**Comments for Public Posting:** Dear Council Members, I am writing to urge you to step my consider implementing the Healthy Streets LA when considering to develop and to implement Bicycle Safety, including pedestrian and ADA safety! I am a bicyclist, and I enjoy riding my bicycle in and around Los Angeles, but I also fear for my personal safety because I had close encounters with bad motorists who drive too fast and too close. I ask that the city council to strongly consider Healthy Streets LA when developing and implementing bike lanes, bike paths, and ADA compliance including for pedestrians. Please, do the right thing! Thank you!
