Comments for Public Posting: Dear Council Members: I write to strongly urge you to take action on appointing a new City Council President. I want to see fundamental changes at Los Angeles City Council. I want to see new leadership. I want someone who will be honest, and transparent and will hold themselves and the city council accountable for their actions. I want a leader who will listen to the people and make an effort to bring about changes to city council and how it conducts business. I strongly urge the city council to move swiftly. The time to act is now! Sincerely, LIONEL MARES Council District 6
