Comments for Public Posting: This is a joke of an ordinance. "Please maybe consider offering nonexistent housing to people in RVs before LAPD tows away their only home anyway". What a disgusting dereliction of responsibility to its most vulnerable citizens.

Comments for Public Posting: The proposal to impound vehicle dwellings such as RV's, will only further cause harm to vulnerable individuals and unhoused communities by senselessly placing these community members into 1) unnecessary debt, and 2) removing means of shelter. I cannot understand how this can possibly make sense. We urge you to do the right thing, and reject this proposal in entirety. San Bernardino Free Them All Project Amiga NO CARE Court Coalition
