Re: Council File Number # 22-0454

I have been a patron of the original Pacific Dining Car since 1982 for weekly lunches and the occasional weekend dinner.

Now that the Santa Monica location is closed, I cannot imagine losing the original location. It is one of the few remaining (waiting patiently for re-opening), great Los Angeles institutions worthy of frequent visits. Yes, as soon as available my family and I will visit for no other reason than to have my favorite PDC lunch.

The history and personal memories are well worth the 600 mile round trip drive.

Hoping for a favorable outcome,
