PLEASE READ THE FOLLOWING BEFORE SIGNING

I am submitting this application along with the attached checklist and required documents to the above address. I understand that submittal of this application does not guarantee an approval for a tree or shrub removal permit. If the tree or shrub removal permit is granted, I understand I will be required to replace the removed tree(s) or shrub(s) at a ratio determined by the Urban Forestry Division and pay any outstanding planting, removal and/or permit fees in accordance with City policy. I understand that average processing time for the tree and shrub removal permits is 90 to 120 days from the time a complete application is received. This time frame is an average only and is subject to fluctuate upon project complexity and further review.

I understand and agree to defend, indemnify, and hold harmless, the City, its officers, agents, employees, and volunteers (collectively "City"), from any and all legal actions, claims, or proceedings (including administrative or alternative dispute resolution (collectively "actions"), arising out of any City process or approval prompted by this application either in whole in part. Such actions include but are not limited to: actions to attack, set aside, void, or otherwise modify, an entitlement approval, environmental review, or subsequent permit decision; actions for personal or property damage; actions based on an allegation of an unlawful pattern and practice; inverse condemnation actions; and civil rights or an action based on the protected status of the petitioner or claimant under state or federal law (e.g. ADA or Unruh Act). I understand and agree to reimburse the City for any and all costs incurred in defense of such actions. This includes, but it's not limited to, the payment of all court costs and attorneys' fees, all judgments or awards, damages, and settlement costs. The indemnity language in this paragraph is intended to be interpreted to the broadest extent permitted by law and shall be in addition to any other indemnification language agreed to by the applicant.

STANDARD TREE REMOVAL APPLICATION CHECKLIST

(The following items are REQUIRED and must be attached to the application. Incomplete applications will not be processed.)

Rev. 02/2021

FOR STREET TREES (SECTION 1)

<input type="checkbox"/>	1.	Bureau of Engineering A-permit (All driveway A-permits must include the notation "Driveway cannot be relocated in order to save tree").
<input type="checkbox"/>	2.	Plot Plans – Trees to be removed MUST be highlighted and distance from improvements included.
<input type="checkbox"/>	3.	Clear color photos of entire tree and/or damaged sidewalk (if repairing the sidewalk). No Google images.
<input type="checkbox"/>	4.	Any further information that the applicant or the City opines is pertinent to the project.

FOR PROTECTED PRIVATE PROPERTY TREES AND SHRUBS (SECTION 2)

Three (3) hard copies of the Protected Tree Report (PTR) or electronic copy shall be submitted by email or US Mail containing the following required information. (Los Angeles Municipal Code (LAMC) Section 17.02)

	1.	"Tree Expert" A person with at least four (4) years of experience in the business of transplanting, moving, caring for and maintaining trees who is one or more of the following: (a) a certified arborist with the International Society of Arboriculture and who holds a valid California license as an agricultural pest control advisor or (b) a certified Arborist with the International Society of Arboriculture who is a licensed landscape architect or (c) a registered consulting Arborist with the American Society of Consulting Arborists. (Amended by Ord. No.186,873 Effective 2/04/2021)	
	2.	By whom the PTR is prepared.	3. For whom the PTR is prepared.
	4.	Date PTR is prepared.	5. Date of PTR field inspection.
	6.	Table of Contents. All pages numbered and listed.	7. PTR location address with short geographic description.
	8.	PTR purpose, include reason(s) for removal.	9. Project description and background.
	10.	Square footage of the entire property and footprint of the existing and proposed new structure.	
	11.	Field observations.	12. Findings.
	13.	Recommendations.	14. Trees and shrubs tagged and numbered.
	15.	Mitigation (optional, <u>City of Los Angeles proscribes mitigation for any protected tree or shrub removal approval</u>). The ordinance states the mitigation shall "approximate the value" of the removed trees or shrubs. The current Board of Public Works policy has increased the minimum requirements for the protected tree or shrub replacement to 4:1 ratio. The Bureau determines tree or shrub value or a group of trees or shrubs in context with their environment.	
	16.	Matrix (spreadsheet) summarizing field observations of all protected trees or shrubs on subject property and any offsite protected trees or shrubs that may be impacted by project (trees or shrubs to be field tagged, provide code for offsite trees or shrubs, i.e. OS#1), tree or shrub species, tree or shrub height, diameter, spread, physical condition (i.e. declining, drought stressed, twig dieback, etc.) suggested treatment, tree or shrub rating, any other related information.	
	17.	Matrix of proposed protected tree or shrub removals.	
	18.	Matrix of proposed protected trees or shrubs to remain.	
	19.	Color photographs of all protected tree(s) or shrub(s). Multiple trees or shrubs may be shown on a photo if there is some method to differentiate between individual trees or shrubs. Minimum photo size is 5"x7".	
	20.	11-inches x 17-inches Topographical map (Construction drawing) with all protected trees or shrubs plotted (as close to real positions as possible, survey not required). Trees or shrubs shall be color-coded, either highlighted or CAD as follows: Quercus spp (yellow), Platanus racemosa (blue), Umbellularia californica (green), Juglans californica (orange), Sambucus mexicana (pink) and Heteromeles arbutifolia (brown). All proposed protected tree and shrub removals shall be circled in red. Approximate canopy spread should also be included. Included on the plan shall be the footprint of any proposed buildings, walls, patios, pools, etc. Also, lot and proposed building square footage should be included on plan.	
	21.	Landscape plan showing locations of all replacement trees and shrubs on a 4:1 ratio with the tree and shrub stock size to be determined by the City. This plan shall be species color coded as per item 20.	
	22.	Protected tree or shrub construction impact guidelines.	
	23.	Any further information that preparer or City opines to be pertinent.	
	24.	Pictures of protective fencing around the trees and shrubs to be protected in place.	
	25.	Verification of current licenses and certifications.	
	26.	Must be in a 3-ring binder, if large amount of pages.	
	27.	Digital copy of all submissions.
