Re: The Pacific Dining Car

To Whom It May Concern,

My name is Mischa Pfister and I reside in North Hollywood. Given its history, the countless memories created therein, and simply the delicious food, I would like to see the Pacific Dining Car, and the building as a whole, be designated / protected. We Americans have a habit of tearing down the old to build anew, but in this case, I feel it's important to maintain a physical connection with our past in order to share it with future generations.

While I was unable to virtually attend the meeting today, I appreciate you taking the time to read what I would have voiced aloud.

Kind regards,

Mischa Pfister
