The Borrower must work with their CASp to ensure that the Housing Development complies with those Accessibility Standards.

- c. An accessibility report by a CASp inspector certifying that the Housing Development is in compliance with all applicable Accessibility Standards, as defined in Section 1, above, must be submitted to and approved by LAHD at the following phases of the Project development:
 - 1. Accessibility Design Review Report and a pdf copy of the plans are due for review by LAHD when construction documents have been developed, and prior to the submission of plans to Los Angeles Building and Safety Department;
 - 2. The Accessibility Design Review Report must be approved by LAHD before building permits can be issued;
 - 3. Accessibility Progress Inspection Reports conducted after all rough inspections have been signed off by the Los Angeles Building and Safety Department and prior to closing of walls; and
 - 4. LAHD will not issue a clearance for of issuance of a certificate of occupancy or final building permit sign off by the Los Angeles Building and Safety Department and release of a final retention payment unless: (a) corrections issued by LAHD are completed and approved; (b) LAHD approves the final Accessibility Report from CASp for the Project; (c) expert recommendation and City certification of compliance with applicable accessibility requirements are issued; and (d) neutral accessibility consultant verification and City certification of compliance with applicable accessibility requirements are issued.
- d. Applicants/developers/Borrowers must list all applicable accessibility standards on title page of plans, including the designated FHA Safe Harbor for the Project, and include the following note: *“This is a publicly funded housing project and must comply with federal accessibility standards and California Building Code Chapters 11A & 11B.”*
- e. If the Development is to be rehabilitated, accessibility retrofits of the Housing Development shall take place concurrently with any Project rehabilitation in compliance with the Accessibility Standards, including federal accessibility standards.
- f. The Accessible Units shall be prioritized for persons with disabilities who have a disability-related need for the accessibility features of the Accessible Unit. If an Accessible Unit is occupied by residents without disabilities, the Borrower shall require use of a lease addendum to require such residents to relocate to a vacant, non-accessible unit of comparable size, finishes, and amenities, at the same Development at the Development’s expense, within thirty (30) days of notice by the Borrower or Property Management Agent,

or the minimum amount of notice required by state law, that there is an eligible applicant or existing resident with a disability who requires the accessibility features of the unit.

- g. Eleven percent (11%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Mobility Features.
- h. An additional four percent (4%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Hearing/Vision Features.
- i. The 4% and 11% calculations shall each be based on the total number of Housing Units in the Housing Development. In determining the number of Accessible Units required, any fractions of units shall be rounded up to the next whole number. Required Accessible Units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites, and shall be available in a sufficient range of sizes and amenities so that a qualified individual with a disability has a choice of living arrangements that is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.
- j. While additional Accessible Housing Units may be provided, *i.e.*, up to twenty percent (20%), no more than fifteen percent (15%) of the Housing Units in any Housing Development may be counted toward the target number of Accessible Housing Units that the City must provide pursuant to the Voluntary Compliance Agreement (VCA) with HUD (specifically, no more than eleven percent (11%) of the Housing Units in any Housing Development with Mobility Features and no more than four percent (4%) Housing Units in any Housing Development with Hearing/Vision Features) unless HUD provides specific written authorization.
- k. The Accessible Units shall be affordable for households pursuant to the terms of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.
- l. The Project shall comply with the City's Accessibility Regulations Matrix & Overview, Accessible Design/Construction Compliance Requirements, and the Accessibility Report Requirements, which may be amended from time-to-time.
- m. The Borrower shall adopt and comply with the City's Fair Housing Policy Related to Disability, as amended.
- n. The Borrower and property managers (including resident managers and on-site managers) of the Housing Development shall attend the City's Fair Housing for People with Disabilities workshops.

- o. The Borrower shall register the Housing Development on the City's Affordable and Accessible Housing Registry ("AAHR"), located at <http://lahousing.lacity.org>, and utilize the AAHR to provide and update required information about the Housing Development and the Accessible Units, allow people with disabilities to apply for the Accessible Units when they become available and to place themselves on the waiting list for the Accessible Units, and comply with all other requirements of the AAHR.
- p. Following reasonable notice to the Borrower, Borrower shall allow the City to conduct periodic on-site inspections of the Housing Development in order to verify compliance with the Accessibility Standards and the City's Fair Housing Policy Related to Disability.
- q. The Housing Development as a whole and all Housing Units shall meet the requirements of the Accessibility Standards as defined in Section 1, above, and any requirements of the City, provided such requirements minimally meet and do not diminish the requirements of the Accessibility Standards.
- r. The Borrower shall provide a list to the City of all Accessible Units with unit number, bedroom size and type of Accessible Unit ("Housing Unit with Hearing/Vision Features" or "Housing Unit with Mobility Features").

