Comments for Public Posting: Dear Los Angeles City Council: Many people are upset that the City Council has not done enough to provide services to the homeless population scattered across the city of Los Angeles. Heather Hutt, the council member of council district 10, has proposed 'new sweeps' in her district. Many activists and volunteer groups like Ktown for All are strongly opposed to this motion(s) presented by council member Heather Hutt. I am concerned that many people are going to get hurt. Please, reach out to volunteer organizations and activists Leader like Jane Nguyen who knows how to provide services to the homeless population through compassionate care. - Thank you, Lionel Mares P.S. Jane Nguyen is the best housing rights activist in downtown Los Angeles. She knows more than anyone else. I trust her! Jane is amazing!
