ADDITIONAL REQUIREMENTS/FINDINGS FOR APPROVAL OF CONDITIONAL USE PERMIT – ALCOHOL (CUB)

1. Radius Map Requirements

See attached 500'/600' radius map package.

See attached list of alcohol establishments within 1000' of the subject site.

See attached list of sensitive uses within 600' of the subject site.

2. Findings

(a) General Conditional Use

(i) Provide a beneficial service. The new Target store will offer a selection of merchandise that caters to the surrounding residential neighborhood. As part of this selection, Target will offer customers the ability to purchase grocery items, including alcoholic beverages, while shopping for everyday essentials. The sale of alcoholic beverages will offer customers a more complete shopping experience and will provide a convenience to Target's customers by eliminating the need for an additional shopping trip.

(ii) Compatible with adjacent properties and neighborhood. The new Target store will be located in the recently-remodeled Valley Plaza shopping center at the northwest corner of Victory Blvd. and Laurel Canyon Blvd. Target will occupy approximately 80,000 sq. ft. on two levels of an existing retail building, with on-site surface parking. The building, which was previously occupied by Sears, will be shared with Ross Dress for Less and Burlington Department Store, both of which opened about a year ago. The proposed use is consistent with the commercial and retail uses along Laurel Canyon Blvd., and will not adversely affect or degrade the surrounding neighborhood.

(iii) Conforms with purpose and intent of General, Community and Specific Plans. The project site is zoned for commercial uses and is within the Community Commercial General Plan and the North Hollywood – Valley Village Community Plan. The Community Plan specifically recognizes the importance of maintaining the vitality of the Valley Plaza shopping area. The new Target store, with 80,000 sq. ft. of neighborhood serving retail uses. is consistent with the zoning, the General Plan and the priorities of the Community Plan.

