**Comments for Public Posting:** Dear Los Angeles City Council Representatives: Although this is a step in the right direction, I strongly urge all city council members to take similar actions in their respective council districts. There are many residents who are affected by the cost of living and are rent burdened. I encourage the city council to act accordingly without any further delay. I'd like to see all city council members take similar action in helping rent-burdened residents in their council districts. The time to act is now! -- Thank you, LIONEL MARES.
