RE: 2669 Bronholly Drive (Council File: 22-0499)

Dear Honorable Councilmembers,

Thank you for your attention to this matter for a proposed project located at 2669 Bronholly Drive, which is located in Council District 4. The Council Office strongly supports the Bureau of Street Services' (StreetsLA) recommendation that the City Council grant the CEQA appeal by the Bronholly and Carolus Residents Coalition, rescind the Notice of Exemption, and direct that the permit application be returned to StreetsLA for further consideration and more meaningful analysis to study any adverse potential impacts by the proposed project to protected trees or protected wildlife.

With gratitude,

Mashaal Majid
