REPORT NO. **R 22 - 0334**
OCT 04 2022

REPORT RE:

**DRAFT ORDINANCE AUTHORIZING THE GRANT OF A
NON-EXCLUSIVE UTILITY EASEMENT TO AT&T**

The Honorable City Council
of the City of Los Angeles
Room 395, City Hall
200 North Spring Street
Los Angeles, California 90012

Honorable Members:

This Office has prepared and now transmits for your consideration the enclosed draft ordinance, approved as to form and legality. The draft ordinance would authorize the City of Los Angeles to enter into and grant to Pacific Bell Telephone Company, a California corporation, dba AT&T (Grantee) a non-exclusive Agreement and Grant of Utility Easement [AT&T]. The foregoing is in furtherance of the public purpose of the Landside Access Modernization Program at Los Angeles International Airport (Airport), is in support of aviation at the Airport, and is in the best interests of the public.

The subject Agreement and Grant of Utility Easement [AT&T] provides replacement rights for continued operations after recordation of Tentative Tract Map 74322, which will merge public rights-of-way into private land. It is in exchange for good and valuable consideration, including Grantee's affirmative consent and agreement to recordation of Tentative Tract Map 74322.

Council Rule 38 Referral

A copy of the draft ordinance was presented to the Board of Airport Commissioners, and it recommends adoption of the draft ordinance.

If you have any questions regarding this matter, please contact Deputy City Attorney Nargis Choudhry at (310) 654-3814. A member of this Office will be available when you consider this matter to answer questions you may have.

Sincerely,

MICHAEL N. FEUER, City Attorney
