We need to change the date for the public hearing as Saad Fathi already has a mandatory medical procedure scheduled around the original dates chosen for the public hearing.

See the attached letter.

Re: **Saad Fathi**

To Whom It May Concern:

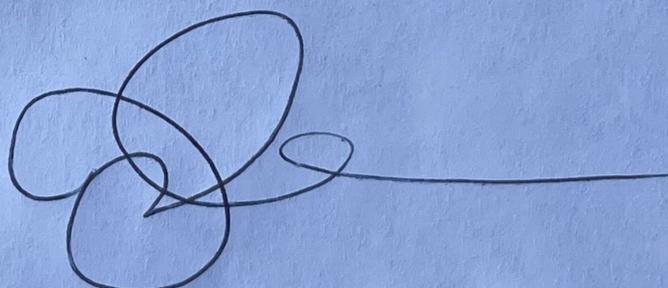

Saad Fathi has a planned medical procedure on Tuesday, September 20, 2022. Thank you in advance for accommodating a change in schedule to allow him to receive this medically necessary treatment.

Additionally, he has a follow up post-procedure appointment scheduled on October 4, 2022.

Sincerely,

John D. Bartlett
