Comments for Public Posting: I write to add my support, as strongly as possible, for Resolution Acknowledging Santa Monica Mountains Conservancy as a Trustee Agency to the City of Los Angeles (CF 21-1284). Citizens for Los Angeles Wildlife (CLAW) is a non-profit environmental organization concerned with the wellbeing of wildlife and wildlife habitat for the City of Los Angeles and beyond. I could simply add my name to the full letter they have sent you, but you have it. I stand firmly with CLAW for City Council resolution to memorialize Santa Monica Mountains Conservancy (SMMC) as a trustee agency in accordance with California's Public Resources Code and CEQA. Sincerely, Carol Tavis, Ph.D.
