Comments for Public Posting: Please reconsider the Covid 19 mandates and support Joe Buscaino and rescind any and all vaccine requirements. Clearly they do not slow the spread and have been detrimental to the work force that you and the rest of the city depend on every day

Comments for Public Posting: Please rescind the Covid 19 vaccination ordinance. Each city department has more cases now than 2020 and 2021. The cdc has updated guidance stating that vaccine status does not affect source control, screening and testing, or post exposure recommendations.
