Hello, my name is Jennifer Nguyen and I am a resident of Los Angeles. I am emailing the LA city council today because I am absolutely disgusted by the comments and regards made by council members Nury Martinez, Kevin De Leon, and Gil Cedillo. I am demanding their immediate termination from the LA City Council.

The racist and hateful comments in the leaked audio do not represent the people of Los Angeles and these council members should be fired immediately for their actions. The city council should be embarrassed that these are in charge. If this is how they speak about the people they are presiding over, it makes the entire city look like a joke. They should be ashamed of themselves. Keeping these members on the council would just send the message out that the city agrees with them.

I am aware that Nury Martinez resigned from her position as president however as a resident I do not believe that is enough and want her to resign from the council immediately. Hate does not deserve a place on our city council and I do not wish for my tax dollars to be paying for them talking shit and being racist on the clock.
