Comments for Public Posting: I am a resident of the Third Council District (Winnetka) and the reason I am contacting you regarding the future of the Pacific Dining Car. This is special not only to me but many others who would like to see it preserved as it has so much history. The list of dignitaries and movie stars from the "Golden Age of Hollywood" along with the great musicians all wine and dined here. To lose it would be a huge loss, as so much of our history from Los Angeles has been demolished and forgotten. Please consider preservation and the designation of landmark status to this structure of this great place. Thank you for your time and consideration. Matthew Peterson