Section 3. Occupancy of Accessible Housing Units. The Borrower shall follow the requirements of Section 504 and its implementing regulations at 24 C.F.R. Part 8, as well as the City's Fair Housing Policy Related to Disability to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities. The Borrower will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals who require the accessibility features of the particular unit. To this end, the Borrower will take the following steps when an Accessible Unit becomes vacant:

- a. First, the Borrower will offer the Accessible Unit to a current occupant of the Housing Development who needs the features of an Accessible Unit;
- b. Second, the Borrower will offer the Accessible Unit to a current occupant of a Housing Development under common control who needs the features of an Accessible Unit;
- c. Third, the Borrower will offer the Accessible Unit to an eligible, qualified applicant on the waiting list for Accessible Housing Units who needs the features of an Accessible Unit;
- d. Fourth, the Borrower will offer the Accessible Unit to a current tenant of a Covered Housing Development who needs the accessible features of the Accessible Unit and are registered with the AAHR; and
- e. Fifth, Borrower will offer the unit to qualified applicants who need the accessible features of the Accessible Unit and are registered with the AAHR.

- f. If there are no eligible current tenants or applicants in need of Accessible features, then the Borrower must conduct targeted outreach and marketing to advertise the unit to qualified individuals who need the accessible features, including listing it as available to individuals who need the accessible features at <http://lahousing.lacity.org>, distributing the information about the accessible vacancy in accord with the Borrower's City approved Property Management Plan, distributing it to the most recent list from the City of organizations that serve people with disabilities, and sending an e-blast to parties on the <http://lahousing.lacity.org> website Outreach List. All such communications shall take appropriate steps to ensure effective communication with individuals with disabilities by utilizing appropriate auxiliary aids and services, such as the use of accessible websites and emails. Outreach efforts to the disability community shall include, but not be limited to, notices and other communications describing the availability of such Accessible Units, specific information regarding the features of Accessible Units, eligibility criteria, and application procedures. These, and additional procedures, are incorporated into the City's Fair Housing Policy Related to Disability, as amended.

In the event more than one household has requested an Accessible Unit, the Borrower shall offer the Accessible Unit to households in order on the appropriate waiting list within each category.

If, after using the process identified above, there are no households who need the features of that Accessible Unit, then the Borrower may offer the Accessible Unit to the next household on the conventional waiting list. Should that household choose not to occupy the Accessible Unit, they will remain at the same position on the conventional waiting list. If the household chooses to occupy the Accessible Unit, the tenant must sign a lease addendum in the form approved by the City. The lease addendum requires the household to move to the next available, comparable, conventional unit, when given appropriate notice by the Housing Development that there is an eligible applicant or existing resident with a disability who requires the accessibility features of that Accessible Unit.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, the Borrower will pay the costs of the transfer to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

Section 4. Rental Policies. The Borrower shall adopt the City's rental policies that meet the requirements of Section 504, the ADA, the FHA, FEHA, and other federal and state laws and regulations as applicable, and of the Fair Housing Policy Related to Disability of the City, as amended. The Borrower shall develop and utilize a Property Management Plan ("PMP"), approved by the City, which describes affirmative marketing, tenanting, and other procedures to ensure that the Housing Development meets all of the civil rights requirements for individuals with disabilities.

Rental applications will include a section to be filled out by applicants to identify whether they are requesting an Accessible Unit or a Reasonable Accommodation. Applicants will not be required to disclose a disability under any circumstances, and the Borrower shall seek information to be disclosed limited to only what is necessary to establish the disability-related need for the requested accommodation. If both the disability and disability-related need for the requested accommodation are obvious or already known, no additional information may be sought by the Borrower. Applicants and residents may request a Reasonable Accommodation at any time.

Section 5. Residential Rental Property. The Borrower hereby represents, covenants, warrants and agrees as follows:

- a. All of the Housing Units in the Housing Development will be similarly constructed units, and each income restricted unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities, equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.
- b. All of the Housing Units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the housing units in the Project, except to the extent that: (1) Accessible Housing Units shall be made available on a priority basis to persons who need the accessible features, as described in Section 3 above; (2) any Housing Units are required to be leased or rented to low income tenants or persons 55 years of age and older, (3) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (4) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, and (5) any preference the Borrower may legally provide pursuant to applicable federal and state law.

Section 6. Monitoring Requirements. The City will monitor the initial production and ongoing occupancy of the Accessible Units and the Housing Development to ensure full compliance with the Accessibility Standards, the Fair Housing Policy Related to Disability and the policies in Sections 1 - 4, above. In order to determine compliance with the Accessibility Standards, the Borrower shall submit and the City shall review and approve a CASp Inspection Report of the Housing Development that identifies the necessary and required design elements to make the Housing Units and site accessible for individuals with disabilities. The City shall inspect the construction and/or rehabilitation to verify that the legally required number of Accessible Units have been produced and that the necessary and required design elements have been constructed to

make the Housing Units and site accessible for individuals with disabilities and supported by an independent CASp consultant's report.

The City will utilize the Housing Development's City approved PMP and Fair Housing Policy Related to Disability to monitor ongoing occupancy compliance of the Accessible Units and nondiscrimination of individuals with disabilities. Compliance with the policies shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessible Units, appropriately responding to Reasonable Accommodation requests, implementation of the assistance animal policies, implementation of the policies for re-leasing vacant Accessible Units, and all elements contained in the Fair Housing Policy Related to Disability, as amended.

