Subject: City Council situations

To: <CityClerk@lacity.org>

To whom it may concern:

~~ Senator McCarthy, have you no sense of decency?

Caruso attacks on a church in his ad is disgusting. I understand it gets some bad press, But it is still a religion practiced by a lot of people in Los Angeles. (See videos)
I don't think Bass is much better on this. She is calling for "new leadership" in the council because of Martinez comments, but she is still "prejudiced" against a group.

Stop the madness. Someone sent me these videos. They seem like good people
Helping out the people of LA.

Where does PREJUDICE stop in LA?? Too many people "pre-judging" on this.

I am appalled at the conduct of DeLeon, Cedillo, and Martinez. She took a few days but resigned. What about the other ?
They need to go.....NOW
alicia endo

City Clerk Council and Public Services <clerk.cps@lacity.org>

Tell those 2 guys 2 resign

I am shocked and appalled with their
Comments ! Tell them to
Give up their \$200k
Annual p ay seats and go
Look for work in the private
Sector . Shame on them!
I am a Vietnam Veteran
And I an very angry !!

Replacing Kevin de Leon

1 message

Dear Los Angeles City Council,

In light of Nury Martinez' resignation and the calls from people across our city and nation for Kevin De León and Gil Cedillo to follow suit, I am writing to urge Democratic leadership and our remaining City Council members to appoint Cyndi Otteson as acting Councilmember in CD14. In the 2020 City Council election, Cyndi came in 2nd to De León, running a grassroots, clean-money campaign. Cyndi was endorsed by many progressive groups and representatives in Los Angeles, including UTLA, Sunrise Movement LA, Ground Game LA, Knock LA and LAUSD Board Member Jackie Goldberg.

The city of Los Angeles has suffered enough due to the reckless and racist comments of these Councilmembers. Our citizens should not have to pay for a lengthy new election due to the actions of these bad faith players. I urge you to appoint a candidate that the people of CD14 can believe in.

Sincerely,

Wendy Eller, CD14 resident
