Comments for Public Posting: I'm writing in support of agenda item 16, (22-1071). Elysian Park needs more bike lanes for increased accessibility and safety. These additional lanes are a step in the right direction!

Comments for Public Posting: This is a great idea- it will help people access Elysian Park and Dodger Stadium in a safe car free manner. This will be of tremendous benefit to the public and the park environment. I support anything that we can do to safely get people out of their cars.