Section 7. Maintenance of Records. With respect to the Covenants, the Borrower agrees to keep and maintain books, accounts, reports, files, records, and other documents pursuant to the terms of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

Section 8. Notices, Demands, Payments and Communication. Formal notices, demands, payments and communications between the City and the Borrower shall be sufficiently given and shall not be given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally pursuant to the Notice provisions in the Indenture.

Section 9. Term of the Covenants. The Covenants shall be recorded with the Regulatory Agreement upon its execution and shall terminate in accordance with the most restrictive provisions of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond.

Section 10. Covenant to Run with the Land. The Borrower hereby subjects the Project to the covenants, reservations, and restrictions set forth in the Covenants. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations, and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. In particular, this Covenant is subject to the requirements of HUD's Section 504 regulation at 24 C.F.R. § 8.50(c).

Section 11. Default; Enforcement. As part of ensuring compliance with the Accessibility Covenants, the Accessibility Standards, and the Fair Housing Policy Related to Disability, the City or its agent, will conduct periodic on-site visits inspecting the Housing Development, which inspections may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Borrower fail to comply, the City will first issue an Order to Comply ("Order") stating the element of the Housing Development that is out of compliance, and providing a date by which the Borrower must comply. The Order shall give the Borrower not more than 30 days to correct the violation, or such additional time as the City may grant if the Borrower is

taking steps to correct the violation (“Compliance Date”), and diligently pursues such action until the default is corrected, which extension is in the City’s sole discretion. The City shall re-inspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension, however failure to inspect or re-inspect within the time frame does not remove the obligation of the Borrower to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, then the City shall declare an “Event of Default” and may take any one or more of the following steps:

- a. **Inspection Fee for Non-Compliance.** In the event the Borrower fails to comply with the Order within the Compliance Date, the Borrower shall be liable for subsequent inspection fees in the amount approved by City Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice, will result in a late charge equal to or two times the fees and a collection fee equal to 50 percent of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee.

The late fee may be imposed without a hearing but may be appealed to the General Manager of LAHD. The appeal shall be made in writing, and shall specify the grounds for the appeal. The appeal shall be filed with LAHD within ten calendar days of the issuance of the imposition of the late fees and costs. The General Manager or his designee shall issue a decision within ten calendar days of the filing of the appeal. A copy of the decision shall be served on the person or entity subject to the Order or fee by first class United States mail, postage prepaid, or in person. The City shall have the right to bring legal action in any court to enforce the Order and collect the amount of outstanding fees and penalties. City may waive the penalty imposed pursuant to this section if City determines that good causes exist for the Borrower’s failure to pay in a timely manner.

- b. By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder;
- c. Filing of a complaint or referral to HUD or other appropriate agencies for further enforcement actions;
- d. Have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project, in order to ensure compliance with all provisions of the Covenants, including records relating to the accessibility of the Accessible Units; and
- e. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

Section 12. Compliance with Accessibility Requirements. The Borrower hereby certifies that it and its property manager and any agent, contractor and subcontractor will comply with the Accessibility Standards as defined, and the policies described in Sections 2-5. The Borrower and any contractor and subcontractor will provide Reasonable Accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with each of the applicable and stricter of the requirements of the ADA, the 2010 ADA Standards for Accessible Design, the ADAAG, Section 504, UFAS, the FHA, the Fair Housing Act Design and Construction Requirements, federal regulations implementing the ADA, Section 504, and the FHA, California Government Code 11135 *et seq.*, the California Building Code Chapters 11A and 11B, and all subsequent amendments to those laws. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to the Covenants and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 13. Governing Law. The Covenants shall be governed by the laws of the State of California.

Section 14. Parties Bound. The provisions of the Covenants shall be binding upon and inure to the benefit of the City and the Borrower and their respective successors and assigns.

Section 15. Severability. Every provision of the Covenants is intended to be severable. If any provision of the Covenants shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 16. Waiver. Any waiver by the City of any obligation in the Covenants shall be in writing; however, the City cannot waive the requirement to comply with federal and state law. No waiver will be implied from any delay or failure by the City to take action on any breach or default of the Borrower or to pursue any remedy allowed under the Covenants or applicable law. Any extension of time granted to the Borrower to perform any obligation under the Covenants shall not operate as a waiver or release from any of its obligations under the Covenants. Consent by the City to any act or omission by the Borrower shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the City's written consent to future waivers.

Section 17. Modifications. There shall be no amendment or modification of the Covenants without the prior written approval of the City. Any amendment or modification of the Covenants shall be by a written instrument executed by the City and the parties to the Covenants and the Regulatory Agreement or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California. Modifications or amendments to the Covenants may occur by operation of law or other agreements binding the City and the parties to the Covenants and the Regulatory Agreement.

Section 18. Conflicts. If the provisions of the Covenants are inconsistent with the provisions of the Regulatory Agreement, the Bond Documents, or any other documents which affect the Project, the more restrictive covenants or restrictions shall control.

Section 19. Recording and Filing. The Borrower shall cause the Covenants to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City may reasonably request. However, failure to record the Covenants by the Borrower shall not relieve Borrower of any of the obligations specified herein.