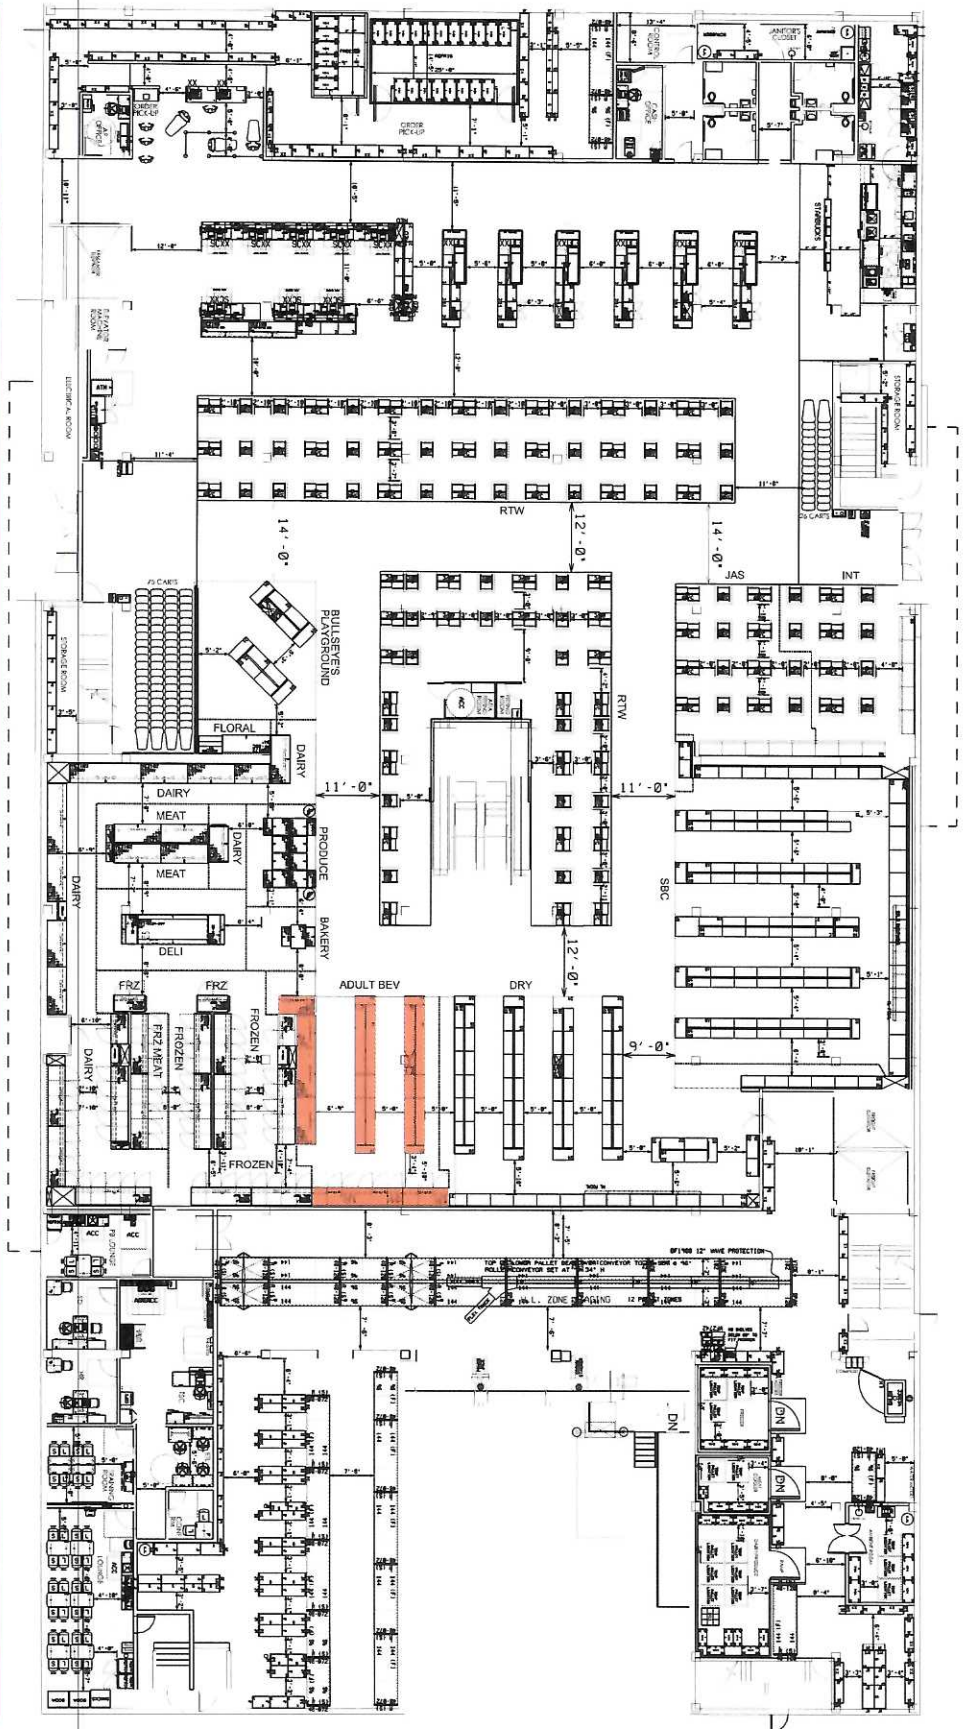

(b) Additional Findings

(i) Approval will not adversely affect the welfare of the community. The new Target store will provide a broad range of everyday essentials to meet the needs of local residents. The addition of alcoholic beverages sales will not change the character of the proposed retail use. Alcoholic beverage sales will be a small component of Target's overall retail use. Target also has policies and protocols to ensure that alcohol sales are handled in a responsible matter and to deter

crime, loitering and other undesirable activity. The incidental sale of alcoholic beverages, therefore, will not adversely affect the surrounding community.

(ii) No undue concentration of off-sale establishments. Although there are 2 off-sale licenses allocated for the census tract and 3 existing, the existing establishments do not service the same needs as Target. Because Target will offer a wide variety of everyday essentials in one location, the use will provide a benefit and convenience to the community and thus will not create an undue concentration of licenses in an area designated for commercial uses. The site is not in a high crime area.

(iii) Approval will not detrimentally affect nearby residents. The Valley Plaza shopping center is oriented to Laurel Canyon Blvd., a major commercial arterial street, with entrances off Laurel Canyon Blvd. and Victory Blvd. There are no nearby residents that would be affected by Target's operations. Furthermore, Target is a well-respected national retailer that understands and takes seriously the responsibilities that come with selling alcoholic beverages, and will conduct its operations with due regard for the well-being of the neighborhood.
