Subject: Public Comments Not Uploaded # 22-0454 THE ORIGINAL PACIFIC DINING CAR

I am a resident of the Third Council District (Winnetka) and the reason I am contacting you regarding the future of the Pacific Dining Car. This is special not only to me but many others who would like to see it preserved as it has so much history. The list of dignitaries and movie stars from the "Golden Age of Hollywood" along with the great musicians all wined and dined here. To lose it would be a huge loss, as so much of our history from Los Angeles has been demolished and forgotten. Please consider preservation and the designation of landmark status to this structure of this great place.

Thank you for your time and consideration.

Matthew Peterson

To the PLUM Committee:

I'm a 36 year veteran Firefighter with the LACOFD & Executive Board member of FF Local 1014; now retired.

For decades the PDC has been my go to for high level business mtgs. and Family events! This venue is iconic and ONE OF A KIND in food, service & professional perfection.

What a loss when things were shuttered!

Please bring the PDC back as part of the History of L.A.!!!

Thanks for your consideration!

Hello,

I loved the Pacific Dining Car and feel it is a significant part of LA history that we must not loose. The city is fast becoming a neighborhood on chain restaurants and similar appearing architecture. The unique cultural aspects that make LA special and tie use to our past are disappearing rapidly in favor of more high rise condos on every corner. The Pacific Dining Car was truly unique and special; from the appearance and theme interior architecture, to the fantastic food, to the impeccable service dating back to a prior generation. Not to mention being open 24 hours. To me it was a cherished part of my LA experience and I have hated losing it. Please consider bringing back the 6th St location.

I fully support the preservation of Pacific Dining Car. Not only do we collectively need to honor LA's unique history, personally, the location means much to our family. It's late night hours with other-than-bright-diner ambiance had been the only place I could get a stubborn teenager to talk freely. There was something about the atmosphere that was conducive to free talk — things discussed felt more important there. Let's get the 24 hour deals and plans and communication going again.

Thank you,

M. Stearn

I'm a resident of Atwater Village (CD 28), and am writing to express my support of designating the entire building that comprises the Pacific Dining Car as protected.

Los Angeles has already lost too many unique destinations -- the kind of places that make L.A. special to those of us who live here, and make other people want to visit. Please don't allow us to lose another one.

Sincerely,

Wendy Weiner

To whom it may concern:

I want to voice my support for the protection of the Pacific Dining Car. It is of historical importance and we must not lose it. Our city is losing legacy businesses and important buildings what seems like every day. Let's not allow this one to go away! Thank you.
