Comments for Public Posting: I sincerely hope that the SMMC becomes a recognized Trustee Agency, so that wildlife will have a strong advocate involved in the review process for developments. It would be wonderful to see Los Angeles more environmentally friendly and I think this could be a great step towards this.

Comments for Public Posting: As a resident of Los Angeles who supports the protection of native wildlife locally and globally, I support this city council item. I urge you to recognize SMMC as a trustee agency as a step towards preserving the unique ecology and iconic landscape of LA's mountains. Thank you for your consideration.
