**Comments for Public Posting:** Dear Council Members, As a Bicyclist, I urge you to consider all available options to develop and to implement Bicycle Safety including Pedestrian Safety. I have bicycled on Sunset Blvd, in and around Council District 13. There were times when I he close encounters with motorists who drive way to fast and dangerously close to bicyclists. I ask Councilman O'Farrell and the city council to implement better safety infrastructure for bicyclists & pedestrians. I had close encounters and I fear for my life. Please, take Healthy Streets LA into account when implementing bicycle safety! Thank you!
