Comments for Public Posting: Dear Madame and Sirs Dear City Council The city of Los Angeles, has held the Property Owner Under duress A form of Black Mail I'm only requesting a Cease and Desist with This Unfair Action. Of The Moratorium Unless the City is unbiased willing to Pay for all Rents Owe to Landlords do to the Binding Effect 100% Not fractional My Suggestion in the Future is for the City to not bias hold the Housing Providers Hostage and not degrade Note the next Emergency Session should be to Work with AOA, AAGLA , Fair Housing Coalitions (Me) and Various Associations to provide a Simple safety net and to help cure Homelessness by working together. .
