

Motion

Almost 100 years ago, the City voters adopted the charter reforms submitted by the "Board of Freeholders", which were developed in 1923, voted on in 1924, and enacted in 1925. At the time, the charter reform movement was focused on tackling corruption, ensuring efficient government, and improving representation. Although many smaller changes took place after the 1925 charter reform movement, the next major change didn't take place until the late 1990s, ushering in important updates such as the Department of Neighborhood Empowerment, and restructured roles and duties of the Council and Mayor.

As the second largest city in the United States, Los Angeles is a major world-wide center of economic, cultural, and industrial power. As of the last US Census, the City grew approximately 3%, to 3.898 million people, a change of just over 106,000 residents since the 2010 census count. The City is home to some of the largest communities outside of their respective countries: Korean, Armenian, Salvadoran, Mexican, Filipino and others, making Los Angeles a major immigrant destination.

Between 1920 and 1929, the City's population grew from an approximate 577,000 residents, to just over 1.2 million. It was under this major growth that the City voters chose to create a Council with 15 members representing the unique corners of the City. With just under 4 million residents, it is time for the City to once again focus on representation. The Council should reflect the city residents that they serve; a charter amendment to increase the number of seats with methodology that ties council membership to population will help meet that goal.

I THEREFORE MOVE that the City Council instruct the Chief Legislative Analyst, with the Assistance of the City Attorney, to report on the steps needed to place a charter reform ballot initiative before the voters of Los Angeles in 2024, with recommendations that ensure representation is fixed to population growth, in order to increase the number of Los Angeles City Council seats.

I FURTHER MOVE that the City Council instruct the Chief Legislative Analyst, with the assistance of the City Administrative Officer, to prepare a report that outlines and sets forth an immediate redistricting process to implement the updated reforms, after passage of the above-mentioned charter reform ballot initiative.
