Summary: In a regular monthly meeting of the Westside Neighborhood Council, the board voted to support the Council File 22-1196 that “the City Council instruct the Chief Legislative Analyst, with the assistance of the City Attorney, to report on the steps needed to place a charter reform ballot initiative before the voters of Los Angeles in 2024, with recommendations that ensure representation is fixed to population growth, in order to increase the number of Los Angeles City Council seats; and, that the City Council instruct the Chief Legislative Analyst, with the assistance of the City Administrative Officer, to prepare a report that outlines and sets forth an immediate redistricting process to implement the updated reforms, after passage of the above-mentioned charter reform ballot initiative.” We believe that the process of drafting a charter reform expanding the City Council demands the involvement of all Angelinos and ask that the report on the steps needed include a section on formalizing the role of the public.
